Theft-deterrent key system (separate ignition key).

Visible vehicle identification number.

### "Let's get it together . . . buckle up."

Every new 1986 General Motors car or light-duty truck delivered by a General Motors dealer in the United States comes with a one year, \$10,000 seat belt insurance certificate from MIC General Insurance Corporation at no additional charge. \$10,000 will be paid to the estate of any occupant who suffers fatal injuries as a result of an accident involving that vehicle while wearing a GM safety belt. Buckle up every time you drive.
