

Citroën Care for Car and Driver

Across the UK, a network of 250 Citroën Dealers are equipped and trained to meet the needs of today's motorists, each with a team of technicians skilled in the care and maintenance of the Citroën C3 and using only genuine Citroën parts. Each can also offer a selection of finance packages to suit the private and business purchaser. Contract Hire, Lease Purchase and Finance Lease are available to the business user, through Citroën Contract Motoring, whilst Elect 3 Personal Contract Purchase is specifically designed to offer flexibility and to match the motoring needs to the budget of the retail customer.

Citroën Elect 3

With the Elect 3 Personal Contract Purchase Scheme, you decide on the model which best suits your motoring needs, then set your preferred contract period of 24 or 36 months and anticipated annual mileage. At the end of the contract period you have the added flexibility of part exchanging the car for another new Citroën, purchasing it or simply returning it to the Dealer. By choosing Elect 3 you can drive a new Citroën every two or three years.

Citroën Fleet and Business Sales

All Citroën Dealers are dedicated to meeting the specialist needs of both the fleet and business buyer. Their comprehensive service can include advice on important business vehicle decisions, such as alternative acquisition methods, disposal of existing cars and vans, priority servicing and much more.

In short, their expertise aims to provide a 'total transport solution' for all your fleet or business vehicle needs. If you would like to contact Citroën direct for further information, please call Citroën Fleet Connect on 08457 940 940. Or look us up on the world wide web at: <http://www.citroen.co.uk/fleet>
