

 **CITROËN BERLINGO MULTISPACE**

ONE GOOD THING LEADS TO ANOTHER

BERLINGO MULTISPACE

INNOVATION AT YOUR FINGERTIPS

The height-adjustable steering wheel gives you complete control. So you can enjoy the incomparable driving comfort of the variable power assisted steering.

The instrument cluster features four dials: speedometer, rev counter, fuel gauge and temperature. The milometer is also equipped with a maintenance indicator, telling you the number of miles remaining before your next service is due.

The rear windscreen wiper is automatically activated when reverse gear is engaged and the front wipers are on.

As soon as you take your first glance, the Citroën Berlingo Multispace asserts its personality. With its solid bonnet, headlamps and distinctive, robust front bumper, you can see what you're getting straight away. You're getting a vehicle with character. A vehicle ready to take you on any road, anywhere – and in comfort every inch of the way.

Inside, the dashboard has been comprehensively redesigned. It forms a wide horizontal panel, stretching out between the driver's and passenger's seat, either side of the console containing the heating and comfort controls. Go on. Get in. The Citroën Berlingo Multispace is just waiting to show you what it can do

Open the tinted windows just as much or as little as you want with the electrically controlled front windows.

Enjoy the perfect temperature, even in the height of summer, thanks to the optional air conditioning (with heat-reflecting windscreen). The control is housed on the central fascia.

Easily accessible from both front seats, the RDS radio/CD player (standard on Desire models only) has dual controls on the fascia and behind the steering wheel. The radio status is centrally displayed on the dashboard.

Behind the steering wheel you'll find three essential controls: On the left: Headlamps and indicators. On the right: Windscreen wipers, wash/wipe and radio controls.

A COMFORTABLE HOME FROM HOME

The latest line and design. The last word in comfort. Berlingo Multispace spares no effort to make your journey even more relaxing.

For starters, there's the reclining front seats which come complete with folding armrests on the Desire models.

Then there's the curved headrest on each of the three rear seats. And, if the driver needs a wider field of rear vision, the headrests can easily be retracted.

The tailgate opens on to a huge 624 litres of indispensable storage space beneath the luggage cover. You won't have to travel light with Berlingo Multispace. This car is prepared to take anything.

The fewer passengers, the more you can take. Thanks to the split/folding rear seat, the vehicle can accommodate all you might conceivably need – skis, surf boards, bikes, dogs... In fact, it'll take anything up to 2800 litres!

THE LUXURY OF SPACE

Maximum space to carry everything you may need, multiple storage areas to keep everything tidy:

Berlingo Multispace has a place for everything. Doors, seats, backrests... all possible areas have been carefully studied to make the most of the available space, from floor to roof. This way, everything is neatly stored, while still close to hand!

Ingenious: There are clever storage spaces throughout the vehicle. The overhead storage nets above the sliding side doors (only on Forte models) or the net fitted in the boot above the wheel arch, provide secure, non-sliding storage.

Useful: The Modubox® is a folding trolley on wheels, which can be stored full or empty in a fixed, stable position in the boot. Standard on Desire models.

Practical: Pockets on the backs of the front seats to store books, games, small toys ... well, anything that needs to be kept close to hand.

Intelligent: Two clever storage compartments in the rear floor for all those important objects that you may want to keep safely out of sight.

For ease of convenience an under passenger seat storage tray is also provided.

Modutop: An innovative concept in roof design! Standard on Desire models, it cleverly combines a host of practical features, such as new storage areas, tinted glass skylights, additional air vents and integrated roof bars, to make any journey even more of a pleasure.

Comfortable: On the backs of the front seats are aircraft-style tables, standard on Desire models.

POWER FOR YOUR ADVENTURES

PETROL ENGINE: ECONOMICAL, EFFICIENT AND POWERFUL

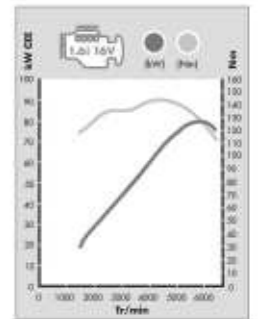

1.4i 75HP

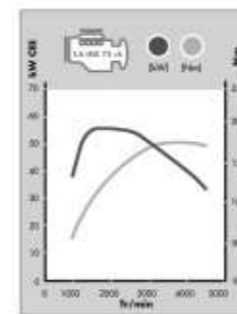

The powerful and supple multipoint injection petrol engines start with the refined, smooth-running and fuel efficient 75hp 1.4 litre unit.

1.6i 16V 110HP

The muscular 110hp 16 valve 1.6 litre engine delivers a top speed of 107 mph with a rewarding 38.2 mpg on a combined cycle.

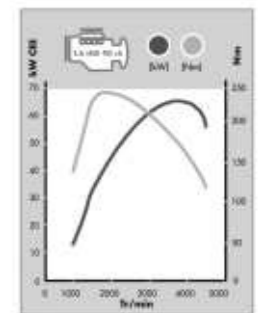

1.6 HDi 75HP: FRUGAL AND EFFICIENT

Inheriting all Citroën's prowess in the field of Diesel technology is the quiet, refined and flexible 1.6HDi 75hp. Fill up the 60 litre tank and you can have a whole 690 miles of adventure before you need to refill.

1.6HDi 92HP: TECHNOLOGY AT ITS BEST

The Diesel range includes even greater refinement with the advanced 1.6HDi 92hp engine, which boasts sophisticated engine management and injection technology to deliver high performance, improved economy (52.3 mpg on a combined cycle) and low CO₂ emissions.

PREPARED FOR THE UNEXPECTED

The Berlingo Multispace is fitted with both driver's and passenger's airbags as standard. To ensure extra protection, 18-litre side lateral airbags are also fitted as standard.

High-frequency remote control central locking is standard on Berlingo Multispace, and also features a locating function. For added peace of mind, a dashboard mounted button allows automatic central locking.

There's a place for everything, even the unpredictable. Berlingo Multispace is not content with offering you all the space and storage you need. It also guarantees you optimum peace of mind, whether you're out and about in town or on the open road and whatever the weather. Braking assistance systems such as ABS with Electronic Brakeforce Distribution (EBD), and large penetrating headlamps all play a vital role. Then there's the new passive safety features, such as a reinforced and re-designed body structure for improved safety, providing extra strength for the vehicle's interior and protecting the front and rear occupants in the event of side impact.

Variable power assisted steering makes parking manoeuvres a cinch and also delivers excellent handling when on the open road.

Each of the three rear seats is fitted with a 3-point inertia reel seat belt. Front seat belts are also fitted with pyrotechnic pretensioners and force-limiters for optimal response in the event of impact.

The integrated indicator lights and the perfectly smooth protective glass give a stronger line to the parabolic headlamps thereby guaranteeing optimal vision at all times. They can also be height adjusted from inside the cabin.

"Click!" With one simple action, the baby seat is solidly anchored in place. As quick to fit as it is safe, the Isofix system guarantees complete security.

ABS with Electronic Brakeforce Distribution (EBD) standard on all vehicles improves the balance between the front and rear wheels under extreme braking, enhancing both steering and braking efficiency.

ESP monitors the car's progress through a bend and if oversteer or understeer is detected, automatically modifies the engine's torque and applies one or more of the brakes to maintain stability and control. ESP also incorporates a traction control feature, which detects wheel spin and utilises the braking system and engine to restore grip. (Optional on 1.6i 16V and 1.6 HDi 92hp Desire models).

CITROËN CARE FOR CAR AND DRIVER

A network of Citroën New Car Dealers, Authorised Repairers and Parts Distributors are equipped and trained to meet the needs of today's Citroën customer.

Dealers can offer advice on vehicle funding; via Citroën Contract Motoring with packages such as Contract Hire, Finance Lease or Lease Purchase for Business Users, or via Citroën Financial Services with Hire Purchase or Elect 3 Personal Contract Purchase for Retail buyers.

In addition Authorised Repairers have a team of technicians skilled in the care and maintenance of Citroën products.

Citroën Elect 3

With the Elect 3 Personal Contract Purchase Scheme, you decide on the model which best suits your motoring needs, then set your preferred contract period and anticipated annual mileage. At the end of the contract period you have the added flexibility of part exchanging the car for another new Citroën, purchasing the vehicle or simply returning it.

Citroën DRIVENOW Personal Lease

DRIVENOW Personal Lease is an innovative new way to enjoy a new Citroën without the cost of ownership. With Citroën Assistance, Replacement of Wear & Tear Parts and Extended Warranty as standard for the full term of the agreement, most unforeseen costs that can prove difficult to budget for are taken care of. With leasing which can be arranged for a period of up to 4 years, DRIVENOW Personal Lease offers you a hassle free motoring solution.

Citroën Fleet and Business Sales

All Citroën New Car Dealers are dedicated to meeting the specialist needs of both the fleet and business buyer. Their comprehensive service can include advice on important business vehicle decisions, such as alternative acquisition methods, disposal of existing cars and vans, priority servicing and much more. In short, their expertise aims to provide a 'total transport solution' for all your fleet or business vehicle needs. If you would like to contact Citroën direct for further information, please call Citroën Fleet Connect on 08457 940 940. Or look us up at: <http://www.citroen.co.uk/fleet>

Citroën ADVANTAGE

Whether you intend to keep your new Citroën for more than 3 years or simply plan to drive more than 60,000 miles during its first three years, Citroën ADVANTAGE is an extended warranty which offers a similar level of cover to Citroën's new vehicle warranty. For more information, please contact your Citroën Dealer or call 0800 587 9808.

Citroën ADVANTAGE is underwritten by Pinnacle Insurance plc. Conditions apply.

Citroën MAINTENANCE

What if you could relax, safe in the knowledge that for a small one off fee or a low monthly payment, you could benefit from routine servicing, replacement of wear & tear items and roadside assistance? With Citroën MAINTENANCE you can. Simply choose the period & select the mileage and you too could benefit from peace of mind motoring on your terms. For information, contact your Citroën New Vehicle Dealer or Citroën Authorised Repairer.

Citroën ASSISTANCE

In response to a free telephone call, Citroën ASSISTANCE brings rapid expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Citroën ASSISTANCE applies to all vehicles registered from 01/01/05. Please note, Citroën ASSISTANCE only applies to incidents covered by the new vehicle warranty. Full details are available on request from Citroën UK via cukcustomer_relations@citroen.com

Comprehensive Warranty

Every new Citroën car offers the benefit of a 3 year* warranty package, plus a 12 year anti-corrosion** warranty and a 3 year paint warranty.

Citroën INSURANCE

Citroën INSURANCE*** is the only motor insurance designed exclusively for Citroën drivers and offers tailored cover at a competitive price. When the time comes to renew your insurance cover, call Citroën Insurance on 0870 024 2725.

Lines open 8am – 8pm weekdays, 9am-5pm Saturdays. Calls may be recorded.

Internet

The Citroën Website contains full information on all Citroën products and offers available in the UK, together with details of our environmental and recycling policies.

The site address is: <http://www.citroen.co.uk>
You can contact Citroën directly via cukcustomer_relations@citroen.com

* 2 years' manufacturer's warranty. No-fee customer option of 1 year's Dealer provided extended warranty, only on cars sourced from Citroën UK Limited. Note: dealer provided warranty is limited to 60,000 miles for cars and 100,000 miles for light commercial vehicles.

** Against all internal to external perforation to bodywork or underbody on condition the car undergoes an inspection by a Citroën franchised Dealer every two years from its fourth anniversary.

*** Citroën Insurance is arranged by Banque PSA Finance and underwritten by UK Insurance Limited. Conditions apply. Full details available on request.
