

Citroën Care for Car and Driver

A network of Citroën New Car Dealers, Authorised Repairers and Parts Distributors are equipped and trained to meet the needs of today's Citroën customer.

Dealers can offer advice on vehicle funding, via Citroën Contract Motoring with packages such as Contract Hire, Finance Lease or Lease Purchase for Business Users, or via Citroën Financial Services with Hire Purchase or Elect 3 Personal Contract Purchase for Retail buyers.

In addition Authorised Repairers have a team of technicians skilled in the care and maintenance of Citroën products.

Citroën Elect 3

With the Elect 3 Personal Contract Purchase Scheme, you decide on the model which best suits your motoring needs, then set your preferred contract period and anticipated annual mileage. At the end of the contract period you have the added flexibility of part exchanging the car for another new Citroën, purchasing the vehicle or simply returning it.

The new Citroën C1

Available in 3-door and 5-door versions, the C1 is particularly easy on the eye, with its bright and attractive styling. The short overhangs, generous bumpers and curved lines give the car a friendly look and a smiling face.

The interior of C1 has also been particularly well designed, boasting 12 storage compartments in the dashboard, central console and doors as well as an easily resizable boot with its folding rear seats.

The external dimensions of C1 give the car a unique cachet and real practicality in the city. Its astonishing length of only 3.43m makes it one of the shortest cars of the segment, while its generous width, height and wheelbase reinforce passenger comfort.

In terms of safety, C1 is a front runner with ABS, CSC (Cornering Stability Control) and up to 4 airbags available.

The class leading levels of occupant protection has earned the C1 a four star rating on the Euro NCAP crash tests.

Under the bonnet, the new C1 offers the choice between a petrol 3 cylinder 1.0i 68bhp and a Diesel 1.4HDi 55bhp. Both highly economical, they are ideal for urban use but sufficiently powerful to allow the C1 to drive smoothly and safely on major roads.

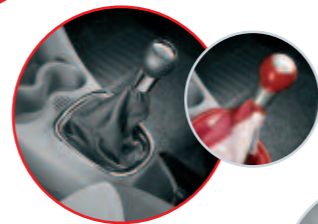

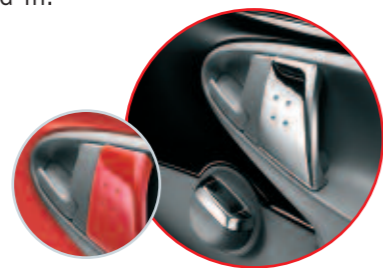

Citroën C1 Airplay

The stylish Citroën C1 - just got a little bit noisier!

The new Citroën C1 Airplay special edition comes with a free black iPod* 1GB nano and dash-mounted iPod cradle†, giving you easy access to your music whilst simultaneously charging your iPod.

The C1 Airplay's funky styling continues with body colour co-ordinated high gloss interior trim inserts, 14" steel wheels and a high visibility speedometer making it the compact city car to be seen and heard in.

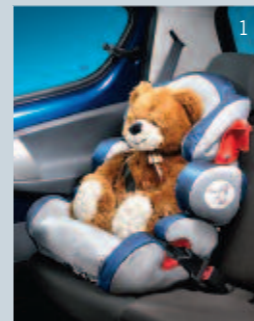

Choice of decal kits available as extra dealer-fitted cost option. Decal image shown is for illustrative purposes only. Actual decal kit may vary slightly in colour tone.
*iPod is a registered trademark of Apple Computer, Inc. †iPod cradle fitted free of charge by dealer at customer's discretion.
