...and feel the beat on the street

In the beginning, we brought you the sound of the streets in the style loving Citroën C1. This was Airplay.

But sound and style just got bigger. Proudly presenting the next generation of head turners. We call this Airplay+.

All hail the re-birth of cool.

Look slick in the city in Scarlet Red, Damas Blue metallic or Gallium Grey metallic and get ready for your close-up – the smart, funky and agile C1 is your style and sound passport. Just press play on your 4GB coloured iPod nano* and let the party start. Free flowing curves, fluid lines and wraparound bumpers give the fleet-footed C1 its full bodied character. It also achieved 4 star quality rating in the Euro NCAP Safety Crash tests for occupant protection. With this nimble, power assisted steering, and a 1.0i petrol engine, this little city lover is all you need for trips into and around town.

Not one, not two, but three reasons to step up your style stakes. Whether you are a City slicker, an urban trend maker or a style setter, everyone is invited to the biggest celebration of music. Taking residence in the Airplay+ family are the fabulous C1, C2 and C3, each fitted with the latest 4GB iPod nano* and docking station that colour complements the sexy-smart interior trim. Now, moving it to the music has never felt and sounded so delicious. Where's the party at? Step into the funky C2, press play on your booming 4GB iPod nano and get ready to take playtime to a brand new level. Cool to the eye in Sunshine Yellow, Arctic Steel metallic and Black, this sporty urban stylist is designed to be seen and heard in. The Sweeping curves, split opening tailgate, power assisted steering and electric door mirrors inspire a young-cool-modern look and feel. It also features driver and front passenger airbags, and a powerful economic petrol engine, making the ultra fleet footed C2 a thinker as well as sport performer.

Chic and classy, the stand-out-from-the-crowd C3 tailors a contemporary look with an airy, spacious interior. Press play on your 4GB iPod nano and get dressed to impress, the C3 looks great in Passion Red, Tuscan Blue pearlescent and Arctic Steel metallic. Packed with safety features including driver and front passenger airbags, ABS and excellent Euro NCAP ratings for occupant protection safety, the C3 is both stylish and smooth, and comes in petrol or advanced diesel engine. Sit back and soak it up, in the C3, you and your passengers will experience the most fashionable party on wheels.
