

Sitting on 16-inch, low profile Suzuka alloy wheels, the C2 Code's powerful sport-performance presence comes to life with solid, free flowing lines, bold wraparound bumpers and a chrome exhaust pipe. With its distinctive roof graphics, the C2 Code is available in Black and the new and exclusive Iron Grey pearlescent. For that luxurious, high-performance touch, sink back into your heated seat, adjust your height and reach responsive leather steering wheel, and assume the perfect driving position. Throw in a leather interior finish, chrome gear knob and sport-style aluminium foot pedals, and your total sport-dynamic driving experience is almost complete.

The unique roof graphics create a stylish and striking identity, setting the sporty C2 Code apart from anything else.

C2 CODE
SPECIAL EDITION

Insert key to unlock the Code and prepare for the most dynamic driving experience of your life.

In the very exclusive C2 Code, Citroën have pushed out the style stakes even further.

When you put your foot down on your roaring 125hp, 1.6i 16V engine, you too will understand exactly what is meant by the expression, full-blooded acceleration. With variable power assisted steering, including ESP and ABS with Electronic Brakeforce Distribution (EBD) and Emergency Braking Assistance (EBA), dynamic driving has never felt so good, even at high speeds. The C2 Code - ready and waiting to take your breath away.

For complete comfort without compromise, the heated driver's and passenger seats are height adjustable to ensure the best sight lines.

Dynamic on the outside, dynamic on the inside, the slick leather finish complements the C2 Code's sporty looks, while flexible seats act independently of each other and can slide, fold and be moulded accordingly.
