CITROËN
NEMO
THE SMALLEST
BIGGEST VAN

CITROËN
NEMO
LOADSPACE

POCKET-SIZE GIANT. COMPACT ON THE OUTSIDE. SPACIOUS ON THE INSIDE. CITROËN NEMO'S INTELLIGENT DESIGN MAKES REAL BUSINESS SENSE.

CITROËN NEMO IS A MASSIVE WORKHORSE – WITH AN ANT-LIKE FOOTPRINT. ITS COMPACT DIMENSIONS MEAN THAT IT CAN SQUEEZE INTO THE MOST AWKWARD PARKING SPACES, MANOEUVRE THROUGH TIGHT URBAN STREETS AND NIP IN AND OUT OF MULTI-STOREY CAR PARKS WITH EASE. AND WHEN IT COMES TO INTERIOR SPACE, CITROËN NEMO'S PROPORTIONS ARE IMPRESSIVELY GENEROUS.

Please note: Modular folding bulkhead shown is available as an accessory.

nemo

› COMPACT LOAD HAULER

With a load length of 1.52 metres and an amazing loadspace capacity of 2.5m³, Citroën Nemo is also capable of carrying a whopping 660kg payload. And with a low load sill it can easily swallow all kinds of heavy cargo and secure loads with robust, built-in anchorage points.

› A LITTLE MODULARITY

The EXTENSO® passenger seat folds fully flat giving you an extra 97cm load length to an exceptional 2.49m and increases load volume to a massive 2.8m³. The modular folding bulkhead (available as a dealer-fit accessory) folds 90° towards the driver's seat, allowing you to take full advantage of this extra load space while ensuring the driver continues to be protected.

› A LOT OF PRACTICALITY

When it comes to loading and unloading in busy urban spaces, Citroën Nemo really makes life easy. The asymmetrical rear doors can open to 90 degrees, or – for even more access – 180 degrees. Optional twin sliding side doors give you access from other angles, so you can load and unload twice as fast, or even when there's no room behind you. What's more, with remote control central locking available as part of the Plus Pack, you can keep the load compartment locked while you hop in and out, or lock the cabin while you unload.

BUSINESS CLASS. CITROËN NEMO IS MUCH MORE THAN A VAN. WITH ADJUSTABLE SEATS, HANDY STORAGE COMPARTMENTS AND USEFUL FEATURES, IT'S A MOBILE EXTENSION OF YOUR OFFICE.

WHEN YOU'RE OUT AND ABOUT, CITROËN NEMO IS A COMFORTABLE PLACE TO WORK. ON LX AND ENTERPRISE MODELS THE DRIVER'S SEAT CAN BE ADJUSTED FOR HEIGHT AND LUMBAR SUPPORT AND ALSO COMES EQUIPPED WITH AN ARMREST. EVEN THE HEIGHT AND REACH STEERING WHEEL CAN BE CHANGED TO ACHIEVE THE OPTIMAL DRIVING POSITION.

CITROËN NEMO CABIN FEATURES

› BIG CONNECTIONS

Depending on the Citroën Nemo model you choose, the front fascia puts a host of innovative technology within reach – like Connecting Box – Bluetooth® system with USB socket standard on Enterprise, optional on LX models, so you can make deals as you travel. Your phone conversations are broadcast through the MP3 compatible audio system, and there's a microphone integrated in the cabin roof, leaving you free to talk and focus on driving. There's even a 12 volt socket on the centre console for your mobile phone charger, so for professionals who spend more time behind the wheel than in the office, it really is the perfect workmate.

› LITTLE CREATURE COMFORTS

Every element of the cabin has been designed with business travel in mind, from the high gear stick to the coffee cup holders and a nifty compartment on top of the dashboard to hold smaller items like your wallet and keys. You can also have a flip-up A5 clipboard – perfect for keeping paperwork at hand and a glove box that's large enough to stow away your most valuable items – even a laptop.

CITROËN
NEMO
ENVIRONMENTAL

FULL COMMITMENT. WHEN IT COMES TO PROTECTION,
CITROËN NEMO LOOKS AFTER YOU, YOUR CARGO AND
THE PLANET WITH EQUAL ENTHUSIASM.

CITROËN NEMO HAS AN IMPRESSIVE CV – BOASTING A HOST OF STANDARD AND OPTIONAL SAFETY FEATURES, AS WELL AS CITROËN'S RENOWNED CREDENTIALS FOR PRODUCING 'GREENER' VEHICLES.

› LITTLE IMPACT

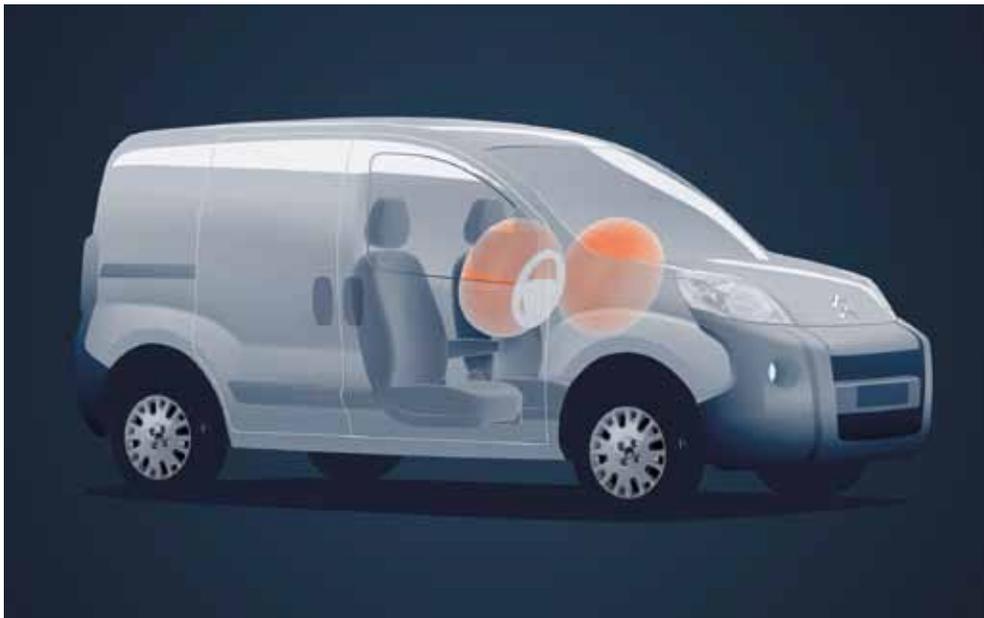

As any urban business driver knows, small nicks and scrapes can make a huge dent in the bottom line – so Citroën Nemo uses some clever engineering to reduce the financial impact. The front headlamps are high up to avoid contact, whilst the front bumper is reinforced by a steel safety bar to protect the engine from light knocks. To protect the rear there's also the parking sensors standard on Enterprise, optional on LX models, which activate automatically when in reverse.

› THE BIG PICTURE

Citroën are widely acclaimed for taking their environmental responsibilities seriously. And with its compact size and choice of two low emission, fuel-efficient engines, Citroën Nemo raises the bar even further.

The 1.4i 75 petrol engine is equipped with the 5-speed manual gearbox whilst the HDi 75 diesel engines have either 5-speed manual or 5-speed EGS.

› GREAT STRENGTH

With car-like roadholding and Anti-lock Braking System (ABS) as standard, Citroën Nemo is designed to keep you out of danger in all conditions. A robust outer shell, deep bumpers and up to two airbags keep you and your passenger protected from every angle. For added safety, Citroën Nemo's on board computer also has a programmable over speed warning system, which alerts you with an alarm and on-screen message if you go over your pre-set speed.

CITROËN NEMO. IT'S HOW YOU DO YOUR BUSINESS. WHY COMPROMISE ON FEATURES? WE HAVEN'T.

THERE ARE THREE MODELS IN THE CITROËN NEMO TEAM – X, LX AND ENTERPRISE. ALL BENEFIT FROM ABS, POWER ASSISTED STEERING, DRIVER'S AIRBAG AND A HOST OF OTHER USEFUL, BUSINESS-SAVVY ATTRIBUTES. AND TO HELP YOU REALLY MAKE CITROËN NEMO YOUR OWN, WE OFFER A RANGE OF OPTIONS, EACH DEVISED TO MAKE WORK EASIER.

› CITROËN NEMO X SPECIFICATION INCLUDES:

- ABS
- Driver's airbag
- Power assisted steering
- RDS stereo radio/MP3 compatible CD player
- Two individual front seats
- Height-adjustable seat belts
- Multi-function on-board trip computer
- Two asymmetrical unglazed rear doors
- 12 volt socket on centre console
- EXTENSO® folding front passenger seat

› CITROËN NEMO LX SPECIFICATION IN ADDITION TO X INCLUDES:

- **Plus Pack** – high-frequency multi-function flip remote control central locking with deadlocks, separate locking of load compartment, front electric windows with 'one-touch' operation and anti-pinch and electrically adjustable and heated door mirrors
- **Comfort Pack** – height-adjustable driver's seat with lumbar adjustment and armrest, height and reach adjustable steering wheel, lidded glove box in dashboard and A5 size dashboard mounted clipboard-style writing surface
- Nearside sliding side loading door

› CITROËN NEMO **ENTERPRISE** SPECIFICATION IN ADDITION TO LX INCLUDES:

- **Connecting Box** – Bluetooth® system with USB socket
- Air conditioning
- Rear parking sensors

CITROËN NEMO OPTIONS

► BULKHEADS

A steel halfheight bulkhead with upper mesh grille (B) can be fitted as an option on all Citroën Nemo vans. This separates the load compartment from the cabin and provides substantial protection for the driver and passenger, even when carrying a variety of small items.

Other options include a full steel bulkhead*, which forms a complete and secure barrier between the load space and the cabin area. Coupled with the unglazed rear doors, the full steel bulkhead provides excellent security for the cargo, hiding it from prying eyes.

For Citroën Nemo vans fitted with optional glazed rear doors with heated rear window and wash-wipe, a full steel bulkhead with inset window (C) is an option. This bulkhead offers similar load-stopping capability to the full steel bulkhead, with a window to optimise rear visibility.

For the easy transportation of long and large loads in full safety, the modular folding bulkhead (D) (available as a dealer-fit accessory) folds 90° towards the driver's seat (E). With the EXTENSO® passenger seat folded fully flat, you can then take full advantage of this extra 97cm load length (2.49m in total) and a massive 2.8m³ load volume, while ensuring the driver always remains protected.

► SLIDING SIDE LOADING DOOR

For really fast work and easy access, the nearside sliding side door or a second, offside door are a must.

► REAR PARKING SENSORS

Citroën Nemo's compact dimensions make the tightest parking spots a tempting possibility and rear parking sensors help make life even easier!

ADDED LUXURIES. PERSONALISE YOUR CITROËN NEMO TO SUIT YOU...

WHETHER YOU NEED EXTRA STORAGE OR BESPOKE VAN EQUIPMENT, CITROËN ACCESSORIES ARE DESIGNED TO MAKE YOUR JOURNEY SAFER AND MORE ENJOYABLE.

Visit www.accessories.citroen.co.uk to view our full range of Citroën Nemo accessories.

> TOMTOM SATELLITE NAVIGATION

TomTom satellite navigation devices to suit any budget and ensure you and your Citroën Nemo stay on the right road.

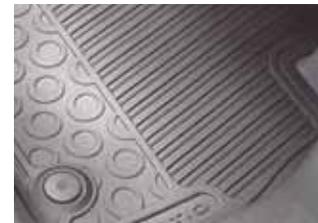

> PARROT VH3000 BLUETOOTH® HANDS-FREE CAR KIT

The safest technology to keep you in touch.

> RUBBER MATS (FRONT PAIR)

Muddy boots? Protect your Citroën Nemo's floor from stains with heavy-duty rubber mats.

> TOWBARS

Citroën towbars have been developed to ensure the highest standards of safety and strength. Created with your Citroën Nemo in mind, these accessories match your Citroën's style perfectly and extend your Citroën Nemo's already impressive versatility.

> 1. REAR DOOR STORAGE NETS (PAIR)

Excellent additional storage solution that fixes to the inside of the rear doors for all those items you like to keep at hand.

> 2. WINDOW PROTECTION GRILLES

Safeguard your Citroën Nemo's rear door glass with two durable mesh window protection grilles.

GREEN EFFICIENCY. CITROËN HAS BEEN PIONEERING CLEANER, MORE FUEL-EFFICIENT MOTORING, SUCH AS THE COMMON RAIL HDi ENGINES NOW FITTED IN ALL NEW CITROËN DIESELS, LONG BEFORE ALL THE HYPE...

CITROËN ENVIRONMENTAL COMMITMENT

CITROËN HAS ALWAYS BEEN AT THE FOREFRONT OF GREENER TECHNOLOGY AND THE CITROËN BERLINGO MAINTAINS THAT TRADITION. IT'S WHY WE ARE THREE TIME WINNERS OF THE GREEN FLEET LCV MANUFACTURER OF THE YEAR, INCLUDING THEIR MOST RECENT, 2011 AWARD. TODAY, WE HAVE ONE OF THE UK'S WIDEST RANGES OF LOW EMISSION VEHICLES. WE ALSO PRODUCE ONE OF THE UK'S MOST ECONOMICAL LIGHT COMMERCIAL VEHICLES, THE CITROËN NEMO VAN.

Citroën is a leader in the manufacture of low CO₂ emissions vehicles

GO LO CO₂ WITH B30
All Citroën HDi diesel vans run on 30% bio-diesel

› AIRDREAM – A BENCHMARK

When it comes to the environment we wanted to show our genuine commitment as well as our profound expertise, so we have devised a benchmarking scheme with the signature 'Airdream'. To qualify for the Airdream signature, vehicles must have an e-HDi (which denotes an HDi engine with Stop & Start micro hybrid technology), electric or Hybrid4 engine.

› THE AWARD WINNING CITROËN VAN RANGE

Citroën has an impressive range of vans to offer, full of innovations and technologies that raise the bar for comfort, safety, hard working efficiency and style. Our four model van range goes from the fabulously compact Citroën Nemo to the hugely versatile Citroën Relay and includes a number of Specialist models. Whichever you go for you'll get plenty of ingenious storage and business focused equipment, all designed to make your work easier and extra efficient.

CITROËN INSURANCE

CITROËN INSURANCE INSTANT COVER

To help you drive away your new van without delay, we offer Instant Cover insurance, providing you with 7 days comprehensive van insurance, for free!

CITROËN INSURANCE MOTOR INSURANCE

Citroën Insurance has been designed specifically for our vehicles. You don't just get repairs you get Citroën expertise, service, quality and parts.

So, when the time comes to renew your insurance cover, call Citroën Insurance on 0870 024 2725.

➤ ESSENTIAL CARE.

CITROËNS ARE RENOWNED FOR THEIR RELIABILITY – AND THE CITROËN NEMO IS NO EXCEPTION. WITH THE ADDED REASSURANCE OF A WARRANTY, ROUTINE SERVICING AND MAINTENANCE, AS WELL AS 24-HOUR ROADSIDE ASSISTANCE, YOU ARE PROTECTED.

CITROËN WARRANTY

Every new Citroën van has the benefit of a 3 year* warranty package, plus a 5 year anti-perforation** warranty and a 2 year paint warranty.

* 2 years' unlimited mileage manufacturer's warranty. No-fee customer option of 1 year's Dealer provided extended warranty, only on vans sourced from Citroën UK Limited. Note: Dealer provided warranty is limited to 100,000 miles for vans.

** Against all internal to external perforation to bodywork or underbody.

CITROËN ASSISTANCE

In response to a free telephone call in the UK, Citroën Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both van and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, mis-fuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes. Full details are available on request from Citroën UK via cuk_contactcentre@citroen.com

CITROËN MAINTENANCE

From roadside assistance to replacing wear and tear parts or regular servicing, with Citroën Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your Citroën, whatever happens. To find out more, contact your Citroën Dealer or Citroën Authorised Repairer.

CITROËN SERVICING

Available up to 1 year from your vehicle's registration date, but before its first chargeable service, a Citroën Servicing Package enables you to pay in advance for your vehicle's servicing needs for 3 years/35,000 miles. For further information, please ask a member of staff or pick up a leaflet today.

CITROËN NEMO

GLOSSARY & DIMENSIONS

> HIGH-PRESSURE DIRECT INJECTION DIESEL ENGINE

Our HDi diesel engines operate with the fuel under extremely high pressure, enabling microscopically precise injection control. With this level of management it's possible to inject at different times during the same engine stroke allowing total control over the combustion process. This has allowed our engineers to reduce carbon monoxide emissions by 40%, unburned hydrocarbons by 50% and engine particulates by 60%. Fuel consumption is 20% lower than a prechamber diesel engine, resulting in an equivalent reduction in CO₂ emissions and thanks to the torque available at low engine speed it could be argued that driveability is now better than in petrol engined cars.

> ANTI-LOCK BRAKING SYSTEM (ABS)

Computer-controlled braking assistance designed to prevent the wheels from locking under extreme braking. This enables the vehicle to continue being steered and therefore controlled during this braking incident.

> GUIDE-ME-HOME HEADLAMPS

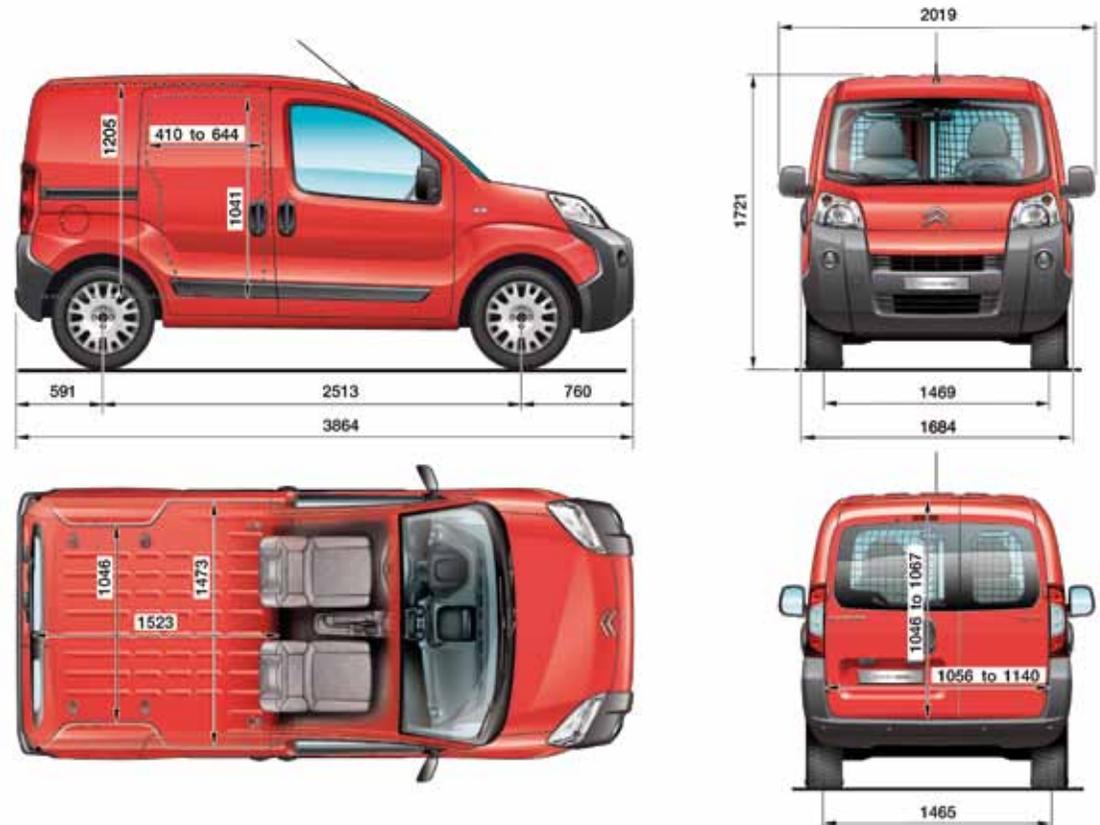

Parking in the evening or in a poorly lit car park is made easier with Citroën's 'guide-me-home' system. On locking the vehicle the headlights stay on for a few seconds to allow you time to get to your front door or garage exit with sufficient illumination to navigate your way safely.

> ON-BOARD TRIP COMPUTER

Citroën Nemo's multi-function trip computer provides you with information at your fingertips. At the touch of a button you can view a range of data like fuel consumption, average speed and mileage possible at your current fuel level. Citroën Nemo also allows you to set a speed limit with a warning tone sounding when it is exceeded.

> EXTENSO®

The EXTENSO® folding passenger seat enables the load length of Citroën Nemo to be increased to 2491mm, a gain of more than 950mm. This enables you to configure your passenger seat in three positions: Seat – for the transportation of a passenger. Table – to accommodate your various documents. Fully folded – for the transportation of long objects.

All measurements are in millimetres.
