Driving Dynamics	36–37	Opel Corsa OPC	50–53
Safety	38–39	Merchandising	54

The contents of this catalogue were accurate at the time of going to press (04/11). We reserve the right to alter specifications and equipment at any time. Please consult your Opel dealer for the very latest information.

First impressions count.

And **the Opel** Corsa is the definitive expression of youthful vitality. This is the car that tells the world who you are.

It's your life. Make sure you're in the driving seat.

You're open-minded, independent, and ready to take control. And Opel Corsa is with you all the way. The fun starts here.

Three doors or five, your driving fun
is guaranteed.

Everything that makes Opel Corsa great is also available with
the extra convenience of five doors.

Sharing can be fun.

If you're often out and about with friends, **the Opel** Corsa with five doors is for you. The two extra doors give easier access to the rear seats. So the chances are you'll never drive alone.

Your future's looking bright. Opel Corsa Color Edition.

It's impossible to hide a bright, sunny attitude. So show it off with the Color Edition. Available in a dazzling range of colours, with roof and alloy wheels in black.

An unmistakable winner. Opel Corsa Color Race.

With the chequered flag motif on the hood and tailgate, black roof and racy black alloy wheels, the Opel Corsa Color Race puts you on pole position.

Get yourself noticed. Opel Corsa Linea Pack.

Racy contrast stripes on the hood, roof and tailgate, matching door mirrors and 17" alloy wheels ensure you'll always be an eye-catcher.

Unlimited fun. Unbelievable variety.

Available in so many cool versions, there's sure to be a Opel
Corsa to suit you. These pages will help you choose.

Opel Corsa Essentia

The start of unlimited fun. A high level of standard equipment, enhanced by a modern interior décor.

Standard equipment includes:

- Driver's and co-driver's airbags
- Co-driver's airbag deactivation switch
- Smart seat-belt reminder
- Seat height adjuster, driver's side
- Tilt and telescope steering column
- ABS
- Central door locking
- Door to door illumination
- Daytime Running Light
- Adaptive Brake Light
- Overspeed warning
- Tinted windows
- Pockets on front seat backrests
- Sun visor with make-up mirror, co-driver
- Triple Info Display
- ISOFIX outer rear seats
- Versatile load-space cover
- Body-coloured bumpers
- Body-coloured electronic touch-pad tailgate opener
- Powered door mirrors
- Punch seat fabric, Charcoal
- Centre console in Matt Chrome
- 14" steel wheels with 185/70 R 14 tyres

Picture may show optional equipment.

co115_i01_002

Opel Corsa Enjoy

More colour choice means more individuality and more fun. There's **modern décor and the seat** fabric is available in three colour combinations.

Standard Essentia features plus:

- Side and curtain airbags
- 60 : 40 split rear bench
- Power windows, front
- Remote power for doors, tailgate, and fuel filler cap
- Body-coloured grab door handles
- Reflection seat fabric, Charcoal, Steel Blue, or Tabasco Orange
- Centre console in Matt Chrome with fabric Reflection, Charcoal.
Centre console in Pearl White with fabric Reflection, Steel Blue and Tabasco Orange
- Black foil on B pillar (not in combination with dark body colours)
- 15" steel wheels with 185/65 R 15 tyres

Pictures may show optional equipment.

co115_i01_004

co115_i01_005

A photograph showing the interior of an Opel Corsa Cosmo. The view is from the driver's side, looking towards the front passenger seat. The steering wheel is black with the Opel logo in the center and has control buttons on the left and right spokes. The dashboard and center console are dark. The front passenger seat has a dark fabric with a wavy, textured pattern. The door panel is also dark with a silver door handle and a yellow indicator light. The background shows a blurred outdoor setting with a building and a car.

Opel Corsa Cosmo

A higher level of Opel Corsa luxury, combining modern, high-quality materials with comfort, engaging elegance and youthful style.

Standard Enjoy features plus:

- Air conditioning
- Door sill plates with Opel lettering
- Front fog lamps
- Radio CD 30
- Leather steering wheel with remote controls
- Light Pack with illuminated, translucent controls
- Powered and heated door mirrors
- Drops/Morrocana seat fabric, Charcoal
- Centre console in Stealth Black with galvanized air vent rings
- 16" steel wheels with 195/55 R 16 tyres

Picture may show optional equipment.

Opel Corsa Sport

If you take your driving fun seriously, this is for you. With sporty accents, like sports seats, perforated leather steering wheel and chrome tailpipe, you'll enjoy every kilometre.

Standard Enjoy features plus:

- Air conditioning
- Radio CD 30
- Perforated leather steering wheel with red stitching and remote controls
- Front fog lamps
- Dark tinted rear windows
- Dark tail lights
- Sports exhaust tailpipe, chrome
- Powered and heated door mirrors
- Twist seat fabric, Charcoal with red stitching
- Centre console in Japan Black
- 16" steel wheels with 195/55 R 16 tyres

Picture may show optional equipment.

Opel Corsa Color Edition

The ultimate fun fashion statement, with black roof and wheels, stunning colours, and extra interior colour and trim highlights.

Standard Enjoy features plus:

- Leather steering wheel with remote controls
- Alloy pedals
- Front fog lamps
- Roof in high-gloss black (body-coloured in combination with Black Sapphire)
- Dark tinted rear windows
- Dark tail lights
- Sports exhaust tailpipe, chrome
- Twist seat fabric, Charcoal with yellow, red, or blue stitching
- Centre console in Japan Black
- Colour-coordinated air outlet rings
- 16" alloy wheels with 195/55 R 16 tyres

Pictures may show optional equipment.

Alloy wheel, 7 J x 17, 5-twin-spoke design, Casablanca White, tyres 215/45 R 17 (QV3 & 40P). Optional for Enjoy, Sport, and Cosmo in combination with Linea Pack.

Unlimited driving fun. Limited emissions.

Sharing a world means sharing the responsibility for it. Opel is actively working to reduce greenhouse gases by introducing new, more energy-efficient cars, as well as constantly improving current models. The Opel Corsa ecoFLEX belongs to the ecoFLEX family of advanced, energy-efficient cars, dedicated to reducing both CO₂ emissions and fuel consumption. And, as cleaner, more efficient alternative power sources become viable, Opel is developing the Opel Ampera, an Extended-Range Electric Vehicle (E-REV) that can drive up to 40–80 km on battery power alone before its on-board generator extends the range up to 500 km. Opel's commitment to preserving and protecting the environment goes even further, with drastically reduced manufacturing pollution and the provision of accessible take-back points across Europe. A commitment covering each phase of every vehicle's life.

Opel Corsa ecoFLEX. At Opel, we believe that a car that's fun to drive can also be frugal with fuel. And to prove it, our engineers have made a highly efficient car even more fuel-efficient. The Opel Corsa ecoFLEX with the 1.3 CDTI ECOTEC® delivers driving fun with 70 kW (95 hp), 190 Nm torque, and CO₂ emissions of just **95–94 g/km**. While static in stop-and-go traffic, or waiting at a red light, the standard Start/Stop System cuts consumption and emissions to zero.

Engine range. Opel Corsa's Euro 5 petrol engines feature dual cam phasers with continually variable valve timing and a wide range of other technologies to deliver a broader spread of torque and higher performance with excellent consumption values. The power choice ranges from the 1.0 TWINPORT ECOTEC® (48 kW/65 hp) to the top-of-the-line 1.6 Turbo ECOTEC® engine with 110 kW (150 hp).

Start/Stop System. A running engine in a stationary car consumes fuel and emits CO₂ emissions. Opel's Start/Stop System

automatically stops the engine when the car comes to a standstill. The engine promptly restarts as soon as the clutch is engaged.

co115_t02_010

copi115_t01_503

Shift indicator. The shift indicator is easily visible in the instrument cluster, signalling the optimum time to change gear for maximum economy.

Easytronic®. Efficient and simple to use, Easytronic® combines the advantages of a manual gearbox with the ease of an automatic.

co07_i01_006

The 1.2 and 1.4 TWINPORT engines also can be ordered with Start/Stop System for even less consumption and emissions. The 1.2 with 63 kW (85 hp) is also available as 1.2 LPG ECOTEC® with the additional benefits of lower fuel costs and nearly doubled range.

The common rail diesel engines of the Opel Corsa are paragons of performance, refinement, and efficiency. They range from the 1.3 CDTI (55 kW/75 hp) with optional Start/Stop System through the amazing 1.3 CDTI (70 kW/95 hp), with standard Start/Stop System and CO₂ values of only 95–94 g/km, to the 1.7 CDTI (96 kW/130 hp), delivering up to 300 Nm torque through the sporty 6-speed manual transmission for optimum driving performance, with emissions as low as 119–118 g CO₂/km.

All information was accurate and up to date at the time of going to press. The company reserves the right to alter engine specifications at any time, which may influence the content of the shown data. Please consult your Opel dealer for the latest information. All figures quoted relate to the EU base model with standard equipment. Fuel consumption data and CO₂ emission data are determined according to regulation 2007/715/EC and regulation 2008/692/EC, taking into consideration the vehicle weight in running order, as specified by the regulation. Additional equipment may lead to slightly higher results than the stated consumption and CO₂ figures. In addition, it may increase the weight of the vehicle when empty and in some cases the permissible axle weights as well as the permissible total weight of the vehicle and reduce the permissible towing weights. This may lead to a reduction in top speed and increased acceleration time. The driving performance figures shown are attainable when the vehicle is empty (without driver) plus a load of 200 kilograms.

Optimized chassis. Several refinements to all of the most important chassis components have resulted in noticeably better driving comfort for the Opel Corsa without compromising its agile driving characteristics.

Sports chassis. Handling precision and agility are further enhanced with the optional sports chassis by retuning ride height, suspension, damping, and steering characteristics to meet the demands of the sporty driver.

Anti-lock Braking System. In the Opel Corsa, ABS is much more than “just” ABS. It is the latest generation system incorporating a number of additional functions:

- Electronic Brake-force Distribution (EBD) optimizes the braking performance according to the vehicle load.
- Cornering Brake Control (CBC) improves stability when braking in curves by reducing brake pressure to the inner front wheel.
- Straight Line Stability Control (SLS) detects and corrects any tendency to instability when braking in a straight line by reducing brake pressure to the relevant wheels.

co115_t01_011

Electronic Stability Program (ESP^{®Plus}).

The Opel Corsa can be upgraded with ESP^{®Plus} which includes Traction Control (TC^{Plus}) and Enhanced Understeering Control (EUC). EUC optimizes the manoeuvrability in addition to standard ESP[®].

In case of ESP[®] intervention, brake pressure is applied to up to four wheels for the most effective stabilization when needed. ESP^{®Plus} counteracts even extreme understeering (such as sudden avoidance manoeuvres) to maintain overall control. For experienced drivers the ESP^{®Plus} can be switched off (with 1.6 Turbo engine only).

Adaptive Forward Lighting (AFL). Night driving has always had the potential to generate stress. **Opel Corsa's** advanced halogen AFL system projects the headlamp beams into curves and provides extra side illumination in tight corners. The result: less stress, more safety.

logo_5awards_2010_pos

Euro NCAP. The Opel Corsa has been awarded the maximum 5-star rating by Euro NCAP for its excellent safety performance.

co115_t01_005

Static Cornering Light. On tight bends at low speed an additional left or right reflector is switched on, throwing light into the corner at a 90° angle.

co115_t01_004

Dynamic Curve Light. Controlled via the steering angle and speed, the adaptive headlights swivel up to 15° to optimize night driving vision in curves.

co115_t01_006

Airbag systems. The **Opel** Corsa is equipped with front and thorax-pelvis side airbags. Curtain airbags can be optionally specified.

pico105_e02_511

Adaptive Brake Light. At speeds of more than 30 km/h, under ABS intervention, the brake lights flash to warn the following traffic.

Life is for living. And Opel Corsa will help you do exactly that. With driver aids like cruise control, overspeed warning, Park Pilot, automatic wipers and headlights, and so much more.

Flexible integrated carrier system (FlexFix®). Always on board, but as good as invisible when not in use, this innovative feature is concealed within the rear bumper. When extended, two bikes can be attached quickly and easily thanks to the carrier's low height.

Double load floor. A floor which can be adjusted, fixed or arranged on two levels which allows a horizontal subdivision of the boot.

Rear parcel shelf. When transporting larger items in the luggage compartment, the rear parcel shelf can be removed and securely stored behind the rear seat back.

Convenience

And living is easy. With a great range of equipment to choose from, including heated front seats, Solar Reflect windscreen, and Quickheat, you can create and control your mobile climate.

Panorama sunroof. A bright “open air” feeling is created by this extra-wide, power-operated glass sunroof. With cleverly designed aerodynamics, including a built-in wind deflector, and two-chamber noise insulation.

Heated steering wheel.

Unique in this class is the availability of a heated steering wheel, for warm hands in cold weather.

co115_i02_523

Electronic Climate Control (ECC). Using a patented predictive/adaptive control strategy, this unique Opel system delivers a stable interior climate under a variety of external environmental conditions. The individual settings are controlled via menu guidance on the Graphic Info Display (GID).

co115_t01_001

co115_i03_023

Mobile Phone Portal with Bluetooth™ and Voice Control. All important phone functions can be operated by the steering wheel controls, infotainment dashboard controls, or voice commands. The operating status is automatically shown in the dashboard display (GID), and the CD/radio sound is muted during calls. The connection to the external antenna is shielded to protect against radiation exposure. Another plus: whenever the mobile phone is docked in the cradle its battery is automatically recharged.

Get connected. And stay connected on the move. Touch-screen navigation, CD radios, Bluetooth™. All easy to use, and all available in **the Opel Corsa.**

Touch & Connect. Intuitive touch-screen multimedia access to Europe-wide SD-card 2D/3D navigation, radio/CD, Bluetooth™ functionality, and on-screen MP3-player control via USB port.

Opel Corsa OPC. Extreme driving fun isn't an extra. It's essential. It's not just the looks. It's more than the sound. It's the feeling. It's the high-performance 1.6 Turbo ECOTEC® engine, producing 141 kW (192 hp), with instant throttle response and an impressive torque delivery of 230 Nm increasing to 260 Nm for short bursts of overboost. Acceleration is inspiring: 0 to 100 km/h in 7.2 seconds, 80 to 120 km/h in 6.7 seconds. Maximum speed is 225 km/h. Complemented by a Nürburgring-tuned chassis, 16" ventilated discs complete with striking Technical Grey OPC callipers and switchable ESP^{®PLUS}. Even the central triangular exhaust has been tuned, not only for performance, but also for sound.

coopcl115_e01_016

Opel Corsa OPC: fuel consumption urban 9.8 l/100 km, extra-urban 5.9 l/100 km, combined 7.3 l/100 km; CO₂ emission combined 172 g/km (according to 2007/715/EC and 2008/692/EC).

If you take your driving fun seriously ...
... this is the place to be. Sitting in the body-hugging Recaro sports seat. In your hands the special OPC steering wheel. Ready to take on the road ahead.

Opel Service.

Europe-wide Customer Service.

Throughout Europe, more than 6,000 Opel repair workshops are ready to provide professional and punctual service. As you'd expect, they'll repair your vehicle to the highest standards. More unusually, perhaps, they'll tell you exactly what's been done and why, and they will show any costs involved clearly and concisely.

Opel Roadside Assistance.

This mobility service is valid and free of charge for all new Opel vehicles during the first year after the date on which they were first registered or delivered to the customer by the distributor, depending on which date comes first. No matter where you are, the Opel Roadside Assistance is there to help. In more than 40 European countries – round the clock. Offering services such as breakdown assistance, towing services, rental car, hotel accommodation or the organization of onward transportation, e.g. via rail or air (please see programme conditions). Your distributor or authorized repairer will be happy to offer an extension at your annual service.

Financing Offers.

The GMAC Bank offers you interesting tailor-made financing models. You alone decide how you would like to pay for your vehicle, in accordance with your particular needs.

Leasing Offers.

You can also lease your Opel, for example through GMAC Leasing. Leasing terms can be adapted to fit your business requirements and capabilities. Also, Master Lease offers you a complete fleet management service from one source.

Insurance Service.

Our GMAC insurance service rounds off the Opel Service Package. We offer Opel customers all types of automotive insurance.

Opel Rent Service.

Opel Rent will keep you on the road if your vehicle is out of service.

New Vehicle Warranty.

2-year new vehicle warranty. This warranty applies to any new Opel car for a period of 24 months without any mileage restrictions, as from the day on which it was either registered for the first time or delivered to the customer by the dealer, depending on which date comes first.

Extended Vehicle Warranty.

This repair cost insurance enables you to extend the warranty on your new vehicle to a maximum of 10 years.

12-year Anti-Perforation Warranty.

Opel provides you with a reliable long-term warranty against perforation, provided you have your vehicle serviced and all necessary inspections performed according to the service booklet.

3-year Warranty for Opel Batteries.

With a 3-year warranty for service-installed Opel original batteries your starting problems are over – even in the coldest winter.

Parts and Accessories Service.

Opel parts and accessories are available at your local Opel Shop, where you'll find everything to make your vehicle more comfortable or to meet your individual needs, as well as expert advice.

Opel on the Internet.

Need instant information? At www.opel.com you can access a wealth of information on all Opel cars, services, and accessories. Get online for Opel news and product updates.

Recycling.

Information about Design for Recycling, Take-Back points for End of Life Vehicles (ELVs) and the recycling of ELVs can be found on the Internet page www.opel.com

In case of any questions, please ask your Opel partner. More information can be found under www.opel.com
