POSITIVE POWER. FROM ITS FLUID SURFACES AND SHARP LINES, TO THE INNOVATIONS THAT BRING HIGHER LEVELS OF EFFICIENCY AND DRIVER ENJOYMENT, CITROËN C4 ACCENTUATES THE POSITIVE IN EVERY DETAIL.

CITROËN C4 IS THE EMBODIMENT OF STRENGTH, CONTROL AND EFFICIENT ENGINEERING. ALTHOUGH COMPACT, CITROËN C4'S ROBUST DESIGN PROVIDES MASSES OF USABLE SPACE: IT'S EFFORTLESSLY PRACTICAL IN EVERY SITUATION. FOR DRIVERS, A COMBINATION OF RESPONSIVE HANDLING, PRECISE STEERING, RIDE COMFORT AND INTELLIGENTLY PLACED CONTROLS ENHANCES EVERY TRIP, WHILST EFFICIENT ENGINEERING IS THE CATALYST IN THE EQUATION. CONSTRUCTION IS ADVANCED AND LIGHTWEIGHT; ENGINES AND TRANSMISSIONS DELIVER BOTH PERFORMANCE AND ECONOMY.

CITROËN C4

STRONG ON STYLE. CITROËN C4 HAS A STRIKING EXTERIOR THAT'S ASSERTIVE, ELEGANT AND SURPRISINGLY COMPACT. IT FEATURES DETAILS AND DESIGN ELEMENTS THAT MAKE A CHARISMATIC WHOLE.

THE FLUSH CURVES OF THE BONNET AND HEADLIGHTS ACCENTUATE THAT ICONIC CHROME DOUBLE CHEVRON GRILLE, WHILE THE DUAL SWAGE LINES DOWN EACH SIDE HINT AT CITROËN C4'S DYNAMIC STRENGTHS. EVERY SHAPE – SUCH AS THE SCULPTED WING MIRRORS – IS AERODYNAMIC AND BOLD. EACH FEATURE ADDS CHARACTER: IT STARTS AT GROUND LEVEL WITH THE CHOICE OF STUNNING 16", 17 INCH AND 18 INCH ALLOY WHEELS. ON EXCLUSIVE THIS FLOWS THROUGH THE CHROME WINDOW TRIMS DARK TINTED REAR SIDE AND TAILGATE GLASS, AND GLOSS BLACK INSERTS.

INNER STRENGTH. THERE IS A FEELING OF SUBSTANCE INSIDE CITROËN C4. EVERYWHERE. EVERYTHING THAT YOU SEE AND TOUCH HAS BEEN CAREFULLY SELECTED TO PROVIDE TACTILE PLEASURE AND EFFORTLESS FUNCTIONALITY.

THE DASHBOARD AND FASCIA HAS BEEN DESIGNED TO CONTAIN THE MINIMUM NUMBER OF PARTS FOR STRENGTH, AND IT IS SOFT TO THE TOUCH. THE CLEAR CONTROLS AND VENTS HAVE COOL SATIN CHROME SURROUNDS, WHILE THE LEATHER RIMMED STEERING WHEEL ON VTR+ AND EXCLUSIVE MODELS PUTS A WHOLE SPECTRUM OF CONTROLS PRECISELY WHERE THEY ARE NEEDED. THE GEARSHIFT ON ETG VERSIONS IS MADE FROM A SINGLE PIECE OF STEEL, WRAPPED IN LEATHER, AND EXCLUSIVE MODELS FEATURE A PART LEATHER INTERIOR. THESE PRECISION FORMED CONTACT POINTS SHARPEN THE SINGULAR APPEAL OF CITROËN C4.

19.5

SERENE CONTROL. CITROËN C4'S DRIVER FOCUSED CABIN SIMPLY MAKES LIFE EASIER, SAFER AND MORE ENJOYABLE.

TO CREATE THE HUSHED AMBIENCE ASSOCIATED WITH HIGH-END VEHICLES, CABIN SOUNDPROOFING HAS BEEN CAREFULLY ENGINEERED TO FILTER OUT ROAD, MECHANICAL AND WIND NOISE. NO DETAIL HAS BEEN NEGLECTED: EVEN THE SOUND OF THE AIR CONDITIONING FANS AND PARKING BRAKE HAVE BEEN REFINED AND MINIMISED. WITH EXCEPTIONAL QUIET AS A BACKDROP, THE STANDARD SURROUND SOUND SYSTEM ADAPTS TO THE ARCHITECTURE OF THE CABIN AND OPTIMISES SPEAKER PERFORMANCE. THE RESULT IS SUPERIOR SOUND WHEREVER YOU GO.

Refining acoustics further, polyphonic sound alerts, optional on VTR+ and standard on Exclusive, provide four distinct themes that match different vehicle functions. They have each been fine tuned to match Citroën C4's focused calm.

Adding to the sense of quiet sophistication, the cool blue instrument cluster fuses analogue and digital display technology to create perfect legibility: the blue shade is fully adjustable. Meanwhile the automatic air conditioning, standard on Exclusive or optional on VTR+, allows fine tuning of the interior ambience – it even carries on working for several minutes after the engine is switched off.

› CONTROL ZONES

The beautifully designed steering wheel puts audio and driving functions such as cruise control in their own logical 'zones' at the driver's fingertips.

| • digitalradio • |

› STORE AND CONNECT

On VTR+ versions, the centre console puts USB and 12V sockets plus two secure cup holders near at hand.

› DIGITAL ON THE GO

Relax and immerse your senses in a whole new audio driving experience with state of the art digital radio. Enjoy many extra digital radio channels not available on FM, improved station selection and the outstanding digital reception on VTR+ and Exclusive models.

REDEFINING THE COMFORT ZONE.

AN EXCEPTIONAL INTERIOR NEEDS DESIGN AND MATERIALS THAT APPEAL AT A GLANCE AND TO THE TOUCH, GENEROUS SPACE, QUIET AND PURE COMFORT. IT MUST PROVE ITS VERSATILITY WITH ENDLESS USEFUL DETAILS AND STORAGE IDEAS... WELCOME ABOARD.

CITROËN C4'S DASHBOARD ARCHITECTURE FREES UP EXCEPTIONAL LEGROOM FOR FRONT OCCUPANTS, WHILE THERE ARE FOUR DIFFERENT CENTRE CONSOLE DESIGNS, EACH PACKED WITH STORAGE SPACE FOR PHONES, DRINKS AND OTHER ESSENTIALS. SOME CENTRE CONSOLES EVEN INCLUDE A LARGE REFRIGERATED AND ILLUMINATED COMPARTMENT WITH SLIDING SHUTTER, PLUS A NEAT UPPER DRAWER THAT CAN BE EXTENDED FOR EASY CONNECTION OF MOBILES TO THE USB OR 12V SOCKET.

Occupants can enjoy plenty of space, including generous door pockets. In the front they can accommodate a 1.5 litre bottle and A4 documents with ease and rear doors will hold a 0.5 litre drink plus paperback. When it comes to travelling essentials, Citroën C4 has them covered.

› LOADING...

Maximising usable room everywhere, Citroën C4 has the largest boot in its class with up to 408 litres, and on Exclusive versions the split-folding rear seats include a ski hatch for long loads.

BIG IDEAS, SMALL FOOTPRINT. TAKING FULL ADVANTAGE OF CITROËN C4'S LIGHTWEIGHT ENGINEERING, e-HDi BRINGS ADVANCED TECHNOLOGIES TOGETHER WITH EXTRAORDINARY RESULTS.

15 YEARS OF DEVELOPMENT HAVE GONE INTO OUR HDi DIRECT INJECTION ENGINES, MAKING THEM REFINED AND FRUGAL. IN COMBINATION WITH A BEAUTIFULLY SIMPLE STOP & START SYSTEM AND SOPHISTICATED ETG GEARBOX, THE e-HDi 115 AIRDREAM VTR+ CAN ACHIEVE 76.3MPG ON THE COMBINED CYCLE AND CO₂ EMISSIONS OF ONLY 95G/KM. ALL PETROL ENGINES BENEFIT FROM VARIABLE VALVE TIMING, WHICH GUARANTEES OUTSTANDING PERFORMANCE AND ECONOMY. THIS RANGE OF PETROL AND DIESEL ENGINES PERFECTLY COMPLEMENTS A CAR THAT HAS BEEN DESIGNED TO BE AS LIGHTWEIGHT AS POSSIBLE TO DELIVER SUPREME PERFORMANCE AND EFFICIENCY. FOR EXAMPLE THE THP 155 ETG6 PETROL ENGINE ACHIEVES 0-62MPH IN 8.7 SECONDS YET STILL RETURNS 44.1MPG ON THE COMBINED CYCLE.

The ETG gearbox, available on e-HDi 115 and THP 155 ETG6 versions, is an advanced transmission that lets you select either fully automated shifts, or manual changes via the steering wheel mounted paddles. It's part of what makes Citroën efficient engineering unique.

Another innovation is Stop & Start, which puts the engine into idle mode as you decelerate and stops altogether as you come to a halt. The moment you take your foot off the brake pedal, it restarts silently and without vibration. It helps to reduce CO₂ emissions by about 5g/km and fuel consumption by 15% in the city.

SAFER THAN EVER. AS A HUB OF ADVANCED TECHNOLOGY, YOU WOULD EXPECT CITROËN C4 TO BE A SAFETY BENCHMARK AND IT IS, BRINGING A WHOLE RANGE OF INTELLIGENT SOLUTIONS TO THE ROAD.

THE OPTIONAL BLIND SPOT MONITORING SYSTEM ON EXCLUSIVE VERSIONS IS A PERFECT EXAMPLE. USING FOUR SENSORS MOUNTED IN THE BUMPERS, IT WARNS YOU IF THERE IS AN UNSEEN VEHICLE, WITH PICTOGRAMS THAT APPEAR IN THE DOOR MIRRORS. ESP WITH INTELLIGENT TRACTION CONTROL HELPS TO MAINTAIN COMPLETE STABILITY ON EVERY BEND, WHILST THE CORNERING LIGHT FUNCTION ON VTR+ AND EXCLUSIVE ILLUMINATES EACH TWIST AND TURN, USING THE FOG LIGHTS IN PARTNERSHIP WITH DIPPED MAIN BEAM TO ILLUMINATE POTENTIAL HAZARDS UP TO 75 DEGREES LEFT AND RIGHT. CITROËN C4 HAS ALSO BEEN AWARDED THE MAXIMUM 5-STAR RATING BY EURO NCAP.

> THE FUTURE OF PARKING

With natural poise, sure-footed handling, Electronic Stability Programme (ESP) and powerful ABS with Electronic Brakeforce Distribution (EBD), Citroën C4 inspires confidence on the move, but it's also advanced the art of parking on Exclusive models. Spot a potential space and the gap measurement system will let you know if it's big enough. Front parking sensors will then make tucking into the space safe and easy. Rear parking sensors are also standard on VTR+ and Exclusive models.

> ETOUCH: UNRIVALLED PEACE OF MIND

The remarkable Citroën eTouch Emergency and Assistance system is free for the whole life of the vehicle and available 24 hours a day, 7 days a week. Using GPS and an integrated SIM card, it pinpoints your location in the event of an accident or breakdown, alerting the emergency services or Citroën Assistance.

THREE NEW DIMENSIONS.
THE CITROËN C4 RANGE
BRINGS A CHOICE OF THREE
MODELS, BUT EACH ONE
ADDS A NEW MEANING TO
'STANDARD SPECIFICATION'.

FROM VTR TO VTR+ AND EXCLUSIVE, YOU WILL DISCOVER AN ARRAY
OF ADVANCED EQUIPMENT AND DETAILS THAT TOGETHER MAKE YOUR
JOURNEYS FAR FROM STANDARD. ALL YOU HAVE TO DECIDE IS HOW FAR...

VTR

THE FLYING START

WITH FEATURES THAT REINFORCE CITROËN C4'S UNIQUE ATTRIBUTES, AND SOME SERIOUS ENGINEERING INSIDE AND OUT, THIS IS AN EXCEPTIONAL POINT OF DEPARTURE.

› CITROËN C4 VTR SPECIFICATION INCLUDES:

- ABS with Electronic Brakeforce Distribution and Emergency Braking Assistance
- Electronic Stability Programme with traction control
- Driver's, front passenger's and front lateral airbags
- Front and rear curtain airbags
- Hill Start Assist function
- Remote central locking with deadlocks
- LED Daytime Running Lights (DRLs)
- Halogen headlights
- Body colour door handles and door mirrors
- Body colour front and rear bumpers
- 16 inch 'Atlanta' wheel covers
- Multi-functional steering wheel
- Cruise control with speed limiter
- Electrically adjustable heated door mirrors
- Front electric windows
- Air conditioning
- Heated rear hatchback window
- RDS radio/MP3 CD player with 6 speakers, surround sound and AUX socket
- Low centre console with open storage compartments
- Tyre pressure sensors

VTR+

MOVE ON UP

THE NAME SPEAKS VOLUMES. USING VTR AS AN EXCELLENT LAUNCHPAD, VTR+ SIMPLY ADDS MORE CONVENIENCE AND STYLE.

› CITROËN C4 VTR+ SPECIFICATION IN ADDITION TO VTR INCLUDES:

- Leather steering wheel with chrome inserts
- Rear parking sensors
- Front fog lights with cornering function
- Lumbar adjustment on front seats
- 16 inch 'Wembley' alloy wheels
- Electric folding door mirrors with kerb lighting
- Rear electric windows
- Chrome window trims
- Chrome strip on rear bumper
- Customisable colour instrument panel
- Cruise control with speed limiter and memory settings
- 12 volt socket in boot
- Sliding front armrest with storage
- **DAB Connecting Box** – DAB radio, Bluetooth® handsfree and media streaming with USB socket
- Automatic electric parking brake (ETG version only)
- Dark tinted tailgate window

EXCLUSIVE

THE A-Z OF C4

AESTHETICALLY, TECHNICALLY, PRACTICALLY, LUXURIOUSLY... EVERYTHING GOOD HAS GONE INTO THE RANGE-TOPPING EXCLUSIVE. YOU AND YOUR PASSENGERS WILL WANT FOR NOTHING.

› CITROËN C4 EXCLUSIVE SPECIFICATION IN ADDITION TO VTR+ INCLUDES:

- Front parking sensors with parking space 'gap' measurement system
- Black leather with black 'Saint Cyr/Dinamica' cloth
- Perimetric and volumetric alarm
- 17 inch 'Phoenix' alloy wheels
- Automatic dual zone air conditioning
- Automatic lights and windscreen wipers, auto-dimming electrochrome rear view mirror
- Front seats with electric lumbar adjustment and massage function
- Rear armrest with ski flap
- Citroën eTouch Emergency & Assistance system
- Gloss black rear spoiler and B pillars
- Chrome inserts on front bumper and chrome front grille surround
- Dark tinted rear windows
- Chrome window sills
- Polyphonic, customisable sound alerts
- Automatic electric parking brake
- Sliding height-adjustable front armrest with storage
- Front sill protectors
- Rechargeable boot torch

PROGRESSIVE PERSONALITY. THE OPTIONS AVAILABLE FOR CITROËN C4 REFLECT A CAR THAT IS ADVANCED TO ITS CORE.

THE LATEST SATELLITE NAVIGATION, A STUNNING SOUND SYSTEM AND PACKS BASED AROUND INGENUOUS AUTOMATION OR VISUAL SOPHISTICATION STRENGTHEN THE SENSE OF PROGRESSIVE INDIVIDUALITY.

› EMYWAY DAB SATELLITE NAVIGATION SYSTEM

With its large 7" screen and sleek, integrated look, eMyWay satellite navigation system helps you travel effortlessly around the UK and Europe. Its in-built memory provides information about speed limits and lets you know which lane to use when reaching complex intersections. The system also lets you adapt your route based on traffic conditions, with data provided by Traffic Master and ViaMichelin in the UK and France.

› EMYWAY DAB AND DENON HI-FI SYSTEM

On Exclusive models you can enjoy a powerful Denon Hi-Fi system that is acoustically optimised to the interior. With eight speakers mounted in doors and dashboard, a stylishly housed 100W subwoofer in the boot and a 300W 10 channel DSP amplifier, this is tailor made music for Citroën C4 – you won't want to get out!

› AUTOMATIC PACK

The Automatic Pack combines automation and advanced technology to enhance your comfort, add convenience and raise levels of safety – it puts you in complete, relaxed control. Automatic digital air conditioning can be adjusted through soft, medium and strong intensity settings.

FREE EXPRESSION. BE INSPIRED AND EXPRESS YOUR CREATIVITY WITH CITROËN C4 ACCESSORIES THAT ARE DESIGNED TO FAITHFULLY REFLECT YOUR NEEDS.

FROM ROOFBARS TO TOWBARS, FROM LUXURY TOUCHES TO PRACTICAL EQUIPMENT, YOU'LL FIND THE SOLUTIONS YOU'RE LOOKING FOR. VISIT WWW.ACCESSORIES.CITROEN.CO.UK TO VIEW THE FULL RANGE OF CITROËN C4 ACCESSORIES.

> WIFI ON BOARD

Citroën's 'WiFi on Board' system creates an in-car wireless network, allowing simultaneous internet connection for multiple WiFi devices such as laptops, smartphones and game consoles.

Requires a 3G/3G+ SIM, which is not included.

> DIGITAL RADIO

The new Citroën Ezi-DAB has been designed to upgrade your existing car stereo to receive outstanding digital reception. Enjoy 100s of extra digital radio channels and be ready for the digital switch over.

> TOMTOM CHOICE

The latest range of TomTom navigation systems have arrived at Citroën, with improved looks and improved features. Available with a host of fabulous new user aids that put real-time travel information at your fingertips.

> 1 MUDFLAPS

Contoured front and rear mudflaps protect bodywork and enhance safety in poor weather.

> 2 ALLOY WHEELS

Add your personal touch with our alloy wheel range. These alloys have been designed and developed featuring a bold design with clean lines, alloy wheels are one of the few parts that can profoundly affect a vehicle's appearance.

> 3 PARKING SENSORS (FRONT & REAR)

Parking becomes stress-free with Citroën's front and rear parking sensors, which are subtly integrated into your new Citroën C4's bumpers.

> 4 STORAGE

Expand the capabilities of your new Citroën C4 with various storage accessories including cargo nets and luggage compartment dividers.

> 5 TOWBARS

Citroën towbars have been developed to ensure the highest standards of safety and strength.

> 6 ROOF BARS

Citroën traversing roofbars are designed to match the contours of your new Citroën C4 and can be used with Citroën bicycle carriers, ski/snowboard carriers and roof boxes for quick and easy transport and storage solutions.

EFFICIENCY MINUS COMPROMISE. CITROËN HAS CREATED FUELEFFICIENT VEHICLES WITHOUT SACRIFICING DRIVER ENJOYMENT FOR SOME TIME. THE LATEST ADVANCES TAKE THIS FINE BALANCE FURTHER STILL...

WITH THE PROVEN CREDENTIALS AND ENVIRONMENTAL PERFORMANCE OF CITROËN HDi DIRECT INJECTION ENGINES AS INSPIRATION, e-HDi ADDS NEW TECHNOLOGY, SUCH AS A SMOOTH, SIMPLE STOP & START SYSTEM AND ETG GEARBOX. STOP & START PUTS THE ENGINE INTO IDLE MODE AS YOU DECELERATE AND STOPS ALTOGETHER AS YOU COME TO A HALT. THE MOMENT YOU TAKE YOUR FOOT OFF THE BRAKE, IT RESTARTS SILENTLY AND WITHOUT VIBRATION. THE RESULTS ARE A DRAMATIC REDUCTION IN BOTH FUEL CONSUMPTION AND CO₂ EMISSIONS, COMBINED WITH RESPONSIVE PERFORMANCE WHEREVER YOU GO.

We've also been equipping more of our vehicles with more environmentally friendly breakthroughs, such as our Efficient Tronic Gearbox (ETG), which boasts impressively greener credentials, with less pollution and up to 5% more economy than a conventional manual gearbox system. In addition, Citroën has expanded the use of the exceptionally efficient, self-regenerating Diesel Particulate Filter System in our models. Cleaner, greener driving without taking away from the drive – that's what you can continue to expect from Citroën.

› PURE TECHNOLOGY

Demonstrating Citroën's commitment to Créative Technologie, PureTech engines provide increased power with lower fuel consumption and emissions by adopting a smaller and lighter three cylinder configuration constructed of pressure-cast aluminium. In conjunction with low friction component coatings, improved air and fuel flow and optimised combustion, this allows engines to offer more power, better fuel economy and significantly lower CO₂ emissions.

› AIRDREAM – A BENCHMARK

Citroën's environmental commitment and advanced efficiency are perfectly illustrated by Airdream. It's a benchmarking scheme that has three demanding criteria which a vehicle must achieve before it can wear the name. Firstly it must emit no more than 140g/km CO₂. Secondly it must be produced at a plant that meets the rigorous ISO 14001 certification and also it must be 95% recoverable. Only e-HDi, electric or Hybrid4 engined Citroëns currently qualify. It's no surprise that Citroën is one of the leaders in Europe for low CO₂ emissions.

› ELECTRIFYING. HOWEVER YOU LOOK AT IT

Forget what you know about electric cars. Citroën Survolt concept combines undiluted glamour with advanced sporting dynamics, then adds a 100% electric drivetrain. Outside, LED lights, voluptuous curves, two-tone charcoal and fuchsia paintwork, and a race-inspired rear spoiler meet your gaze. Inside, a stunning blend of curved chrome, swooping glass, high technology and organic forms welcomes you to an entirely new place. But this is no simple styling exercise. At heart, Survolt is even more radical, because although it is designed to thrill, it is powered purely by silent, efficient, clean electricity.

DRIVE YOUR WAY. GET BEHIND THE WHEEL OF YOUR CITROËN C4, WITH CITROËN'S RANGE OF FINANCE AND INSURANCE PRODUCTS.

CITROËN FINANCIAL SERVICES

PURCHASE PLAN

Own your vehicle with this flexible package designed to fit your budget.

ELECT 3

A new Citroën car every two or three years with monthly payments structured to suit your budget.

ELECT 4

Enjoy the convenience of a new car without the stress and hassle of ownership.

TO FIND OUT MORE ABOUT CITROËN PRODUCTS AND SERVICES, GO TO WWW.CITROEN.CO.UK OR CONTACT YOUR CITROËN DEALER.

FOR BUSINESS USERS

CITROËN CONTRACT MOTORING

HIRE PURCHASE

A tried and tested finance package that allows you to own your vehicle.

BUSINESS LEASE

An alternative to vehicle ownership that allows you to control your business cash flow and gain tax efficiencies.

LEASE PURCHASE

Own a vehicle with a finance solution that offers ultimate flexibility to complement your business cash flow.

CONTRACT HIRE

A non-ownership finance solution that keeps costs fixed and risks low.

CITROËN INSURANCE

INSTANT COVER

To help you drive away your new car without delay, we offer Instant Cover insurance, providing you with 7 days comprehensive car insurance, for free!

MOTOR INSURANCE

Citroën Insurance has been designed specifically for our vehicles. You don't just get repairs you get Citroën expertise, service, quality and parts. So, when the time comes to renew your insurance cover, call Citroën Insurance on 0870 024 2725.

Lines open 8am - 8pm weekdays, 9am - 5pm Saturdays. Max call charge from a BT landline is 8p per minute. Calls from other networks may vary. Alternatively, visit www.citroen.co.uk for more information or to apply online.

Citroën Insurance is underwritten by U K Insurance Ltd which is authorised and regulated by the Financial Conduct Authority. Citroën Insurance is a trading style of Banque PSA Finance UK of Quadrant House, Princess Way, Redhill, Surrey, RH1 1QA.

ESSENTIAL CARE. CITROËNS ARE RENOWNED FOR THEIR RELIABILITY – AND THE CITROËN C4 IS NO EXCEPTION.

WITH THE ADDED REASSURANCE OF A WARRANTY, ROUTINE SERVICING AND MAINTENANCE, AS WELL AS 24-HOUR ROADSIDE ASSISTANCE, YOU ARE PROTECTED.

CITROËN WARRANTY

Every new Citroën car has the benefit of a 3 year* warranty package, plus a 12 year anti-perforation** warranty and a 3 year paint warranty.

* 2 years' unlimited warranty. No-fee customer option of 1 year's Dealer provided warranty, only on cars sourced from Citroën UK Limited. Note: Dealer provided warranty is limited to 60,000 miles for cars.

** Against all internal to external perforation to bodywork or underbody.

CITROËN ASSISTANCE

In response to a free telephone call in the UK, Citroën Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, mis-fuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes.

Full details are available on request from Citroën UK via cuk_contactcentre@citroen.com

CITROËN MAINTENANCE

From roadside assistance to replacing wear and tear parts or regular servicing, with Citroën Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your Citroën, whatever happens.

To find out more, contact your Citroën Dealer or Citroën Authorised Repairer.

CITROËN SERVICING

Available up to 1 year from your vehicle's registration date, but before its first chargeable service, a Citroën Servicing Package enables you to pay in advance for your vehicle's servicing needs for 3 years/35,000 miles.

For further information, please contact your Citroën Dealer.

GLOSSARY

> e-HDi DIESEL ENGINE

The e-HDi 115 Airream ETG6 engine is capable of 76.3mpg and CO₂ emissions of just 95g/km combined with the ETG gearbox. It has a reversible starter-alternator that works in tandem with an e-boosters to provide a seamless Stop & Start function. Going further than other similar systems, the e-HDi's Stop & Start puts the engine into idle mode while decelerating before coming to a complete standstill. This reduces consumption by 15% in urban driving.

> HIGH-PRESSURE DIRECT INJECTION DIESEL ENGINE

Citroën's HDi diesel engines operate with the fuel under extremely high pressure, enabling microscopically precise injection control. With this level of management it's possible to inject at different times during the same engine stroke allowing total control over the combustion process. This has allowed our engineers to reduce carbon monoxide emissions by 40%, unburned hydrocarbons by 50% and engine particulates by 60%. Fuel consumption is 20% lower than a prechamber diesel engine, resulting in an equivalent reduction in CO₂ emissions.

> PETROL ENGINES

Part of Citroën's range of state-of-the-art engines, VTi and THP petrol powertrains are friction optimised and benefit from an inlet camshaft variable valve timing system that constantly measures the pressure on the accelerator and precisely regulates the quantity of air entering the cylinders. VTi engines boast advanced variable inlet valve lift and exhaust camshaft variable valve timing systems whilst THP engines are turbocharged. This guarantees outstanding efficiency and allows for immediate response with plenty of low range torque available.

> ANTI-LOCK BRAKING SYSTEM (ABS)

Computer-controlled braking assistance designed to prevent the wheels from locking under extreme braking. This enables the car to continue being steered and therefore controlled during this braking incident. Citroën C4's ABS system is further enhanced with EBA and EBD.

> ELECTRONIC BRAKEFORCE DISTRIBUTION (EBD)

A conventional ABS system cannot account for any of the four wheels wanting to lock more quickly than the others (for example, two of the wheels may be on snow and two on tarmac). EBD reads the deceleration rate of each wheel individually and applies the ABS principles accordingly.

> EMERGENCY BRAKING ASSISTANCE (EBA)

As drivers we find it difficult to instinctively brake very hard, but this is often what is needed in those rare emergency situations. The EBA system recognises our 'attempt' to brake hard and in combination with the ABS and EBD systems instantly applies the maximum stopping power possible.

> ELECTRONIC STABILITY PROGRAMME (ESP)

This is computer-controlled traction assistance and is provided primarily through the braking systems. The ESP's control unit constantly compares where the driver intends going (through the position of the steering wheel) with where the vehicle is actually going and, if necessary, makes speed corrections to each wheel individually through braking or engine torque to keep the vehicle 'in line'.

> ON-BOARD TRIP COMPUTER

Citroën C4's multi-function on-board trip computer provides you with information at your fingertips. At the touch of a button you can view a range of data like fuel consumption, average speed and mileage possible at your current fuel level.

> FRONT SEAT BELT PRE-TENSIONERS

In the event of a crash, a pre-tensioner will tighten the seat belt almost instantaneously. This reduces the load on the occupant in a violent crash. Like airbags, pre-tensioners are triggered by sensors in the car's body, and use explosively expanding gas to drive a piston that retracts the belt. Seat belt pre-tensioners also lower the risk of "submarining", which is when a passenger slides forward under a loosely worn seat belt.

> ISOFIX

A standardised and more simple method for installing child seats, each seat is 'clicked' into place via a three point system. On the Citroën C4, Isofix is installed on the outer rear seats.

> CITROËN ET TOUCH EMERGENCY AND ASSISTANCE SYSTEM

In the event of an accident or sudden health problem, one push of the 'SOS' button will instantly contact the emergency services. If there's a more serious incident, SOS activates automatically. After a breakdown, one push on the 'chevron' button will alert Citroën Assistance, sending both location details and an initial fault report.

DIMENSIONS

All measurements are in millimetres.

This brochure is made from paper from a well-managed forest. Citroën support responsible use of forest resources.
