DS LED VISION – XENON HEADLIGHTS
 New DS 3 benefits from LED lighting technology with a Xenon module. This is DS LED Vision, characterised by a wide, deep, white beam that reduces eye strain at night but uses less energy. Scrolling indicators complete this dynamic look.

DS PERFORMANCE SEATS

NEW DS 3 WITH APPLE CARPLAY™

Mirror Screen uses Apple CarPlay™ and MirrorLink® for Android to seamlessly mirror compatible smartphones on the vehicle touchscreen. You're able to access all the key functions of your phone easily and safely while at the wheel of New DS 3; browse your music collection and audio books, access maps, compose and listen to SMS messages using voice controls and even access Apple's Siri at the touch of a button. A range of third party apps ensure you're always connected, allowing you to check the weather forecast, locate parking spaces or listen to web radio from all over the world. Mirror Screen – the smart way to use your phone in your New DS 3.

Optional equipment on some versions.

Functionality may vary and is dependent on a compatible smartphone and apps.

PURETECH PETROL ENGINES

The PureTech family of three-cylinder engines represent a real technological breakthrough for the modern petrol engine. Compact dimensions, low weight and innovative low friction materials allow PureTech engines to deliver more power, exceptional driving characteristics and incredibly low emissions... and to win International Engine of the Year 2015.

BLUEHDi DIESEL ENGINES

BlueHDi diesel technology leads the way in meeting and exceeding the latest Euro 6 emissions standard. The Selective Catalytic Reduction (SCR) module is the most effective method available for the treatment of harmful Nitrogen Oxide (NOx) emissions. Working in conjunction with the particulate filter (DPF), diesel engine emissions are dramatically reduced, cutting not only CO₂, but the other harmful by-products of diesel combustion.

— DS — TECHNOLOGY

EAT6 AUTOMATIC GEARBOX

Designed and developed in partnership with market leader AISIN AW, the latest EAT6 automatic gearbox delivers a compelling blend of smooth power delivery, ultra-fast gear changes and exceptional efficiency. Fully automatic torque-converter based technology ensures excellent low-speed driveability with a creep functionality that is particularly convenient in low-speed traffic.

DS CONNECT BOX EMERGENCY & ASSISTANCE

DS Connect Box provides peace of mind that in the event of an emergency, anywhere in Europe, 24 hours a day, 7 days a week, help is always at hand. In the event of a collision severe enough to deploy the vehicle airbags or the seat belt pretensioners, the vehicle automatically makes an emergency call on behalf of the driver. Precise location information is also sent to the call centre so the appropriate emergency service can be dispatched quickly.

ACTIVE CITY BRAKE

Active City Brake helps avoid low speed accidents by automatically applying the brakes when an impact is anticipated. Operating in urban conditions at speeds of less than 20 mph, a short range sensor fitted to the top of the windscreen detects other vehicles that are driving in the same direction or stationary and monitors the rate at which the distance between the two cars reduces. If the distance to the car in front is too small and closing at too great a rate, the vehicle will perform an emergency stop to avoid a collision.

DS CARE FOR CAR & DRIVER

› COMPANY CAR BENEFIT-IN-KIND TAXATION CHARGES

The Company Car Benefit-In-Kind Taxation charge is based upon the type of fuel used, and the level of CO₂ emissions, measured in grams per kilometre (g/km). The table opposite shows the percentage of the car's list price to be taxed (P11D value[†]).

For example, a New DS 3 PureTech 110 S&S manual Elegance has a CO₂ emissions figure of 100g/km (petrol) and the P11D figure of £16,340. The BIK value would therefore be 17% x £16,340 = £2,777.80 (equivalent to £46.30 pcm for a 20% rate tax payer).

› ELECT 4

Elect 4 is an alternative way to enjoy a new DS without the cost of ownership. Instead of owning the car, you rent it for a fixed period and then return it to your local dealer where you can exchange it for a brand new one. You set your preferred contract terms and anticipated annual mileage. With leasing which can be arranged for a period up to 4 years, Elect 4 offers you an alternative method of funding your new DS. One initial bulk advance rental will be required. This is between 14%-16% of the 'On the Road Recommended Retail Price' plus any advance rental contribution from Citroën UK. Excess mileage charges may apply if the agreed annual mileage is exceeded. Citroën contribution on selected models only. Payment of the optional final rental extends the rental term (this does not transfer title of the vehicle) & requires an annual rental equivalent to one month's rental. All based on a 48 month contract with an annual mileage set at 6,000 miles on DS 3, DS 3 Cabrio and 8,000 miles on all other models. All rentals inclusive of VAT. Finance subject to status. Over 18s only. Written quotations available on request from Citroën Financial Services, Quadrant House, Princess Way, Redhill RH1 1QA.

› 3 YEAR'S DS ROADSIDE ASSISTANCE

In response to a free telephone call in the UK, DS Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for three years, from date of vehicle registration, and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. You can also purchase additional DS Assistance via your local DS dealer at any time. Please note, DS Assistance applies to incidents covered by the new vehicle warranty, and non-vehicle faults, such as running out of fuel or mis-fuelling, instances where keys have been locked inside the vehicle or lost/stolen, road traffic accidents and punctures/wheel changes. Full details are available on request from DS UK via cuk_contactcentre@citroen.com

› COMPANY CAR BENEFIT-IN-KIND TAXATION CHARGES
