INSPIRED BY YOU

During the 90s Le Tone had a major hit, "Joli Dragon", and devoted himself to music for 15 years before progressively moving towards illustrative art. Since 2011 his creations have been exhibited in famous places such as the Pompidou centre. An admirer of artists who know how to make the best use of colour, Le Tone confesses to having a weakness for black and white, which he uses to tell simple stories by using felt pen drawings in notebooks.

This is a light and relaxing place to be, wherever you go.

## QUALITY IN DEPTH

Inside CITROËN C4 you'll sense the quality all around you. There's a real feel of opulence. The soft touch dashboard, jersey headlining, chrome highlights on the steering wheel controls, air vents and gear lever are all beautifully made. A slim and striking centre panel houses the 7 inch touchscreen\*, whilst the huge glazed area casts light on every texture, form and detail. Settle into the deeply sculpted comfortable seats and you'll instantly feel at home.

*\* Standard on Platinum versions.*

## COMFORT WITH PRECISION

With its precise steering and reassuring road holding, CITROËN C4 delivers an inspiring blend of comfort, control and safety – just as you'd expect from a CITROËN. Great to drive in all conditions, it inspires confidence in an emergency and helps you avoid trouble. This natural, responsive balance is enhanced by plenty of innovative technology, such as electronic brake force distribution, emergency braking assistance, intelligent traction control and ESC.

## DEEPER INTO SPACE

Getting comfortable in CITROËN C4 is easy, because its 2.6m wheelbase provides plenty of relaxing space. But this interior goes much further, with bags of useful storage places. There are front door pockets that can swallow a 1.5l bottle, drawers under the front passenger seat, a storage compartment in the centre console and one under the front armrest. The rear load space is seriously flexible too, with a 60/40 split folding rear seat and ski flap for stowing long, bulky objects.

## 380 LITRES OF CONVENIENCE

Open CITROËN C4's elegant tailgate and you'll find a 380 litre boot that's among the best in its class. Shaped for convenience and practicality, it features a low loading sill and plenty of little touches to make everyday life easier.

# CONNECTIVITY COMES NATURALLY

Using CITROËN C4's extensive connected technologies is simply second nature. CITROËN Nav\* is controlled by voice recognition or through the 7 inch touch screen and brings you a wealth of information, from real time traffic reports to the location and price of fuel, car parks and even weather forecasts. There's also a Danger Zones option which sends you both audible and visual alerts if it detects any potential problems or hold ups on your route. On some models you can enjoy Mirror Screen Technology,\*\* which lets you control your smartphone applications using the touch screen. This ingenious feature is available via Apple Carplay™, Mirror Link® and Android Auto.\*\*
