Focus ST-Line Vignale 5-door in Desert Island Blue metallic body colour (option) with Dynamic Matrix LED headlights (option).

1 EXPLORE

THE OUTGOING TYPE

The refreshed Focus demands attention. All-new light designs, including standard LED headlights with integrated fog lights and optional Dynamic Matrix LED headlights* will immediately catch the eye. The drama continues across the new grille, bonnet, and front facias, then sweeps back to the updated rear light design – while the new wheel designs complete the distinctive finish.

Our designers have raised the bar for the interior also. SYNC 4 with Connected Navigation and seamless smartphone integration and a variety of screen options, while the FordPass Connect app enables multiple comfort and security features remotely. Ford Focus Estate offers the flexibility to embrace your adventurous side, with a vertical divider and wet zone area for your muddy boots or wetsuits as standard.

*See specifications table for availability.

1 EXPLORE

PUTTING YOU IN CONTROL

New to Focus SYNC 4 with Connected Navigation intuitively connects to your world through a striking 13.2" landscape display. Your music, maps and preferences are a gesture away or can be commanded through hands-free voice control. Wireless Apple CarPlay and Android Auto give you seamless access to your friends, family and some of your favourite apps.

Ensuring you arrive as fresh as you left, premium Sensico® seat trim is now available across all Vignale models as standard. And two optional rear USB ports allow passengers to stay fully charged and ready to go.

Focus Active Vignale in Chrome Blue metallic body colour (option) with EcoBoost Hybrid PowerShift automatic transmission (option).

1 EXPLORE

ELECTRIFIED PERFORMANCE

FORD ECOBOOST HYBRID

Focus now features an exciting 7-speed PowerShift automatic transmission. The EcoBoost Hybrid PowerShift delivers seamless acceleration with smoother gear changes, which can help improve your fuel economy by keeping the hybrid engine at optimum speed for efficiency. And with Sport Mode optimised for performance, there is even more to make you smile.

The EcoBoost Hybrid features sophisticated mild-hybrid technology to deliver punchier, more responsive performance, particularly at lower engine speeds, for a more flexible and connected driving experience.

Regenerative braking reclaims energy as you slow down and uses it to deliver a boost as you accelerate, helping to improve performance and efficiency while reducing emissions.

Note For further fuel efficiency and emissions information, see Section 4, fuel and performance.

Focus Active Vignale Estate in Chrome Blue metallic body colour (option) with Dynamic Matrix LED headlights (option).

1 EXPLORE

YOU'RE READY FOR ADVENTURE

Ford Focus Estate is ready for whatever your lifestyle throws at it. Inside you'll discover an elegant, spacious and versatile interior. Offering up to 728 litres* of space in 5-seat mode and up to 1,620 litres* with the rear seats folded, you can pack in luggage, family, a dog (or two), plus lots more.

Its vertical divider allows you to configure boot space into helpful zones, including a wet zone for muddy boots, diving gear or any other wet items requiring a secure place. A tonneau cover keeps belongings out of sight, while the wide tailgate with low loading height and optional hands-free tailgate make access easy.

*Measured in accordance with ISO 3832. Cargo and load capacity limited by weight and weight distribution. Vehicle shown features accessories.

Focus Active Vignale Estate in Chrome Blue metallic body colour (option), with cargo compartment net (option) and matrix LED headlights (option).

THE EASY LIFE

Focus is well-equipped to help you stay in control. Every element, from the rear-view camera to the entertainment system has been designed for ease and enjoyment.

- **Ford's SYNC 4 with Connected Navigation** offers a range of cloud connected services, including Live Traffic Information and weather updates
- **B&O Sound System with BeoSonic™ audio equalisation interface†** lets you enjoy music as the artists intended
- **FordPass Connect** enables multiple features remotely, including pre-warming the vehicle, locking and unlocking, plus insights to optimise your driving style
- **Wireless charging pad†** makes sure the battery on your compatible device is always good to go
- **Driver's seat power adjustment†** including power lumbar support. Standard on Vignale-series Sensico® seats and ST Ford Performance seats

†Availability varies according to series – see specification tables for details.

Note Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

Focus Active Vignale in Chrome Blue metallic body colour (option) with EcoBoost Hybrid PowerShift automatic transmission (option).

1 EXPLORE

DESIGNED TO EXHILARATE

Meet the Focus ST. Built for the track and released for the road. Every component fine-tuned for highly addictive performance – from the aggressively sculpted signature exterior with large rear spoiler, to the new AGR-certified Ford Performance seats, which cosset you through every gleeful twist and turn in the road. And tailor your driving style with Normal and Sport, available in the Selectable Drive Modes feature.

A specially engineered 2.3-litre (280 PS/203 kW) EcoBoost engine, low inertia twin-scroll turbocharger, plus anti-lag and electronic Limited Slip Differential (eLSD) technologies – together make this the most eager Ford Focus ST yet.

Additional features of the ST include:

- **19" alloy wheels** with premium finish
- **Track Mode** tailors your drive settings for the circuit, with Launch Control, Gearshift Indicator light and rev matching (manual only)
- The optional **head-up** display keeps you fully engaged with the road
- **Red painted brake calipers** help make even more of a statement
- **Dynamic Matrix LED headlights** including glare-free lighting, for better visibility and safety

Focus ST 5-door in Mean Green metallic exclusive body colour (option) and Focus ST 5-door in Fantastic Red special metallic body colour (option).

Focus ST-Line Vignale EcoBoost Hybrid PowerShift Estate in Desert Island Blue metallic body colour (option).

1 EXPLORE

EFFORTLESS DRIVING

Congested city streets. Start and stop driving. Focus can help take the stress out of heavy traffic. Adaptive Cruise Control with Stop & Go* will keep you a safe distance from the vehicle in front, even if it slows to a stop. And when the traffic starts moving again, your car will pull away too. While Lane-Centring Assist will gently correct the steering to help keep you within your marked lane.

- **Adaptive Cruise Control with Stop & Go^{(2)*}** maintains a comfortable distance from the vehicle ahead, and can even bring your car to a complete stop and move off again as the traffic allows
- **Lane-Centring Assist⁽²⁾** continuously detects lane markings and can correct the steering to help keep your car within its marked lane
- **Traffic Sign Recognition⁽²⁾** displays important traffic sign information in the instrument cluster and head-up display
- **Intelligent Speed Assist⁽²⁾** scans traffic signs and uses the detected data to automatically set a speed limit and then regulate your speed accordingly
- **Wrong Way Alert^{(2)*}** is designed to provide visual and audible warnings if you pass a no-entry sign
- **Active Lane-Keeping System with Blind Spot Assist** warns when you begin a manoeuvre and a vehicle has entered or is entering your blind spot and guides your vehicle back into the host lane

*Available for models with automatic transmission only. If stop is longer than three seconds, driver must intervene and press 'RES' button or accelerator pedal to resume system operation.

⁽²⁾Uses sensors.

⁽²⁾Driver Assistance feature.

Note Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

1 EXPLORE

DYNAMIC MATRIX LED HEADLIGHTS

New as standard on ST and available as an option for all Vignale models, Dynamic Matrix LED headlights provide the Focus with outstanding illumination technology. Using speed, steering wheel angle and camera information, the system alters the light for optimal illumination in any condition. At low speeds, potential hazards at the periphery of your vision are highlighted by a large beam, while at motorway speeds the light-beam length increases for visibility at greater distance. In addition, the system alters the light pattern to illuminate bends before you enter them – ensuring your night driving is easier and more relaxing.

Plus, as part of the Dynamic Matrix LED headlights, glare-free high beam provides you the reassurance of increased visibility and reduces risk of dazzling fellow road users.

Focus ST-Line Vignale Estate in Desert Island Blue metallic body colour (option) with Dynamic Matrix LED headlights (option).

ESCAPE THE ORDINARY

FOCUS ACTIVE

Combining the practicality of an SUV with the agility of a hatchback, the Focus Active crossover lets you take on challenges that others can't.

An elevated driving position and tough body mouldings help you command the road. While unique alloy wheels and wider track enhance the car's stability and your confidence in all conditions. Inside, SUV-inspired design seamlessly blends form with function to deliver a cabin perfect for active lifestyles – and includes Selectable Drive Modes technology to put you in control of your own adventures.

Vehicle shown features accessories.

Focus Active Vignale Estate in Chrome Blue metallic body colour (option).

1 EXPLORE

PRE-COLLISION ASSIST⁽⁰²⁾ WITH PEDESTRIAN AND CYCLIST DETECTION*

Monitors your proximity to other vehicles, pedestrians and cyclists – even in the dark, when objects are within the headlight beams – and can alert you to a potential collision. (Standard)

LANE-CENTRING ASSIST⁽⁰²⁾

The Lane-Centring Assist system is designed to facilitate safe and simple lane changing. An add-on functionality to the Lane-Keeping System, Lane-Centring Assist warns you if another vehicle is driving in your blind spot or approaching from behind and guides your vehicle back into lane with a steering intervention**.

⁽⁰⁾Uses sensors.

⁽²⁾Driver Assistance feature.

*Pre-Collision Assist with Pedestrian Detection can detect pedestrians, but not in all conditions and does not replace safe driving. See owner's manual for system limitations.**Lane-Keeping System does not control steering.

Note Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle..

Top: Focus ST-Line EcoBoost Hybrid 5-door in Fantastic Red special metallic body colour (option) with panoramic roof (option).

Bottom: Focus ST-Line Vignale 5-door in Fantastic Red special metallic body colour (option) with panoramic roof (option).

CROSS TRAFFIC ALERT WITH ACTIVE BRAKING⁽⁰²⁾

Sensors scan left and right as you reverse from a perpendicular parking space. The system will alert you if a moving vehicle or other hazard is detected. (Part of the Blind Spot Information System, includes Active Braking) (Option, as part of a pack)

EVASIVE STEERING ASSIST⁽⁰²⁾***

Ford Focus is available with Evasive Steering Assist. The technology is designed to detect an evasive swerve manoeuvre and help you steer around an obstacle in your car's path. (Standard, part of Pre-Collision Assist)

⁽⁰⁾Uses sensors.

⁽²⁾Driver Assistance feature.

***Evasive Steering Assist does not control steering.

Top: Focus ST-Line Vignale 5-door in Fantastic Red special metallic body colour (option) with panoramic roof (option).

Bottom: Focus Titanium Vignale in Fantastic Red special metallic body colour (option).

1 EXPLORE

YOU'RE BETTER OFF CONNECTED

Ford's SYNC 4 with Connected Navigation helps make travelling effortless. Standard on Focus Titanium, ST-Line and Active, the user-friendly interface allows you to manage a range of cloud-connected vehicle features through the 13.2" touchscreen or voice commands.

Wireless smartphone integration allows hands-free calling, plus gives you the ability to dictate and hear text messages on the move, as well as play your music. The advanced navigation system learns your destination preferences, and is able to provide live traffic information, weather updates, fuel-stops and prices, plus parking availability.

Ford Secure provides peace of mind with in-App notifications of open doors, windows or boot, as well as change of state of ignition. And should you need it, the Digital Owner's Manual is available on-screen.

SYNC

1 EXPLORE

CONNECTED AND IN CONTROL

FORDPASS CONNECT

FordPass Connect in compatible Ford Focus vehicles is the hardware that enables connected services and, when paired with the FordPass app, will unlock a range of features designed to make driving easier and more enjoyable.

Activating the connected services of your vehicle will also give you access to our subscription bundles, which are exclusive to eligible SYNC 4* vehicles. This includes, for example Connected Navigation, which delivers the latest traffic information to your vehicle and will provide you with advanced warnings of nearby hazards on the road, or Ford Secure, That will help keep your vehicle safer by giving you access to a range of security features.

With the purchase of your new vehicle, you will have the first year of Connected Navigation and Ford Secure already paid for. For more information on subscription products, please refer to the Ford web account: <https://www.ford.eu/ford-account>

FORDPASS APP

Get the most from FordPass Connect with the FordPass app[®]. From smart remote features to detailed vehicle health reports, the FordPass app lets you access even more functions via your smartphone. For peace of mind, you can start[†], lock or unlock your vehicle wherever you are, and even defrost the windscreen and activate the heated seats and heated steering wheel (where fitted) on a cold winter's morning.

Health Alerts send important information, including tyre pressure and fluid level warnings, such as oil life, direct to your phone. FordPass also helps with security; you'll receive a notification if your car's alarm is activated, no matter where you are. The feature takes security a step further and alerts you on your smartphone of any unauthorised access attempts – even with a stolen or duplicate key.

Connect your Focus to FordPass.

*Don't drive while distracted. Use voice operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.

**FordPass Connect enables connected services and is available on selected vehicles or vehicles with navigation. FordPass Connect will be enabled at time of vehicle delivery. You may choose to opt in/out of certain data sharing. Data coverage and service is not available everywhere. Data rates may be incurred. FordPass and Connected Car Privacy Policies apply, available on your local Ford website.

†Remote start only available on models with automatic transmission.

®FordPass app, compatible with select smartphone platforms, is available via a download. Message and data rates may apply.

1 EXPLORE

YOUR SUBSCRIPTION PLANS

Selected Focus vehicles are eligible to a range of valuable connectivity features, including one-year's Connected Navigation and Ford Secure subscription already paid for. And you can continue to benefit from these subscription plans for a monthly fee.

Connected Navigation

With cloud access you can stay fully informed on every drive.

Accurate Maps streamed to your vehicle help guide you on changing roads

Always on Coverage provides an on-board map, helping remove the stress of losing mobile data coverage

Real-time Information finds the fastest route through changing traffic conditions

Full Guidance step-by-step visual or audio instructions to your destination

Local Hazard Information gives warnings of accidents or broken-down vehicles before they are visible to the eye

FORD SECURE

Enjoy the reassurance of optimum protection for your vehicle.

Stolen Vehicle Services

Pre-theft Alerts offer 24/7 peace of mind from attempts to access, tow or tamper with your vehicle

Vehicle Tracking & Recovery enables authorities to track your vehicle if it is stolen and supports them by assisting in the recovery process, even across borders

Location Alerts

Keep track of your car and how it is being used. If your vehicle leaves a predefined area, you'll receive a notification through the FordPass app

Neighbourhood Alerts*

Receive FordPass notifications if a perimeter alarm, SecuriAlert or Stolen Vehicle Services alert is triggered in your area, giving you the chance to be extra vigilant

*Available 2022 Ford Secure and Connected Navigation are subscription products with an initial complimentary trial period; thereafter a subscription fee is payable. Ford Secure and Connected Navigation use connected vehicle data (such as driving and location data) shared through FordPass Connect. Data sharing with Ford can be managed through the in-vehicle settings but this may impact the services available. If the vehicle has an active Stolen Vehicle Services subscription, vehicle connectivity cannot be disabled to ensure vehicle tracking is available in the event of theft. See FordPass Privacy Policy for more information. FordPass Connect enables connected services and is available on selected vehicles or vehicles with navigation. FordPass Connect will be enabled at time of vehicle delivery. You may choose to opt in/out of certain data sharing. Data coverage and service is not available everywhere. Data rates may be incurred. FordPass and Connected Car Privacy Policies apply, available on your local Ford website. **How to Activate & Manage Subscriptions:** Connected Navigation: Customers will be automatically enrolled into Connected Navigation, when enabling the connectivity services of their vehicle (by activating FordPass Connect). Ford Secure: After FordPass Connect has been activated, customers will need to log in to the Ford account on the web and follow the steps to activate this bundle. **All subscriptions can be managed/extended via the Ford account on the web.** There is no auto-renewal, Ford will always let you decide if you would like to subscribe at the end of your trial or extension period.

1 EXPLORE

HEAD-UP DISPLAY*

Projects key information to your field of vision, so you can keep your eyes on the road ahead. The image displays your choice of content, including vehicle speed, navigation, cruise control, and Traffic Sign Recognition²⁾ data. Compatible with polarised sunglasses. (Standard on ST, option on all other series except Connected)

ACTIVE PARK ASSIST²⁾

Once activated, Focus's Active Park Assist can identify a suitable parallel or perpendicular space and assists you with parking and exit manoeuvres. Simply choose the required gear and use the pedals while the system automatically moves the wheel for you. (Option, available on automatic transmission as part of the Parking Pack)

BLIND SPOT INFORMATION SYSTEM WITH CROSS TRAFFIC ALERT AND ACTIVE BRAKING²⁾

Blind Spot Information System alerts you when another vehicle – car, van or lorry – enters your blind spot while driving. Similarly, Cross Traffic Alert warns of hazards when reversing out of a parking space and can automatically apply the brakes. (Option on all series excl. Trend). Additional assistance is provided for trailer towing. The Trailer Coverage system delivers warnings of vehicles entering or in the radar zone for trailers up to 10 m (33 ft) in length.

REAR WIDE-VIEW CAMERA²⁾

Focus's rear wide-view camera provides a clear view to the left and right at the rear of your car when reverse gear is selected*. (Included as part of Parking Pack)

¹⁾Uses sensors.

²⁾Driver Assistance feature.

*Don't drive while distracted. See owner's manual for details and system limitations.

Note Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

Top: Focus Titanium Vignale with head-up display (option).

Bottom: Focus Titanium Vignale with Chrome Blue metallic body colour (option).

¹⁾Uses sensors.

²⁾Driver Assistance feature.

*Cameras only operate at speeds under 10 km/h (6 mph).

Note Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

Top: Focus ST-Line Vignale EcoBoost PowerShift Hybrid with Active Park Assist (option), ST-Line Design Pack (option).

Bottom: Focus Active Vignale with rear wide-view camera.

Hands-free tailgate

Opening or closing Focus Estate's tailgate is easy, even when your hands are full. With the keys in your pocket or bag, simply use a gentle kicking motion under the centre of the rear bumper and the tailgate will operate without you having to touch a thing. Can also be opened and closed while sitting inside the car. (Option as part of Family Pack)

Panorama roof

An openable two-piece panorama roof offers a sky-view to all, no matter where you are seated. Providing an abundance of fresh air when opened, the sliding glass has a solar reflective coating to help keep the interior cool when closed. While an electrically-operated blind provides shade and privacy when required, and even helps to reduce wind noise and turbulence while driving with the roof open. (Option)

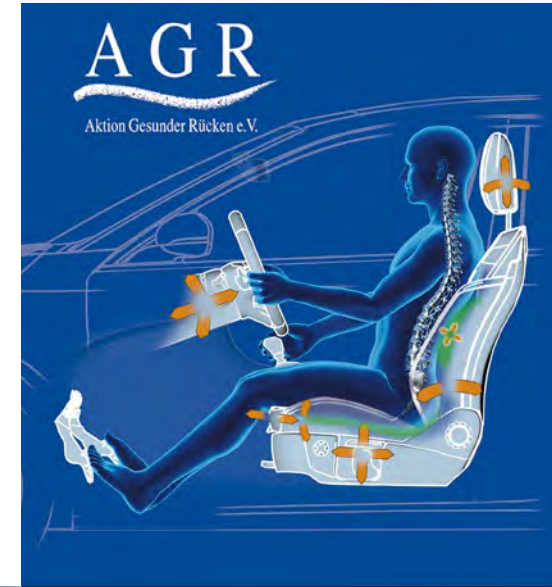

B&O Sound System with Beosonic™ audio equalisation interface

Personalise your listening experience with the new Beosonic™ B&O Sound System. Adjust your favourite music just the way you like it, discover different sound spaces and select your personal listening modes using the advanced digital sound algorithm operated via an intuitive interface on the vehicle's touchscreen display. (Option on Connected, Titanium, ST-Line and Active. Standard on Vignale series and ST)

The Beosonic™ trademark is the property of Bang & Olufsen a/s and is applied for, registered and used in multiple jurisdictions worldwide by the owner.

Heated steering wheel

Warms up the steering wheel – and your hands – to add another layer of comfort between you and the cold outside. (Standard on Titanium Vignale, Active Vignale and ST-Line Vignale. Option on all other series as part of Winter Pack)

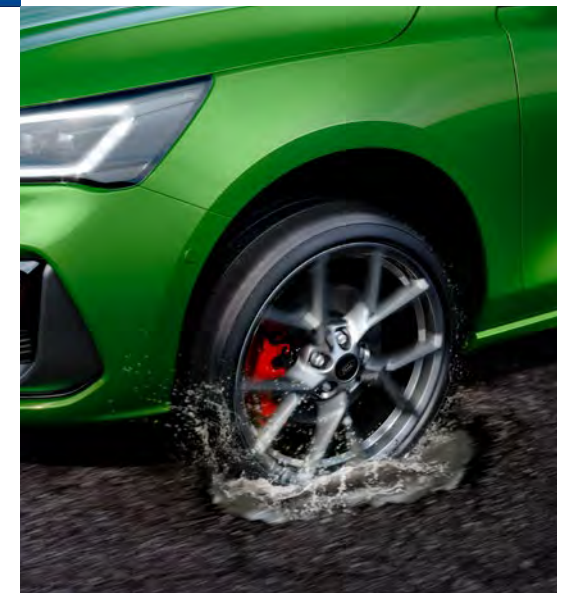

Ergonomic seats with AGR certification**

Ergonomically designed, 6-way power adjustable seats with power lumbar support and AGR accreditation – ideal for your back and for comfort on longer journeys. An AGR classification is the mark of a particularly high standard of back-friendly product. The AGR association researches the prevention of backache, and is widely supported by doctors and therapists. (Standard on ST)

**The AGR quality cachet (Aktion Gesunder Rücken = Campaign for Healthier Backs): Certified and recommended by Association ForumHealthy Back – Better Living and Federal Association of German Back Schools. More information: AGR e.V., Stader Str. 6, D - 27432 Bremervörde, Phone + 49 4761/926 358 0.

Continuously Controlled Damping

Helps you adapt quickly to changing road conditions. Sensors monitor the road surface – and your driving input – every 2 milliseconds, then rapidly adjust the firmness of the dampers for optimum performance in every situation. If a pothole is detected, the system can adjust the shock absorbers to help reduce the impact for a more comfortable ride. (Option on ST as part of Ford Performance Pack, available for 5-door bodystyle only)

2

SELECT

With a choice of exterior and interior styling, there's a new Ford Focus that's right for you.

Trend

Focus's stylish entry model offers a richer level of standard features than ever before, including a suite of impressive integrated technologies.

Family Pack

Pack features

- Wireless charging pad
- 2 additional USB ports (at rear of centre floor console)
- Rear 60:40 folding rear seats with centre armrest and ski-hatch
- Heated power-foldable door mirrors with puddle lights
- Hands-free tailgate (Estate only)

Winter Pack

Pack features

- Heated steering wheel
- Heated driver and passenger seats

UPGRADE

Driver Assist Pack

Pack features

- Adaptive Cruise Control (for manual transmission)
- Adaptive Cruise Control with Stop & Go and Lane-Centring (for automatic transmissions)
- Driver Alert
- Blind Spot Assist with Cross Traffic Alert and Trailer Coverage*
- Traffic Sign Recognition
- Auto high beam

Parking Pack

Pack features

- Door edge protectors
- Active Park Assist (for manual transmissions and EcoBoost Hybrid Y Speed PowerShift)
- Active Park Assist 2 (for 8 Speed Automatic Transmissions)Rear wide-view camera

ST-Line Design Pack

Pack features

- ST-Line branded front scuff plates
- Red painted brake calipers
- Pedal set with aluminium covers

Note Sensico® is a Ford EU trademark for premium synthetic upholstery developed for automotive interiors. As a vegan upholstery, it combines a premium, soft feel, is durable and looks great. Maintenance friendly it is easy to clean and protected against stains and odour. With a high-quality appearance Sensico® feels not only great sitting on during a long journey but gives also a good conscience since it is not animal based. It is the peace of mind design for modern, aspiring car drivers.

4

SPECIFICATIONS

Get to know your Ford Focus inside and out, from its intelligent engine technology to its generous loadspace.

Up to 155 PS (114 kW)

Choice of 125 PS (92 kW (plus 16 PS (12 kW) electric)) or 155 PS (114 kW (plus 16 PS (12 kW) electric)) 1.0L Ford EcoBoost Hybrid engine

Note For further fuel efficiency and emissions information, see Section 4, fuel and performance.

1 Belt-driven integrated starter/generator (BISG)

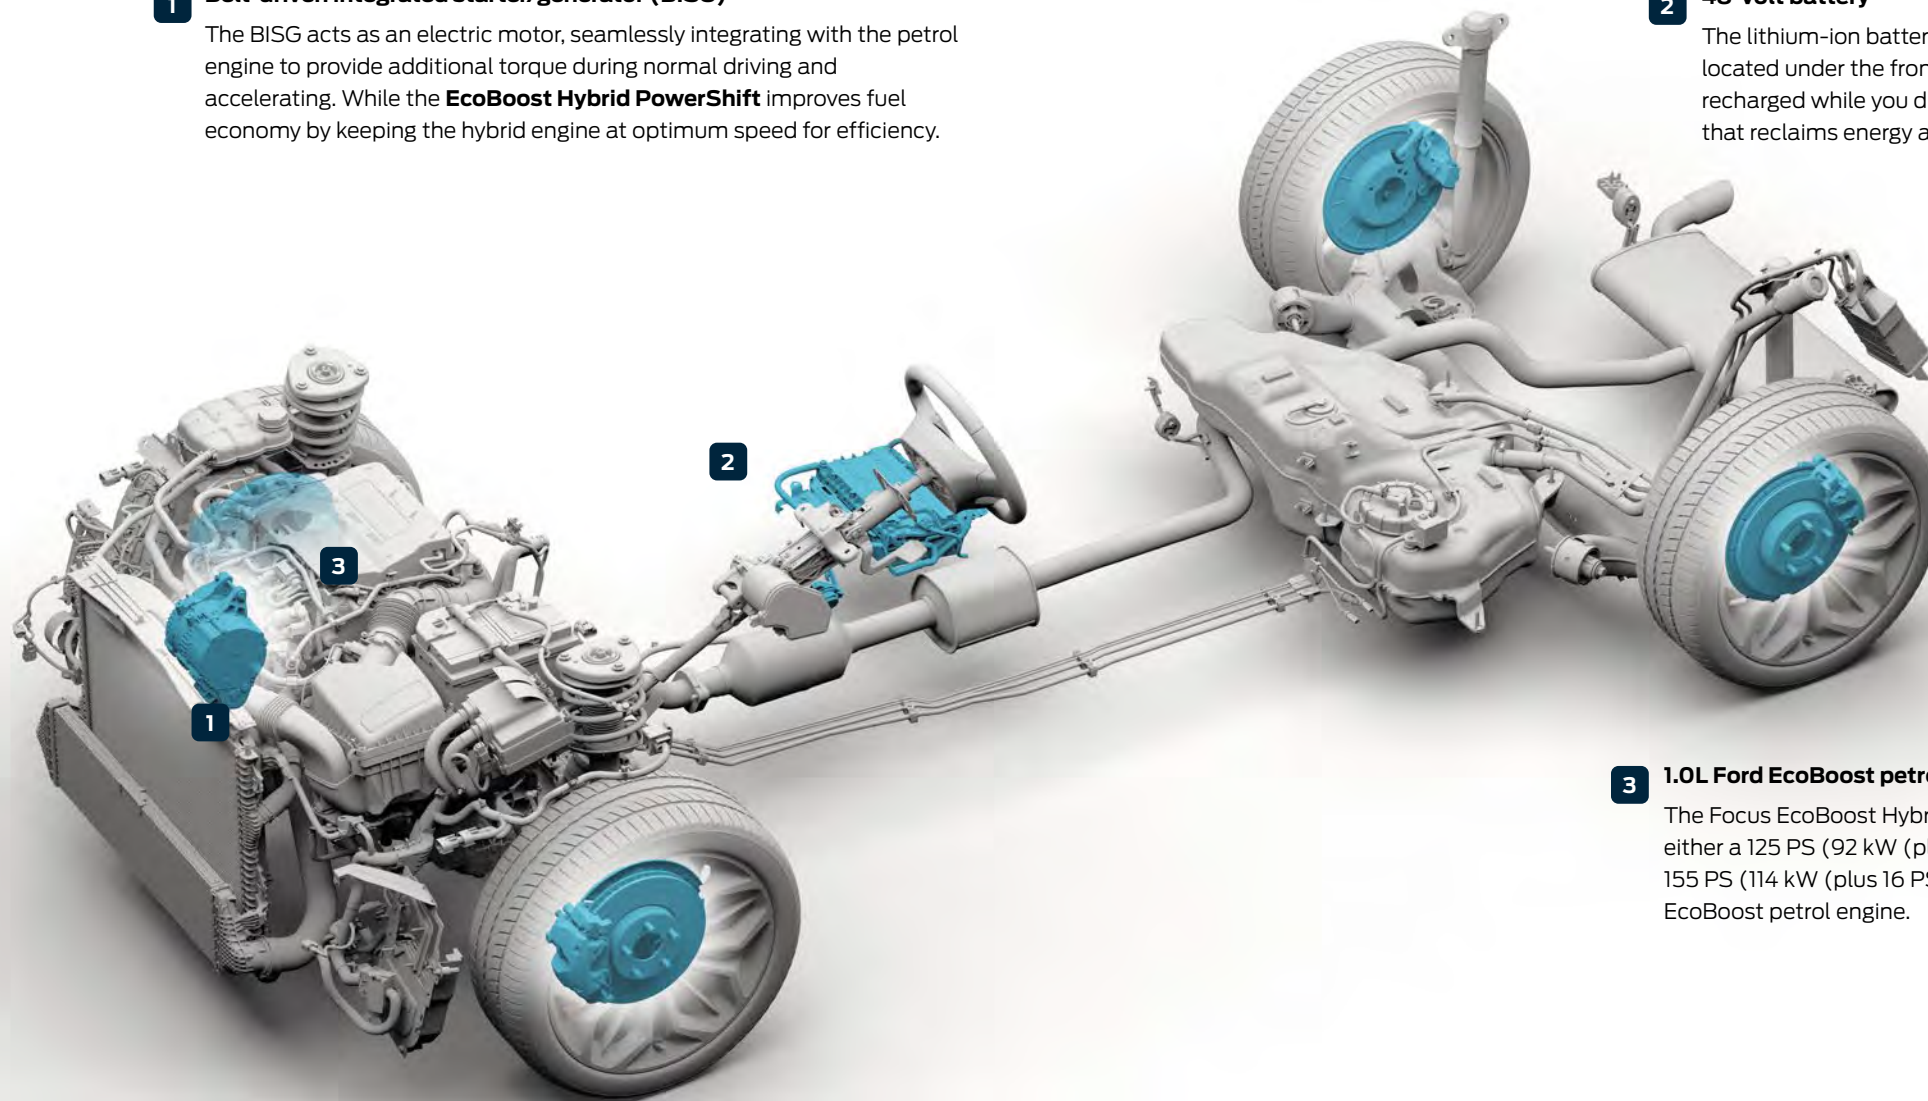

The BISG acts as an electric motor, seamlessly integrating with the petrol engine to provide additional torque during normal driving and accelerating. While the **EcoBoost Hybrid PowerShift** improves fuel economy by keeping the hybrid engine at optimum speed for efficiency.

2 48-volt battery

The lithium-ion battery that powers the electric motor is located under the front passenger seat. It is automatically recharged while you drive, and by regenerative braking that reclaims energy as you slow down.

3 1.0L Ford EcoBoost petrol engine

The Focus EcoBoost Hybrid is available with a choice of either a 125 PS (92 kW (plus 16 PS (12 kW) electric)) or 155 PS (114 kW (plus 16 PS (12 kW) electric)) Ford EcoBoost petrol engine.

Self-charging battery

There's no need to plug-in your vehicle for charging. Hybrid vehicles are able to recharge the battery in two ways:

Regenerative braking reclaims the energy typically wasted when decelerating or braking.

Conventional engine powers the generator which converts mechanical energy into electrical energy.

Fuel and performance

The fuel consumption and CO₂ emission figures shown in the table are derived from the Worldwide Harmonised Light Vehicle Test Procedure (WLTP). These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load. The figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. You can also use Ford's online configurator to build and customise a new Ford vehicle: www.ford.co.uk/configurator. The configurator provides information about your configured vehicle's fuel consumption and CO₂ emissions (these are also WLTP test figures).

⁹⁹Ford test figures. ⁹⁹The declared Fuel/Energy Consumptions, CO₂-Emissions and Electric range are determined according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EU) 2017/1151 as last amended. Light Duty Vehicles type-approved using the World Harmonised Light Vehicle Test Procedure (WLTP) have Fuel/Energy Consumptions and CO₂-Emission information for both New European Drive Cycle (NEDC) and WLTP. WLTP is a new, more realistic test procedure for measuring fuel consumption and CO₂ emissions and fully replaced the NEDC by end of 2020. The applied standard test procedures enable comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO₂ emissions and electric range. CO₂ is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO₂ emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <http://carfueldata.dft.gov.uk>.
*Represents the lightest kerbweight assuming driver at 75 kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc., fitted. Towing limits quoted represent the maximum towing ability of the vehicle at its Gross Vehicle Mass to restart on a 12 per cent gradient at sea level. The performance and economy of all models will be reduced when used for towing. Roof load is a maximum of 75 kg on all models. Gross Train Mass includes trailer weight.

Fuel and performance

The fuel consumption and CO₂ emission figures shown in the table are derived from the Worldwide Harmonised Light Vehicle Test Procedure (WLTP). These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load. PURCHASE

Getting behind the wheel of your next new Ford is simple, with a variety of finance options.

Build your vehicle

Build and personalise your vehicle online. Simply head to the Ford website, select your model, then choose your engine, body colour and extras. You'll be able to view the recommended price, and send your configuration to a Ford Dealer if you wish.

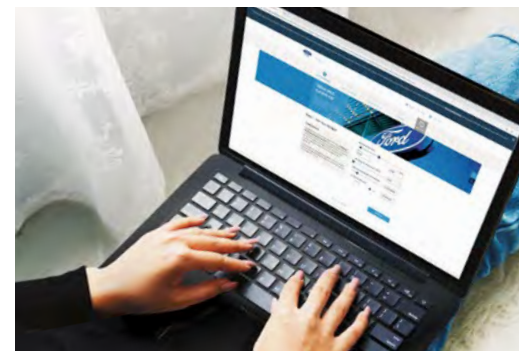

www.ford.co.uk/cars

Find a Dealer and request a test drive

You can search for a Ford Dealer by location or Dealer name on the Ford website, and request a test drive online. Simply fill in your details and your chosen Dealer will contact you to arrange a convenient time.

www.ford.co.uk/dealer-locator

Finance

When it comes to financing your vehicle, our size and expertise means we're well placed to provide you with a wide range of finance products.

Ford Credit* provides a range of finance products for your vehicle whether you are a private or business user.

Ford Lease^ specialises in contract hire and leasing and provides an alternative range of finance plans which can be tailored to suit your business.

For more information about our finance products visit www.ford.co.uk/finance/ford-credit

*Finance subject to status. Guarantees may be required. Freepost Ford Credit. Ford Credit is a trading style of FCE Bank plc. Which is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority under firm reference number 204469.

^Ford Lease is provided by ALD Automotive Limited acting as Ford Lease BS16 7LB. ALD is registered in England No. 987418. ALD is authorised and regulated by the Financial Conduct Authority.

Ford Insure

Designed specifically for Ford owners, Ford Insure† offers value, simplicity and a range of benefits that really matter to you.

- Repairs by experts at one of our authorised Ford Repair Centres with a courtesy car provided while your car is being repaired
- Guaranteed repairs for as long as you own your Ford
- Genuine Ford Parts and manufacturer-spec glass
- For electric and hybrid vehicles, cover for accidental damage, fire and theft of battery and standard charging equipment (excluding wall box)
- Free 24 hour emergency help lines
- Named Drivers earn a Ford Insure No Claims Bonus which can be used on any Ford Insure car insurance policy

www.fordinsure.co.uk

†Terms and conditions apply. Ford Insure contracts are arranged, administered and provided by EUI Limited. EUI Limited is a subsidiary of Admiral Group plc and is authorised and regulated by the Financial Conduct Authority (Firm reference number: 309378). Registered in England and Wales as EUI Limited Reg. No. 2686904 Registered Address: Ty Admiral, David Street, Cardiff CF10 2EH.

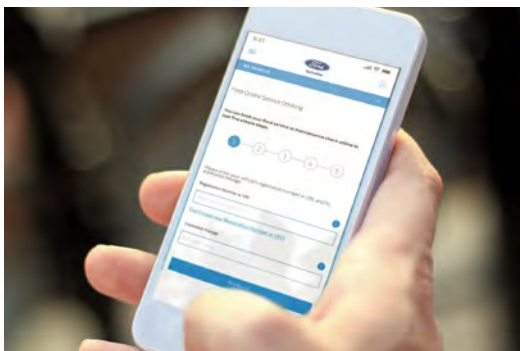

FordPass app

Unlock your car's full potential with the FordPass app. FordPass seamlessly connects you with your vehicle, keeping you moving in intelligent, intuitive ways. From optimising the route of your journey, self-diagnosing and sending you vehicle health alerts, pre-heating your vehicle before you get in, to helping you find your way back to your parked car on a map. It even removes the worry of whether you locked your car, thanks to Remote Lock and Unlock.

5 PURCHASE PROTECT

Ford Service

With Ford, the service doesn't end when you leave the showroom. Ford Service is designed to keep your Ford in great condition and help you make the most of your car throughout its life.

- Ford Online Service Booking
- Contactless servicing options, for your convenience and safety
- Comprehensive service and maintenance plans
- Use of genuine Ford parts for added peace of mind
- Ford-trained technicians using the latest diagnostic equipment and tools
- One call for everything Ford 0203 564 4444
- Ford Accident Management, service free to all drivers
- Up to 12 months' UK and European Roadside Assistance (at participating Dealers)

www.ford.co.uk/owner/owner-services/ford-service

Ford Protect

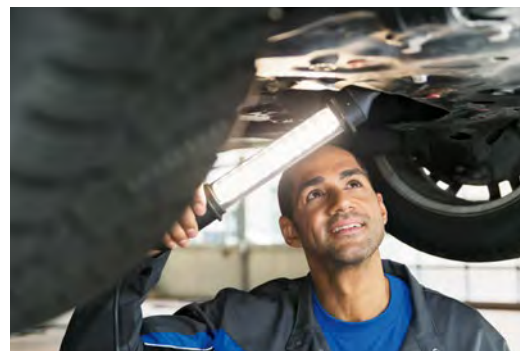

Extend your standard 3-year/60,000 miles warranty to 5 years/100,000 miles (8 years/100,000 miles on most EV models) with Ford Protect. Key benefits include*:

- High flexibility in duration and mileage
- Cover against unexpected electrical and mechanical repair costs in the UK and Europe
- The price of covered parts and labour are guaranteed for the length of your plan

Ford Protect New Vehicle Warranties are transferable to the new owner should you decide to sell your vehicle.

www.ford.co.uk/owner/my-vehicle/warranties

*Ford Protect terms and conditions apply. Please call 03702 416 726.

Ford Protect Service Plans

With various payment options available, you can cover the cost of your recommended scheduled services for up to 4 years from the day your new Ford is delivered. This can work out cheaper than paying for individual services and gives you added benefits:

- Ford Assistance – your UK and European Roadside Assistance will be increased to the length of your plan
- Vehicle hire – in the event that we can't finish any warranty work within 24 hours, we'll lend you a courtesy car for up to 7 days**
- A full Ford Service History, which may enhance your car's resale value

Illustrations, descriptions and specifications. This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and recommended prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. Fitment of accessories may have an impact on your vehicle's fuel consumption. **+** The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitably differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.
