20 **Countless choices to suit your lifestyle**

Select your bodystyle, trim level, options and accessories.

30 **Into tomorrow with Mazda**

Mazda Credit and Insurance.

Deep inside us all, there's a human emotion just waiting for an invitation to 'come out and play'. It's a feeling of pure exuberance and exhilaration – the emotion of motion. With the soul of a sports car, the Mazda6 encapsulates this feeling in its purest form.

The Mazda6 A true sports star

Take one look at the Mazda6 and you'll be instantly captivated. The sculpted exterior oozes irresistible style, with sleek, flowing lines, smooth surfaces and bold, dynamic proportions.

The Mazda6 has a distinctive, sporty character that shines out through its athletic styling and engaging driving experience. Combine this with its stylish, high-quality interior and it's not just what's on the outside that will impress you. Designed for advanced driving pleasure, it's no wonder that Mazda6 has collected more than 100 international awards for its qualities.

Powerful, agile and poised for action

Sure-footed and powerful, the Mazda6 will respond to your intentions almost intuitively. Its rigid chassis delivers superb handling and stability.

Climb inside the Mazda6 and you'll feel ready for anything. Because as well as its numerous exterior enhancements, its enhanced interior has been designed to inspire driving

pleasure. Noise, vibration and harshness reduction measures mean every journey is quiet and smooth, while interior features such as the instrument panel and radio unit bring style and quality to the top of the agenda.

The 6-speed transmission is available with both 2.0 and 2.3 MZR petrol engines and 2.0 MZR-CD diesel engines.

Tuned for performance

Put the Mazda6 through its paces and you'll see it's as hungry for action as you are. Each of the range's powerful petrol and diesel engines has been optimised to deliver maximum torque and fuel economy, with minimum noise and emissions.

There are three lively MZR aluminium 4-cylinder petrol engines to choose from – 1.8-litre, 2.0-litre and 2.3-litre versions, the 2.0 and 2.3 having a Variable Intake System (VIS) and Sequential Valve Timing (S-VT) to improve performance and economy. Two turbocharged 2.0-litre MZR-CD diesel engines* complete the powertrain line-up – a high-power version, delivering increased torque, and a low-power version for even greater economy. Both come with a Diesel Particulate Filter as standard.

As well as the 5- and 6-speed manual transmission, a newly-developed 5-speed Activematic transmission is available for the 2.0-litre petrol engine, offering both manual and automatic modes.

*Available early 2006.

Flexible, spacious, and raring to go

With its stylish and sporty interior, you'd be forgiven for thinking the Mazda6 was designed purely for your pleasure. But the comfortable, high-quality interior offers plenty of head, shoulder and leg room for your passengers too. The generous boot and Karakuri seats available provide maximum load space with minimum effort. And there's plenty of luxurious touches – such as the padded door armrests and optional leather seats combined with seat position memory for up to five different drivers.

Sporty styling and versatile space.

The Mazda6 gives you the best of both worlds.

Karakuri seats.

Karakuri seats can be transformed into a level loading area with a simple flick of the wrist. You don't even have to remove the back headrests.

Tonneau cover.

The Mazda6 Estate comes with tonneau cover, complete with integrated luggage net for even more storage capacity.

Refined to perfection

The Mazda6 prides itself on attention to detail. From the beautifully styled front and rear headlights and sculpted body colour door handles to the carefully executed stitching on the leather steering wheel and gear knob, the quality speaks for itself.

An impressive array of technologies further enhance the driving experience, including an optional DVD satellite navigation system. The quality BOSE sound system* is perfectly integrated into Mazda6's stylish interior to provide superb in-car entertainment.

*Standard on TS² and Sport models.
Main image shows Mazda6 2.0 5dr Sport.

Equipped to protect

The Mazda6 is prepared for any eventuality. Its rigid body shell is designed to minimise the impact of a collision, while up to six airbags offer added protection; dual front airbags, side airbags for the driver and front passenger, and curtain airbags for the front and rear side passengers.

The Mazda6 Triple-H architecture creates a rigid occupant protection shell, channelling side impact energy into the broader body structure, while Dynamic Stability Control (DSC)* responds to swerving tendency and stabilises the vehicle within milliseconds. It also features a Traction Control System (TCS)* to make slippery surfaces easier to grip.

The Mazda6's great roadholding ability and precise handling are also complemented by active safety systems. These include Anti-Lock Brakes (ABS) with Electronic Brake-force Distribution (EBD) that adjusts the braking force to suit the handling, and Dynamic Stability Control (DSC)* with Electronic Braking Assistance (EBA) and Traction Control System (TCS)* to give you extra control on slippery surfaces.

As well as the intelligent front and side airbags and curtain airbags, an advanced Anti-lock Braking System (ABS) featuring Electronic Brake-force Distribution (EBD) comes as standard.

Countless choices to suit your lifestyle

Different lifestyles, different demands. The sporty Mazda6 comes in three distinct bodystyles – the Mazda6 4dr, the Mazda6 5dr and the Mazda6 Estate.

Each bodystyle delivers the perfect combination of style and space. And the choice doesn't stop there. Mazda6 offers five engines, four equipment grades, comprehensive accessory lists and a whole host of paint options. Indulge yourself with your Mazda6.

Mazda6 S

5dr and Estate

Even the Mazda6 S model comes with plenty of extras. Global closing and remote central locking bring peace of mind, while manual air conditioning keeps you cool and refreshed. There's also an impressive modular audio system with CD player and four speakers that gives the crispest sounds at the touch of a button. Everything about the Mazda6 S says quality.

- Modular audio system with CD player.
- Roof rails (on Estate only).
- Remote power locks with global closing function.
- Manual air conditioning.
- 16" alloy wheels.

Mazda6 TS and TS²

4dr, 5dr and Estate

The Mazda6 TS and TS² make even long journeys comfortable thanks to features like the driver's seat with lumbar support, climate control air conditioning and steering wheel-mounted controls for the audio system and cruise control. Inside, the leather gear knob and handbrake cover add even more distinction.

Additional TS features over the S:

- Optional 5-speed Activematic transmission.
- Centre armrest.
- 16" alloy wheels.
- Cruise control.
- Automatic air conditioning.
- Driver's seat with lumbar support.

Additional TS² features over the TS:

- Trip computer.
- BOSE audio system.
- Sunroof.

Mazda6 Sport

5dr

The Mazda6 Sport makes a bold statement with its striking 17" alloy wheels on the diesel models. Xenon headlights with auto light levelling and a high-pressure cleaning system bring an extra touch of class, while front fog lights are sure to attract attention. Inside, you'll find luxury in abundance, from the BOSE audio system to the optional DVD navigation system and leather seats.*

Additional Sport features over the TS²:

- Xenon headlights.
- BOSE audio system with 6-CD changer, seven speakers and subwoofer.
- 17" Alloy wheels.
- Front fog lights.
- Auto intelligent wipers and headlights.

*Leather refers to centre seat facings and side supports.
