

The new A3 and S3 range
Pricing and Specification Guide
Valid from April 2009

A User's Guide

This guide has been designed to help you tailor and price your new Audi A3 quickly and logically. At the back of this guide you will find information on CO2 emissions-based vehicle excise duty and the other services offered by Audi, including Finance and Insurance. Just visit audi.co.uk to configure your new Audi A3 online.

From the website, you can also access the Audi Channel player and see your potential new car in action on the following programmes:

Drivetime

www.audi.co.uk/A3drivetime

www.audi.co.uk/A3Sportbackdrivetime

www.audi.co.uk/S3drivetime

Your Audi

www.audi.co.uk/A3youraudi

The new Audi A3

Combining innovative concepts with modern design, the new Audi A3 is designed to be both versatile and sophisticated. Impressive from every angle, the new A3 boasts a stylish exterior with new headlight and taillight designs. And the chrome-trimmed grille's bold lines emphasise features that are unmistakably Audi. From the standard servotronic steering, distributing power evenly and precisely, to the athletic suspension of the quattro® all-wheel-drive system, each element of the A3 is designed for ultimate driving pleasure.

The comfortable interior has also undergone a few changes. Combining a new instrument cluster design with chrome trim, the A3 is noted for its modern styling. So as well as looking the part, the responsive drive and efficient range of engines ensure that the drive delivers too. Not only does the extensive range now offer more efficient petrol TFSI engines and new common-rail 2.0 TDI diesel engines, there's also the option to add dual-clutch S tronic transmission for even greater performance. And that's not all – the range is now more economical than ever with fuel consumption lowered by up to 15% and reduced CO₂ emissions.

Expressing yourself through the A3 is easy with a choice of new options. The Parallel Park Assist, a new introduction to the innovative Audi range, not only detects a good parking space but even steers the car into position. And for even better chassis control and handling, Audi Magnetic Ride is now available.

It's these new additions together with a wide range of multimedia, styling and practical options that ensure the new A3 is specifically tailored to suit your needs. So however you choose to customise your car, you can be confident that you've made it your own.

Engines

Petrol

The new Audi A3 model range includes an impressive turbocharged direct-injection TFSI® engine which is now even more efficient. TFSI® is a unique Audi innovation, combining turbo-charging with the FSI® technology originally developed for the Le Mans 24-hour endurance race to deliver increased power and torque, as well as enhanced fuel efficiency. Precisely the right amount of fuel and air are injected directly into the combustion chambers, 'unthrottling' the engine and enabling it to 'breathe' more easily. At the same time, electronics monitor the engine load and adjust the injection process. The result – reduced heat-loss and increased output, with around a 15% reduction in fuel consumption and significantly lower exhaust emissions. Ideal for someone who's looking for an uncompromising, exhilarating drive.

Diesel

We introduced TDI to the roads in 1989, marking a departure from the noisy, fuel-thirsty diesel engines of the past. And since then, we've continuously refined it, recently developing common-rail technology for even more efficiency and power. Under this system, a series of piezo injectors use electrical charge to precisely control the amount of fuel injected into the engine. As well as reducing noise, this allows combustion to happen at a lower temperature, with less oxygen, which cuts down emissions. In fact, it means that the new 2.0 TDI engine already complies with the proposed EU IV emission limits planned for 2010. So not only does common-rail technology help to protect the environment, it also enables us to future-proof our cars.

Standard model equipment

All new A3 models have the following items of standard equipment:

Engine

Automatic start/stop function for greater fuel and CO₂ efficiency. Comprising;

- Recuperation for optimal energy utilisation
- Energy saving tips feature in Driver's Information System; including gearshift indicator (if fitted)

(Only available on the 1.4 TFSI manual)

Wheels, tyres and suspension

16 x 6.5J '7-arm' design alloy wheels with 205/55 R16 tyres and locking wheel bolts
Space saving spare wheel

Audio and communication

Audi Chorus radio/single CD player with front speakers

Seats

Driver and front passenger seat manually adjustable
Easy Entry front seats (3-door only)
'Frequency' fabric upholstery

Seat belts – 3-point on all seats
Split-folding rear seats (1/3; 2/3 or all)

Safety and security

Audi backguard head restraints for front seats (adjustable)
Driver, front passenger and front side airbag system
Electronic Stability Programme (ESP), including ABS, EBD, ASR and EDL
Halogen headlights
ISOFIX child seat preparation for front passenger seat (with airbag disabling feature) and rear seats
Rear fog light
Rear head restraints (adjustable)
Remote central locking
Servotronic (speed dependent) power steering
Thatcham Category 1 Alarm and Immobiliser
Tool kit and car jack
Warning triangle

Exterior equipment

Body-coloured door mirrors with integrated indicators
Electrically operated and heated door mirrors

Interior equipment

3-spoke leather steering wheel with gear-change paddles (1.8 TFSI and 2.0 TDI S tronic models only)
4-spoke leather steering wheel
Dampened grab handles
Electric front and rear windows (Sportback only)
Electric front windows (3-door only)
Front and rear floor mats
Granite, Umbra or Opal inlays and door trim (depending on upholstery colour – see page 32)
Heat-insulating glass
Heated rear windscreen
Manual air conditioning
Manual headlight adjustment
Steering wheel adjustable for height and reach
Washer fluid level indicator

16 x 6.5J '7-arm' design alloy wheels

Body-coloured door mirrors with integrated indicators

Driver, passenger and side airbag system (rear side airbags optional)

S3 model equipment (selection)

Even from a distance, the new Audi S3 radiates power and charisma. Athletic body styling, 18" alloy wheels, Xenon headlamps with LED daytime-running lights and a low-slung body all hint at the breathtaking 265PS of power that awaits you. And as you take the flat-bottomed multi-function leather steering wheel and burst from 0 to 62mph in 5.7 seconds, you'll also be

amazed by the striking interior specification. Heated leather Sports seats, aluminium trim and 'S' design instrument dials all complement this model's sporty character perfectly. Just read on to discover more about the standard and optional equipment available in the Audi S3.

Wheels, tyres and suspension

18" parallel 5-spoke 'S' design alloy wheels with 225/40 R18 Y tyres

2.0 TFSI quattro®	265PS	6-speed manual	£23,639.13	£27,185.00	£28,015.00

Recommended On-The-Road (OTR) retail prices include: delivery charge, half a tank of fuel, number plates at £565.00 (inc. VAT), Road Fund Licence (which may vary depending on model/transmission – see page 66 for details) and first registration fee at £55.00.

Please note images shown are for illustration purposes only and do not necessarily depict UK specification.

Transmission

S tronic (6-speed)

Audi offers a variety of different transmission options to suit your requirements and driving style. In addition to the classic manual gearbox are two innovative, semi-automatic transmission options. To help you come to an informed decision, each of these is described in detail opposite.

The revolutionary S tronic gearbox combines the agility and responsiveness of a conventional 6-speed manual gearbox with the convenience and smooth, uninterrupted power of an automatic transmission. The technical basis of the S tronic gearbox is the double clutch. This consists of two lubricated plates with hydraulically-regulated contact pressure. One engages the odd-numbered gears, the other the even-numbered, enabling gear-shifts to be made in a fraction of a second, with no disruption to the power flow. Depending on how the mood takes you, you can either allow gear-changes to take place automatically or, for a sportier driving style, operate the S tronic system using the gear lever or steering wheel shift-paddles. The choice is yours.

S tronic (7-speed)

The 1.6, 1.4 TFSI and 1.8 TFSI models are now available with the new 7-gear version of our highly-acclaimed S tronic gearbox. The extra gear, along with a dry-clutch set-up, results in improved fuel economy and lower CO₂ emissions. As with the 6-speed S tronic gearbox, this gear system can be operated in fully automatic mode, or using the gear lever or steering wheel gear-change controls for a sportier driving style.

Audi Centre-fitted accessories

Audi Centre-fitted accessories offer a range of products that enable you to tailor your Audi A3 to your tastes and requirements. All accessories available on the Audi A3 are covered by a 3-year warranty if ordered and included in the purchase price of the car. All prices exclude fitting, where this is required. Please contact your Audi Centre for further details of accessories available for the Audi A3 or visit www.audi.co.uk/accessories.

Sport and design

Comfort and protection

	Part number	Basic RRP	Total RRP <small>inc. VAT</small>
Front rubber floor mats. Durable and easy-to-clean front rubber floor mats protect the vehicle interior from dirt and moisture	8P2061501041	£25.22	£29.00
Rear rubber floor mats. As above	8P0061511041	£20.87	£24.00

Communication and entertainment

DVD rear seat entertainment system. Roof mounted, flip-down rear seat entertainment system that has an integrated DVD/CD/MP3 player with an 8.5" premium-grade LCD display. Includes wireless infrared headphones and remote control. (Can only be fitted to A3 Sportback. Cannot be fitted to models with open sky sun roof)	ZGB8P0035596B	Please consult your Audi Centre for pricing	
Remote SIM access profile Bluetooth adaptor. An enhancement of the factory-fitted option "Mobile phone preparation – Low". It enables mobile phone handsets to connect to the phone preparation via Bluetooth Remote SIM Access Profile (rSAP). When handsets are connected, the adaptor enables the use of the external GSM car antenna in order to minimise GSM radiation in the car and handset battery consumption. The handset is put into standby mode so battery power drain is minimal. Once connected, the adaptor links to the handset automatically and details of up to four handsets can be saved. Only handsets with Bluetooth rSAP functionality are compatible with this adaptor	8P0051440	£254.78	£293.00

Safety and security

CobraTrak Q tracking device. Thatcham Category TQA rated tracking device that uses GPS and GSM technology to accurately pinpoint the location of a vehicle in up to 36 European countries in the event of theft. Price shown includes one year's subscription to the CobraTrak service	ZGB000054996A	Please consult your Audi Centre for pricing	
Road Angel Professional Connected. Gives you access to the UK's number-one safety camera and accident blackspot database as you drive. It is the world's first Connected safety camera and blackspot alert device which uses a built-in SIM card and GPRS/GSM technology to enable UK wide safety camera location updates every few minutes. The Road Angel Professional Connected is operated via remote control and has a full colour screen that can be customised to your taste. Includes a built-in rechargeable battery with up to 8 hours' battery life*	ZGB000052916A	£256.51	£294.99

Remote SIM access profile Bluetooth adaptor

CobraTrak

Road Angel Professional Connected

*Subsequent subscription charges apply, £4.99 per month payable by Direct Debit, minimum 12 months' contract is required. Includes free trial period of tracking function, additional subscription required for ongoing use. Please note: Road Angel products are only covered by a 1-year warranty. Road Angel warranty terms and conditions can be found at www.roadangel.co.uk.

Every Audi is intrinsically exclusive. It's the breathtaking design, the exceptional engineering, the Vorsprung durch Technik. But for that added element of exclusivity – that distinguishing look that sets you apart from the rest – you can specify your new A3 with options from Audi exclusive. Whether you want a unique, custom-mixed paint colour or seats in a combination of complementary shades, Audi exclusive will enable you to drive the car you've always imagined.

For more information on any of the options over the following pages or to view swatches, simply ask a member of staff at your local Audi Centre.

Upholstery

With Audi exclusive, you can choose between Fine Nappa leather and Alcantara, depending on the texture and flexibility you prefer in your car's upholstery. And once that's decided, you can specify your seats in an array of different colours shown to the left.

Choose just one all-over shade for each seat, or for a sportier look, customise each panel in two or more complementary colours from the distinctive Audi exclusive palette shown here. You can even choose the colour of the decorative stitching – to match or contrast with your chosen upholstery – from this varied collection. Whatever combination you decide upon, you're guaranteed to be extremely comfortable with the result.

*Not available in Alcantara.

Audi exclusive line

Audi exclusive is ultimately about choice – but if you’d rather leave some of the decisions in the capable hands of our designers, the expert team at quattro® GmbH have compiled Audi exclusive line, combining some of the most popular elements of the exclusive range in one sporty, beautifully coordinated package.

The package gives you:

- ▶ Sports seats in two-tone Fine Nappa leather, with black seat-side sections with coloured stitching and coloured seat-centre section in Crimson red, Silver or Cognac
- ▶ Black dashboard and carpets
- ▶ Black cloth headlining
- ▶ Door-trim inserts in black to match interior trim
- ▶ Audi exclusive door sill trims*
- ▶ Brushed aluminium inlays
- ▶ Floor mats in black with coloured piping (to match seat-centre section)
- ▶ 3-spoke leather steering wheel (S tronic with shift paddles)
- ▶ Steering wheel rim and gear lever gaiter with coloured stitching in matching colour to seat-centre section
- ▶ Head restraints with coloured stitching in matching colour to seat-centre section

Paint

Everyone has a favourite colour. No matter what yours is, Audi exclusive provides a range of unique colours that have been designed to set your car apart. Choose from the swatches here, or specify any other paint colour in the Audi range – whether it's Jet blue from the Audi R8 or Alpine white from the original Audi quattro®. The choice is yours.

Customised paint

In a car made with Vorsprung durch Technik, there are no compromises. So if you have a particular colour in mind, we'll mix the exact metallic or pearl-effect shade you want – whether it's the blue of your favourite shirt or the wall colour in your sitting room.

Basic RRP	Total RRP ^{inc.} _{VAT}
£2,043.48	£2,350.00

Inlays

Inlays are the all-important ‘finishing touch’ that add flair and interest to the surfaces inside your car. So Audi exclusive have sourced a hugely varied range of materials from which to craft these elements – from Oak sepia to rich quilted maple wood. You can even customise your gear knob with one of the available woods, all of which are shown opposite.

Order code		Basic RRP	Total RRP <small>inc. VAT</small>

Steering wheels and controls pack

Our fingertips and palms contain more touch receptors than any other part of our body – so shouldn't the parts of our car we handle the most also be the most pleasing to touch? With this in mind, Audi exclusive enables you to customise the steering wheel of your choice in smooth, warm leather, in any of the colours shown on page 47. As with Audi exclusive seats, you even have free choice on the colour of the decorative stitching used. Choose a controls pack and you can extend this exclusive look and feel to your car's handbrake, gearknob and gaiter too.

1370	1930	75	720	1500	1800	370	1100	55	28.8 (9.8)	49.6 (5.7)	39.2 (7.2)
1455	2015	75	750	1500	1800	302	1032	60	28.2 (10.0)	45.6 (6.2)	37.2 (7.6)
1495	2055	75	-	-	-	302	1032	60	23.9 (11.8)	42.2 (6.7)	33.2 (8.5)
1515	2075	75	-	-	-	302	1032	60	25.2 (11.2)	41.5 (6.8)	33.6 (8.4)

⁴Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 80/1268/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

⁵The engine's power output always goes down with increasing altitude. At 1000m above sea level, and for every additional 1000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle).

All diesel engines are fitted with a Diesel Particulate Filter.

²The given value was obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC).

³The given values were calculated in accordance with the specified measurement procedure (the respective current version of Directive 80/1268/EEC). This information does not relate to a single vehicle and does not comprise part of the offer but is merely intended for the purpose of comparison between the different vehicle types.

⁴Top speed is achieved in top gear.

Please note: The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of brake horsepower). To convert to brake horsepower, divide the PS figure by 1.0139.

Additional information

CO₂ data and information

CO₂ emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO₂) a vehicle emits, measured in grams per kilometre (g/km). The DVLA has created seven categories:

Petrol and Diesel engines	
A – up to 100g/km	£0.00
B – 101 to 120g/km	£35.00
C – 121 to 150g/km	£120.00
D – 151 to 165g/km	£145.00
E – 166 to 185g/km	£170.00
F – 186 to 225g/km	£210.00
G – over 225g/km	£400.00

Audi Service

Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

There are two schedules available and your Audi Centre will advise which schedule is most suited to your needs. The conventional fixed Audi Inspection Service schedule

Inspection Service Schedule

Vehicle usage:	
Mileage	Less than 10,000* miles per annum
Type of journey	Mainly city/town centre driving. Short journeys
Conditions	Frequent cold starts. High engine loading – e.g. frequent hill climbs, vehicle fully loaded, towing
Driving style	Uneconomical – e.g. heavy acceleration, heavy braking, constant changes in speed, constant use of high revs, 'sporty' driving

Fixed Audi Inspection Service Intervals:	
Oil-change Service	Fixed to every 10,000* miles/1 year
Inspection Service	Fixed to every 20,000* miles/3 years, then every 20,000* miles/2 years thereafter

has fixed intervals for the Oil Change and Inspection Service that are based on time and distance, whichever comes first. With the Audi LongLife Service schedule, sensors take account of driving style and conditions in which the vehicle is used to indicate when the Oil Change Service is required. Oil Change Service intervals are therefore variable and are conveniently indicated via the on-board service interval display.

LongLife Service Regime

Vehicle usage:	
Mileage	More than 30 miles per day
Type of journey	Motorway and main road driving. Mainly longer distance journeys. Constant speeds
Conditions	Normal engine loading – e.g. with little or no towing, with little or no hill climbs. Normal vehicle loading
Driving style	Moderate acceleration, moderate braking, engine revs mainly below 3,000

Audi LongLife Service Intervals:	
Oil-change Service	Variable to a maximum of every 20,000* miles/2 years
Inspection Service	Fixed to every 20,000* miles/3 years, then every 20,000* miles/2 years thereafter

*As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

Service by Design

At Audi, we believe our customers can expect excellent service each and every time they make contact with us. To ensure that this happens, we have agreed a set of service standards with our Audi Centre network that governs the way they do business with you. These standards apply to both Sales and Aftersales, and we actively monitor our Centres to ensure that you receive the highest level of customer service. These service standards will ensure a consistent, stress-free experience whenever you are in contact with anyone representing the Audi brand.

Every Audi Centre will be open during the following hours:

Sales: 9am–6pm Monday to Friday
9am–5pm Saturday

Service: 8am–6pm Monday to Friday
8.30am–1pm Saturday

Sunday opening at local discretion.

Test drives

Whilst we cannot always have the desired demonstrator car ready immediately, we will confirm arrangements for a test drive within two working days (subject to status).

New Car delivery

Once we have confirmed a delivery date with you, we will keep you informed of progress. In the unlikely event of a delay, we will provide you with a courtesy car to minimise inconvenience and keep you mobile.

Delivery to any location within the UK

To maximise your Audi experience right from the first day of ownership, we will deliver your car to your preferred location – whether that's home or your place of work (subject to reasonable notice).

Attention to every detail

Your ownership experience starts with half a tank of fuel.

Quotation response

We will answer any quotation request within 1 working day.

Training

We run a continuous training development programme for all our staff so that we consistently deliver a high-quality, professional service.

Formal complaints procedure

We have a complaints procedure designed to ensure any negative issue you raise with us is dealt with properly.

Courtesy cars

When your car is off the road, perhaps due to a scheduled service or MOT, we will offer you an Audi Courtesy Vehicle until yours is ready. We'll even collect from and deliver to your chosen location, keeping hassle to an absolute minimum.

Service bookings

If you do not require a courtesy car, we will service your Audi within a maximum of 5 working days.

If you do choose to take a courtesy car, we will promise to service your vehicle within a maximum of 10 working days.

Cleaning

When your car comes to our workshop, we will wash and vacuum it at no extra cost.

No hidden charges

You will be consulted before we carry out any necessary work on your vehicle, and anything charged for will be itemised on your bill. No extra work will be undertaken without your permission.

A personal service

All work will be done by a named Audi Technician, to whom you can personally direct questions or requests should you need to.

Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

Pricing information

Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre, as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 15%.

Delivery charges and number plates are not included in the vehicle price.

Delivery charge	£471.30
Number plate	£20.00
VAT	£73.70
Total	£565.00

Audi Roadside Assistance

Your new car comes complete with complimentary roadside assistance and recovery across the UK provided by RAC Motoring Services. Also included is roadside assistance throughout Europe, managed by RAC Motoring Services.

Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- ▶ A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the 3rd year
- ▶ A 3-year paint warranty
- ▶ A 12-year anti-corrosion warranty
- ▶ Up to 3 years' UK roadside assistance and recovery

This package, together with Audi variable Service intervals, offers a combination unmatched by any other major manufacturer.

Contact your Audi Centre for full details.

Audi Tax-Free Sales

If you are entitled to purchase a vehicle free of VAT, normally through Military or Diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call Freephone 0800 585878.

Audi Finance

Audi Finance specialise in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there are a range of funding options to choose from.

Below is the full range of finance products.

- ▶ Solutions – a Personal Contract Plan
- ▶ Hire purchase
- ▶ Lease purchase
- ▶ Finance lease
- ▶ Contract hire

With all products, you can choose a fixed-cost maintenance plan designed to help you budget accurately.

No matter what Audi model you choose, your local Audi Centre can provide you with a personalised quote which could fit your budget and motoring needs.

Audi Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

Audi Insurance

Competitive comprehensive motor insurance designed specially for Audi drivers. All new Audi models come with complimentary seven-day cover upon request – we'll email a cover note directly to your Audi Centre, enabling them to tax your car easily. This way, you can drive straight out of the showroom. Taking out an annual policy is easy and can begin as soon as your free seven-day cover expires.

For more information, contact your local Audi Centre. Alternatively, call 0800 051 3146 for a quote and to receive 7 days' complimentary cover for your new Audi.

Audi Insurance is underwritten and administered by Zurich Insurance Company.
