

## The Audi A1

Pricing and Specification Guide  
Valid from August 2011

# Personalising your Audi A1

This guide has been designed to help you tailor and price your Audi A1 quickly and logically. At the back, you will find information on CO2 emissions-based taxation and the other services offered by Audi, including Finance and Insurance. You can also configure your Audi A5 Coupé online at [audi.co.uk](http://audi.co.uk).

You might also like to consider Audi Complete: a simple way to take care of servicing and maintenance costs for your Audi in a single package. You pay a one-off or monthly fee and we'll cover all your servicing, maintenance and tyres for the next three years including your first MOT and a full 5-year warranty. It means you only have to pay for fuel, insurance and your Road Fund Licence. So you can be reassured that your car will be maintained by trained Audi Technicians, using genuine Audi parts.

## Vorsprung durch Technik

Three words that express the very essence of Audi. Vorsprung durch Technik isn't a slogan. It's our way of seeing the world. It is the driving force behind our history of innovation that continues into the 21st century. Indeed, many technologies that Audi pioneered remain in our cars today. Some are milestones in the history of the motorcar.

From our beginnings in 1899, to the Auto Union team's Grand Prix successes in the 1930s and our more recent wins at Le Mans, we have always been at the forefront of the motor industry.

Vorsprung durch Technik makes us who we are. To see more of its influence, just read on.

## The Audi A1

Sometimes it's the smallest things that contain the biggest ideas: the humble paper clip, the tungsten filament, the pocket army knife. The Audi A1 is no exception. This car is a distillation of all the great technologies which came before it – many of which appear in the flagship A8.

Featuring TDI® and FSI® engines born and bred on the racetrack and cutting edge technologies such as Start-Stop and S tronic,® this is amongst our most efficient cars.

## Efficiency

At Audi, doing less is something we're trying to do more of. We're working to use less fuel, release less CO<sub>2</sub> and waste less energy. It's why we've incorporated a number of more efficient technologies into the Audi A1.

### **TDI® and FSI®**

Inside the engine of the A1 you'll find the same advanced fuel-injection technology that's driven us to win after win at Le Mans. With TDI® and FSI®, fuel is injected directly into the engine's chambers so that combustion is timed right down to the millisecond. As a result, waste is minimised and you get the most from every last drop of fuel.

### **Automatic Start-Stop function**

In traffic, your car still uses fuel and releases CO<sub>2</sub>, even when it's stationary. The automatic Start-Stop function is a smart new technology that counteracts this problem by being able to switch off the engine when your A1 comes to a standstill. As soon as you touch the clutch (or brake pedal on S tronic® models), the car restarts. By only using the engine when it's needed, it helps to save fuel and reduce emissions – especially in heavy urban traffic.

### **Recuperation**

When a vehicle brakes, the discs convert the kinetic energy into thermal energy, which is wasted as it cannot be used. With a recuperation system, like the one in the Audi A1, the kinetic energy is converted into useful electrical energy. The way it works is simple. While the car is coasting or braking, the alternator voltage is raised above the level of the basic electrical system, which enables the alternator to generate electrical energy and store it temporarily in the battery. When the vehicle accelerates, this energy is used to relieve the load on the alternator, resulting in a fuel saving of up to 3%.

## Engines

### Petrol

FSI® direct-injection technology is a unique Audi innovation that was originally developed for the Le Mans 24-hour endurance race to deliver more power and torque, as well as enhanced fuel efficiency. Precisely the right amount of fuel and air are injected into the combustion chambers, enabling the engine to 'breathe' more easily. It results in reduced heat loss and increased output, with around a 15% reduction in fuel consumption and significantly lower exhaust emissions. We've also developed TFSI®, with turbocharging – giving cars an extra injection of power.

### Diesel

We introduced TDI® to the roads in 1989, marking a departure from the noisy, fuel-thirsty diesel engines of the past. And since then, we've continuously refined it, recently developing common rail technology. Under this system, a series of piezo injectors use electrical charge to precisely control the amount of fuel injected into the engine. As well as reducing noise, this allows combustion to happen at a lower temperature, with less oxygen, which lowers emissions.

## Transmission

### **S tronic®**

Driving is all about thinking ahead, which is just what the S tronic® dual-clutch transmission does. It works almost as two separate systems, one engaging the odd-numbered and the other the even-numbered gears. So when you're accelerating in second, it has third gear waiting for you. And once you make the switch, it's already thinking about fourth. With two clutches working together, you can change gears almost instantly while experiencing smooth, uninterrupted power. S tronic® is available on 1.4 TFSI models.

# Technology

## Concert radio

A technologically advanced car needs a sound system to match – one designed to enhance the thrilling experience of every drive. The standard Concert radio incorporates an MP3-compatible CD player, AUX-IN socket, SD memory card reader and a 6.5-inch retractable display. Six high-performance speakers complete with two ‘tweeters’ work together to produce a sound to enliven any journey.

## BOSE® surround sound system

The A1’s exterior is a perfect example of modern design. This is complemented inside, where you’ll find state-of-the-art technology throughout the cabin. Options include a BOSE® surround sound system with 14 high performance speakers and a sub-woofer. The speaker housings are enhanced with bevelled edges. Thanks to a 10-channel amplifier, the speakers deliver 465 Watts of rich and clear sound, creating a rewarding listening experience – whatever kind of music you’re listening to. For more information, please see page 44.

## LED technology

Xenon headlights are available on all trim levels of the Audi A1. Upgrade to Xenon Plus headlights and you’ll also benefit from LED daytime running lights, which provide a distinctive look with a unique, flowing design. Special reflectors focus the light emitted by each diode to create a powerful, uniform beam. And this technology also features in the rear lights, creating a striking design that is unmistakably Audi. For more information, please see pages 42 and 47.

## Technology package

The Audi A1 keeps many of its most impressive technologies concealed beneath sculptured bodywork and interior finishing. The optional technology package, with its HDD-based Satellite Navigation system, for example, gives you intuitive control of your car’s communication, information, navigation and entertainment functions. The MMI eight-way joystick lets you navigate maps quickly and easily in both 2D and 3D, while you can also use the Audi Music Interface to connect your iPod or the Bluetooth interface to stream music wirelessly from your mobile phone. There’s plenty of room to store your favourites too, as 20GB of the 40GB hard drive can be used to store up to 8,000 songs. For more information, please see page 42.

## Mobile telephone preparation – High with online services

If you choose the technology package, you can also specify mobile telephone preparation – High, with online services. A world first in this class of car, it lets you keep completely up to date with the latest online services and turns your A1 into a Wi-Fi hotspot. So when you take a trip, you won’t just be able to check the weather before you leave, you’ll also have access to the latest forecast throughout your journey. Thanks to Wi-Fi connectivity, your passengers can access the internet while you drive, so they can check emails and browse the web using a laptop or smart phone. And finding your destination is easier too, as navigation through Google Earth makes it possible to identify real-life details and search for local landmarks and other points of interest. For more information please see page 45.

## SE model equipment

All A1 models have the following items of standard equipment

### Engine

Automatic Start-Stop function\* for greater fuel and CO<sub>2</sub> efficiency. Comprising;

- Recuperation for optimal energy utilisation
- Energy saving tips feature in Driver's Information System: including gearshift indicator (if Driver's Information System is fitted)

### Wheels, tyres and suspension

15" x 6.5J '7-arm' design alloy wheels with 205/55 R15 tyres

Locking wheel bolts

Dynamic suspension with McPherson front axle and twist-beam rear suspension

Tyre repair kit

### Audio and communication

6.5" display screen – manually retractable

AUX-IN socket

Concert radio/single CD player with MP3 file compatibility, 6 speakers in front and rear and 2 tweeters

SD memory card reader

### Seats

Driver and front passenger seats with manual height, forwards and backwards adjustment

Easy-entry front seats

Split folding rear seats

'Zeitgeist' cloth upholstery

### Safety and security

Driver, front passenger, front side and head airbag system

Front passenger airbag deactivation switch

ISOFIX child seat preparation for rear seats

Electronic Stability Programme (ESP), including ABS, EBD, ASR and EDL

First aid kit

Halogen headlights

Rear fog light

Rear head restraints (adjustable)

Seat belts – 3-point on all seats

Seat belt reminder for all seats

Thatcham Category 1 alarm and immobiliser

Remote central locking with 2 foldaway keys

Tool kit and car jack

Warning triangle

### Exterior equipment

Body-coloured door mirrors with integrated indicators

Electrically operated door mirrors

### Interior equipment

3-spoke Sports steering wheel

Steering wheel adjustable for height and reach

Air vent sleeves in matt black

Electric front windows

Heat-insulating glass windscreen and side windows

Front floor mats

Heated rear windscreen

Manual air conditioning

Non-smoking package

Washer fluid level indicator

Contrasting colour panels on doors, door armrest and centre console (see page 26)

15" x 6.5J '7-arm' design alloy wheels

Body-coloured door mirrors with integrated indicators

Air vent sleeves in matt black

Split folding rear seats

# Sport model equipment

In addition to SE model equipment

<p><b>Basic RRP</b> £1,533.33</p> <hr/> <p><b>Total RRP inc VAT</b> £1,840.00</p>

### Wheels, tyres and suspension

16" x 7J '10-spoke' design alloy wheels with 215/45 R16 tyres

Sports suspension with stiffer spring and damper settings. Dynamic (SE) suspension is available in lieu of Sports suspension at no charge

### Audio and communication

Mobile phone preparation – Bluetooth interface

Voice control of key telephone and radio functions

### Seats

Front Sports seats

Manually adjustable lumbar support in front seats

'Tornado' cloth upholstery

### Exterior equipment

Front fog lights

Polished tailpipe(s)

### Interior equipment

3-spoke leather Sports multi-function steering wheel with aluminium inlay

Driver's Information System

Air vent sleeves in high gloss black

Aluminium trim for control switches, glove compartment, door handles and door sills

Leather handbrake grip and Sports gear knob with aluminium trim

16" x 7J '10-spoke' design alloy wheels

Front fog lights

3-spoke leather Sports multi-function steering wheel

Air vent sleeves in high gloss black

# S line model equipment

## In addition to Sport model equipment

**Basic RRP**  
£1,287.50

**Total RRP inc VAT**  
£1,545.00

### Wheels, tyres and suspension

17" x 7.5J '5-twin-spoke' design alloy wheels with 215/40 R17 tyres

S line Sports suspension

### Seats

Black 'Sprint' cloth/leather upholstery with embossed S line logo in front seats

### Exterior equipment

S line badges on front wings

S line body styling, comprising radiator grille in high gloss black, front sports bumper, side skirts and rear bumper with diffuser

S line roof spoiler

### Interior equipment

3-spoke leather Sports multi-function steering wheel with aluminium inlay, S line badging and perforated leather trim

### Black cloth headlining

Door sills with aluminium inlays and S line lettering

**LED interior light package.** Includes illuminated door handles, footwell lighting, illuminated vanity mirrors, illuminated glovebox, front reading lights and ambient lighting of the centre console

**Centre console and door armrest in mono. pur.** Only available on 1.4 TFSI (185PS)

Door sills with aluminium inlays and S line lettering

Black 'Sprint' cloth/leather upholstery

17" x 7.5J '5-twin-spoke' design alloy wheels

# A1 Editions

## In addition to Sport model equipment

**Basic RRP**  
£1,500.00

**Total RRP inc VAT**  
£1,800.00

### Competition Line

Competition Line is inspired by famous models from Audi's motorsport heritage, such as the legendary Audi quattro rally car which delivered numerous world championships in the early 1980s. It combines aerodynamic body styling with a striking, motorsport-inspired design both inside and out.

### Wheels

18" x 7.5J '5-arm Polygon' design alloy wheels in matt black, with 225/35 R18 tyres

### Interior equipment

#### Interior styling package:

- Centre console trim
- Door handles
- Floor mats
- Rear-view mirror trim\*
- Air vent sleeves in high gloss white

### Exterior equipment

#### Exterior styling package:

- Front spoiler
- Double-blade roof spoiler
- Side skirts
- Rear diffuser in gloss black

#### Exterior design features on:

- Roofline
- Shoulder line with 'Audi Sport' lettering
- Number '1' on the bonnet and doors
- Boot lid
- Front spoiler lip, side skirts, wheel arch surrounds and double-blade roof spoiler
- Rear sills with Audi rings

Exterior design features

## Audi exclusive

Every Audi is intrinsically exclusive.  
It's the breathtaking design, the exceptional  
engineering, the Vorsprung durch Technik.  
But for that special touch you can specify  
your new A1 with options from Audi exclusive.  
It means that you'll be able to drive the car  
you've always imagined.

Both the exclusive and standard options can  
be found on the following pages.

# Upholstery

## Audi exclusive

With Audi exclusive, you can specify your seats in Fine Nappa leather in an array of different colours shown to the right.

Select just one all-over shade for each seat, or customise each panel in two or more complementary colours from the distinctive Audi exclusive palette. You can even choose the colour of the decorative stitching – to match or contrast with your chosen upholstery – from this varied collection. Whatever combination you decide upon, we think you'll be extremely comfortable with the result.

Chestnut brown

Jet grey

Alabaster white

Sand beige

Saddle brown

Crimson red

Magnolia white

Havanna brown

Cognac brown

Night blue

Cloudy grey

Smoky blue

Iceland green

Powder beige

Classic red

## Service Plan

Choosing an Audi Service Plan provides an easy way to cover all your car's scheduled servicing with a one-off payment. It can take care of everything from fluid and filter changes to your full service, ensuring you retain a full Audi service history. There are no servicing bills to plan for and you'll continue to benefit from today's prices for the length of your agreement.

\* For further details on Service Schedules please see page 56

Order Code		SE	Sport	S line	Competition Line	Basic RRP	Total RRP inc VAT
-	<b>Audi Service Plan - Longlife Service Schedule*</b> . Comprehensive package covering servicing costs for 5 years or 50,000 miles, whichever comes sooner. Your A1 should be placed on the Longlife Service Schedule if you drive over 10,000 miles per annum. Visit <a href="http://audi.co.uk">audi.co.uk</a> or your local Audi Centre for full details, including terms and conditions. For retail customers only	●	●	●	●	£208.33	£250.00
-	<b>Audi Service Plan - Fixed Inspection Service Schedule*</b> . Comprehensive package covering servicing costs for 5 years or 50,000 miles, whichever comes sooner. Your A1 should be placed on the Fixed Inspection Service Schedule if you drive under 10,000 miles per annum. Visit <a href="http://audi.co.uk">audi.co.uk</a> or your local Audi Centre for full details, including terms and conditions. For retail customers only	●	●	●	●	£375.00	£450.00

Please ask at your Audi Centre or visit [audi.co.uk/audicomplete](http://audi.co.uk/audicomplete) to find out about Audi Complete, an alternative plan including maintenance and tyres.

Model cars

# Accessories

Choosing an Audi isn't just a matter of deciding on the model you want; it's about creating a car that suits your needs perfectly. And that's why we've developed a whole range of accessories to enhance your A1, enabling you to customise it down to the last detail. Like your Audi, all these accessories are developed to the highest possible standards. And they're all available exclusively from Audi. To find out more, just visit your local Audi Centre.

## Warranty

All of the accessories available on the A1 are covered by a three-year warranty\* if they are ordered and included in the purchase price of the car at date of delivery. Any accessories ordered and installed after delivery include a two-year warranty.\*

\*Competition Line.

\*\*Please note that luggage capacity is reduced when BOSE® surround sound is fitted.

<sup>4</sup>Highest insurance group rating shown. Group may be lower dependent on trim level. Please visit [www.thatcham.org/abigruprating](http://www.thatcham.org/abigruprating) for details.

**Please note:** The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of brake horsepower). To convert to brake horsepower, divide the PS figure by 1.0139.

<sup>1</sup>The given value was obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC).

<sup>2</sup>Top speed is achieved in top gear.

<sup>3</sup>Fuel consumption and CO<sub>2</sub> emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available at [www.vca.gov.uk](http://www.vca.gov.uk).

<sup>4</sup>Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 80/1268/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

<sup>5</sup>The engine's power output always goes down with increasing altitude. At 1,000m above sea level, and for every additional 1,000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle).

# A1 dimensions

The technical drawings opposite show the exact dimensions of the A1, so you can check everything – from whether the car will fit in your garage to whether your luggage will fit in the boot.

Dimensions were measured with vehicle at unladen weight.

Turning circle approx 10.7m.

Dimensions in millimetres.

\*Maximum headroom.

# Additional information

## CO<sub>2</sub> data and information

### CO<sub>2</sub> emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO<sub>2</sub>) a vehicle emits, measured in grams per kilometre (g/km).

First year VED rates apply to the first year of ownership. Annual VED rates apply thereafter. The DVLA has created thirteen categories:

Petrol and Diesel engines	First year	Annual rate (second year onwards)
A – up to 100g/km	£0.00	£0.00
B – 101 to 110g/km	£0.00	£20.00
C – 111 to 120g/km	£0.00	£30.00
D – 121 to 130g/km	£0.00	£95.00
E – 131 to 140g/km	£115.00	£115.00
F – 141 to 150g/km	£130.00	£130.00
G – 151 to 165g/km	£165.00	£165.00
H – 166 to 175g/km	£265.00	£190.00
I – 176 to 185g/km	£315.00	£210.00
J – 186 to 200g/km	£445.00	£245.00
K – 201 to 225g/km	£580.00	£260.00
L – 226 to 255g/km	£790.00	£445.00
M – over 255g/km	£1,000.00	£460.00

Vehicle Excise Duty (VED) rates correct at time of going to print, but these may alter to reflect any change in the applicable VED rate

### Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

There are two schedules available and your Audi Centre will advise which schedule is most suited to your needs. The conventional fixed Audi Inspection Service schedule has fixed intervals for the Oil-change and Inspection Service that are based on

time and distance, whichever comes first. With the Audi LongLife Service schedule, sensors take account of driving style and conditions in which the vehicle is used to indicate when the Oil-change Service is required. Oil-change Service intervals are therefore variable and are conveniently indicated via the on-board service interval display.

Fixed Inspection Service Schedule		Variable LongLife Service Schedule	
	Vehicle usage:		Vehicle usage:
Mileage	Less than 10,000 miles per annum	Mileage	More than 10,000 miles per annum
Type of journey	Mainly city/town centre driving. Short journeys	Type of journey	Motorway and main road driving. Mainly longer distance journeys. Constant speeds
Conditions	Frequent cold starts. High engine loading – e.g. frequent hill climbs, vehicle fully loaded, towing	Conditions	Normal engine loading – e.g. with little or no towing, with little or no hill climbs. Normal vehicle loading
Driving style	Uneconomical – e.g. heavy acceleration, heavy braking, constant changes in speed, constant use of high revs, 'sporty' driving	Driving style	Moderate acceleration, moderate braking, engine revs mainly below 3,000
	Service Intervals:		Service Intervals:
Oil-change Service	Fixed to every 9,000* miles/1 year	Oil-change Service	Variable to a maximum of every 19,000* miles/2 years
Inspection Service	Fixed to every 19,000* miles/2 years	Inspection Service	Fixed to every 19,000* miles/2 years

\*As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

# Additional information

## Welcome to Audi

By placing an order for your Audi, you're choosing to get behind the wheel of one of the most sophisticated cars on the road. And because we believe the service we offer should be just as advanced, we wanted to let you know exactly what you can expect from us, now and in the future.

We've agreed a set of standards with all our Centres, which governs the way we do business with you. It outlines the kind of service we promise to deliver for every customer, right down to filling each new Audi we sell with half a tank of fuel.

So whether you're interested in the date your car will arrive in the UK or the way we'll dispose of non-biodegradable materials after we service your Audi, you can have total confidence in us.

## Audi Promise

### Audi Centres

We guarantee that all of our Centres will be open as follows:

Sales: Monday to Friday 9am–6pm  
Saturday 9am–5pm

Service: Monday to Friday 8am–6pm  
Saturday 8.30am–1pm

Sunday opening is at local discretion.

### New car delivery

Once we've confirmed a delivery date for your car, we'll keep you informed of progress. Subject to reasonable notice, we'll then deliver it to a place of your choice, whether that's your home or place of work. In the unlikely event of a delay, we'll provide a courtesy car to minimise inconvenience and keep you mobile.

### The experts in Vorsprung durch Technik

Would you entrust your Audi to anyone who hasn't been regularly trained to Audi standards? Our network of Audi Approved Master Technicians have undergone an impressive 100,000 hours of training over a 10-year programme to ensure they have the latest technical expertise for maintaining and servicing your Audi. All of our Service Advisors undergo a specialist induction and training to ensure they are Audi professionals and able to talk to you about any issues you may have with your Audi vehicle. What's more, we have so much expertise and experience in looking after Audi vehicles that we are able to make a note of your mileage and the state of your vehicle as and when we see it and predict when certain key events may occur. As part of our commitment to you, we will notify you in plenty of time so you can make an appointment with us.

### Your convenience comes first

At Audi you can choose from a range of convenient services that suit your needs. Why not book a 'service while you wait' appointment\* and enjoy our complimentary refreshments while your car is with us? Or, if you need to be mobile, take advantage of one of our courtesy cars which we can even collect and deliver to you.\* We guarantee we can service your Audi within 5 days without a courtesy car, or within 10 days if you need transport. We will also ensure your car is returned to you with a full valet.

### Audi Genuine Parts

Would you put a part into your Audi that wasn't the same quality as the factory fitted original? You can rest assured that only Audi Genuine Parts will be used on your vehicle. What's more, Audi parts and labour come with a 2-year guarantee.\*\* We stock a wide variety of parts, so we are well covered. However, if we don't have a part in stock at our Centre we have the back-up of parts at other Audi Centres, at our national warehouse and our factory and can usually source the relevant part very quickly.

### We don't like surprises either

We believe strongly in transparency and there will be no hidden costs. For added peace of mind, we will give you a quotation over the phone for the work you have requested and email you the price confirmation. We'll consult you if any additional work on your car is needed when it is with us. We won't carry out any extra work without asking your permission first.

### The Audi Stamp

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value of your car. Only the Audi Stamp will prove your approved Audi service history.

### Getting better every time

We continually gather feedback from our Audi Trained Technicians, as well as our customers, to ensure our vehicles are running as they should. Whenever we see an Audi for a service, we connect it directly to our headquarters in Ingolstadt which enables us to check your car's software and make sure it's as up-to-date as possible. If the factory has released a software upgrade for your model, it can be applied immediately – improving anything from your car's efficiency to the precision of its parking system.

### Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

\*Subject to availability.

\*\*Excludes wear and tear.

# Pricing information

## Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre, as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 20%, but this may alter to reflect any change in the applicable VAT rate.

Delivery charges and number plates are not included in the vehicle price.

Delivery charge	£471.66
Number plate	£20.00
VAT	£98.34
Total	£590.00

## Audi Roadside Assistance

Your new car comes complete with 3 years' complimentary roadside assistance and recovery across the UK provided by RAC Motoring Services. Also included is roadside assistance throughout Europe, managed by RAC Motoring Services.

For further information and terms and conditions, please visit [audi.co.uk](http://audi.co.uk)

## Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- ▶ A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the 3rd year

- ▶ A 3-year paint warranty
- ▶ A 12-year anti-corrosion warranty
- ▶ 3 years' UK roadside assistance and recovery

You also have the option when ordering your new car of choosing a four-year or five-year Audi warranty. Speak to a member of the sales team for more information.

## Audi Tax-Free Sales

If you are entitled to purchase a vehicle free of VAT, normally through Military or Diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call Freephone 0800 585878.
