MAZDA

A PLACE OF CONTROL AND LUXURIOUS APPEAL

Embodying Mazda's powerful award-winning design language KODO: Soul of Motion, the sculpted body of Mazda6 reflects the strength and streamlined beauty of an animal poised to surge forward. The interior provides luxurious comfort with soft touch surfaces offering an exclusive finish, helping to create an exclusive experience on every journey.

The interior of Mazda6 is specifically designed around the driver, ensuring exceptional levels of comfort and control. Settle into the cockpit where the soft-touch surfaces and premium-quality finishes create the expectation of something special. Push the engine start button and instantly drive away as the electronic parking brake automatically releases. On Sport Nav models experience the innovative Active Driving Display as it provides essential driving information including speed and turn-by-turn navigation via a head-up display.

An advanced infotainment and connectivity system provides access to a range of features and applications, with minimal effort leaving you safe to enjoy the road ahead. Controlled via the 7" colour touch-screen display and the intuitive Multimedia Commander with separate volume dial, you can enjoy Mazda6's multimedia system featuring DAB radio, connect your mobile device to access thousands of internet radio stations and even keep up to date with Facebook and Twitter*.

BE CONNECTED

Mazda6 is ready to entertain you with a range of high-quality audio systems strengthening the interactive relationship between car and driver. All models feature DAB radio, CD player, USB/iPod® connectivity and integrated Bluetooth® with internet app integration*, all controlled via the intuitive Multimedia Commander and large 7" colour touch-screen.

Sport Nav models are also equipped with the sensational Bose® surround-sound system, offering eleven precisely positioned speakers producing true-to-life panoramic sound and powerful bass reproduction.

PURE DRIVING PLEASURE

Mazda's sports car heritage is clear to see in the form of Mazda6. But it's even more apparent from behind the wheel. Our award-winning high efficiency SKYACTIV-G petrol and SKYACTIV-D diesel engines combine with compact, quick-shifting transmissions to deliver an exceptionally rewarding drive. With Mazda6 you'll get the power and efficiency you demand. No compromise necessary.

SKYACTIV TECHNOLOGY

SKYACTIV Technology is all about fuel economy, low emissions and the all-important 'fun to drive' element. Embracing all the technologies – engines, transmissions, chassis and body – it's an approach that completely reimagines the car from the ground up. Thanks to SKYACTIV Technology, Mazda6 delivers a unique mix of driving pleasure, balanced with outstanding environmental and safety performance.

YOUR CHOICE

Combining our award-winning SKYACTIV Technology and stunning KODO: Soul of Motion design, Mazda6 delivers a responsive, luxurious and rewarding drive. Packed with the latest connectivity and safety technology, the only decision you will need to make is which model to choose?
