# Audi Genuine Accessories. As individual as you are.

---

The Audi TT is not simply a means of transportation. It is also an expression of your own individual personality. Unique: A characteristic also made possible through the use of Audi Genuine Accessories. Products designed to enable you to realise your own idea of an Audi. You benefit from made-to-measure solutions that impress on account of their design and functionality. After all, creativity during the development phase and high production standards alongside the high number of testing procedures are all just as important to Audi Genuine Accessories as they are for each and every Audi vehicle. Discover what tailor-made solutions Audi Genuine Accessories has in store for you.

# When it comes to design and quality, we are reinventing the wheel. Time and time again.

Where progressive design meets premium quality, it takes more than a good eye. Above all else, the right touch is required. For the right materials. For the absolute accuracy of fit. And for the value of each individual component. That is why we are constantly improving our production processes, are always on the look-out for the best materials and regularly question our test criteria. Audi Genuine Accessories wheels are also testament to this ambition: These products undergo extensive testing to ensure a high level of quality. For example, wheels that are pre-damaged through simulated stone chips are sprayed with a highly corrosive acetic acid and saline solution over the course of several days. The wheels must then meet the stringent requirements of subsequent tests. To ensure this is the case, a complex casting process is used to deliver high component strength. In addition, the sophisticated multi-layer paint offers further protection against wear and ensures a high-gloss finish. A host of good reasons to opt for wheels from Audi Genuine Accessories – and show you have the right touch. Find out more about our current range of wheels from page 10 onwards.

Round off an Audi in true style. With cast aluminium wheels that are perfected prior to their production. By designers who give you their best. Designed and developed using high-tech tools, each cast aluminium wheel is a masterpiece.

## Comfort and protection.

Always in good hands – these products provide you with even higher levels of comfort and protection in your Audi TT.

A silhouette that stands proud. Unparalleled, for many years past and today, too. The Audi TT Coupé and TT Roadster. Another milestone in a great success story. Energetic. In every aspect of its appearance. Like a body defined down to the last detail. Flat, wide and long. No contour is superfluous. Precise to the core with a clear objective: to delight with powerful aesthetics. The Audi TT – one of the most progressive sports cars of our time.

Audi Genuine Accessories evolves this vision even further. Whether in stylish design elements, through intelligent transport solutions or using ideas that increase your level of comfort and protection. With the Audi TT, you do not need to make any compromises – even when it comes to the accessories.

**Sport and design**

# More than just style.

An iconic sports car has to be designed from the ground up – starting with the cast aluminium wheels. In order to meet the exacting quality requirements set by Audi, these wheels must successfully undergo numerous testing procedures. Exhaustive casting processes are also used to deliver high component strength, while the sophisticated multi-layer paintwork gives the vehicle its sharp look and provides effective protection against scratches. Athletic characteristics, through and through – and consummate style.

## 01 Cast aluminium wheels in 5-arm rima design, Matt Black, high-gloss turned finish\*

Exceptional design that works in harmony with your Audi TT.  
In dimensions 9 J x 20. For tyre size 255/30 ZR 20.

\*Please contact your local Audi centre for the exact launch date. It is a statutory requirement for these wheels to be used only in conjunction with the wheel covers that are available separately.  
Please observe the information relating to wheels found on page 32.

► 01

### 01 Cast aluminium winter wheel in 5-arm falx design, Brilliant Silver

---

Complete winter wheel suitable for use with snow chains in dimensions 7 J x 17 for 225/50 R 17 tyres. Maximum permissible speed: 210 km/h. Fuel efficiency class: C, wet grip class: C, external rolling noise class: (e) 72 dB.

### 02 Valve caps

---

The four metal valve caps with embossed Audi logo provide enhanced protection for the valve against dust, dirt and moisture. Available for rubber, metal and aluminium valves.

### 03 LED for entry area, quattro\*

---

For a bright entrance. When the vehicle doors are opened, an LED light projects the quattro logo onto the ground. Available in a two-part set for the driver and front-passenger side. Requirement: the lighting package that is available as an option ex works.

### 04 Anti-theft wheel bolts (not pictured)

---

Can only be loosened with the special adapter provided, making it difficult to steal the wheels.

### 05 High-tech gecko film set (not pictured)

---

Adds a unique touch, not only to your vehicle but also to many other surfaces. Available in two sizes: 20 x 15 cm and 40 x 30 cm.

► 02

► 03

**Sport and design**

## 06 Audi Genuine tyres (not pictured)

Specially developed for each corresponding Audi model using the very latest materials. Analysed in approx. 50 testing procedures. The standards applied during testing are considerably more stringent than the statutory regulations. When additionally purchasing summer tyres or when fitting winter tyres, Audi Genuine tyres are able to ensure the usual Audi quality.

07 ▲

## 07 Snow chains

For increased hold on snow and ice. Available in a range of sizes.

## 08 Wheel bags

A four-part set with convenient handles for easy and clean transport and storage of complete wheels. Made from tear-resistant plastic. Wheel bolts can be stored in the outside pockets.

08 ▲

## 09 Foot rest and pedal caps in stainless steel (not pictured)

Dazzling and practical at the same time: The foot rest and pedal caps are made from brushed stainless steel. The rubber coating on the surfaces ensures enhanced grip.

# Take freedom with you.

**Benefit from the sportiness of the Audi TT – even after you leave the vehicle.** Thanks to transport solutions\* from Audi Genuine Accessories. These include the new ski and luggage boxes featuring the distinctive Audi design and the high-quality bicycle fork mount. Intuitive handling. Versatile capabilities. And featuring a made-to-measure design – as you would expect from Vorsprung durch Technik.

## 01 Carrier unit

---

Carrier unit for various roof rack modules, such as the bicycle fork mount, kayak rack or ski and luggage boxes. The profile is made from anodised aluminium. The carrier unit is easy to fit and is lockable. Maximum permissible gross weight of the carrier unit, roof rack modules and load: 75 kg.

## 02 Ski and luggage boxes

---

A new design from Audi featuring improved aerodynamics thanks to a flatter, sportier visual concept. Available in Platinum Grey with Brilliant Black side blades or gloss Brilliant Black, each featuring chrome Audi rings and a high-quality, rivet-free look. Boxes are lockable and can be opened from both sides for comfortable loading and unloading. With internal handle for closing the box. Simple quick-action securing system including torque limitation. Positioned towards the front of the vehicle, providing optimum access to the luggage compartment. Available in three sizes: 300 l (right-hand image), 360 l (page 16) and 405 l (page 16). Can only be used in conjunction with the carrier unit. Further important information that will help you to choose the right roof box can be found in the table on page 32.

\*The carrier unit and the roof rack modules can only be used on the Audi TT Coupé.

Transport

01 ▲

02 ▲

**02 Ski and luggage box (405 l)\***

---

\*Detailed technical specifications can be found in the table on page 32.

### 03 Ski and snowboard rack

For easy transportation of up to six pairs of skis or four snowboards. Lockable. Can only be used in conjunction with the carrier unit.

03 ▲

### 04 Bags for roof boxes

Robust yet flexible. These bags are equipped with a watertight floor featuring a watertight border extending 5 cm upwards. Ideal for making full use of the Audi roof boxes, as it is possible to use the individual bags in various combinations. Available in three sizes: S (43 l), M (76 l) and L (82 l).

04 ▼

### 01 Bicycle rack (not pictured)

The bicycle rack made from a specially shaped aluminium profile and powder-coated steel enables the bicycle to be attached to the car particularly easily. Lockable. Maximum load capacity: 17 kg. Can only be used in conjunction with the carrier unit.

### 02 Kayak rack

For single kayaks weighing up to 45 kg. Can be tilted for easy loading and unloading. The kayak rack and elasticated belt can be secured separately. Can only be used in conjunction with the carrier unit.

02 ▲

### 03 Bicycle fork mount

Easy to use. Lockable. Suitable for bicycles featuring a quick-release fastener on the front wheel. Can only be used in conjunction with the carrier unit.

### 04 Front wheel holder

Made from anodised matt aluminium, mounted with anti-theft screws, completely pre-assembled. Not suitable for bicycles with a half axle. Can only be used in conjunction with the bicycle fork mount.

### 05 Roof carrier bag

For storage or transport of a carrier unit and smaller roof rack modules. Made from durable material, with multiple loops and a side pocket for suitable tools or small parts.

05 ▲

# Communication

# Fast-paced entertainment.

**The sound of the Audi TT enchants. But other sounds can also be played.** Audi Genuine Accessories combines the driving experience with the sound experience using the USB adapter for the Audi music interface. All at the touch of a button. You can also access your music library, meaning it is not only the driving that provides outstanding entertainment.

## 01 USB adapters

Available in a range of versions, the USB adapters enable music and data to be transferred from various mobile telephones and other media players to the optional Audi music interface. These devices can be operated via the infotainment system. Most mobile telephones can be charged via USB adapters, thereby making them ideal for use with the Audi phone box, which is available ex works. The durable spiral cable with folding USB connector makes the adapters flexible and easy to use and ensures that less space is taken up than when using conventional cables. The special design also prevents the adapters from getting easily caught and provides great freedom of movement. For more detailed information, speak to your Audi centre.

## 02 Audi USB memory key (not pictured)

The exclusive storage device that emulates the look of a genuine Audi vehicle key. Memory capacity: 8 GB. The special 90° position for laptops makes the device particularly convenient to use. Suitable for all vehicles equipped with a USB connection or the Audi music interface. Can also be used as a USB stick outside the vehicle.

Family

# For the most important passengers.

In the Audi TT, everything can be taken into account – including your children. As a matter of course, their safety is of paramount importance to us. For this reason, the child seats from Audi Genuine Accessories are made to an impressively high quality standard in terms of safety as well as design. Just like our other children's products – ensuring that children never come up short at Audi.

## 01 Audi child seat

---

Can be used in the forward or rear-facing position. With adjustable seat shell, integrated seat belt and adjustable head rest. Can only be used in conjunction with the ISOFIX base. Suitable for children weighing between 9 and 18 kg (approx. 1 to 4 years of age).

01 ▲

### 01 ISOFIX base for Audi baby seat and Audi child seat

A more secure fit for the Audi baby seat and the Audi child seat. Can be installed and removed quickly. The adjustable support provides enhanced stability. Provides an optimum level of protection for the child. Note: The ISOFIX base is optional for the baby seat, but is mandatory for the child seat.

### 03 Child seat colour variants

All child seats are available in the colour combinations of Misano Red/Black and Titanium Grey/Black. The materials used are kind to the skin, breathable, light-resistant, removable and washable and are certified in accordance with the Oeko-Tex® Standard 100. Replacement covers are available from your Audi centre.

03 ▼

### 02 Audi child seat youngster plus

Offers a high level of comfort thanks to the intelligent seatbelt guide. The height and width of the backrest can be adapted to the child. Adjustments to set the seat size can be made with ease using a viewing panel. Suitable for children weighing between 15 and 36 kg (approx. 4 to 12 years of age).

02 ▼

#### 04 Audi baby seat

Easy to fit using the ISOFIX base (recommended). Can also be secured using the three-point belt. The integrated seat belt ensures that the child is more secure; the attached hood also acts as a means of sun protection. With adjustable head rest. Suitable for small children weighing up to 13 kg (approx. 12 months).

#### 05 Child seat underlay (not pictured)

Tailored to the design of the child seats as well as the interior of the vehicle. Car seats are protected against dirt and potential imprints made by the child seats. Includes two practical storage pockets. Fully compatible with all Audi child seats, even where the ISOFIX base is used.

#### 06 Audi plush steering wheel

A steering wheel (24 x 24 cm) in an exclusive Audi design for racing drivers both big and small. Fitted with a squeaky horn for even more fun.

06 ▼

#### 07 Cuddly "Rob the Gecko"

Made from high-quality plush, Rob is hard-wearing, soft and washable.

▼ 04

**Comfort  
and protection**

# Clean presentation.

**An Audi TT cannot be shielded from astonished looks.** However, it can be protected against many signs of wear. By using the care products from Audi Genuine Accessories, for example. If more storage space is required, our superbly tailored accessories allow you to retain your flexibility. A sports car can also be practical. And you will be amazed at just how practical.

## 01 Business bag

More space for your business tools. The high-quality business bag offers you a storage volume of approx. 14 l – enough space for a laptop of up to 15 inches as well as the various other things you need for the office. Can be securely fastened to the rear seat bench or the front passenger seat using the three-point seat belt. Can also be used outside the vehicle as an attractive briefcase. Ask your Audi centre for information about other functional interior solutions.

▼ 01

### 01 Audi Tracking Assistant plus

Enables the tracking and tracing of a stolen vehicle in many European countries via GPS/GSM technology. Featuring automatic driver recognition and an intelligent restart restriction function. For more detailed information, speak to your Audi centre.

### 02 Espresso mobile

With a pressure of 16 bar, the espresso mobile delivers true espresso enjoyment, complete with authentic crema. The set includes 18 illy ESE pods, two break-proof espresso cups, a microfibre cloth and an elegant case. Connection via the cigarette lighter in the vehicle interior.

### 03 Luggage compartment box (foldable)

Made from black polyester and offering a storage capacity of up to 32 l. Easily assembled using Velcro tabs, providing a functional and practical solution. When laid flat, the box also acts as an additional protective underlay for the luggage compartment. Washable and easy to clean.

▼ 02

▼ 03

04 ▼

#### 04 LED gooseneck reading lamp

An extremely bright light exactly where you need it, thanks to the flexible silicone rubber neck. Ultimate stability in all positions. Connection via the cigarette lighter.

#### 05 Mud flaps (not pictured)

Made from high-quality plastic. Prevent damage to paintwork and stop dirt building up in the area around the sills and rear apron of the vehicle. Available as a two-part set for the front and/or rear of the vehicle.

#### 06 Care products

Tailored to the high-quality materials used to construct your Audi. Suitable for numerous applications, either in the vehicle interior or for outer care, depending on the product.

#### 07 Gecko air freshener

Attaches easily to the air vents and fills the vehicle interior with a pleasant fragrance. No risk of leakage because the gecko air freshener does not contain any liquid.

▼ 06

07 ▼

### 01 Luggage compartment shell

---

Made-to-measure luggage compartment protection. Robust and washable. All-round edging prevents liquids from leaking onto the luggage compartment floor.

### 02 Universal luggage compartment divider (not pictured)

---

Enables the luggage compartment to be used in a flexible manner. Can be bent into the required shape and secured to the vehicle floor using the Velcro fastener. Once removed, the partition system returns to its original shape. Exclusively for luggage compartment covers made from needle felt.

### 03 Vehicle cover (for indoor use)

---

Ideal fit, in Anthracite, bearing the Audi logo. Made from a breathable and antistatic material. The piping accentuates the shape of the vehicle. Excellent protection from dust and dirt.

# Want to know more about the Audi TT? But of course.

Experience the world of the Audi A3 at [www.audi.co.uk](http://www.audi.co.uk). Enjoy your journey of discovery.

## Audi owners area

Whether you are looking for customisation options or functional solutions, this catalogue provides detailed information about the extensive range of accessories products available for your Audi Q3. You can also find these and many other products in the Audi owners area. Simply visit [www.audiaccessories.co.uk](http://www.audiaccessories.co.uk).

The simple search function shows you which accessory is available for your Audi – whether you have just bought your model or have already had it for a number of years.

# Technical information

## Ski and luggage boxes

Volumes	300 l	360 l	405 l
External dimensions (L x W x H)	1,902 x 630 x 376 mm	1,756 x 826 x 376 mm	2,050 x 800 x 380 mm
Max. number of skis	4-6	5-7	5-7
Max. number of snowboards	3-4	4-5	4-5
Max. length of skis	175 cm	155 cm	190 cm
Max. permissible load	60 kg	75 kg	75 kg

Using a ski and luggage box restricts the extent to which the tailgate of the vehicle can be opened.

## Wheel information

**Please note the following information relating to wheels:** Aluminium wheels with a high-gloss turned finish, or polished or partly polished aluminium wheels must not be used in the event of wintry road conditions. Due to the manufacturing process, the rim surfaces do not possess sufficient anti-corrosion protection and are at risk of long-term damage due to road salt or similar materials.

04 ▲

#### 04 Retrofit solution for the parking system

Supports drivers by emitting an audible signal whenever there is insufficient distance from obstacles. Four unobtrusive ultrasonic sensors are installed in the rear bumper. Activated by selecting reverse gear.

#### 05 Rubber floor mats

Made-to-measure. Enhanced protection against heavy soiling. Secured to the vehicle using the fixing points on the floor. Featuring the TT logo.

#### 06 Premium textile floor mats

Tailored to the size of the floor in the Audi TT. Made from durable, tightly thick velour. With a special coating on the underside. The floor mats are secured using the points provided for this purpose on the floor of the vehicle. Featuring the TT logo.
