Volkswagen accessories

At Volkswagen, we work towards making sure that our cars are as close to perfection as we can make them.

However, no matter how good our cars are, we know that they will never be exactly what you want in every detail.

Hence the exceptional range, style and quality of our accessories. So that if you find any particular part of your Volkswagen needs a little something to make it match your desires precisely, this brochure is precisely where you will find it.

In-car entertainment

Make your journey as relaxing and enjoyable as possible with the very latest in car entertainment technology. A DAB radio system is available for a number of models ensuring exceptional digital sound clarity, one touch tuning and far more stations, while a speaker upgrade system will ensure superior sound quality in both front and rear.

Choose a CD autochanger, which allows you to pick from up to 6 CDs at a time and is designed to complement the interior of your car, or perhaps you could choose PhatNoise™, which has the ability to download and store hundreds of hours of music, giving you continuous play for any length of journey.

However, for the ultimate in-car entertainment why not enjoy our approved DVD system – complete with 7" roof-mounted screen offering the finest LCD screen technology with industry leading brightness and viewing angle, remote control and two infrared headsets. A clearly superior viewing experience, it is sure to keep passengers relaxed for hours on end.

In-car communication

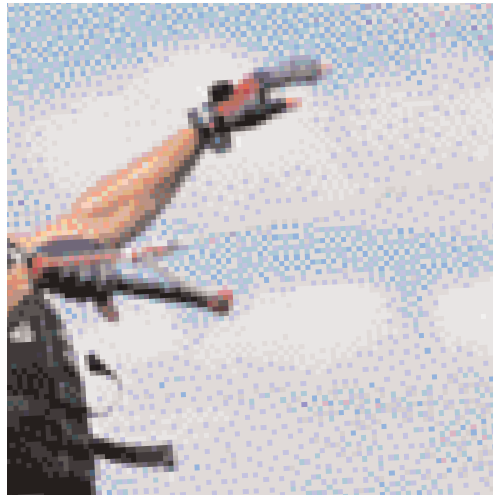

Volkswagen is dedicated to making driving as relaxed as possible and our in-car communication systems make driving just that. Our latest navigation systems with colour screen and audible instructions are designed to find the easiest, shortest routes to reach your destination with the minimum of stress. A selection of mobile phone kits ensure you use handsfree communication easily and safely with a number of interchangeable cradles available so you can change the cradle when you change your phone, without the need to install a new kit.

Sport

Looks and performance go hand in hand. Whichever model you've selected, here's your chance to individualise its aesthetics and create an even sportier look that will turn heads and demand attention. Adding alloys can radically change the appearance of your vehicle – choose from 13" to 20" wheels in a large range of eye-catching designs. Or why not change the body shape of your car with a range of front and rear skirts, side bars, spoilers and many more stylish additions designed to reflect your individual taste and lifestyle.

Safety and security

To ensure your safety and security, Volkswagen keep abreast of innovation to bring you some of the most advanced products available. Like the new Road Angel, an advanced, easy to use GPS and laser speed camera and black spot detector that helps guard lives and licences. Added security can also be provided in the form of the latest anti-theft car recovery system – TRACKER. It is a small electronic homing device, which is fitted on your vehicle somewhere discreet, so in the unlikely event your vehicle is stolen it can then be tracked via an electronic signal.

Child safety has to be the most important consideration for any driver and to this end Volkswagen provide a range of fully tested, approved child seats offering maximum comfort and protection. In addition, a selection of luggage restraints helps protect occupants from loose items when you brake, and dog restraints are available to keep your animals happy and safe in the rear of the car.

Protection

Taking care of your Volkswagen's exterior means providing maximum protection against wear and tear. A range of bespoke mudflaps are available for all models, carefully designed to protect your vehicle against spray, dirt and road chippings around the wheel arches, along with headlight protectors that shield the lights against road debris and flying stones.

A clean, tidy car makes an important contribution to the overall driving experience, so why not protect your Volkswagen's interior with tailored mats front and rear? Keeping the luggage compartment clean is another important consideration, and easily achieved with a flexible or heavy-duty loadliner.

A wide range of Volkswagen approved cleaning products is also available, ranging from upholstery cleaners to screenwash, ensuring you can maintain your Volkswagen in showroom condition, inside and out, whatever the weather.

Parts listings

The following pages provide a comprehensive list of accessories available for your Volkswagen. Whether you want to alter the look of your car, enhance its security, or simply add practicality and functionality, you will find what you need in this section whichever Volkswagen model you own. Simple to find and listed by product, category and model it really couldn't be any easier.

However, although this section is extensive, new parts become available on a regular basis, so if the part you need is not listed, please contact your local Volkswagen retailer or visit www.volkswagenaccessories.co.uk.

Due to the ongoing policy of product development and improvement, all part numbers, prices, specifications and features are subject to change without prior notice.
