

RENAULT MEGANE HATCH AND SPORT TOURER

DRIVE THE CHANGE

WHO BETTER THAN RENAULT TO SERVICE YOUR RENAULT?

Your new Renault is covered by a 3-year warranty package - the first 2 years of unlimited mileage Renault manufacturer warranty, followed by a further year of cover up to 100,000 miles. Paintwork is also guaranteed for 3 years while the anti-corrosion warranty runs for 12 years. In addition, the Renault Assistance plan ensures prompt help in the UK and Northern Ireland for manufacturer defects for 36 months for all vehicles. For full details please refer to the Renault warranty terms and conditions, available from your Renault Dealer or from www.renault.co.uk.

FINANCE OPTIONS

There are a wide variety of ways in which the purchase of a new car can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or a private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

SERVICE INTERVALS (EURO5)

All models 18,000 miles / 2 years

Except:

12,500 miles / 2 years:

- Twingo 1.2 TCe 100 & Renaultsport 133

- Mégane Renaultsport 250

12,000 miles / 2 years:

- Wind Roadster, Modus, Grand Modus & Clio

1.2 TCe 100 & 1.6 VVT 133

- Clio Renaultsport 200

18,000 miles / 1 year:

- Espace IV

Service required at the mileage or time interval shown, whichever is sooner.

ENGINES WITH OIL CONTROL SYSTEM (OCS)

- PETROL 1.2 TCe 100, 1.4 TCe 130, 16V 105 Auto, 2.0 TCe 180, 1.6 VVT 128, 1.6 VVT 133, Renaultsport 133 & 250

- All DIESEL engines

OCS monitors driving conditions that directly affect the quality of your engine oil, protecting your engine from excessive wear and possible bearing failure. Under certain conditions; low speeds, heavy traffic, door-to-door deliveries (engine turning with little distance travelled) or in high gear for long periods; sport driving, towing a caravan/trailer over 500kg (engine turning at higher revolutions), the vehicle's service interval may be shortened and you will be alerted, via the instrument panel service indicator, that a Renault Service is required earlier (refer to driver's handbook for details).

EXTENDING YOUR WARRANTIES AND COVER

Renault Extended Warranty allows you to extend your Renault Warranty for an additional year up to 4 years / 100,000 miles, whichever comes first.

Renault Assistance Added Cover provides you with additional cover for incidents not covered by Renault Assistance: such as incorrect (or lack of) fuel, keys lost, stolen or locked inside the vehicle and incidents involving caravans or trailers.

For full information on these products please ask your Renault Dealer or log on to www.renault.co.uk and click on 'Owner Services', where you can also buy securely online.

SERVICE PLANS

When you buy a new car, you can also purchase a Fixed Price Service Plan. Prices start from just £199 and the plan covers your recommended manufacturer servicing up to 3 years or 30,000 miles, whichever comes first.* For more details ask your dealer or log on to www.renault.co.uk and click on 'Owner Services'.

*Plan only available at the time of vehicle purchase.

RENAULT ACCIDENT SUPPORT LINE - 0800 085 8005

The Renault Accident Support Line (RASL) is a dedicated service from Renault for all Renault drivers and their families, no matter what car they drive. This service is available at no cost to you, regardless of fault. RASL will deal with every aspect of your claim, from ensuring you are recovered to a Renault Approved Accident Repair Centre to dealing with all insurance companies giving you total convenience and peace of mind.

0800 085 8005 is the only number you need so please programme it into your phone and make sure that in the event of an accident you call us first and we will take care of everything.

RASL will:

- Arrange recovery of your vehicle from the scene of the accident to a Renault Approved Accident Repair Centre
- Organise the repairs at a Renault Approved Accident Repair Centre using only Renault Original Parts
- Deal with all insurance companies, both yours and the other parties'
- Provide a like for like replacement vehicle if the accident is not your fault
- Pursue the at fault party for all associated costs if the accident is not your fault
- Use the same paint as during manufacture
- Provide a 5 year repair guarantee on paint and repairs
- Ensure you do not have to pay a policy excess if the accident is not your fault
- Provide the same service for your family free of charge regardless if their car is a Renault or not
- Ensure that yours and your passengers' safety are guaranteed and your five star NCAP rating will not be compromised

RENAULT NETWORK SERVICES

No-one is better placed than Renault to maintain, fit and repair your Renault, fast. The Renault Minute (maintenance and repair with no appointment necessary) and Renault Rapide Bodycare (bumper scuffs, dings and dents, windscreen, stone chips and interior repairs...) services deliver the highest level of repair and maintenance and offer a full year's guarantee on Original Renault Parts. And don't forget to have a look at our wide range of additional equipment and accessories!

RENAULT INSURANCE

A car as well designed as your Renault deserves an insurance policy to match. Renault Insurance has been specifically created to provide superb protection for you and your car. In addition to a very competitive premium, Renault Insurance also includes: Renault Genuine parts fitted in Renault Accident Repair Centres, protecting your 12 year anti-corrosion warranty; repairs guaranteed for 3 years; a courtesy car for the duration of any repairs - subject to availability when you use an approved repairer; payment by instalments - subject to status.

Renault Car Insurance:
0845 603 8256
www.renaultinsurance.co.uk

All quotes are based on individual circumstance and subject to insurers underwriting criteria. enault Insurance is arranged and administered by Equity Direct Broking Limited, which is authorised and regulated by the Financial Services Authority. Registered Office: Library House, New Road, Brentwood, Essex, CM14 4GD. Registered in England & Wales No. 6710272

CUSTOMER RELATIONS

Renault knows the value of communicating with its customers and we have established effective ways to keep in touch with you. If after speaking to your local Renault dealership you are not completely satisfied, please contact the Renault UK Customer Relations Department on **08000 72 33 72** (Mon-Fri 9.00am-5.30pm, except Weds 10.00am-5.30pm. Closed on Bank Holidays). You can also visit our website www.renault.co.uk Or write to us at: **Renault UK Ltd, The Rivers Office Park, Denham Way, Maple Cross, Rickmansworth, Hertfordshire, WD3 9YS.**

Find out more about your vehicle at www.e-guide.renault.com

WHY RENAULT?

WE'RE DRIVEN BY A PASSION TO MEET AND EXCEED PEOPLE'S NEEDS, AND THAT'S WHAT DRIVES THE INDUSTRY FORWARD. IT'S BEEN THAT WAY WITH US FOR OVER A HUNDRED YEARS. BUT IN TODAY'S RAPIDLY-CHANGING ENVIRONMENT, IT'S MORE IMPORTANT THAN EVER THAT WE SOURCE NEW SOLUTIONS THAT WILL SAFEGUARD ALL OUR FUTURES.

We know that the car is at a turning point, it has to evolve whether you believe in global warming or not; to emit less in cities, to make less noise and to use increasingly scarce energy more efficiently.

At Renault we are working to create more affordable cars, with radically lower CO₂ emissions. For the widest possible audience. Today that's our collection of 'eco²' models. Eco² indicates that the vehicle produces CO₂ emissions lower than 120 g/km, it includes at least 7% recycled plastic in its plastic mass, and has been designed in such a way that 95% of the materials used could have a second life (recyclable for other use or as a source of energy). In addition, eco² means that our factories are ISO 14001 certified.

Starting this year there will be a groundbreaking range of electric vehicles, from a nippy town car to a comfortable family saloon and a small van. They will be affordable to run – you will be able to drive up to 100 miles using a battery that costs typically £3 to charge, and a lot less using cheaper tariffs. And parking and congestion charges should all be lower too. We believe it's time to make the car a driver of progress once more. We are determined to drive that change. Soon you will be able to join us.

RENAULT. DRIVE THE CHANGE.

THE MEGANE HATCH
THE UNIQUE SENSATION OF
A DESIGN THAT TURNS HEADS
AND QUICKENS PULSES,
WITH LINES THAT PROMISE
PLEASURE AND PEACE IN ONE.
WHERE PRACTICALITY IS
PERFECTLY FUSED WITH PASSION.

With its eye-catching design, the Mégane Hatch delivers a real promise of both dynamism and reliability. Swooping, steeply raked headlights, fluid and forceful lines, harmonious proportions... The precision of its lines takes your breath away, as does the outstanding quality of its finish. With the Mégane Hatch the mix of seduction and sportiness is clear to see.

**MEGANE SPORT TOURER.
THE ULTIMATE COMBINATION OF
PRACTICALITY, DESIGN AND TECHNOLOGY.
A PERFECT BLEND OF SPACE AND STYLE.
THE FUTURE OF THE ESTATE CAR
STARTS HERE.**

Sleek styling, innovative design. The fluid and powerful lines of the Mégane Sport Tourer promise dynamic performance. In order to deliver both responsive and secure handling, the Mégane Sport Tourer has a perfectly balanced chassis and precise steering. Together with a wide range of high-performance petrol or dCi engines, this is your guarantee of an unforgettable driving experience. The Mégane Sport Tourer: proof that driving an estate car can be a real pleasure.

A BRAND WITH THE MARK OF RESPECT

A WIDE RANGE OF ENGINES WITH ECO² CERTIFICATION.

The engines available on Mégane Hatch and Sport Tourer combine performance, economy and respect for the environment. For instance, each vehicle has four engines with CO₂ emissions below 140 g/km, which allows them to use the eco² symbol. Everything possible has been done to ensure that both vehicles' impact on the environment is as limited as possible, from their creation right through to end-of-life. The Mégane Hatch and Sport Tourer are built in an ISO 14001 certified factory. 95% of each car is recyclable at the end of the vehicle's useful life, while 11% of the plastic used in their production is recycled.

INNOVATION

PRACTICAL, ACCESSIBLE TECHNOLOGY.

The Mégane features a range of Renault technologies, like a hands-free card for opening and starting the car at the push of a button, cruise control, automatic parking brake, Dual Zone climate control, multi-functional TunePoint, Bluetooth connectivity and the finest sound systems. The instruments combine analogue (rev counter) and digital (speedometer) display, making them easy to ready at a glance.

To get you where you want to go with minimum fuss, the Mégane Hatch and Sport Tourer also offer an easy-to-use satellite navigation solution. Developed exclusively with TomTom®, world-renowned experts in the field, it's supremely user-friendly. The system is integrated into the dashboard, with the joystick handily located on the central console. The system can be updated - daily if required - with a wide range of options.

SPACE

THE THINKING PERSON'S GUIDE.

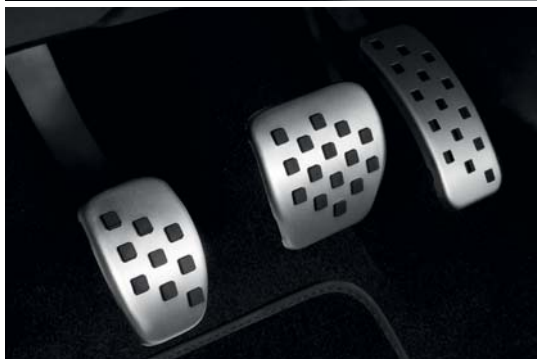

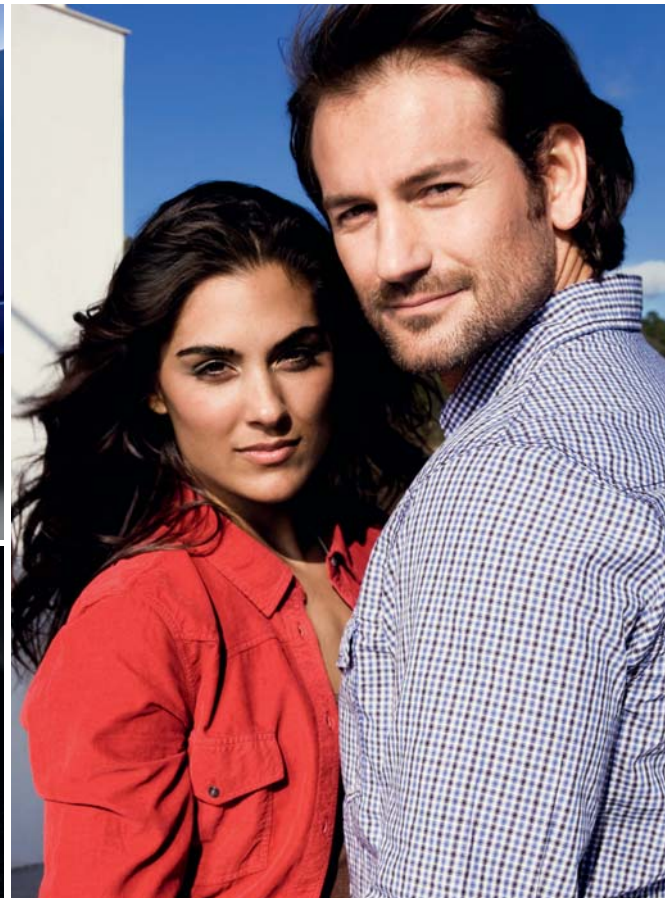

The Mégane has been designed to offer maximum comfort for both driver and passengers. The front seats are particularly welcoming, with an extensive range of seat controls so that everyone can travel in comfort. Rear passengers are equally comfortable, with generous legroom. Spacious and equipped with a whole host of storage options, the interior is fully geared up for everybody's well-being. The Mégane Sport Tourer boot offers a generous load area of up to 524 dm³ with the five-seat configuration. This can be extended up to 1600 dm³ by simply folding down the rear seats. The ingenious Mégane Sport Tourer boot comes with a clever storage compartment system that makes it easier to organise the loading space. Stowage bins under the floor... compartments for your luggage... these are just some of the many practical solutions to make your life and journey easier. In short, everything fits in!

GT LINE TOMTOM

STYLE AND EXCITEMENT EVERY DAY

Driving pleasure starts when the driver takes the wheel of this sporty and distinctive car. Being able to experience that pleasure every day is what the Mégane GT Line offers you. It combines a sports chassis, for extra driving excitement, with exclusive interior and exterior design elements such as a redesigned front bumper, rear diffuser, 17" alloy wheels, sport seats and aluminium pedals. The GT Line TomTom combines style and environmental friendliness through its range of petrol and diesel eco² engines. With two high-performance engines (TCe 180 and dCi 160), Mégane is available with exclusive 18" alloy wheels and a Renaultsport engineered chassis with an even sportier tuning for an intense driving experience.

SAFETY

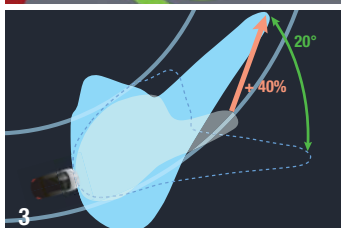

1. SRP (SYSTEM FOR RESTRAINT AND PROTECTION)

This consists of a comprehensive airbag system with dual chamber front airbags, curtain airbags, and front lateral airbags.

2. ESC (ELECTRONIC STABILITY CONTROL)

Works with the ASR Traction Control and CSV Understeer Control to maintain vehicle stability under difficult driving conditions.

3-4. BI-XENON HEADLIGHTS

They provide an intense light, closely resembling daylight, giving you greater opportunity to anticipate hazards and stay in complete control. The technology behind the exterior side lights makes it possible to light the insides of bends and take corners with greater precision and control.

5. ANTI-WHIPLASH FRONT HEADRESTS

Allow the height and tilt to be adjusted to reduce the risk of whiplash.

6. ISOFIX CHILD SEAT MOUNTING POINTS

The ISOFIX 3-point mounting points on the rear outer seats allow the safe and secure installation of child safety seats.

COMFORT

1. SUNROOF

The huge electric sunroof, which opens at the front, allows as much light as possible into the interior.

2. DUAL ZONE CLIMATE CONTROL

Allows driver and front passenger to select a temperature to suit them. The three modes available can be adjusted to individual needs: Auto mode provides balanced temperature control, Fast or Soft modes can be selected to adjust the temperature or noise level as required.

3. FRONT AND REAR PARKING SENSORS

Making parking manoeuvres easier: the parking sensors alert you to any obstacles in front or behind with a sequence of beeps that get faster as you approach the object.

4. AUTOMATIC PARKING BRAKE

Available on Sport Tourer only. When the engine is turned off, the system will apply the brake automatically. A simple touch of a button switches the system to manual.

5. MULTI-FUNCTIONAL TUNEPOINT

Connect your MP3 player using the USB and iPod sockets and control the system through the steering wheel controls.

6. RADIOSAT CLASSIC BLUETOOTH® 3D SOUND BY ARKAMYS

The digital sound processing, customised by Arkamys for the Mégane, allows the speakers to recreate great quality sound in three dimensions. Listening can be adapted with "driver only" or "silence when stopped" functions.

STORAGE

1. STORAGE IN CENTRE CONSOLE

Practical and easily accessible for front passengers.

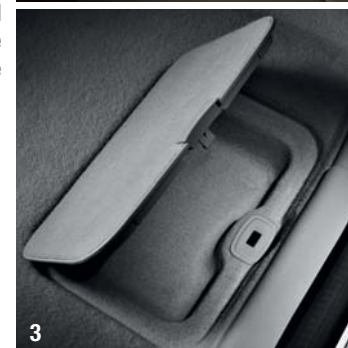

2. GLOVE COMPARTMENT

This roomy glove compartment has its own built-in light.

3. UNDERFLOOR LOCKERS

Two 1.8 dm³ spaces have been discreetly built into the floor at the front.

4. BOOT

Offers a storage capacity of 372 dm³ in Mégane Hatch and more than 524 dm³ in Mégane Sport Tourer (including the spare wheel compartment of 33 dm³).

ADAPTABILITY

FLEXIBILITY

Whether you're travelling with friends or carrying bulky loads, the Mégane Sport Tourer adapts to suit all your needs. With 60:40 split folding rear seats and foldable front passenger seat, the Mégane Sport Tourer gives you a generous loading capacity, organised exactly the way you want.

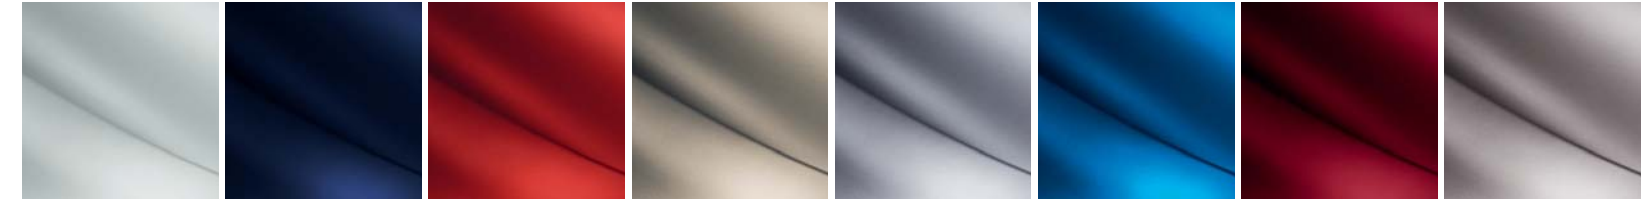

TABLE ON BACK OF PASSENGER SEAT

When the vehicle is stationary, this feature allows you to use a laptop.

SPORT AND DESIGN Make your Renault undeniably yours

1. SPORT STYLING PACK

Enhance the natural design of the car by adding a Sport Styling Pack which emphasises the stunning appearance. Includes front, side and rear skirts, coupe grill trims and rear spoiler.

2. ALLOY WHEELS

Alloy wheels can make a big difference to the appearance of your car. Make heads turn with a selection of fantastic 'Avanza' wheels from 15" to 17".

3. LEATHER UPHOLSTERY

Transform your Mégane with our range of eye-catching leather interiors. This luxurious accessory is a great way to give your Mégane a seductive blend of sporty elegance. Available in Biscotto, Carbon Black and Rosso Red.

TOURING

You, your Renault and the kitchen sink!

4. ROOF BARS, SKI RACK, BIKE RACK

Whether you are planning a ski trip or just a day out with the bikes, we have an accessory for you. Designed to work in harmony with your car, these aluminium Touring Line roof bars are lightweight and easy to mount. Our bike racks can be mounted on the roof or on a tow bar. They are City Crash tested to ensure maximum safety and security.

5. QUICK RELEASE TOW BAR

Whether you need to pull a trailer, a caravan or simply mount one of our bike racks, Renault has the tow bar for you. This tow bar preserves the aesthetic lines of your Mégane, thanks to a tow ball that can be removed in seconds without the use of tools.

PROTECTION AND COMFORT Keep you and your Renault safe and sound

6. DOG GUARD

Help keep your pets (or luggage) in place with this partition grille. It fits securely above the rear seats, providing maximum safety for you and your family.

7. EXPRESSION MATS

Mats are an essential accessory to protect your car from everyday dirt and debris. Designed to fit perfectly into your Renault, the inbuilt stud fixings ensure they fit safely with no slipping.

8. PARKING SENSORS

This clever system detects objects behind your vehicle as well as making parking in the smallest spaces so much easier. Ultrasonic sensors in the bumper emit a beep and as objects get closer, the sound becomes louder and more frequent.

9. BOOT LINER

This convenient boot liner protects your boot from day to day wear and tear. It is designed to fit perfectly into the boot of your Mégane and is made from semi-rigid plastic so it can be easily washed down.

TECHNOLOGY

Cutting edge technology in your Renault

10. DVD PLAYER

NextBase dual screen Click&Go players Kit out your Renault with the latest rear seat dual screen cinema. So, why not ease your journey in relaxed mode with a full complement of happy people on board? While you're driving, you can listen to the radio or a CD (even traffic reports if you must). At the same time the kids in the back can enjoy their films quietly through the IR headphones (wireless, naturally).

TRIMS

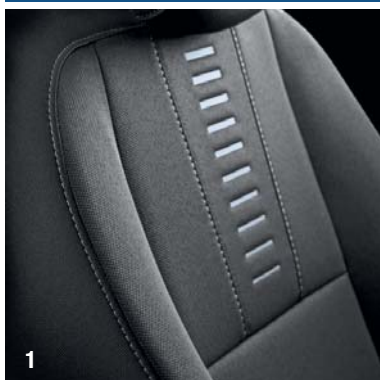

EXPRESSION

Comfort and well-being.

For 'made-to-measure' comfort, the driver's seat and headrest can be adjusted in a number of ways.

Available in dark interior trim with dashboard and upholstery in dark charcoal (1).

1

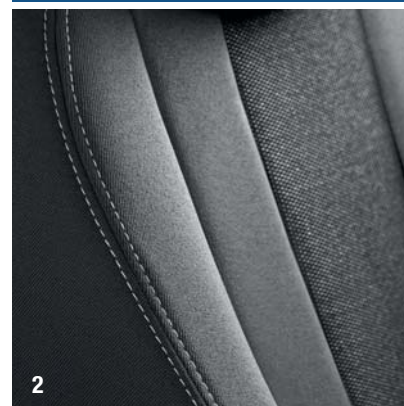

DYNAMIQUE TOMTOM

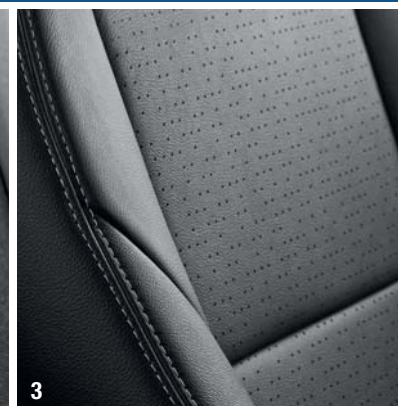

Sporty and high-tech.

The trim is available in a charcoal interior, with dashboard and upholstery in dark carbon (2), or with optional carbon leather (3).

The leather steering wheel and 16" alloys enhance the sporty character of Mégane Dynamique TomTom.

2

3

TRIMS

GT LINE TOMTOM

The sleek interior with anthracite dashboard inserts and door handles, 'GT' embroidered front headrests and sport stitched leather steering wheel makes this a luxurious driving experience. Add to this the Renaultsport seats and sports chassis to make this an exciting drive every time!

Mégane Hatch ^{RENAULT}eco² meets three criteria :

- It is manufactured in an ISO 14001 certified factory, minimising its environmental impact,
- the vehicle produces CO₂ emissions lower than 120 g/km and
- it includes at least 11% recycled plastic in its plastic mass.

With ^{RENAULT}eco² Renault displays its environmental commitment at every stage of the life cycle of the vehicle. The vehicle has been designed in such a way that 95% of the materials used could have a second life (recyclable for other use or as a source of energy), and that pollution control at the end of the vehicle's life (in particular extraction of fluids) is made easier. Furthermore, this vehicle has parts made of recycled plastic (7%) and renewable materials.
