

The Vito Sport and Sport-X

Made for adventures, built to last.

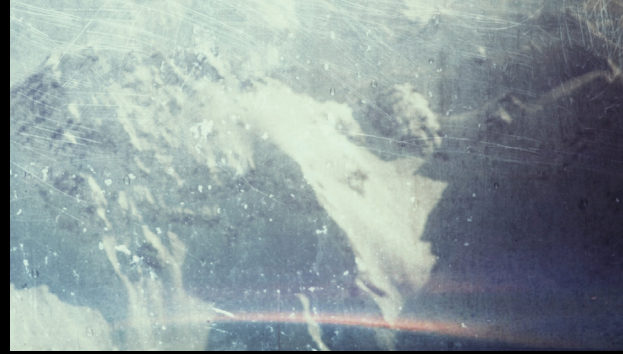

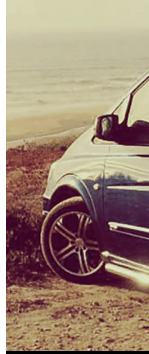

Mercedes-Benz
Vans. Born to run.

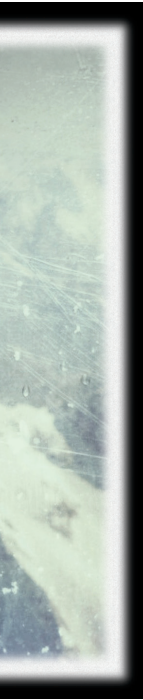

The adventure starts here

The Vito Sport and Sport-X.

Biking, snowboarding, surfing or whatever inspires you, it's all about seizing the moment and getting out there. So do it in style with the Vito Sport and Sport-X. Space, flexibility and style combine to put the fun into every journey and the ease into every challenge.

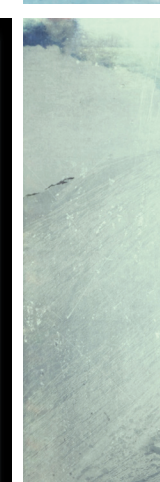

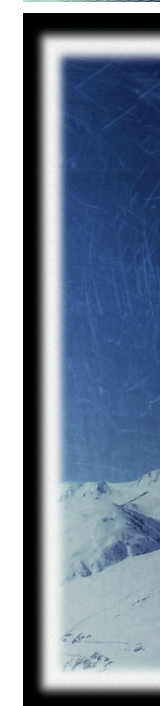

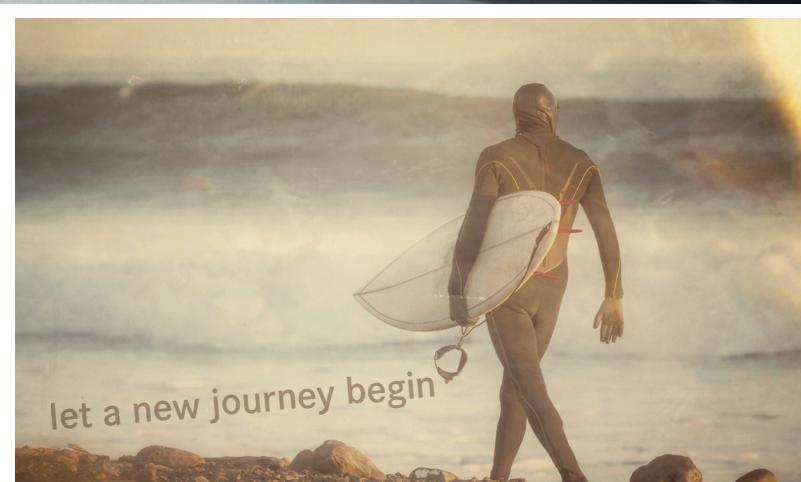

Be there

Space for all your bikes, boards and anyone along for the ride too. These vans are hard working, great looking and perform beautifully.

They are increasingly the choice of those who take the great outdoors seriously. So whether you like to chase the rising swell, head out to the pristine powder fields or regularly take off to your favourite freeriding trails, make sure you do so on your own terms.

Believe

Whatever your preferred activity and wherever it takes you, you'll find a model from our impressive range to meet your needs.

For starters, there's the choice of distinct styles offered by the Vito Sport and Sport-X. Each one is available in two lengths and as a Panel Van or Dualiner, so whether you want to pack in more gear or more people, it's up to you.

The Vito Sport-X

A powerful combination of style and potency sets the Vito Sport-X apart.

A turbo-charged 3.0 litre V6 diesel engine delivering 224hp and 440Nm of torque, makes for an impressive performance. While a wide range of stylish features and options simply add to the desirability of the Vito Sport-X and to the pleasure of every adventure.

1. Leather steering wheel ●

A luxurious little touch that looks and feels great as well as offering a better grip.

2. Rearview camera ○

Reduce the risk of an accidental collision when reversing. Positioned behind the number plate surround, the camera projects an image of the rear area onto the cabin screen.

3. Speedtronic (selectable speed limiter) ●

Combines a top speed limiter with a cruise control function for both safety and economy.

4. Heated seats ○

A touch of luxury that makes driving so much more pleasurable, especially after a hard day exposed to the elements.

5. Electric side sliding doors ○

Access to all your gear at the simple touch of a button and one that adds a little style.

6. Bi-Xenon headlamps ●

Headlamps with Bi-Xenon design for enhanced lighting performance. Includes LED daytime driving lights.

● Standard ○ Optional

1. Leather seats with contrasting stitching*

Luxurious leather upholstery with stylish contrast stitching takes driving comfort and style to new levels.

2. Flexible seating

The Vito Sport-X comfortably seats up to three rear passengers, the front seats can be turned around* and the backrests fold down as a table to create a convenient area.

The Vito Sport

Bikes, boards and space for your friends, what more can you expect from your vehicle?

A lot, when it comes to the Vito Sport. Whether choosing the Panel Van or Dualiner you'll find them practical, stylish and available in a wide choice of colours to suit your taste.

Designed with comfort and performance in mind, the Vito Sport comes with aircon, cruise control and a speed limiter as standard. And the multi-function steering wheel gives you effortless control of the trip computer, settings menus, audio system and telephone via Bluetooth®.

* Leather seats on Sport-X models only. Swivel front seats are an option on Sport and Sport-X models.
