The hard facts to melt your heart

At Mercedes-Benz we appreciate the importance of detail. Over the following pages you'll find model prices and a breakdown of standard and optional equipment, as well as details of the comprehensive services and benefits that are available to every Mercedes-Benz driver.

See Mercedes-Benz in a new light. Now is the time to get yourself behind the wheel of an M-Class. Choose from a number of attractive finance offers. Please see pages 12–15 for further details, or visit www.mercedes-benz.co.uk/offers

Of course, some things have to be experienced to be truly appreciated, such as the qualities that set a Mercedes-Benz apart. Which is why we'd like to invite you for a test drive at your local Mercedes-Benz Retailer. Alternatively, you can make arrangements by visiting www.mercedes-benz.co.uk/testdrive

For more information visit www.mercedes-benz.co.uk or call 0808 156 6606.

There is little chance of the M-Class SE Executive going unnoticed. The SE Executive is equipped with chrome-style front and rear apron trims, and LED daytime running lights are standard, as are 19" 5-spoke alloy wheels. The SE Executive also comes with a Mirror package that includes electrically folding exterior mirrors as well as auto-dimming rear-view and driver's side mirrors. Inside, brushed aluminium trim is standard, with four different wood trims available as options. Seats are upholstered in ARTICO leather¹ in either

black, almond beige or alpaca grey, with leather upholstery also available. Front seats offer full electric adjustment and the driver's seat provides electric, four-way lumbar support. True to its name, the SE Executive also features privacy glass for added sophistication. It's also reassuring to know that you can rely on the COMAND Online system, fitted as standard, wherever you venture.

M-Class AMG Line

The M-Class AMG Line is quite a head turner. It boasts an even sleeker, sportier look as it comes with all-round AMG bodystyling and eye-catching 20" AMG 5-spoke alloy wheels. This athletic look is underscored by chrome-style front and rear apron trims, aluminium-finish roof rails and body-coloured side trim panels. Privacy glass from the B-pillar backwards completes the look. Once inside, the AMG Line delivers on its sporty credentials with the 4-spoke sports steering wheel with perforated grip areas, rubber-studded stainless steel sports pedals and black floor mats with leather edging and

'Mercedes-Benz' badges. The beauty within, however, has to be the upholstery: sports seats in ARTICO leather¹/black DINAMICA microfibre.² The standard COMAND Online system with Media Interface includes 3D navigation and ensures you're always entertained. And for added comfort, the AMG Line is easy to park with the standard Active Parking Assist with PARKTRONIC. It doesn't just pick the right parking spot, but will also guide you in with ease.

Exterior

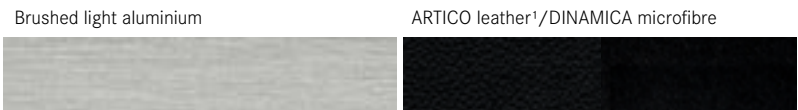

- 20" AMG 5-spoke alloy wheels
- Active Parking Assist with PARKTRONIC
- AMG bodystyling – front and rear apron, side skirts
- Direct Steering

Entertainment package

Want to turn the M-Class into a mobile cinema? There's the Entertainment package. Perhaps you'd like to enhance the outstanding driving dynamics? Opt for the Sports package. Or if you want to boost the off-road credentials of the M-Class, choose the Off-Road package. On the following pages, you'll find tailor-made packages for many individual needs.

The Entertainment package turns your M-Class into a mobile cinema: it gives rear seat passengers everything they need to watch films or use a games console without disturbing the driver. It comprises a DVD player, two 8-inch TFT colour displays that attach to the backs of the electric front seat head restraints and can be used independently of one another, two sets of wireless headphones, a remote control and twin aux-in sockets.

Entertainment package – designed and priced as a package, including items as listed below.

Sports package

The Sports package takes ride comfort and safety to another level while adding a stylish touch with 21" AMG 5-twin-spoke alloy wheels. The package includes AIRMATIC air suspension with Adaptive Damping System, which adjusts damping to suit the road surface, driving style and vehicle load. It also allows the driver to switch manually between sporty and comfort-biased settings and, thanks to independent self-levelling, ensures the car's ride height is unaffected by heavy loads. AIRMATIC air suspension can also give you extra ground clearance at the touch of a button, allowing you to increase the ride height to 255 mm when tackling rough terrain. The package is available for the AMG Line only.

Off-Road package

The **Off-Road package** combines a host of features that come in handy when taking your M-Class off the beaten track. It includes six driving modes to choose from: 'Auto' (standard mode), 'Off-Road 1' (for sandy or less challenging terrain), 'Off-Road 2' (for rougher terrain), 'Sport', 'Snow' and 'Towing'. These pre-programmed modes alter the Electronic Stability Programme (ESP®), Electronic Traction System (4ETS) and Acceleration Skid Control (ASR) parameters, as well as the engine management, transmission and steering systems, and also adjust the air suspension, damping levels and ground clearance as required. In 'Off-Road 2' mode the wading depth is increased to a total of 600 mm, and the AIRMATIC air

suspension allows for a maximum ground clearance of 266 mm. 'Sport' mode reduces the standard ride height by 15 mm to 161 mm at high speeds to ensure optimum agility and stability. A range of convenient systems including a 360° camera and the EASY-PACK load-securing kit are also included in the package.

Off-Road package – designed and priced as a package, including items as listed below.

Driving Assistance package

Active Blind Spot Assist

DISTRONIC PLUS

The Driving Assistance package contains a range of highly intelligent features to help you stay safe on the road – by making the drive more effortless, by warning of danger, and by taking steps to protect you in an emergency. It includes Active Blind Spot Assist, DISTRONIC PLUS, Active Lane Keeping Assist, BAS PLUS and PRE-SAFE® Brake.

Driving Assistance package – designed and priced as a package, including items as listed below.

All models

Total incl. VAT £2,350.00

Driving Assistance package (code 23P)

Active Blind Spot Assist displays a red triangle in the exterior mirrors. When a road user is detected in the blind spot, the red triangle flashes and an audible warning sounds if the driver operates the indicators. Includes course-correcting braking intervention

Active Lane Keeping Assist detects signs of inadvertent drifting out of lane and warns the driver by vibrating the steering wheel and, if necessary, triggers one-sided braking intervention

BAS PLUS can lower the risk of rear-end collisions and support the driver during emergency braking by providing additional brake pressure

DISTRONIC PLUS helps the driver to maintain a safe distance to the vehicle in front and so relieves the strain on the driver, especially on long journeys or in a traffic jam

PRE-SAFE® Brake warns the driver if it detects that a rear-end collision is imminent and, if there is no reaction, can take autonomous action to reduce the speed – even to the extent of full brake application

Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO₂ emissions. A first year rate of Vehicle Excise Duty applies to new cars on their first year of registration. For the second and subsequent years a standard rate for each taxation band will apply.¹ The table below shows the bands (A–M) created by the DVLA and the corresponding Road Fund Licence. CO₂ emissions are listed in the technical data on page 60, and the relevant Excise Duty is reflected in the on-the-road prices on page 11.

Band	CO ₂ emissions	First year rate (£)	Standard rate (£)
A	up to 100 g/km	0.00	0.00
B	101 to 110 g/km	0.00	20.00
C	111 to 120 g/km	0.00	30.00

Services and insurance

Mercedes-Benz Service Care

We believe that servicing costs should be as flexible and affordable as possible for your M-Class, which is why we offer Service Care, an easy way to budget for all your servicing costs. It spreads your bills into manageable payments based on whether you have a new or used Mercedes-Benz.

With Service Care we guarantee the price of parts and labour for up to four services and safeguard against any further inflation. It also covers the cost of any additional items including brake fluid, spark plugs, air filters, fuel filters and screen wash.

You can choose either to add your servicing costs into your monthly spend or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

To receive a personalised Service Care plan recommendation visit the Service Care Calculator at www.mercedes-benz.co.uk/servicecare

Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects¹ and up to 30 years warranty against perforation due to corrosion from the inside out.² What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.²

Insurance

Since our name is synonymous with reliability, who better to trust with your motor insurance? Mercedes-Benz Insurance provides a motor insurance policy specifically designed to give you the cover you would expect from Mercedes-Benz. For a motor insurance quotation, call **0345 600 2180**.*

Mercedes-Benz Finance

Why should you finance with Mercedes-Benz?

At Mercedes-Benz we believe a great driving experience should be matched by an equally great ownership experience. That is why we put just as much thought, time and effort into designing our finance options, our service plans and our insurance cover as we do into our vehicles.

We are not in the business of simply providing a loan to fund the purchase of your dream vehicle. We look on it as a journey that we take with you, from the moment you choose your new Mercedes-Benz, to helping you in choosing your next one.

If you would like to find out more about any of our current offers, simply call into your local Mercedes-Benz Retailer where one of our Business Managers will be more than happy to talk you through anything you need to know.

Helping you find the right solution.

You should find our finance packages are more convenient than a traditional personal loan because:

- Funds are immediately available – no waiting for cheques or loans to clear.
- There is no security required – either against your home or other assets.
- We have clear and transparent rates – the APR we quote is the APR you get.
- We have friendly Business Managers – experts in vehicle finance who can talk you through all of your plans in detail.

One of our most popular finance products is Mercedes-Benz Agility (our Personal Contract Purchase product). We also offer Contract Hire, Operating Lease and Hire Purchase solutions. If you would like to find out more about these speak to your Retailer or visit www.mercedes-benz.co.uk/fandi.

Mercedes-Benz Agility (our PCP product).

At the start of an Agility agreement, you put down a deposit and decide the term of your agreement and your annual mileage. You will be advised of the Guaranteed Future Value, which offers you the reassurance of knowing exactly what you will need to pay to own the vehicle outright in the future (this is known as the Optional Purchase Payment).

Throughout your agreement you simply pay your agreed monthly payments and when the agreement comes to an end you either purchase, hand back or part-exchange your vehicle.

Agility features:

- Fixed regular payments mean you can easily budget.
- Payments are based only on a proportion of the vehicle's value, keeping your monthly payments lower.
- Our Guaranteed Future Value avoids the risk of unplanned depreciation of your vehicle.
- You defer your ownership decision until the end of the agreement.

At the end of your agreement you have three options to choose from.

Option 1: Purchase your Mercedes-Benz.

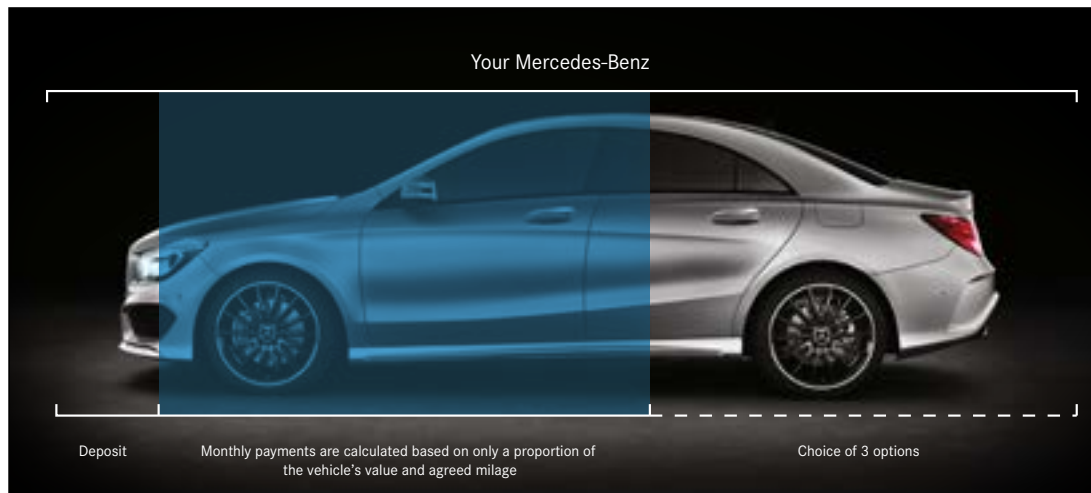

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.¹ This will complete the purchase of your Mercedes-Benz, leaving you free to simply enjoy your vehicle.

Option 2: Hand back your Mercedes-Benz.

If you decide to return your vehicle to us, it must be in line with our Vehicle Return Standards,* as vehicle condition, excess mileage and other charges may be payable.

Option 3: Part-Exchange for a new vehicle.

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.¹ This will complete the purchase of your Mercedes-Benz, leaving you free to part-exchange for a new vehicle.

¹Please note the 'Purchase Activation Fee' of £10 will be debited from your account *To find out more information about our Vehicle Return Standards please visit <http://mercedes-benz.co.uk/vrs>
