

# Citan Price List October 2017

Mercedes-Benz  
Vans. Born to run.

# Welcome

**Innovative, award-winning and more affordable than you might think. The Citan may be the smallest van in the Mercedes-Benz range, but it really is big on the things that matter.**

Delivering superior comfort and driver convenience, Bluetooth® and USB connectivity, Tardis-like cabin stowage and an impressive fuel consumption of up to 65.7 mpg\*, the Citan has everything you need to keep your business moving.

Offering a level of detail that meets almost any business requirement, it's only right you get all the information you need before ordering. Over the following pages you'll find model prices and a comprehensive breakdown of standard and optional equipment.

Then, when you're ready, simply contact your Mercedes-Benz Dealer to place your order.

## Small van. Big support.

You won't believe how good the Citan is, or how much support it offers, until you've experienced it for yourself. Now's the time to get behind the wheel.

**Contact your local Dealer  
to book a test drive.**
