The hard facts to melt your heart

At Mercedes-Benz we appreciate the importance of detail. Over the following pages you'll find model prices and a breakdown of standard and optional equipment, as well as details of the comprehensive services and benefits that are available to every Mercedes-Benz driver.

Of course, some things have to be experienced to be truly appreciated, such as the qualities that set a Mercedes-Benz apart. Which is why we'd like to invite you for a test drive at your local Mercedes-Benz Retailer. Alternatively, you can make arrangements by visiting www.mercedes-benz.co.uk/testdrive

For more information visit www.mercedes-benz.co.uk or call 0333 222 0500.

¹The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK.

*CO₂ figures have been converted into NEDC-equivalent values for use with the current VED and BiK tax legislation.

Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO₂ figures can be found at <http://www.mercedes-benz.co.uk/WLTP>

²A 200 d and A 220 d Hatchback engines are RDE (Real Driving Emissions) Step 2 Certified (Euro 6d). This results in a lower VED and BiK rate as these engines will not be subject to the diesel surcharge. A different first year rate of Vehicle Excise Duty (Road Fund Licence) applies for new cars. Please refer to page 72 for the relevant rate for the second and subsequent years

³The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£635.00 incl. VAT), new vehicle registration fee (£55.00) and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%

Standard ARTICO man-made leather/Bertrix fabric (black)

Options shown: iridium silver metallic paint (code 775A); Active Parking Assist with PARKTRONIC - available with Executive equipment line (code PYM)

The new A-Class redefines the compact class with previously unseen levels of luxury and advanced technology. The dramatic exterior of the A-Class SE features a diamond grille with black pins, a silver-painted louvre and chrome insert – all framed by halogen headlamps with LED daytime running lamps. 16" 5-twin-spoke alloy wheels complement the powerful stance. The interior champions cutting-edge technology with the MBUX infotainment system at

the heart of the innovative cockpit. The coloured turbine-style air vents are equally eye-catching. For your comfort, there is air conditioning and a wealth of features with semi-autonomous driving capabilities. The seats are fitted with black ARTICO man-made leather and Bertrix fabric, while the multifunction sports steering wheel is finished with leather, black topstitching and a black bezel.

Options shown: light longitudinal-grain aluminium trim (code H44); and 10.25" media display available only with Executive equipment line (code PYM)

Standard ARTICO man-made leather/DINAMICA microfibre (black). Hatchback seats shown above

The AMG Line demonstrates the athletic qualities of the A-Class in typical AMG form: AMG bodystyling includes an AMG front apron with chrome front splitter, AMG side sill panels and an AMG rear apron with chrome trim and visible exhaust tailpipes. The diamond radiator grille is finished with chrome pins and a single louvre, while 18" AMG 5-twin spoke alloy wheels create a powerful stance. Further highlights of the AMG Line interior

include ARTICO man-made leather and DINAMICA microfibre upholstery, DINAMICA microfibre door lining, plus the option of a longitudinal-grain aluminium trim. The 3-spoke nappa leather multifunction sports steering wheel with a flattened bottom section and perforated grip area takes its inspiration from motor racing.

In addition/replacement to Sport:

Introducing MBUX

Optional Premium equipment line shown

Multi-gesture touchpad control

Introducing MBUX, the brand new Mercedes-Benz User Experience infotainment system that can be controlled via voice and touch input. The new A-Class is the first model to feature this innovative way of communicating with your Mercedes-Benz.

MBUX (Mercedes-Benz User Experience) infotainment system comprises:

Voice control

- Activated by the keywords “Hey Mercedes”, the new intelligent voice control LINGUATRONIC¹ lets you control many of the infotainment functions, including destination input, phone calls or music selection
- MBUX is able to understand different accents and will adjust to you over time
- MBUX even understands indirect commands. Feeling chilly? Just say “I feel cold” and MBUX will adjust the temperature for you

Personalisation

- Turn the new A-Class into your very own Mercedes-Benz by personalising driving modes, radio stations, ambient lighting and much more
- Your personal settings can be saved in up to seven different profiles, making your driving experience the best one possible
- Thanks to artificial intelligence, MBUX is able to learn and adapt over time. It will be able to predict your personal habits, such as navigation for frequently-driven routes, or the radio station you like to listen to on your way home from work

Touch inputs

- Beside voice control you can operate MBUX via touchscreen, the touchpad on the centre console, as well as touch control buttons on the steering wheel
- The touchpad recognises your handwriting should you wish to enter addresses or phone numbers silently

Maintenance and service

- Wondering when the next service is due? Or how much further you can drive until you need to stop at a petrol station? Just ask your MBUX – it will tell you the answer

¹LINGUATRONIC off-board functions are currently only available for 3 years

Exclusive driver training for Mercedes-AMG owners

All Mercedes-AMG customers are invited to a complimentary AMG Driving Academy Training experience at Mercedes-Benz World.

The AMG Driving Academy Training experience will prepare you to unleash the power and performance of an AMG model with confidence. This four-hour session, including a full safety briefing and debrief, will lay the foundation for mastering a high-performance vehicle on the handling circuits and dynamic low-friction surfaces, with manoeuvres including:

- Slalom handling (dynamic straight)
- Obstacle avoidance (wet straight and dynamic straight)
- Oversteer and understeer (wet skid circle)
- Cornering (handling circuit)

TERMS AND CONDITIONS

The following customers only are eligible: the first purchaser/registered keeper of a newly registered Mercedes-AMG. The complimentary Training as described in the brochure must be booked and taken within six months of delivery of your Mercedes-AMG. The Training is available Monday to Friday and is subject to availability. Requests for Saturday and Sunday will incur an additional charge. Upgrades are available for an additional cost: details upon request. Transferable to individuals who reside at the same postal address only. Mercedes-Benz Cars UK Limited reserves the right to amend or withdraw this Training experience. Attendees must hold a full UK driving licence. Attendees will be required to sign the Mercedes-Benz World Driving Risk Acknowledgement prior to undertaking the Training experience. The Training experience is also subject to the Mercedes-Benz World Terms and Conditions, as applicable. Invitation is emailed to the customer post-delivery. Permission via the customer contact preferences must be given to enable Mercedes-Benz World to contact. Retailer demonstrator vehicles are not eligible.

Driving Assistance package

Active Steering Assist

Active Distance Assist DISTRONIC

The Driving Assistance package contains a range of highly intelligent features to help you stay safe on the road – by making the drive more effortless, by warning of danger, and by taking steps to protect you in an emergency.

Driving Assistance package (code 23P) – designed and priced as a package, including items listed below.

Sport, AMG Line and Mercedes-AMG

Total incl. VAT £1,695.00

Only in conjunction with Executive, Premium, Premium Plus, AMG Executive, AMG Premium or AMG Premium Plus equipment lines. Automatic transmission only

Driving Assistance package comprises:

Active Blind Spot Assist can warn the driver of vehicles in the blind spot during a lane change and can help to avoid a collision by means of one-sided braking intervention

Active Braking Assist with cross-traffic function can help to avoid accidents with vehicles ahead, crossing traffic and also pedestrians, and/or mitigate their consequences

Active Distance Assist DISTRONIC helps maintain the desired distance from the vehicle in front

Active Emergency Stop Assist: immediate emergency braking if evasion is impossible

Active Lane-change Assist aids the driver with changing lanes by means of steering torque as soon as the driver initiates the change by activating the direction indicator

Active Speed Limit Assist ensures detected speed limits are automatically adopted as the set speed for Active Distance Assist DISTRONIC

Active Steering Assist: targeted steering intervention to prevent unintentional drifting out of lane

Evasive Steering Assist can support the driver in making evasive manoeuvres if, in a dangerous situation, he/she moves to avoid any pedestrian detected by the system

PRE-SAFE® PLUS: when a rear-end collision threatens, PRE-SAFE® PLUS can initiate preventive measures, including warning following traffic and locking the brakes on standstill

Route-based speed adjustment: adaption of speed before curves, roundabouts and junctions

Advanced Navigation package

MBUX augmented reality for navigation

Traffic Sign Assist

To enable you to find your way in complex traffic situations, MBUX connects augmented reality for navigation in the real world. The technology incorporates graphical navigation instructions and traffic information into live images. You can get to your destination quickly, safely and stress-free.

Advanced Navigation package (code DP4) – designed and priced as a package, including items listed below.

SE, Sport and AMG Line

Total incl. VAT £495.00

Only in conjunction with Executive, Premium or Premium Plus equipment lines

Advanced Navigation package comprises:

MBUX augmented reality for navigation

A camera in the windscreen records the area in front of the vehicle. This recording runs in the media display. Superimposed highlighted information, such as house numbers and street names, facilitates orientation at the destination

Traffic Sign Assist

The camera scans the forest of speed limit signs – so navigation data holds the current valid limit at all times

AMG Advanced Navigation package

Head-up display

The AMG Advanced Navigation package adds the benefits of a head-up display. Important information is reflected onto the windshield, directly in the field of vision, ensuring drivers are less distracted from what is on the road ahead. Because the eyes do not have to adjust focus or make optical corrections, drivers do not become tired so quickly.

AMG Advanced Navigation package (code DP7) – designed and priced as a package, including items listed below.

Mercedes-AMG A 35 4MATIC only

Total incl. VAT £1,295.00

Only in conjunction with AMG Executive, AMG Premium or AMG Premium Plus equipment lines

AMG Advanced Navigation package comprises:

Head-up display

Your attention remains on the road because the head-up display projects key information onto the windscreen: information seems to hover two metres in front of the driver

MBUX augmented reality for navigation

A camera in the windscreen records the area in front of the vehicle. This recording runs in the media display. Superimposed highlighted information, such as house numbers and street names, facilitates orientation at the destination

Traffic Sign Assist

The camera scans the forest of speed limit signs – so navigation data holds the current valid limit at all times

Advanced Connectivity package¹

Digital vehicle key for smartphone

Wireless charging

A smarter, safer way to use your phone in your car, the Smartphone Connect package takes the things you want to do with your phone while driving and puts them on the built-in display. Make calls, send and receive messages, and listen to music, all in a way that allows you to stay focused on the road.

Advanced Connectivity package (code DP5) – designed and priced as a package, including items listed below.

All models

Total incl. VAT £495.00

Advanced Connectivity package comprises:

Smartphone integration links your mobile phone with the media system via Apple® CarPlay® and Android Auto®. This gives convenient access to the apps on your smartphone. You can also use apps from third party service providers such as Spotify

Pre-installation digital vehicle key for smartphone provides the technical basis for using your smartphone as a digital vehicle key. You can use your smartphone to open and close your car or even start the engine – even when the battery is flat

Wireless charging

Driving time becomes charging time – with just a simple hand movement your smartphone can be fixed in place in the centre console, where it is charged wirelessly

All features require a compatible mobile device and network provider. Please check www.mercedes-benz-mobile.com for details or contact your local Mercedes-Benz Retailer for further information

Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO₂ emissions. A first year rate for each taxation band will apply. The table below shows the bands (A–M) created by the DVLA and the corresponding Road Fund Licence. CO₂ emissions are listed in the technical data on pages 63 and 70, and the relevant Excise Duty is reflected in the on-the-road prices on pages 11–13.

Services and insurance

Mercedes-Benz ServiceCare

We believe that servicing costs should be as flexible and affordable as possible for your A-Class, which is why we offer ServiceCare, an easy way to budget for all your servicing costs. It spreads your bills into manageable payments based on whether you have a new or used Mercedes-Benz.

With ServiceCare we guarantee the price of parts and labour for up to four services and safeguard against any further inflation. It also covers the cost of any additional items including brake fluid, spark plugs, air filters, fuel filters and screen wash.

You can choose either to add your servicing costs into your monthly spend or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

To receive a personalised ServiceCare plan recommendation visit the ServiceCare Calculator at servicecarerates.mercedes-benz.co.uk

Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects¹ and up to 30 years warranty against perforation due to corrosion from the inside out.² What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.²

Insurance

Since our name is synonymous with reliability, who better to trust with your motor insurance? Mercedes-Benz Insurance provides a motor insurance policy specifically designed to give you the cover you would expect from Mercedes-Benz. For a motor insurance quotation, call **0345 600 2180**.*

Mercedes-Benz Finance

Why should you finance with Mercedes-Benz?

At Mercedes-Benz we believe a great driving experience should be matched by an equally great ownership experience. That is why we put just as much thought, time and effort into designing our finance options, our service plans and our insurance cover as we do into our vehicles.

We are not in the business of simply providing a loan to fund the purchase of your dream vehicle. We look on it as a journey that we take with you, from the moment you choose your new Mercedes-Benz, to helping you in choosing your next one.

If you would like to find out more about any of our current offers, simply call into your local Mercedes-Benz Retailer where one of our Business Managers will be more than happy to talk you through anything you need to know.

Helping you find the right solution.

You should find our finance packages are more convenient than a traditional personal loan because:

- Funds are immediately available – no waiting for cheques or loans to clear.
- There is no security required – either against your home or other assets.
- We have clear and transparent rates – the APR we quote is the APR you get.
- We have friendly Business Managers – experts in vehicle finance who can talk you through all of your plans in detail.

One of our most popular finance products is Mercedes-Benz Agility (our Personal Contract Purchase product). We also offer Contract Hire, Operating Lease and Hire Purchase solutions. If you would like to find out more about these speak to your Retailer or visit www.mercedes-benz.co.uk/fandi.

Mercedes-Benz Agility (our PCP product).

At the start of an Agility agreement, you put down a deposit and decide the term of your agreement and your annual mileage. You will be advised of the Guaranteed Future Value, which offers you the reassurance of knowing exactly what you will need to pay to own the vehicle outright in the future (this is known as the Optional Purchase Payment).

Throughout your agreement you simply pay your agreed monthly payments and when the agreement comes to an end you either purchase, hand back or part-exchange your vehicle.

Agility features:

- Fixed regular payments mean you can easily budget.
- Payments are based only on a proportion of the vehicle's value, keeping your monthly payments lower.
- Our Guaranteed Future Value avoids the risk of unplanned depreciation of your vehicle.
- You defer your ownership decision until the end of the agreement.

At the end of your agreement you have three options to choose from.

Option 1: Purchase your Mercedes-Benz.

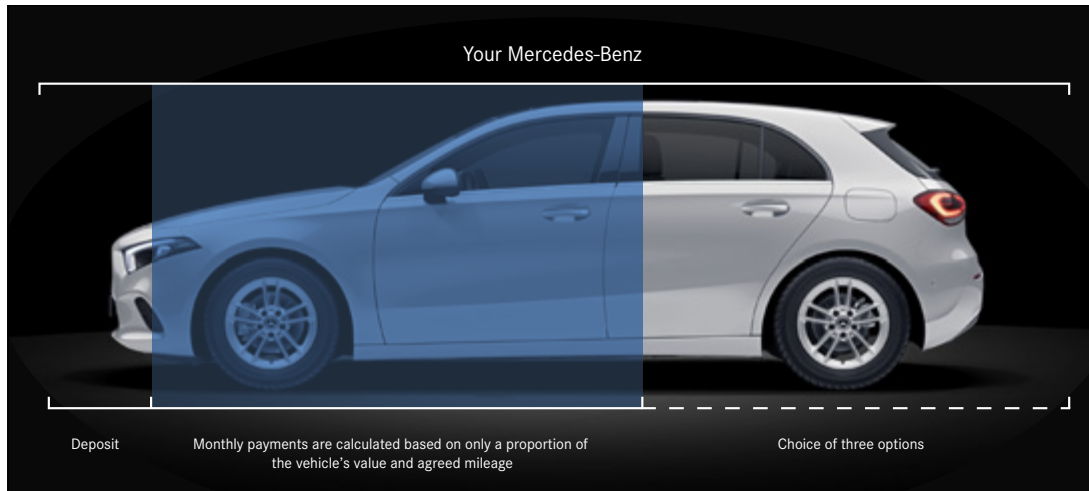

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.¹ This will complete the purchase of your Mercedes-Benz, leaving you free to simply enjoy your vehicle.

Option 2: Hand back your Mercedes-Benz.

If you decide to return your vehicle to us, it must be in line with our Vehicle Return Standards,^{*} as vehicle condition, excess mileage and other charges may be payable.

Option 3: Part-Exchange for a new vehicle.

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.¹ This will complete the purchase of your Mercedes-Benz, leaving you free to part-exchange for a new vehicle.

¹Please note the 'Purchase Activation Fee' of £10 will be debited from your account *To find out more information about our Vehicle Return Standards please visit <http://mercedes-benz.co.uk/vrs>
