# Mercedes-Benz User Experience (MBUX)

Transforming the in-car user experience, thanks to MBUX: Controlled via voice or touch input, the innovative infotainment system can over time even predict personal habits thanks to artificial intelligence.

MBUX multimedia system with DAB digital radio

Multi-gesture touchpad control

## Voice control

- Activated by the keywords “Hey Mercedes”, the new intelligent voice control LINGUATRONIC<sup>1</sup> lets you control many of the infotainment functions, including destination input, phone calls or music selection
- MBUX is able to understand different accents and will adjust to you over time
- MBUX even understands indirect commands. Feeling chilly? Just say “Hey Mercedes, I feel cold” and MBUX will adjust the temperature for you

## Personalisation

- Turn the new GLS into your very own Mercedes-Benz by personalising driving modes, radio stations and much more
- Your personal settings can be saved in up to seven different profiles, making your driving experience the best one possible
- Thanks to artificial intelligence, MBUX is able to learn and adapt over time. It will be able to predict your personal habits, such as navigation for frequently-driven routes, or the radio station you like to listen to on your way home from work

## Touch inputs

- Beside voice control you can operate MBUX via touchscreen, the touchpad on the centre console, as well as touch control buttons on the steering wheel
- The touchpad recognises your handwriting should you wish to enter addresses or phone numbers silently

## Maintenance and service

- Wondering when the next service is due? Or how much further you can drive until you need to stop at a petrol station? Just ask your MBUX – it will tell you the answer

<sup>1</sup>LINGUATRONIC off-board functions are currently only available for three years

# Driving Assistance packages

**The Driving Assistance package** contains a range of highly intelligent features to help you stay safe on the road – by making the drive more effortless, by warning of danger, and by taking steps to protect you in an emergency. This package is standard for AMG Line Premium.

**Active Blind Spot Assist** can warn the driver of vehicles in the blind spot during a lane change and can help to avoid a collision by means of one-sided braking intervention

**Active Braking Assist with cross-traffic function** can help to avoid accidents with vehicles ahead, crossing traffic and also pedestrians, and/or mitigate their consequences

**Active Distance Assist DISTRONIC** helps maintain the desired distance from the vehicle in front

**Active Emergency Stop Assist:** immediate emergency braking if evasion is impossible

**Active Speed Limit Assist** ensures detected speed limits are automatically adopted as the set speed for Active Distance Assist DISTRONIC

**Active Steering Assist:** targeted steering intervention to prevent unintentional drifting out of lane

**Evasive Steering Assist** can support the driver in making evasive manoeuvres if, in a dangerous situation, he/she moves to avoid any pedestrian detected by the system

**PRE-SAFE® PLUS:** when a rear-end collision threatens, PRE-SAFE® PLUS can initiate preventive measures, including warning following traffic and locking the brakes on standstill

**Route-based speed adjustment:** adaptation of speed before curves, roundabouts and junctions

**The Driving Assistance Plus package** contains a few more safety features. Standard on all GLS models, except AMG Line Premium.

**Active Lane Keeping Assist**

**Active Stop-and-Go Assist**

**Pedestrian warning function near pedestrian crossings**

**PRE-SAFE®:** impulse side moves occupants away from doors just before an imminent side impact

**Traffic Sign Assist**

<sup>1</sup>The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK which will depend upon a number of factors including factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO<sub>2</sub> figures can be found at <http://www.mercedes-benz.co.uk/WLTP>  
<sup>2</sup>A different first year rate of Vehicle Excise Duty (Road Fund Licence) applies for new cars. Please refer to page 58 for the relevant rate for the second and subsequent years  
<sup>3</sup>The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£715.00 incl. VAT), new vehicle registration fee (£55.00) and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%

# designo Leather package

The designo Leather package enhances the exciting Maybach aesthetics of the interior with exquisite materials.

**designo Leather package (code U61)** – designed and priced as a package, including items as listed.

**Only available for Mercedes-Maybach models**

**Total incl. VAT £13,650.00**

## Consisting of:

Two upholstered cushions with 'Maybach' logo

Two upholstered cushions for the leg rests of the Executive seats

designo roof liner in nappa leather with topstitching incl. leather-covered sun visors, grab handles, map pockets, and pillars

Front seat console on driver and front passenger sides in nappa leather

Window frame lining in the boot cover in ARTICO man-made leather

# Off-Road package

The Off-Road package provides superior ride comfort both on and off the road. It combines a fully-variable all-wheel drive system with a low-range transmission, ensuring that your GLS is ideally suited to make dynamic progress on the road; and finely-metered torque distribution for use off the beaten track, providing the perfect balance between agility and stability.

**Off-Road package\*** - designed and priced as a package, including items as listed.

**Available on all GLS 400 d AMG Line variants**

**Total incl. VAT £1,495.00**

### Consisting of:

Downhill speed regulation for steep downhill gradients

DYNAMIC SELECT driving modes including Off-Road, Off-Road+, Comfort and Sport

Fully-variable all-wheel drive and low-range transmission

Inter-axle locking via a torque-on-demand clutch, providing fully variable torque distribution from 0-100% between the axles

Low-range off-road gearing

Off-road ABS with specific optimisation for rough surfaces

Off-road control panel in centre console

Torque-on-demand (double-speed) for traction and dynamic control

\*Off-Road package reduces the maximum towing capacity to 3,300kg

# Towing package

Save time and your nerves when manoeuvring with the Towing package. Thanks to the Trailer Manoeuvring Assist you can complete reversing manoeuvres in a superior, precise and relaxed manner.

**Towing package (code DP8)** – designed and priced as a package, including items as listed.

**Only available for Mercedes-AMG GLS 63 4MATIC+**

**Total incl. VAT £1,150.00**

## Consisting of:

Increased towing capacity - max. 3,500 kg

Trailer Manoeuvring Assist controls the steering angle of the towing vehicle at speeds up to 5 km/h. Dynamic guidelines show the course of the manoeuvre, vehicle width and distances to detected objects<sup>1</sup>

Electronically folding tow bar (includes 13-pin socket; ESC: Electronic Stability Control)

<sup>1</sup>In the case of trailers with a stabilisation device against swerving, the trailer or trailer tow hitch could be damaged. If a trailer coupling with Trailer Manoeuvring Assist is used, only use without a stabilisation device against swerving

# Genuine accessories

We've developed a range of accessories you can add to help personalise and enhance your GLS.

### Basic carrier bars for roof rails

The Alustyle basic carrier bars offer a multifunctional basis for attaching all of the Mercedes-Benz transport and leisure accessories, for example roof boxes, bicycle racks or ski racks. Tested to exacting Mercedes-Benz standards, the bars are simple to fit and offer a secure hold and optimum aerodynamics. (A1678903100)

### Bicycle rack

Easy to use, convenient and lightweight. Bicycles can be attached at ground level before the rack is fitted. Up to three bicycle carriers can be fitted at one time. The alustyle cycle carrier is designed for the alustyle basic carrier bars, making your life easier, with know-how from Mercedes-Benz. (A000890029364)

### Mercedes-Benz roof box 450

An aerodynamic design, tailored to your Mercedes-Benz. In extremely durable material. Designed for quick, optimised attachment to the basic carrier bars. Particularly convenient loading and unloading thanks to the option of double-sided opening. Lockable from both sides. (A0008400300)

### Mercedes-AMG roof box

The innovative, aerodynamically developed design of the Mercedes-AMG roof box combines sportiness and exclusivity. With the design of the Mercedes-AMG roof box, optimum results in terms of aerodynamics, driving characteristics and background noise are attained. A simple assembly is made possible by a rapid clamping system. (A0008400900)

All the above accessories are subject to availability and compatibility. Please ask your Mercedes-Benz Retailer for more information

--------	------------	-----	------------------	----------------------	--------------	-----------------	--------------------	---------------------	----------------	------------------------

### Bluetooth® headphones

Thanks to Bluetooth® technology, the headphones allow wireless transmission between the headphones and audio source; also, a 3.5 mm jack connection is available for wired transmission. With a 3D sound effect, the headphones offer a spacious sound experience and the Hybrid Active Noise Cancelling ensures optimum sound reproduction without disruptive ambient noise. (A2238209903)

### Bluetooth® headphones, protective case

Protect your Bluetooth® headphones wherever the road takes you with this simple yet sophisticated protective Case by Mercedes-Benz. (A2235850100)

### Media Interface consumer cable kit

The Media Interface Performance Cable kit promises comfortable and secure operation of external audio devices via the operating units of the vehicle whilst driving. Additional information such as folder structure, artist or track title are displayed on the vehicle display or instrument cluster. At the same time, the battery of the connected device is charged up. (A1778203001)

### AMG KIDFIX XP child seat, with ISOFIT, ECE + China

AMG child seat for children aged approximately 3.5 to 12 years (15 to 36 kg). Forward-facing and securely connected to the vehicle using a three-point seat belt or additionally using ISOFIX. With side impact protection in the form of a high-energy absorbing pad. The adjustable head restraint allows the seat to match the child's growth. The cover, in an exclusive AMG design with original AMG Dinamica seat cover material, can be removed and washed. Mesh appliqués with horizontal stripes just the same as the AMG car seats. (A0009703302)

### Reversible mat, with Velcro strip for load sill guard

Black reversible mat. 100% polyester. Double-sided: rubberised, non-slip side and high-quality velour side. Design allows concertina load sill protector to be connected. Tailored to contours of load compartment. Helps protect load compartment floor from spillages and dirt. Easy to clean. (A1676846600)

All the above accessories are subject to availability and compatibility. Please ask your Mercedes-Benz Retailer for more information

# Services and insurance

## Mercedes-Benz ServiceCare

We believe that servicing costs should be as flexible and affordable as possible for your GLS, which is why we offer ServiceCare, an easy way to budget for all your servicing costs. It spreads your bills into manageable payments based on whether you have a new or used Mercedes-Benz.

With ServiceCare we guarantee the price of parts and labour for up to four services and safeguard against any further inflation. It also covers the cost of all recommended service items including brake fluid, spark plugs, air filters, fuel filters and screen wash.

You can choose either to add your servicing costs into your monthly spend or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

## Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects<sup>1</sup> and up to 30 years warranty against perforation due to corrosion from the inside out.<sup>2</sup> What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.<sup>2</sup>

## Motor Insurance

Superb cover comes as standard. When reviewed by an independent research company, Defaqto, Mercedes-Benz Motor Insurance received a five-star rating, the highest rating available. We design our Motor Insurance specifically for Mercedes-Benz drivers.
