

COROLLA

A NEW ERA FOR COROLLA

DISCOVER THE WORLD'S BEST-SELLING CAR

IT'S TIME TO CHOOSE HYBRID

YOU'LL LOVE THE SPIRITED DRIVE OF THE COROLLA

Toyota Hybrids are a pleasure to drive. They're incredibly smooth and very responsive – and when you're driving through the city, you'll enjoy the blissful silence of the all-electric mode. They also save fuel and reduce emissions, while still being as easy to drive as a conventional car. Because they're self-charging, you never have to plug them in. So it's no surprise that Toyota Hybrids have been chosen by over 12 million drivers around the world.

2.0 LITRE HYBRID A JOY TO DRIVE

Hybrid never felt so good. The new 2.0 litre Hybrid engine developed for the Corolla takes Hybrid to an exciting new level, delivering plenty of power and effortless acceleration for a spirited and dynamic drive that makes even the most everyday journey a joy.

EXPERT CORNERING EMBRACE THE DRIVE

The TNGA platform gives the Corolla a low centre of gravity that reduces body roll, providing extra control when cornering. A highly rigid body helps to enhance ride comfort, while the rear double wishbone suspension absorbs shocks from bumps in the road more effectively, making the ride even smoother.

A MORE REWARDING DRIVING EXPERIENCE

ENJOY A CAR THAT MAKES DRIVING FUN

At Toyota, we're committed to making ever better cars. That's why we have introduced Toyota New Global Architecture (TNGA) – a new platform that delivers excellent performance. This is the first Corolla to use TNGA, and the difference is clear from the moment you get behind the wheel, with excellent handling and stability making the drive even more rewarding.

Sit back and enjoy the journey.

DESIGNED TO TURN HEADS

THE COROLLA IS STRIKING FROM ALL ANGLES

The first things you notice about the Corolla are its bold styling lines with an attractive low bonnet giving it a sleek profile. The Hatchback Excel grade can be even more eye-catching with a selection of Bi-tone paint options, which is further enhanced by sporty 18" alloy wheels.

MULTI LED HEADLIGHTS SIMPLY BRILLIANT

Both front and rear LED lights provide excellent visibility, while using very little energy. The LEDs are arranged in clusters which form elegant curving lines that suit the car's sleek design. The Automatic High Beam system instantly gives you the visibility you need without dazzling other drivers.

Model shown: Excel grade

AMBIENT LIGHTING SETTING THE MOOD

Nothing does more for a space than light, and the Corolla features ambient interior lighting throughout the cabin. The light is a cool shade of blue, giving the interior a stylish, sporty feel. It's a subtle touch – one of many that make this a car you'll love spending time in.

A SENSE OF STYLE

ENJOY A BEAUTIFULLY DESIGNED INTERIOR

If you think the Corolla looks good on the outside, just wait until you get into the car. Our designers have chosen a combination of high quality materials that look stunning together – and also provide a pleasing variety of textures. An all-black look gives the interior a sporty feel that underlines the spacious and uncluttered design. Black leather sports seats with red accents* complete the look perfectly.

* Standard on Excel grade only.

LIVE LIFE TO THE FULL

A COROLLA CREATED FOR YOUR ACTIVE LIFESTYLE

Corolla TREK is the perfect travel companion for people with an active lifestyle. It combines outdoor-focused design with Hybrid dynamics, practical versatility and a spirited drive.

Extra ground clearance means Corolla TREK is ideally suited to both urban and more adventurous driving. So whether you're on the commute, the school run or getting away from it all for an action-packed weekend, you can enjoy a world of adventure.

COROLLA
TREK

Model shown: Excel grade

INFORMATION DISPLAY CHOOSE YOUR LOOK

At the centre of the instrument panel is a multi-information display* with a colour screen that tells you everything you need to know. You can choose a speedometer with a traditional dial or a simple digital version.

TECHNOLOGY FOR EVERY JOURNEY

DESIGNED TO MAKE THE DRIVE EVEN SMOOTHER

Intuitive technology helps make every journey a pleasure. An 8" full-colour touchscreen gives you instant access to the Toyota Touch® 2 multimedia system to make playing music and making calls even simpler. Now with smartphone integration including Apple CarPlay™ and Android Auto™. The optional 8-speaker JBL® premium sound system[§] makes listening to every track amazing.

* Available in 3D on GR SPORT.

§ Optional on Excel 2.0 grade only.

MyT by Toyota

ALWAYS CONNECTED

CONNECTIONS THAT MAKE LIFE EASIER

The MyT app allows you to access our range of connected services, making your life with Toyota easier and more enjoyable. Through the MyT app, you can link up and stay in contact with your Toyota, opening up a world of possibilities. For example, you can plan journeys before you leave, then send the destination directly to the car's satnav. If the last leg of your journey needs to be completed on foot, you can share the directions with your phone again. Perhaps most useful of all, you'll always have to hand your service history and be able to set up service reminders based on your car's mileage straight from the app. In addition, you also have access to Hybrid Coaching which helps you optimize your EV driving and improve fuel efficiency, ensuring you can get the most from your hybrid.

For more information visit: <https://www.toyota.co.uk/owners/servicing-and-aftercare/my-toyota/myt-and-connected-services>

LINK UP STAY CONNECTED

Hybrid Coaching

In addition, you also have access to Hybrid Coaching which helps you optimize your EV driving and improve fuel efficiency, ensuring you can get the most from your hybrid.

Find My Car

Powered by Google Maps, Find My Car tells you exactly where your car is – so you will always remember where you parked.

Send To Car*

Plan a journey from the comfort of your home – or anywhere. With MyT, you can send your destinations directly to your car's navigation system.

Car Calendar

This will help you plot any important dates, such as MOT, Insurance and Servicing reminders

Service And Maintenance

Perhaps most useful of all, you will always have to hand your vehicle's service history and be able to set up service reminders manually straight from the app.

Drive safer with better understanding

Keep in the know with our user-friendly explanation of what the various warning lights in your vehicle mean, as well as the level of urgency and the next possible steps you should take.

* Only available with compatible smartphones. Not available on Icon.

Model shown: Excel Touring Sports

PANORAMIC ROOF REACH FOR THE STARS

An optional large panoramic roof* lets light flood into the cabin, making it feel even more spacious. It slides open to let fresh air in, giving you a real sense of connection to the world around you, while a powered sunshade keeps wind noise out.

SIT BACK AND RELAX

EVERY JOURNEY PUTS YOU AT EASE

The cabin of the Corolla has been designed around your comfort. Sport seats upholstered in black leather with red accents[§] keep you comfortable on long journeys. The steering position has been designed to feel as natural as possible, helping to avoid fatigue. And steering-wheel mounted switches for driving, infotainment and audio controls let you make calls and control music without taking your hands off the wheel.

* Optional on Design and Excel Hatchback. Also optional on Design and Excel Touring Sports in 2.0 only.

§ Standard on Excel grade only.

SPACE FOR ALL THE FAMILY

DESIGNED AROUND YOUR LIFESTYLE

The Corolla Touring Sports gives you the space you need, where you need it. It makes the rear passengers just as comfortable as the people in the front, thanks to plenty of knee room. Whether you're taking a bicycle, golf bags or the whole family's luggage, the generous boot space is versatile enough to fit it in easily, thanks to an adjustable deck board, handy side pockets and easily folded seats. Excel grade has a power tailgate with kick sensor for convenient hands-free activation.

ADAPTABLE STORAGE SMART AND PRACTICAL

The thoughtful design of the boot makes it easy to take everything with you.

1. The boot deck board is reversible, with carpet on one side and a resin finish on the other, so you don't have to worry about transporting garden plants, wet surf gear or your dog. If you need extra space, you can simply move it to a lower position.

2. Need even more room? Just pull a lever and one of the rear seats, or the whole row, automatically folds down without any fuss.

Model shown: Excel grade

Pushing the limits for Better

A LOOK THAT'S

RACING INSPIRED

Corolla GR SPORT, dynamic and ready to go: From the honeycombed grille with a lower bumper accent and piano-black surround to the bold rear diffuser. Eye-catching details like the striking alloy wheels and side sills with black inserts reinforce the athletic credentials of this striking Corolla.

Thanks to a truly incredible team, TOYOTA GAZOO Racing is continuing a tradition of Toyota victories stretching back to 1975. In 2018, we picked up the Manufacturers' Title at the World Rally Championship, before winning the gruelling 24 Hours of Le Mans two years in a row. The racetrack keeps inspiring the design of our cars, just like the Corolla GR SPORT – its sharp, dynamic style is destined to take your breath away.

INNOVATIVE TOYOTA SAFETY SENSE

RELAX AND ENJOY REAL PEACE OF MIND

Everything we do starts with your safety. For instance, the innovative Toyota Safety Sense package anticipates potential hazards and helps you respond more effectively. Also part of the comprehensive suite of safety features is Dynamic Radar Cruise Control with Road Sign Assist (RSA). This, together with Hybrid technology and its automatic transmission, delivers a smooth and hassle-free drive – perfect for the city. And with a range of intelligent driver aids including a reversing camera, Pre-Collision Systems, Road Sign Assist, Lane Trace Assist, Intelligent Parking Assist and Automatic High Beam, every journey will be as easy as it is enjoyable. So you can be sure that you and your passengers are even safer and more relaxed than ever before.

ALL ACTIVE SAFETY TECHNOLOGIES are intended to be back-up systems only and are not a substitute for safe and attentive driving. The functionality of these systems may be impacted by driving conditions. Further information is available from your local Toyota Centre.

TOYOTA SAFETY SENSE INTELLIGENT ASSISTANCE

Pre-Collision System with Night-time Pedestrian Detection

Detects other vehicles and pedestrians in the road ahead in low light. When the possibility of a collision is detected the driver is alerted with audio and visual warnings, and brake assistance is activated. If the driver fails to brake in time the brakes automatically engage to prevent or mitigate a collision.

Pre-Collision System with Cyclist Detection

Working in a similar way as above, it detects cyclists and other vehicles in the road ahead. When the possibility of a collision is detected the driver is alerted with audio and visual warnings, and brake assistance is activated. If the driver fails to brake in time the brakes automatically engage to prevent or mitigate a collision.

Lane Trace Assist

If the car begins to drift from the centre of the lane unintentionally, steering assist is applied to correct its course.

Automatic High Beam

Designed to optimise visibility during night driving for all road users. A camera detects the lights of oncoming vehicles and leading traffic whilst also monitoring the brightness of street lights. It switches automatically between high and low beam for safer night-time driving.

Full-range Adaptive Cruise Control

Enables the car to maintain a constant speed without the use of the accelerator pedal. If necessary, it also reduces speed to preserve the distance between the car and the vehicle ahead, down to a complete stop.

Road Sign Assist

Monitors the road signs ahead, displaying useful information such as the current speed limit in clear view on the colour multi-information display.

Acoustic Vehicle Alert System (AVAS)

Sound generated to alert pedestrians and other road users at speeds up to 12 mph.

INSPIRING THE WORLD TO MOVE

Over 85 years of innovation have brought us our greatest mission yet: giving the freedom of movement to humankind. That's why Toyota is the Worldwide Official Mobility Partner of the International Olympic Committee and the International Paralympic Committee and proud partner of Team GB and Paralympics GB.

We are committed to making movement better for everyone, whether that be across a country, a city or across a room, because when you are free to move, anything is possible.

START YOUR
IMPOSSIBLE

OWNING YOUR NEW COROLLA

Servicing your Toyota

Toyota Service Pricing means you will be sure to know the cost of your service up front. Expertly trained technicians using only genuine Toyota parts will carry out your service at one of over 200 Authorised Toyota Service Centres. The technicians will advise you on the correct service for your vehicle based on the vehicle's age, mileage and service history.

For more information visit toyota.co.uk/owners/servicing-and-aftercare/service-mot-maintenance

Service Plans

Inflation-proof pricing with a monthly or one-off payment plan means one less thing to worry about. With Toyota Service Plans the price you're quoted is guaranteed for the duration of your plan. The service, parts and labour are all paid for either in monthly instalments or as a one-off payment at the beginning of your plan.

For more information visit toyota.co.uk/owners/servicing-and-aftercare/service-mot-maintenance

Toyota Price repairs

We offer transparent prices on a number of repair items for your Toyota giving you peace of mind when it comes to managing costs. Also don't forget we only use genuine Toyota parts, all of which come with at least 12 months' warranty (some even offer unlimited mileage warranties); and your vehicle will always be dealt with by a trained Toyota technician.

For more information visit toyota.co.uk/owners/servicing-and-aftercare/service-mot-maintenance

MyT

Whether you're a long-term owner or have recently taken delivery of a new Toyota, there are lots of reasons to join **MyT**. Packed with time-saving and convenient features, **MyT** ensures everything you need to manage your vehicle ownership is in one place. You'll also gain access to **My Rewards** where you can enjoy great offers and discounts from big brands on everything from family days out to pampering as well as everyday deals.

For more information visit toyota.co.uk/mytoyota or download the **MyT** app now available on iTunes and Android.

Toyota Accessories

Toyota accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. Tailor-made for your Toyota, they fit perfectly and add a personal touch of style, comfort and practicality. Also, because they've been tested under the most severe conditions, you can have complete confidence in their reliability and durability.

For more information visit toyota.co.uk/owners/parts-accessories/parts

Toyota Roadside Assistance

When you buy a Toyota you will automatically receive 12 months' AA Roadside Assistance in the UK and Europe, free of charge. After the first year the cost of Toyota Roadside Assistance is £7 per month if paid by monthly Direct Debit, £72 per annum if paid by annual Direct Debit, and £76 per annum when paid by all other payment methods.*

For full terms and conditions please visit toyota.co.uk/owners/roadside-assistance

Toyota Relax**Up to 10 Years (100,000 mile) Toyota warranty**

Every new Toyota is eligible to be covered by up to 10 years' manufacturer warranty through Toyota Relax. This is provided through an initial 3 years manufacturer warranty that can be extended with regular servicing at a Toyota dealer. 12 months warranty is included with every Toyota Service, up to 100,000 miles or 10 years, whichever comes first, giving you a chance to relax in the knowledge that you and your vehicle are in safe hands. Terms and conditions apply.

For full details, please ask your official Toyota Centre or visit toyota.co.uk/relax

Corrosion Cover

The 12-year unlimited mileage cover protects against rust perforation affecting sheet metal body panels as a result of a manufacturing fault. This warranty can also be transferred to any future owner throughout the 12-year period.

Rust and Paint Cover

The 3-year unlimited mileage cover protects against defects and surface rust as a result of a manufacturing fault.

Toyota Business Centre

Our Toyota Business Centre network promise you same-day access to a business manager or dedicated sales executive. With business offers and interactive wholelife cost modelling tools which consider emissions, fuel economy, servicing, insurance and residual value data, our advisers can accurately compare tax costs against any competitor. Whenever servicing is due, we can offer fixed-price servicing, free local vehicle collection and delivery (with wash and vac).

Special offers, fixed-price fleet servicing, specialist fleet insurance, business daily hire, Toyota Fleet Financial Services, extended test drives and a dedicated Business Centre Network are just some of the services business customers can expect from Toyota.

For more information visit toyota.co.uk/business-customers

Toyota Motor Insurance

Toyota Motor Insurance is available for Toyota owners at competitive premiums. To obtain details of the benefits included and to arrange a quotation, please contact your local Toyota Centre or call 0800 350 500.

THE COROLLA HYBRID FAMILY

THE CHOICE IS YOURS

An exciting journey lies ahead. Alongside the dynamic Corolla Hatchback and practical Touring Sports is the Corolla Saloon, one of the most loved cars of all time. Introduced for the first time as a Hybrid, the Saloon rounds up a perfect trio of Corollas, providing choices ideal for every kind of driver. So whichever body type you choose, you'll benefit from Corolla's illustrious reputation, as well as Toyota's self-charging Hybrid.

TOYOTA COROLLA

A NEW ERA FOR HYBRID

While every effort is made to reproduce accurate information, we reserve the right to change specifications, equipment and availability without prior notice. This brochure cannot be regarded as infallible (some of the vehicles shown may not be to exact UK specification), and as such does not constitute an offer for sale of any particular vehicle or specification. For the latest specification and availability, we ask that you contact your local Toyota Centre. Vehicle body colours may differ slightly from the printed images in this brochure.

Quoted mpg and CO₂: Figures are provided for comparability purposes; only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures. These figures may not reflect real-life driving results. Fuel consumption and CO₂ produced varies significantly depending on a number of factors, including the accessories fitted (post-registration), driving style, conditions, speed and vehicle load.

All models and grades are certified according to the World Harmonised Light Vehicle Test Procedure (WLTP). All mpg and CO₂ figures quoted are full WLTP figures.

The official CO₂ figures for vehicles changed as from 6 April 2020, due to a change in the official method of calculation. CO₂ figures are used in the calculation of Vehicle Excise Duty (car tax) for new cars during their first year of registration. As a result, all CO₂ figures, car tax and 'on the road' prices for new vehicles, which were provided or displayed prior to 6 April 2020, may now have changed for vehicles which were not registered before that date. These dates may change; please visit www.vehicle-certification-agency.gov.uk/fcb/wltp.asp for the latest information.

Please contact your local Toyota Centre for further information.

The use of the term 'Toyota Accessories' should not be taken to imply that the products on the accessory pages are actually manufactured by the Toyota Motor Corporation or Toyota (GB) PLC. Toyota (GB) PLC is continually updating and changing specifications of accessories and reserves the right to do so at any time without prior notice.
