

2023

NEXO

Water + Air = Go.

NEXO Limited in Copper Metallic

Act naturally.

In NEXO's sustainability-minded interior, the headliner is woven from bamboo, and carpet fibers are spun from sugarcane. The interior trim's color dyes are extracted from soybeans and canola oil, and the H-Tex™ leatherette seating surfaces are vegan-based. In all, bio-based materials were applied on 47 different components.

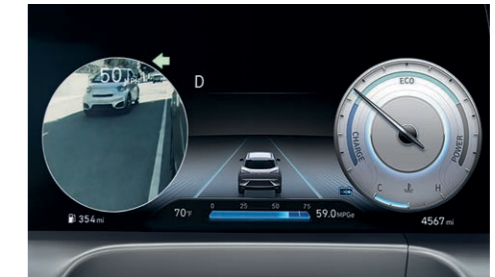

Below the surface, an ultra-rigid body structure forged with advanced high-strength steel helps preserve the integrity of the passenger cabin in the event of a collision. To help avoid that from happening, a suite of Hyundai SmartSense technologies alert and assist the driver.⁴

Lane Following Assist helps keep your NEXO centered in its lane of travel and lends the driver a hand with subtle steering corrections.⁵ Need to change lanes? NEXO Limited's Blind-Spot View Monitor displays wide-angle views of your blind spots on the instrument cluster, allowing you to see more than you would in the rearview mirror alone.⁶

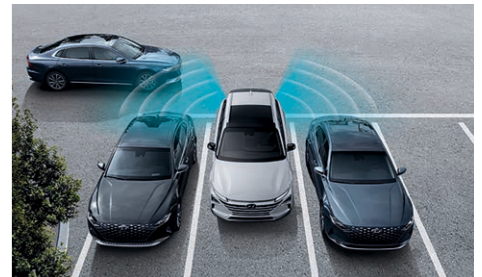

With technology such as this focused on your safety, is it any surprise that Hyundai vehicles equipped with Forward Collision-Avoidance Assist and specific headlights have won more total IIHS awards than any other brand over the past seven years (as of July 2022)?⁷

Hyundai SmartSense Technologies

It's basically that simple. NEXO, the world's first dedicated hydrogen fuel cell SUV, gets the electricity to power its 161-hp electric motor from a mixture of hydrogen fuel and oxygen from the ambient air. The only emission? A few droplets of water.

NEXO offers two alternatives for how you go fuel cell: NEXO Blue features an EPA-estimated 65 MPGe rating in the city and an estimated driving range of up to 380 miles – a benchmark for hydrogen fuel SUVs.¹ NEXO Limited offers larger wheels, more amenities and an estimated driving range of up to 354 miles.¹

Refueling takes about five minutes or less,² making NEXO as practical as it is efficient – no need to plan your evenings around lengthy EV charging times. Without the noise of a gas engine, the five-passenger NEXO is remarkably quiet, too. Press the accelerator pedal, and it responds with a hushed whoosh and the powerful thrust of 291 lb-ft of torque.

It's this sort of forward thinking that's given Hyundai such a loyal following. According to the annual Brand Keys survey, Hyundai has ranked #1 in customer loyalty for the past 13 consecutive years.³

¹2023 NEXO Blue: 65 City/58 Hwy/61 Combined MPGe and 380-mile driving range. 2023 NEXO Limited: 59 City/54 Hwy/57 Combined MPGe and 354-mile driving range. MPGe is the EPA-equivalent of gasoline fuel efficiency for electric mode operation. Use for comparison purposes only. Mileage may vary depending on driving conditions, driving habits, vehicle condition, the age/condition of the lithium ion battery and other factors. Driving range estimate based on fuel tank capacity and EPA-estimated combined MPGe rating. ²Fueling time will vary based on ambient temperature, hydrogen fueling pressure, current fill level and other factors. ³Based on Brand Keys 2010, 2011, 2012, 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020, 2021 and 2022 Customer Loyalty Engagement Index®. ⁴Standard and available safety features vary by trim level. ⁵Lane Following Assist (LFA), when actively engaged with Smart Cruise Control, can help keep your vehicle centered in its lane when the lane markings are clearly visible on the road. LFA will not work under all circumstances and will not prevent loss of control. LFA is a supplemental assist and does not replace the need for extreme care and attention by the driver. See Owner's Manual for details and limitations. ⁶Blind-Spot View Monitor (BVM) assists the driver in changing lanes by providing a live view of the blind spots on either side of the vehicle, and an audible alert if another vehicle is detected. Turn signal must be activated and other system limitations apply. Do not rely exclusively on the BVM. It is the driver's responsibility to be aware of the surroundings and ensure it is clear before changing lanes or directions. See Owner's Manual for details and limitations. ⁷2022 TOP SAFETY PICK+ for 2022 ELANTRA/ELANTRA Hybrid, SONATA/SONATA Hybrid, VENUE and SANTA CRUZ. 2022 TOP SAFETY PICK+ for 2022 IONIQ 5 (built after December 2021), NEXO, PALISADE, TUCSON/TUCSON Hybrid and SANTA FE/SANTA FE Hybrid (built after July 2021). ⁸To qualify for 2022 TOP SAFETY PICK+, a vehicle must earn good ratings in the driver-side small overlap front, passenger-side small overlap front, moderate overlap front, side, roof strength and head restraint tests. It also must earn an advanced or superior rating for vehicle-to-vehicle and vehicle-to-pedestrian front crash prevention and come with standard acceptable- or good-rated headlights. For details visit www.iihs.org.

¹The hands-free smart liftgate will open when your Proximity Key is within 3 feet of the detection area for at least 3 seconds. Radio transmitters and other vehicle smart keys may interfere with normal operation. See Owner's Manual for details and limitations. ²Remote Smart Parking Assist can autonomously help park the vehicle. However, several factors can reduce the performance of this feature. Remote Smart Parking Assist may not function correctly if one or more of the parking sensors is damaged, dirty or covered, or if weather conditions (heavy rain, snow or fog) interfere with sensor operation. Always inspect the parking area with your own eyes. See Owner's Manual for details and limitations.

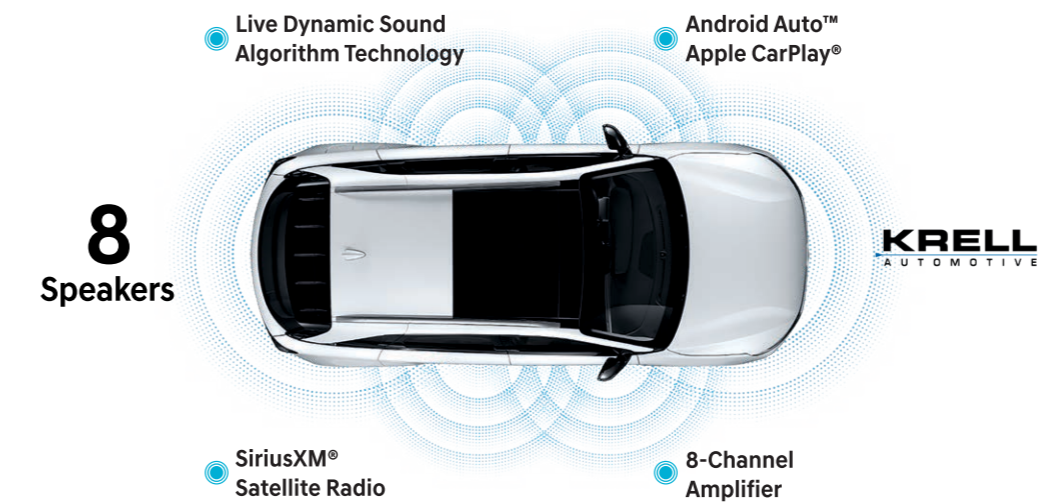

NEXO Limited in Meteor Blue Bio-Based H-Tex™

So spacious, there's room for luxury.

Inside traditional electric vehicles, you and your passengers could be competing for foot and leg room with bulky battery packs under the floor. But NEXO isn't battery powered, so the passenger cabin saves more space for extra front and rear legroom. Behind the 60/40 split fold-flat 2nd-row seats, there's plenty of space to load your belongings – and stow them out of sight, thanks to a standard cargo cover. Accessing all of that space is easy, too, thanks to an available hands-free smart liftgate.¹

The spacious NEXO even leaves room for the luxuries you deserve. The 8-way power driver seat with power lumbar support and 8-way power front passenger seat are both heated. NEXO Limited adds ventilated front seats to help keep you cool, and a huge 12.3" touchscreen audio/navigation display that controls its 440-Watt Krell® premium audio system. Complete with an 8-channel amplifier, an 8" subwoofer and Live Dynamic sound algorithm technology, you'll hear your favorite music with a fullness that is typically lost on today's compressed digital music files.

NEXO Limited's innovation continues even after you exit your vehicle. Push a button on your Smart Key, and a Remote Smart Parking Assist feature magically parks your NEXO in a parallel or perpendicular space.² And it can do so with the driver inside or outside of the vehicle. You can also use Smart Key controls to remotely move your NEXO backward and forward.

Hyundai Bluelink: Your link to the future.

Hyundai's Bluelink® connected car technologies transform your NEXO into an extension of your highly connected life.¹ It starts with Bluelink Connected Care. Complimentary for your first 3 years of ownership, it offers exceptional peace of mind with 24/7 access to Enhanced Roadside Assistance, SOS Emergency Assistance,² Monthly Vehicle Health Reports, and much more.

If you're like most Hyundai owners, the Bluelink feature you'll use the most is Remote Access. Using the MyHyundai app on your smartphone or smartwatch, you can remotely start your NEXO and activate its climate controls, lock/unlock the doors or locate your vehicle in a crowded parking lot.³

Even before entering your vehicle, the Bluelink Guidance package lets you use your smartphone to search, download and send addresses and points of interest (including the location of nearby hydrogen fueling stations) directly to your NEXO's navigation system.⁴

Of course, Bluelink is just one of the ways that NEXO makes life easier. With Apple CarPlay® and Android Auto,⁵ NEXO connects to your smartphone and displays familiar icons, apps, playlists and content on its wide 12.3" touchscreen display.⁵ A wireless charging pad ensures your compatible smartphone stays charged as you power through the day.⁶

Bluelink

Automatic Emergency Assistance

Bluelink Connected Care offers 24/7 SOS Emergency Assistance as well as Automatic Collision Notification that calls for help if you're in an accident where airbags deploy.²

On-Demand Diagnostics

Run vehicle diagnostics from your MyHyundai mobile app, report issues at the press of a button and receive maintenance reminders or Monthly Vehicle Health Reports by email.

Destination Send-to-Car

Use your smartphone to find restaurants or points of interest, then send the destination to your NEXO's navigation system for driving directions before you slip behind the wheel.

Remote Vehicle Controls

Use your smartphone, home assistant or wearable device to remotely start your NEXO, unlock the doors, set the cabin temperature, and more.

Hyundai Car Finder

Our Car Finder smartphone app feature helps you find your way back to your NEXO after a day of downtown shopping or an evening spent rooting for your favorite team.

Enhanced Roadside Assistance

Take the guesswork out of calling for help. Bluelink can give your exact location to a Roadside Assistance associate. See HyundaiUSA.com for program details.

¹ Bluelink Connected Care, Remote, and Guidance packages are complimentary for the first three years of ownership and require an active Bluelink subscription agreement subject to the Connected Services Terms and Conditions. Three-year term starts from the new vehicle date-of-first-use, is available for new vehicle purchases and leases, and is transferable to subsequent owners subject to the Terms and Conditions. Only use Bluelink and corresponding devices when safe to do so. Cellular and GPS coverage is required. Features, specifications and fees are subject to change. For more on details and limitations, visit HyundaiUSA.com or your Hyundai dealer. ² Bluelink agents will contact existing emergency service responders. ³ Requires active Bluelink subscription and Remote package. ⁴ Requires active Bluelink subscription and Guidance package. ⁵ Apple CarPlay™ is a registered trademark of Apple Inc. Android Auto™ is compatible with Android™ phones running Android 5.0 or higher. Android Auto may not be available on all devices and is not available in all countries or regions. Additional apps may be required. Android and Android Auto are trademarks of Google LLC. ⁶ Qi wireless charging function is based on smartphone compatibility and/or specific accessory cases. ⁷ MPGe is the EPA-equivalent measure of gasoline fuel efficiency for electric mode operation. Use for comparison only. Mileage may vary with driving conditions, driving habits, the vehicle's condition, the age/condition of the lithium ion battery, and other factors. Driving range estimate based on fuel tank capacity and EPA-estimated combined MPGe rating.

Hyundai Hope On Wheels®

Helping Kids Fight Cancer Since 1998

Hope comes standard on every Hyundai.

Each time we sell a Hyundai, a portion goes to Hyundai Hope On Wheels® to help find a cure for childhood cancer. Over the last 24 years, Hyundai Hope On Wheels has donated more than \$200 million. Hope is our greatest feature. And it comes standard on every Hyundai. For more information, we invite you to visit HyundaiHopeOnWheels.org.

Hyundai Complimentary Maintenance

Complimentary maintenance includes Hyundai-approved oil and oil filter change (except for electric vehicles and fuel cell electric vehicles) plus tire rotation at normal factory-scheduled maintenance intervals for 3 years or 36,000 miles, whichever comes first. More frequent maintenance due to severe driving or conditions excluded. Offer valid only for new 2020-2023 Hyundai models purchased or leased on or after February 1, 2020. See your Hyundai dealer for further details and limitations.

Owner Assurance

Our commitment to Hyundai owners does not end with the transfer of keys. Wherever the road takes you, we have got your back with Hyundai Owner Assurance – an umbrella of services and benefits that includes America's Best Warranty, 24/7 Roadside Assistance, innovative safety and car care features...and more.

See dealer for LIMITED WARRANTY details. Fuel economy estimated by EPA for comparison only. Mileage may vary. While the information contained in this brochure was correct at the time of printing, specifications and equipment can change.
