

JEEP COMPASS 2007
ACCESSORIES

GENUINE JEEP ACCESSORIES **Jeep**

Overseas model shown.

SHOWN ON FRONT COVER:

All dressed up, with everywhere to go.

Formalities aside, you won't find any wrinkles in the seamless fit and finish of the Black-Tie Package.

[A] Chrome Mirror Covers | Reflect your personal sense of style with these bright Chrome Mirror Covers.

[B] Chrome Tail Lamp Guards | Make a stylish impact around town while helping to protect your vehicle's tail lamps.

[C] Chrome Fuel Filler Door | Add a bright complement to your vehicle's good looks.

[D] Door Sill Guards | Brighten up your doors with some stylish protection. Entry guards protect your door sills and are available in stainless steel with embossed Compass logo.

Also shown with:

Chrome Wheels | These premium wheels are durability tested and machined to match your vehicle's hubs for a smooth ride.

Overseas model shown. Vehicle shown does not illustrate Black-Tie Package but depicts other accessories available at extra cost.

The Genuine Difference: a Jeep® original, by design. Start with something as individual as a Jeep vehicle. Then add Genuine Jeep Accessories designed and engineered to meet the strict standards expected from the official parts and accessories division of DaimlerChrysler. That's the Genuine Difference — a difference you're unlikely to find in the aftermarket. Whether you're looking to equip your Compass with premium protection, convenience, style or entertainment, the possibilities are endless with Genuine Jeep Accessories.

[A] UConnect Hands-Free Communication | An exclusive, voice activated, hands-free, in-vehicle communication system that utilises a small control pad, microphone and speaker. It encourages safer vehicle operation and doesn't compromise driver control. UConnect allows you to dial a mobile phone through simple voice commands. In addition, UConnect mutes your radio before receiving or sending a call, allows you to store up to 32 names (four numbers per name) in the system's address book, and is flexible enough for an entire family (up to five phones can be linked to the system). UConnect includes Bluetooth technology that enables a mobile phone to connect to your vehicle without wires or a docking station. This leading-

edge technology will allow you to store a mobile phone anywhere within the vehicle. UConnect is simple to use - what you need is a Bluetooth Hands-Free Profile mobile phone from your mobile carrier.¹

[B] Premium Radio | Featuring 66 watts of power, generous AM/FM presets, six-disc CD player and MP3 compatibility.

[C] Rear Park Assist System² | Uses sound waves to help detect nearby obstacles and helps you manoeuvre in reverse at low speeds. An audible warning helps to alert you to the proximity of most larger, stationary objects that might be outside your line of sight.

[D] Navus™ Dash-Mounted Navigation System | Adds premium GPS technology to your vehicle. Features include: touch-screen controls and point-of-interest data, turn-by-turn directional prompts, trip information, automatic re-routing, voice instructions and much more.

[E] iPod® Interface Module | This FM-bounded system allows you to play your iPod® music files through your vehicle's audio system and maintain your music selection through your iPod® control button.

¹ You can retain your current wireless carrier and wireless phone number (and one bill) as long as your wireless phone employs Bluetooth Hands-Free Profile version 1.0 or higher.

² Always check entire surroundings before reversing.

GENUINE JEEP. ACCESSORIES

JEEP COMPASS | JEEP.COM.AU

[A] Hood Cover | We've got you covered when it comes to protecting the front of your vehicle's bonnet. Available in black vinyl with foss-backing to help protect your vehicle's finish.

[B] Slimline Weather Shields | Helping you to remain dry when you partially open your side windows in inclement weather conditions. Side Window Deflectors come in sets of four only. **Sunroof Air Deflector** | Enjoy your sunroof without the air buffeting. Both air deflectors are constructed of tinted acrylic.

[C] Roof-Mount Bike Carriers ^{™ ^} | Let's roll. Bike carriers feature extra-large rubber inserts to help protect bike surfaces. **Fork-Mount** style carries one bike securely by the front fork and rear wheel. The **Upright** style carries one bike locked by the frame with both wheels secured. Designed for use with Sport Utility Bars (sold separately).

[D] Roof-Mount Ski and Snowboard Carrier ^{™ ^} | It's never an uphill battle with a carrier that holds up to six pairs of standard skis or four standard snowboards, or a combination of the two. Carrier features corrosion-resistant lock covers and either-side opening for easy loading and unloading and mounts to Sport Utility Bars (sold separately). **Moulded Splash Guards** | Help protect your Compass from damage caused by gravel and road debris. **Black Tail Lamp Guards** | Make a stylish impact around town while gaining protection for your vehicle's tail lamps. **18-Inch Chrome Wheel** | Put a new spin on style, with a long-lasting shine to polish it off. These premium chrome wheels are machined to match your vehicle's hubs for a true and balanced ride.

[E] Premium Carpet Floor Mats | Thick enough that you'll want to go barefoot. Durable enough to take a pounding from the elements. And colour matched to your vehicle's interior for a strong, integrated appearance. **Bright Pedal Kit** | The machined metal adds plenty of bold brightwork to your footwell to enhance your stylish interior. Rubber inserts on pedal provide plenty of contrast and positive traction.

[F] Cargo Area Dog Mat ^{™ ^} | Keep Fido comfortable while reducing dirt, drool and other messy situations you might encounter. Mat removes easily for cleaning.

[G] Cargo Tote ^{™ ^} | Organisation makes a stand with this handy storage bin that can be divided into four compartments. Tote also collapses for easy storage and includes side handles and bottom corner grips to prevent sliding.

[H] Tent Kit | Experience the great outdoors inside your Compass. Tent attaches to the rear of your Compass to maximise storage and sleeping space, and stands alone if detached from your vehicle.

[I] Roof Box Cargo Carrier [™] | Now you can increase the cargo capacity of your Compass to keep up with your active lifestyle. Sport Utility bars required (sold separately). **Sport Utility Bars** | Built of heavy-duty Silver anodised aluminium, with T-slots allowing for quick carrier installation. Bars attach to the Production Roof Rack Side Rails and accommodate our Carrier Accessories. Only available as a set of two.

[J] Water Sports Carrier ^{™ ^} | Set sail for your favourite river or lake. Carrier transports most standard kayaks, sailboards or surfboards with flat or curved hulls, and includes latching nylon straps and slip resistant pads. Mounts to Sport Utility Bars (sold separately).

[K] Floor Convenience Net ^{™ ^} | This sturdy, black nylon net is custom designed to fit the cargo area of your Compass. Removes easily when extra storage space is needed and is designed to fasten to tie-down loops to help keep loose items secure.

- [J] kayak not included.
- [K] groceries not included.

THE GENUINE DIFFERENCE

A passion for uncompromising performance and quality is the essence of the Genuine Difference, and it's forged into the parts and accessories we make. Genuine Jeep Accessories are original equipment, which means that the Jeep Accessories in this catalogue are designed by Jeep engineers — the people who know your Compass better than anyone else.

Our product is a result of uncompromising standards. You'll recognise the difference in the tighter tolerances required of original equipment accessories. You'll see it in our materials, which provide a superior finish and an exact vehicle colour match, as well as in the integrated fit that comes from utilising the same computer modelling technology that was used to design your vehicle.

Our process is an adherence to stricter testing. You'll appreciate the difference in our rigorous evaluations, from demanding salt bath corrosion tests and impact performance tests to harsh on and off-road durability testing. And you'll discover that all Genuine Jeep Accessories are designed so they will not adversely affect your vehicle's original performance specifications, such as engine cooling and proper air bag deployment — a common problem with many aftermarket accessories.

Our promise is demonstrated in our superior warranty coverage. When installed on a Jeep Compass that's within the New Vehicle Limited Warranty period, Genuine Jeep Accessories are covered by the unexpired balance of the 3-year/100,000 kilometre New Vehicle Limited Warranty, or a 12-month/20,000 kilometre Basic Limited Warranty, whichever is more favourable to you. And these warranties are serviced by authorised Jeep dealerships in Australia.

Whether you're looking to enhance your Jeep Compass with premium protection, convenience, style or entertainment, choose the Genuine Difference. Just like our accessories, it's a statement — and a standard of excellence — you'll benefit from for years to come.

IMPORTANT CUSTOMER INFORMATION: The information contained in this brochure was correct at the time of printing, February 2007. However, DaimlerChrysler Australia/Pacific Pty. Ltd. ("DCAuP") (ACN 004 411 410) reserves the right to discontinue or modify any accessory or equipment or the design or specification of any accessory or equipment at any time without notice to meet any requirement of a manufacturing, marketing or commercial nature which it may deem appropriate. Furthermore, the appearance of accessories shown may vary depending on vehicle application or printing processes. To confirm current availability, designs, specifications, colours and prices, or to obtain full details and a copy of the limited Warranties, consult your nearest authorised Jeep dealer.
