

TOYOTA

2023 Corolla

Fun is just around the corner.

The stylish 2023 Corolla and efficient 2023 Corolla Hybrid are a sharp turn toward the future. With a sleek design, the latest tech and standard Toyota Safety Sense™ 3.0,[1] the 2023 Toyota Corolla lineup is ready to create something unforgettable.

EXTERIOR

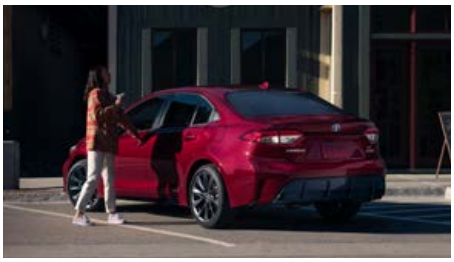

Don’t show off. Show up.

Corolla’s sporty design speaks for itself. At first glance, its athletic sport mesh grille grabs your attention. And from the side, available 18-in. alloy wheels with graphite-colored finish complement the sleek lines of its profile. You might not be someone to show off, but with Corolla, you’ll always show up.

XSE shown in Celestite.

18-in. graphite-colored alloy wheels

The available 18-in. graphite-colored alloy wheels[2] add to its unapologetic profile. Every stoplight is a chance to turn heads. Every spoke on the wheels is crafted to enhance style.

Dark gray metallic sport accents

With an available dark gray metallic rear spoiler, diffuser and side rocker panels, you’ll make a strong impression wherever you pull up.

Aggressive sporty front fascia

Highlighted by an available sport mesh grille, Corolla’s low, wide and aggressive stance stands out for all the right reasons. Its refreshed look will make all eyes linger on you during your commute.

See numbered footnotes in Disclosures section.

PERFORMANCE

Discover the fun in every mile.

Corolla's low platform is purposefully designed to give it a responsive and energetic drive, while a lightweight body helps optimize efficiency. Under the hood, Corolla's 2.0L Dynamic Force Engine with 169 horsepower — with Dynamic-Shift CVT and available paddle shifters — wakes up your senses every time you step on the accelerator. Saying Corolla is "fun to drive" is an understatement.

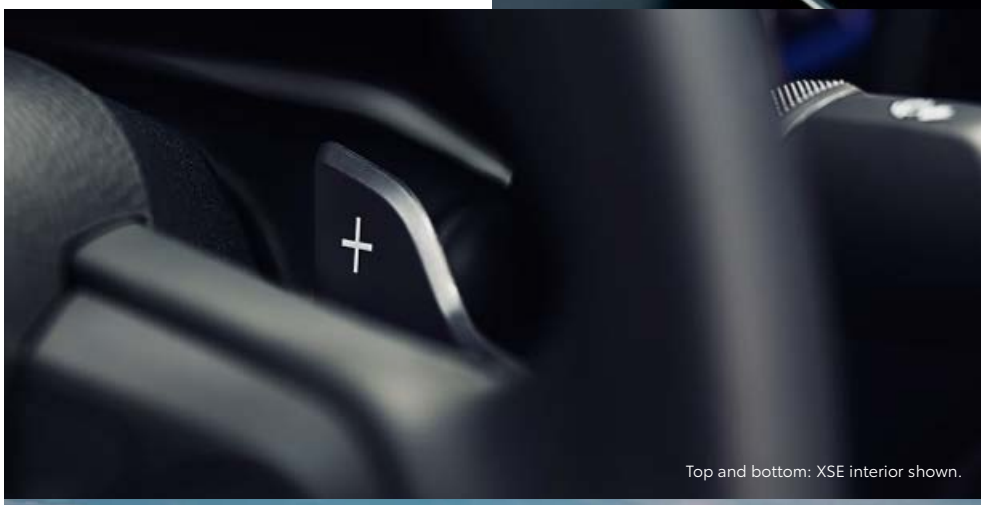

Drive Modes

Three distinct available drive modes give you even more control, just by a press of a button. Sport Mode indulges your spirited side with a sharper acceleration feel, while Eco Mode adjusts throttle input to help maximize your efficiency. Normal Mode blends fuel economy with performance.

Available paddle shifters

Corolla's available steering wheel-mounted paddle shifters let you shift gears without letting go of the wheel. A light touch on either lever gives you lightning-fast gear changes for a more engaged drive.

Top and bottom: XSE interior shown.

2.0L Dynamic Force Engine

Corolla's efficient, 2.0L Dynamic Force Engine produces 169 horsepower and is paired with a Dynamic-Shift CVT, which combines the immediate response of a traditional fixed first gear with the efficiency of a Continuously Variable Transmission (CVT).

LE shown in Wind Chill Pearl.[34]

See numbered footnotes in Disclosures section.

INTERIOR

Fun for all five senses.

Inside, Corolla's 60/40 split fold-down rear seat lets you create the right amount of space you need for wherever you're headed. Behind the vents, an available advanced climate control system cools down and heats up Corolla, while its available moonroof opens up the cabin. Corolla's interior is modern, sleek and makes a great first impression.

Hybrid SE AWD interior shown in Moonstone fabric.

Corolla interior styling

The stylish details continue inside with Corolla's driver-focused cockpit that flaunts available sport seats and red-accent stitching.

Spacious interior and SofTex®-trimmed sport seats

Corolla's interior features seats and controls positioned to increase visibility for a more exciting drive. Available sport seats with SofTex®-trimmed[3] bolsters and fabric inserts work together to make you feel comfortable and in control behind the wheel.

XSE interior shown in Black SofTex®[3] trim.

See numbered footnotes in Disclosures section.

Hybrid SE Infrared Edition shown in Ice Cap.

COROLLA HYBRID

Efficiency meets style.

Corolla Hybrid has all the efficiencies of a hybrid with the same sleek look and refined interior as its gas counterpart. Along with advanced tech, like an 8-in. touchscreen display with wireless Apple CarPlay®[4] compatibility or Android Auto™[6] integration, its intelligent hybrid drivetrain gives you more reasons to take the long way home. Corolla Hybrid lets you go farther in everything you do.

Hybrid SE AWD shown in Ruby Flare Pearl.[34]

COROLLA HYBRID

Bring confidence along for the ride.

Feel Corolla Hybrid's impressive performance with every twist and turn. Its optimal weight distribution and handling paired with innovative available AWD makes it a dynamic duo for a smooth drive. Kick it up a notch in this fun ride with 138 horsepower, you'll get power hungry in no time.

Available AWD

The power of an intelligent grip. Corolla Hybrid's available Electronic On-Demand All-Wheel Drive (AWD) provides all-weather capability and confident on-road driving dynamics. The system uses a dedicated electric drive motor to automatically supply power to the rear wheels for instant improvement in traction.

Technology that keeps up with you.

Take advantage of smart and convenient technologies designed to simplify your everyday life. Trial periods are available on select models for the listed connected services. Subscriptions required after trial.*,[8] 4G network dependent.

Toyota App

With active applicable Connected Services[8] subscriptions, the Toyota app[50] allows you to stay connected to your Corolla wherever you go. Available for Apple®[51] and Android™[16] devices.

- ✓ Available Remote Vehicle Start[50] and Lock/Unlock Doors
- ✓ Check Up on Your Toyota's Health
- ✓ Schedule a Service Appointment
- ✓ Shop for Genuine Toyota Parts and Accessories
- ✓ Make a Payment With Your TFS Account

Safety Connect®

Round-the-clock help when the unexpected happens.[9]

- ✓ Emergency Assistance Button (SOS)
- ✓ Enhanced Roadside Assistance[10]
- ✓ Automatic Collision Notification
- ✓ Stolen Vehicle Locator[52]

Service Connect

Being proactive to help keep your vehicle in peak condition.[11]

- ✓ Vehicle Health Report
- ✓ Vehicle Maintenance Alert
- ✓ Maintenance Reminder

Wi-Fi Connect

Turn your Toyota into a hotspot with 4G connectivity.[13]

- ✓ AT&T Hotspot
- ✓ Integrated Streaming
  - Apple Music[15] (separate subscription required)
  - Amazon Music[18] (separate subscription required)

Drive Connect

Navigation solutions that use the latest maps, voice commands and live agent assistance.[14]

- ✓ Cloud Navigation
- ✓ Destination Assist[53]
- ✓ Intelligent Assistant

Remote Connect

Manage your vehicle through the Toyota app, including Remote Start and much more.[12]

- ✓ Available Remote Vehicle Start
- ✓ Available Unlock/Lock
- ✓ Remote Notifications
- ✓ Guest Driver
- ✓ Smartwatch Compatibility[54]
- ✓ Google Assistant™-Enabled[17] Device Capability

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Hybrid-Related Component Coverage: Hybrid-related components, including the battery control module, hybrid control module and inverter with converter, are covered for 8 years/100,000 miles. Refer to applicable *Warranty and Maintenance Guide* for details.

Hybrid Battery: HV battery is covered for 10 years or 150,000 miles, whichever comes first. Warranty coverage is subject to terms and conditions. Refer to applicable *Warranty and Maintenance Guide* for details.

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable *Warranty and Maintenance Guide* for details.

Accessories: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable *Warranty and Maintenance Guide* or see your Toyota dealer.

See numbered footnotes in Disclosures section.

DISCLOSURES

1. Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for additional limitations and details. **2.** Performance tires are expected to experience greater tire wear than conventional tires. Tire life may be less than 24,000 miles, depending upon driving conditions. **3.** SofTex® is a registered trademark of Toyota Motor Sales, U.S.A., Inc. **4.** Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay® functionality requires a compatible iPhone® connected wirelessly to the vehicle. Apple CarPlay® is a registered trademark of Apple Inc. **5.** iPhone® is a registered trademark of Apple Inc. All rights reserved. **6.** Android™ and Android Auto™ are trademarks of Google LLC. To wirelessly use Android Auto™ on your car display, you need a compatible Android™ smartphone with an active data plan. You can check which smartphones are compatible at g.co/androidauto/requirements. **7.** EPA-estimated 53 city/46 hwy/50 combined mpg rating for 2023 Corolla Hybrid LE and Hybrid XLE; EPA-estimated 51 city/44 hwy/48 combined mpg rating for 2023 Corolla Hybrid LE AWD; EPA-estimated 50 city/43 hwy/47 combined mpg rating for 2023 Corolla Hybrid SE; EPA-estimated 47 city/41 hwy/44 combined mpg rating for 2023 Corolla Hybrid SE AWD. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. **8.** Connected Services depend on factors outside Toyota's control, including an operative telematics device, a cellular connection, GPS signal and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Service may vary by vehicle and region. Apps and services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data usage and charges may apply. See usage precautions and service limitations in *Owner's Manual* and https://www.toyota.com/connected-services/ for additional limitations and details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit https://www.toyota.com/privacyvts/. All trials begin on the original date of purchase or lease of a new vehicle, with the exception of Wi-Fi for which the trial begins at the time of activation. Paid subscription required after trial in order to continue accessing the respective services. Terms of Use apply. **9.** Safety Connect® depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Automatic Collision Notification activates only in limited circumstances. Requires app download/registration and subscription after trial (if applicable). Service subject to change at any time without notice. Terms of Use apply. Service may vary by vehicle and region. See usage precautions and service limitations in *Owner's Manual* and at toyota.com/connected-services for additional details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit https://www.toyota.com/privacyvts/. The Safety Connect® trial period (if applicable) is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial to access the service. **10.** Requires adequate cellular coverage and GPS signal strength. May not work in all areas. Service may vary by vehicle and region. See Toyota Dealer for details and exclusions. **11.** Information provided is based on the last time data was collected from the vehicle and is not real-time data. Service Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Service may vary by vehicle and region. Requires app download/registration and subscription after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. See usage precautions and service limitations in *Owner's Manual* and at toyota.com/connected-services for additional details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit https://www.toyota.com/privacyvts/. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Service Connect is not renewable as a stand-alone service and requires a subscription to any of Safety Connect®, Remote Connect or Drive Connect upon trial expiration. **12.** Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Remote Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Digital Key also requires *Bluetooth*® connectivity. Service may vary by vehicle and region. Requires app download and registration/subscription after trial (if applicable). Terms of Use apply. Data charges may apply. Remote start/stop not available on manual transmission-equipped vehicles. Services subject to change at any time without notice. See usage precautions and service limitations in Toyota *Owner's Manual* and at https://www.toyota.com/connected-services/ for additional details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit https://www.toyota.com/privacyvts/. The Remote Connect trial period (if applicable) is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial to access the service. Terms of Use apply. **13.** Eligible vehicle and wireless service required. Wi-Fi Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Wi-Fi Connect coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to att.com/toyota for terms and conditions. Data usage and charges apply. Up to 5 devices can be supported using in-vehicle connectivity. Apps and services subject to change at any time without notice. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB data use or the 1-month trial period ends. Subscription required after trial. Integrated Streaming requires separate subscriptions to third-party provider services. Terms of Use apply. **14.** Drive Connect availability and accuracy depend on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Services not available in every city or roadway. Services subject to change at any time without notice. Requires app download/registration and subscription required after trial (if applicable). Terms of Use apply. See *Owner's Manual* and https://www.toyota.com/connected-services/ for additional limitations and details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit https://www.toyota.com/privacyvts/. The Drive Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial (if applicable) to access the service. Terms of Use apply. Cloud Navigation and Intelligent Assistant require a trial or subscription to Drive Connect. **15.** Apple Music and the Apple logo are trademarks of Apple Inc., registered in the U.S. and other countries. Requires Wi-Fi Connect subscription after trial (if applicable) and your own Apple Music account. **16.** Android is a trademark of Google LLC. **17.** Google is a trademark of Google LLC. **18.** Amazon Music, and all related marks are trademarks of Amazon Technologies, Inc. or its affiliates. **19.** Trial length and service availability may vary by model, model year or trim. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. **Service subject to the SiriusXM Customer Agreement and Privacy Policy; visit www.siriusxm.com to see complete terms and how to cancel which includes calling 1-866-635-2349.** Some services and features are subject to device capabilities and location availability. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. **20.** SiriusXM trial length and service availability may vary by model, model year or trim. **21.** JBL® is a registered trademark of Harman International Industries, Inc. **22.** The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian, a bicycle, or a motorcyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and weather, light and road conditions. See *Owner's Manual* for additional limitations and details. **23.** Proactive Driving Assist (PDA) is designed to detect certain objects or curves in the road and provide gentle braking and/or steering support. PDA is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of detected objects and weather, light and road conditions. See *Owner's Manual* for additional limitations and details. **24.** Full-Speed Range Dynamic Radar Cruise Control (DRCC) is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. See *Owner's Manual* for additional limitations and details. **25.** Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **26.** Automatic High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See *Owner's Manual* for additional limitations and details. **27.** The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See *Owner's Manual* for additional limitations and details. **28.** Do not rely exclusively on Road Sign Assist (RSA). RSA is a driver support system that utilizes the vehicle's forward-facing camera and navigation system (when data is available) to recognize certain road signs and provide information to the driver via the multi-information display and/or Head-Up Display. Effectiveness is dependent on road, weather, vehicle and sign conditions. Use common sense when using RSA and do not drive distracted. See *Owner's Manual* for additional limitations and details. **29.** EPA-estimated 32 city/41 hwy/35 combined mpg rating for 2023 Corolla LE; EPA-estimated 31 city/40 hwy/34 combined mpg rating for 2023 Corolla SE and XSE; EPA-estimated 53 city/46 hwy/50 combined mpg rating for 2023 Corolla Hybrid LE and Hybrid XLE; EPA-estimated 51 city/44 hwy/48 combined mpg rating for 2023 Corolla Hybrid LE AWD; EPA-estimated 50 city/43 hwy/47 combined mpg rating for 2023 Corolla Hybrid SE; EPA-estimated 47 city/41 hwy/44 combined mpg rating for 2023 Corolla Hybrid SE AWD. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. **30.** Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See *Owner's Manual* for additional limitations and details. **31.** Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See *Owner's Manual* for additional limitations and details. **32.** Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See *Owner's Manual* for additional limitations and details. **33.** Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system, avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns. **34.** Extra-cost color. **35.** Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print). **36.** The backup camera does not provide a comprehensive view of the rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit

effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. **37.** The *Bluetooth*® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc., and any use of such marks by Toyota is under license. A compatible *Bluetooth*®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. **38.** The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See *Owner's Manual* for additional limitations and details. **39.** Rated for 12 volts/10 amps. See *Owner's Manual* for additional limitations and details. **40.** May not be compatible with all mobile phones, MP3/WMA players and like models. **41.** When the system is on, Electric Parking Brake is designed to engage the Parking Brake under limited conditions. It may not hold the vehicle under all conditions. See *Owner's Manual* for additional limitations and details. **42.** Whiplash-Injury-Lessening front seats can help reduce the severity of whiplash injury in certain rear-end collisions. **43.** The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a Smart Key fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Toyota dealer can help or go to www.aloa.org to find a qualified locksmith in your area who can perform high-security key service. **44.** Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. **45.** Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. **46.** Vehicle Dynamics Integrated Management (VDIM) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VDIM will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. **47.** Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. **48.** Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See *Owner's Manual* for additional limitations and details. **49.** Smart Stop Technology® operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology® is not a substitute for safe and attentive driving and does not guarantee instant stopping. See *Owner's Manual* for additional limitations and details. **50.** Toyota app requires an active Remote Connect trial or subscription. **51.** Apple and the Apple logo are trademarks of Apple Inc., registered in the U.S. and other countries. **52.** Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Customer Experience Center at 1-800-331-4331. **53.** Destination Assist depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Use common sense when relying on this information. Service may vary by vehicle and region. Registration required. Subscription required after trial. Services subject to change at any time without notice. Terms of Use apply. Data charges may apply. See *Owner's Manual* and toyota.com/connected-services for additional limitations and details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit https://www.toyota.com/privacyvts/. The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. **54.** Not all smartwatches are compatible with Remote Connect: Samsung Gear, Fitbit, Garmin are not compatible. **55.** This floor mat/floor liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat/liner must be secured with its fasteners. Do not install a floor mat/floor liner on top of an existing floor mat/floor liner. **56.** HomeLink® and the HomeLink® house icon are registered trademarks of Gentex Corporation. **57.** Do not overload your vehicle. See *Owner's Manual* for weight limits and restrictions. **58.** Amazon, Alexa and all related marks are trademarks of Amazon.com, Inc. or its affiliates. Certain functions require adequate signal strength and/or smartphone technology/connectivity. Not all Amazon Alexa functionality is available for in-vehicle use. See applicable app for details. Download of the Toyota app and Toyota+Alexa app are both required to begin in-vehicle use of Alexa. Data charges may apply for certain functions. Apps and services subject to change at any time without notice. To learn more, go to https://www.toyota.com/audio-multimedia. To learn more about Toyota's data collection, use, sharing and retention practices, please visit https://www.toyota.com/privacyvts/.

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.

Mobility

For Toyota Mobility program details, go to www.toyota.com/mobility or call the Toyota Brand Engagement Center at 1-800-331-4331
