The specifications and major features listed herein are accurate as at the date of printing (April 2013/13YM). However, Honda Australia Pty. Ltd. reserves the right to change or modify specifications and major features at any time without prior notice. Due to ordering, shipping and freight factors, some colour, model, option and accessory availabilities may vary from time to time. Check with your Honda Dealer for current information. Automatic transmission available for an extra cost on Civic Hatch VTi-S. Only Genuine Honda Accessories are made to fit Honda vehicles. The fuel consumption figures quoted in this brochure are based on ADR81/02 test results. You may experience different results depending on driving conditions and the condition of the vehicle. Honda warranties apply where due care is exercised by the owner and the vehicle is maintained in accordance with the vehicle's owners manual. Please refer to Honda's warranty documentation for exclusions and conditions. Honda Australia Pty. Ltd. recommends careful examination of all official Honda warranty documentation before purchasing. This brochure is printed on HannoArt, a paper that is certified carbon neutral by the Carbon Reduction Institute (CRI) from seedling to printer. Made with totally chlorine free (TCF) pulp which has been sourced from managed plantations forests. HannoArt is manufactured under the world's best practice ISO 14001 Environmental Management System. The pulp used is Process Chlorine Free and is manufactured by an ISO 14001 certified mill. Civic Hatch VTi-L shown in Yellow Topaz on cover. HOD0101

The Honda Civic Hatch.

A cleverly engineered mix of style
and practicality designed to leave the
heart singing and the head, nodding.

That's the power of clever thinking.

You can't please everyone...
or can you?

It's not often in life that the head and the heart are in total agreement; it takes a unique combination to please both. A combination cleverly engineered to perfection in the Civic Hatch.

It's got style that makes the heart beat faster with practicality the head can, well, get its head around.

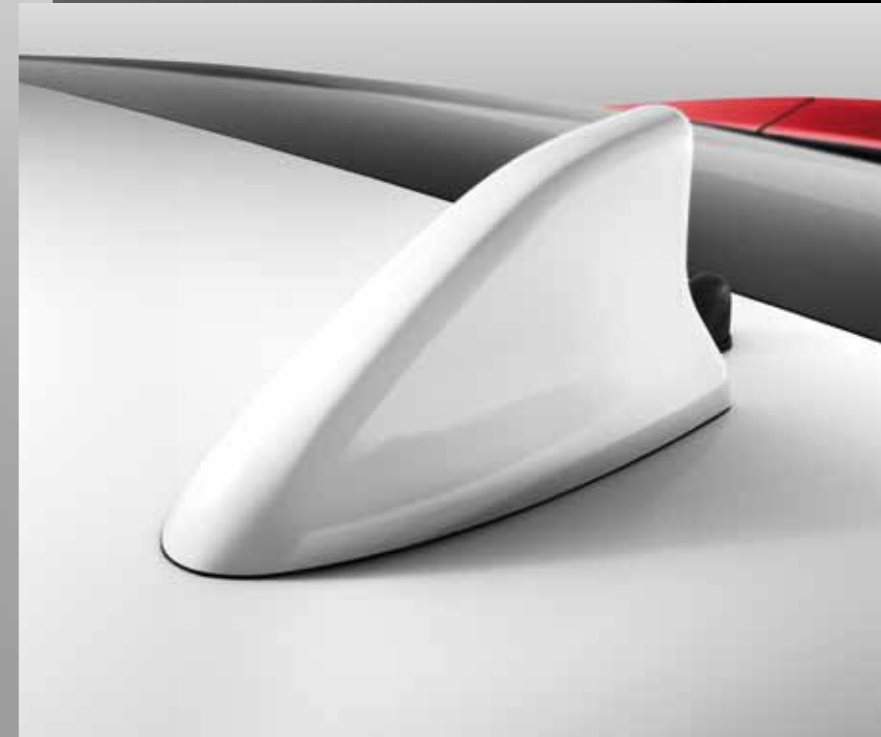

Ruthlessly efficient, it combines coupe-like styling and real road-presence with a luxuriously smooth ride and sporty handling.

It's remarkably quiet, too, with high-tech touches reducing noise intrusion to offer an inviting interior with class-leading versatility.

And with a reassuringly long list of safety features, it also comes with a 5-star ANCAP safety rating.

In fact, every part of the Honda Civic Hatch is engineered to strike just the right balance between the beautiful and the practical, the exciting and the economical, the fresh and the functional.

BRAINS OR BEAUTY? WHY NOT HAVE BOTH...

When you explore the Honda Civic Hatch's features, you get the feeling that form not only follows function, but actively gives it a hand.

Take the sleek, stylish exterior – it's not just a pretty face; those curves actually make the Civic Hatch incredibly fuel efficient. Streamlined wing mirrors, a shark-fin antenna and beautifully sculpted LED tail lights optimise airflow, creating unrivalled smoothness and stability while at the same time contributing to the striking visual impact of the Civic Hatch.

Its beautiful shape is accentuated by distinctive Daytime Running Lights, stylish alloy wheels and the cleverly hidden rear door handles that lend this highly functional 5-door hatch the feel of an especially spritely 3-door. (A low, wide stance only furthers the styling subterfuge.)

The result is a clever convergence of style and function that makes the Civic Hatch a smarter, more stylish way to drive.

As any Honda designer will tell you, quality is sensed as much as it's seen. And from the moment you sink into the spacious cockpit of the Civic Hatch, nothing is more obvious.

There are quality materials throughout the intelligently crafted interior – like soft touch surfaces and a choice of high quality fabric or leather seats⁵.

Elsewhere, details like drilled alloy sports pedals¹, blue ambient lighting² and race-inspired paddle shifters³ highlight the Civic Hatch's sporty nature. While a smooth, leather-wrapped, tilt and telescopic steering wheel allows any driver to find their perfect position.

Superior sound-proofing endows the cabin with calm and quiet, while heated front seats⁴ and automatic climate control offer comfort in every condition.

And if all this seems generous, so will the Civic Hatch's ample storage spaces, thoughtfully placed within the driver's natural line of movement.

With such a well-considered space, the Civic Hatch will make sense to each of your senses.

¹DTi-S, VTi-L and VTi-LN only. ²VTi-L and VTi-LN only. ³Automatic transmission only. ⁴VTi-LN only. ⁵Leather trim includes some non-leather on selected, high impact areas.

Visit the cockpit. Yes, the cockpit. Somehow 'cabin' just doesn't seem to do the clever combination of high-tech gadgetry and supreme comfort, justice.

It's a space that's built around the driver. The interior wraps around you, with a dual-zone dash layout that puts essential driving information right in your line of sight, so you need never take your eyes off the road.

In the upper zone, the digital speedometer is safe and easy to read.

While the lower zone adds an ambient touch of class with a back-lit, three ring instrument cluster.

To the left, a full colour intelligent-Multi Information Display (i-MID) reports trip statistics, like average fuel consumption and speed, distance to empty and time elapsed.

*Not all devices are compatible and functionality may vary.
*Wallpaper functionality not available in the VTi-LN.

It can also provide access to your phonebook, call history and music library, including song titles, artists and album art, when available.

You can even upload a favourite photo as a wallpaper background*. And switching between all these screens is effortless, thanks to intuitive steering wheel-mounted controls.

So the only thing left to focus on is the pure pleasure of the drive.

VTi-LN model shown.

Magic Seats.

60:40 split fold

Utility Mode

Tall Mode

In one simple motion, Honda's innovative Magic Seats flip up or fold down, locking easily into place. They also split 60:40 to create a multitude of flexible space.

The three main configurations can accommodate just about any item. Long Mode is perfect for larger cargo like bookcases, Tall Mode for objects that need to stand straight, like pot plants, and with the rear seats folding completely flat, Utility Mode can even accommodate two adult bikes.

So when it's time for an adventure and you want to leave it all behind, you can still take everything with you.

6-speaker audio system

A fully integrated multimedia system including AM/FM tuner, MP3 compatible CD player, USB port, auxiliary input and Bluetooth® audio streaming* lets you hear your music the way you like.

MP3 connectivity

Browse and select music on your iPod® or other compatible MP3 device using the steering wheel-mounted controls and, if it's available, information such as song title, artist and even album art will appear on the full-colour i-MID screen.

Bluetooth® phone and audio²

Keep your hands free while talking on your mobile, or wirelessly streaming music.

Climate control

Automatic climate control is standard in the VTi-S, so simply set the desired cabin temperature and the Civic Hatch will do the rest. Or upgrade to the VTi-L, VTi-LN or DTi-S for dual-zone climate control that's independently adjustable.

Reversing camera

Every model has a reversing camera as standard, giving you the confidence to park in even the most challenging spot.

Heated seats

The leather-appointed, heated front seats in the VTi-LN offer an extra touch of comfort and luxury with a choice of two individual temperature settings for driver and passenger.

Coming home/leaving home headlights

The Civic's headlights will stay on for 15 seconds after you lock the car, and light up when you unlock it so you can quickly and safely find your way to or from your car.

Heated/folding mirrors

The Civic Hatch features heated wing mirrors as standard, to dry off morning dew and frost. Selected grades¹ also let you use the key fob to remotely retract the mirrors and close the windows.

Auto wipers and headlights²

For greater convenience, rain-sensing wipers and dusk-sensing headlights simply make sense.

Alloy sports pedals²

Drilled alloy foot pedals enhance the Civic Hatch's sporty feel even further.

Touchscreen display

The VTi-LN is fitted with a 6.1" touchscreen audio unit with DVD playback; reverse camera functionality and satellite navigation system with easy-to-follow graphics, over a million Points of Interest and the convenience of SUNA live traffic updates*. So you'll always know the best route to take.

Smart keyless entry and start¹

As long as the key fob is with you, the Civic Hatch will sense your approach and unlock the doors as soon as you touch the front handles or boot hatch. Once inside, the engine starts with just a push of a button.

¹VTi-L and VTi-LN only. ²DTi-S, VTi-L and VTi-LN only. *The Bluetooth word mark is owned by Bluetooth SIG, Inc. and use of such mark by Honda is under licence. Please check the list of compatible phones at honda.com.au/Bluetooth ³iPod is a trademark of Apple Inc. iPod is integrated through a vehicle's audio system display and controls for iPods from 5th Generation onwards and all iPod Nanos. Older iPod models will operate only through the audio system when controlled via the iPod device itself, and firmware updates (if available) may be required to achieve compatibility with the vehicle's audio system display and steering wheel mounted audio controls (where applicable). Please refer to your iPod User Guide for information on iPod firmware updates. ⁴Leather seat trim includes non-leather on selected, high impact surfaces. ⁵DVD player operates only while vehicle is stationary. ⁶SUNA is a registered trademark of Intelematics Pty. Ltd. Coverage includes Melbourne, Sydney, Brisbane, Gold Coast, Adelaide, Perth and Canberra metropolitan areas. Refer to www.sunatrafic.com.au for full details.

The Civic Hatch... combining the power you want with the fuel economy you need.

The Civic Hatch has a completely re-designed suspension system at its core. Up front, MacPherson struts and electric power-assisted steering provide precision responses for a truly sporty drive.

It's a smooth ride, too. With a rear torsion beam that features fluid-filled compliance bushings to more effectively absorb shock and vibrations over bumps.

Body structure

The noise levels inside the Civic Hatch have been carefully controlled to enhance the smooth ride. This is achieved via the use of high strength steel in the body structure, a full-length bumper-to-bumper under-tray and noise absorbing panels in the rear wheel arches.

The DTi-S takes things up a notch with Honda's Active Noise Cancellation (ANC) system. Using a series of microphones and speakers, it detects and then cancels out unwanted noise by transmitting the opposite frequency within the cabin.

All so you can enjoy the conversation and music, rather than the sounds of the outside world.

Engine

Honda's i-VTEC engine and new i-DTEC engine were designed to deliver strong fuel economy, exhilarating performance and cleaner emissions.

The 1.8 litre i-VTEC petrol engine benefits from Honda's variable valve timing system, an innovation that optimises fuel economy at low revs and increases power at high revs. Enabling the engine to deliver 104kW at 6500rpm while only consuming 6.4L/100km*, so you can enjoy the power you'd expect of a 2.0 litre engine with efficiency more like a 1.6 litre.

The new 1.6 litre i-DTEC turbocharged diesel engine has 88kW of power and a punchy 300Nm of torque. It's also one of the most fuel-efficient engines on the market, giving you an incredibly economical 4.0 litres per 100km*.

Transmission

Selected grades¹ come with a smooth, 6-speed manual with optimal shift prompts for more fuel efficient gear changes. All petrol grades offer a 5-speed automatic transmission using Grade Logic Control (a unique system that eliminates 'gear hunting' on inclines by controlling the gear range on gradients) and steering wheel-mounted paddle shifters.

Eco Assist

Honda's Eco Assist works as a visual coaching system, changing the colour of your speedometer to help you drive more efficiently. When you brake or accelerate heavily, the speedometer will glow blue. Drive in a smooth, controlled way and the display glows an encouraging green.

ECON Mode

At the touch of a button, ECON Mode adjusts engine behaviour, transmission and air conditioning to maximise economy.

¹Available with VTi-S and DTi-S only.

*The fuel consumption figure is based on ADR81/02 combined test results for the Civic Hatch VTi-S manual transmission.

*The fuel consumption figure is based on ADR81/02 combined test results for the Civic Hatch DTi-S manual transmission.

At Honda, dreams may be ambitious, but they're always firmly rooted in reality.

Introducing Earth Dreams Technology – a new generation of engines and transmissions, designed to maximise economy and enhance driving performance.

The all-new 1.6 litre i-DTEC diesel engine found in the Civic Hatch DTi-S is the first engine from this ground-breaking new series to be launched in Australia.

Here's a little on what makes the 1.6 litre i-DTEC engine so special:

Light diesel engine

A light, compact design with reduced mechanical friction helps improve fuel efficiency and engine response, making this Civic Hatch quicker, sportier and more enjoyable to drive.

New transmission system

The i-DTEC engine is mated to a compact and lightweight, 6-speed manual transmission for ultimate efficiency.

Clever turbocharger

The turbocharger provides an optimal combination of low to mid-range pull and high speed performance.

Efficient fuel injection system

The fuel injection system results in a cleaner and more efficient combustion, helping to achieve lower emissions and better fuel economy.

Auto-stop technology

In optimum conditions, auto-stop technology automatically switches off the engine when you come to a standstill, at traffic lights for example. It re-starts automatically when you depress the clutch, saving fuel and reducing emissions.

"THE KEY FOCUS OF OUR EARTH DREAMS TECHNOLOGY PHILOSOPHY IS TO BALANCE ENVIRONMENTAL EFFICIENCY WITH THE DYNAMIC PERFORMANCE EXPECTED OF A HONDA."

Suehiro Hasshi, Large Project Leader for all Civic models in Europe.

HONDA IS COMMITTED TO DESIGNING EVERY MODEL WITH EXCEPTIONAL SAFETY FEATURES. WE EVEN BUILT THE WORLD'S LARGEST OMNI-DIRECTIONAL CRASH FACILITY TO TEST OUR CARS EVEN MORE THOROUGHLY

Reversing camera

Every model has a reversing camera as standard, so you'll feel just as safe going backwards as you do going forwards.

Emergency Stop Signal (ESS)

If an emergency situation forces you to brake heavily, drivers behind you need as much warning as possible. ESS does just that, automatically flashing the hazard lights in the event of hard braking to reduce the chance of a rear-end collision.

Vehicle Stability Assist (VSA) with Traction Control

This technology helps keep the Civic Hatch on course in adverse driving conditions by detecting, then mitigating, potential understeer or oversteer. When necessary, VSA automatically reduces engine power and manages brake pressure to individual wheels to help regain control.

Tyre Deflation Warning System

This clever technology detects a decrease in tyre pressure and alerts you to potential punctures.

ABS, EBD and Brake Assist

When emergency braking is detected, Brake Assist (BA) applies maximum braking pressure, activating the ABS system. ABS helps stop the wheels locking under heavy braking, allowing you to maintain steering control whilst EBD works to maintain the directional stability of all four wheels.

Motion Adaptive Electric Power Steering (MAEPS)

When VSA is activated, Motion Adaptive Electric Power Steering automatically adjusts steering pressure, making it easier to steer in the stabilising direction.

Daytime Running Lights

LED Daytime Running Lights don't just look great, they provide increased car visibility too.

Rigid body shell

The Civic Hatch is constructed using Honda's famous G-Con technology, which includes use of high tensile steel forged with a hot stamping method to increase material strength and maintain light weight.

Whiplash mitigating front head restraints

With specific spring range settings in both the seatback and bottom cushions, the Civic Hatch's front seats are designed to lessen the severity of neck injuries in case of a rear impact.

Airbags

The clever Honda i-SRS driver airbag system inflates at different rates depending on crash severity, seat belt usage and a host of other factors to keep you safe behind the wheel. Dual front, side and full-length curtain airbags are standard.

Adjustable speed limiter

This system easily lets you set a top speed (above 30 km/h) using steering wheel-mounted controls. It works by cutting off acceleration above your set limit. And if for some reason you do need a bit more brawn, a simple override feature allows you to go quicker, quickly.

Advanced Compatibility Engineering (ACE)

The Civic Hatch has been designed with an innovative body structure, engineered to absorb and deflect the force of a frontal collision away from the passenger compartment, improving the safety of every occupant.

Hill Start Assist

Hill Start Assist prevents 'roll back' when starting on an incline. The system controls brake pressure, keeping the car stationary for a moment after you release the brake pedal.

Pedestrian protection

Research has proven that sophisticated protection features, like windscreen wiper pivots that break away on impact and energy absorbing front wing mounts, dramatically improve a pedestrian's chance of survival if struck. So naturally they come standard on the Civic Hatch.

With its 5-star ANCAP safety rating, the highest possible assessment, the Civic Hatch is one of the safest drives on the market.

Select your
model and colour.

VTi-S

The Civic Hatch VTi-S comes standard with:

- 1.8 litre i-VTEC petrol engine
- 6-speed manual or 5-speed automatic*
- 16-inch alloy wheels
- Electrically adjustable and heated door mirrors
- Halogen headlights
- LED Daytime Running Lights (DRLs)
- Mirror-mounted LED turn indicators
- Automatic climate control
- Cruise control
- Eco Assist and ECON Mode
- Fabric seat trim
- Intelligent-Multi Information Display (i-MID)
- Leather-wrapped gear shift knob
- Leather-wrapped steering wheel
- Magic Seats
- Reversing camera
- Six speakers
- AM/FM radio with MP3 compatible CD player
- Auxiliary jack and USB connectivity
- Bluetooth® phone and audio connectivity*
- 5-star ANCAP safety rating
- SRS airbags: dual front, side and full-length curtain
- Advanced Compatibility Engineering (ACE) structure
- Anti-lock Braking System (ABS)
- Electronic Brake-force Distribution (EBD)
- Hill Start Assist
- Motion Adaptive Electric Power Steering (MAEPS)
- Tyre Deflation Warning System (DWS)
- Vehicle Stability Assist (VSA) with Traction Control System (TCS)
- Security alarm and immobiliser
- Whiplash mitigating front head restraints

DTi-S

Additional features over the VTi-S:

- 1.6 litre i-DTEC turbo diesel engine with auto-stop mode
- 6-speed manual transmission only
- 17-inch alloy wheels
- Dusk-sensing automatic headlights
- Front fog lights
- Rain-sensing automatic front wipers
- Active Noise Cancellation (ANC)
- Drilled alloy sports pedals
- Dual-zone climate control
- Rear seat centre armrest with 2 cup holders

VTi-L

Additional features over the VTi-S:

- 5-speed automatic transmission only
- 17-inch alloy wheels
- Dusk-sensing automatic headlights
- Electrically retractable door mirrors
- Front fog lights
- Privacy glass
- Rain-sensing automatic front wipers
- Auto dimming rear view mirror
- Blue ambient lighting (front doors)
- Drilled alloy sports pedals
- Driver and front passenger lumbar support
- Dual-zone climate control
- Rear seat centre armrest with 2 cup holders
- Smart entry and push start button

VTi-LN

Additional features over the VTi-L:

- Leather-appointed seat trim*
- Heated front seats
- 6.1" touchscreen with audio display, rear-view monitor, satellite navigation system, SUNA live traffic updates† and DVD player‡

Crystal Black Pearlescent[§]

Polished Metal Metallic[¶]

Alabaster Silver Metallic[¶]

 ‡Leather trim includes some non-leather on selected, high impact areas.
 §SUNA is a registered trademark of Intelematics Pty. Ltd. Coverage includes Melbourne, Sydney, Brisbane, Gold Coast, Adelaide, Perth and Canberra metropolitan areas. Refer to www.sunatrafic.com.au for full details.
 †DVD player only operates while vehicle is stationary.
 ¶Metallic and Pearlescent paint additional cost.
 †Not available with DTi-S.

Civic Hatch DTi-S shown in White Orchid Pearlescent.

WHETHER YOU'RE
LOOKING FOR A LITTLE
MORE LUXURY OR WANT
TO MAKE THE MOST
OF THE CIVIC HATCH'S
SPORTY SIDE, THERE
ARE A HOST OF GENUINE
HONDA ACCESSORIES
THAT WILL DELIVER THE
DESIRED EFFECT.

Sports Pack

Make your new Civic Hatch even more uniquely yours with the Sports Pack. Designed to complement and accentuate the Civic Hatch's already sleek, athletic design, you can choose the complete kit or mix and match to create your own personal combination.

- Sports Pack**
- Front under spoiler
 - Rear under spoiler*
 - Side skirt set
 - Tailgate spoiler – roof
 - Fuel lid garnish

▼ Clockwise below

- Fog lights (available for VTi-S)
- Tailgate spoiler – roof
- Sports shift gear knob (manual only – available for VTi-S and DTi-S)
- Accent lighting
- 17-inch 'Radium' alloy wheels
- Up-size for VTi-S (tyres sold separately)

▲ Civic Hatch VTi-S shown in White Orchid Pearllescent fitted with Sports Pack, 17-inch 'Radium' alloy wheels and fog lights.

See your Honda Dealer for advice regarding Genuine Honda Accessories. Pictured accessories are all sold separately. All Genuine Honda Accessories installed at the time of retail sale of a new motor vehicle are covered by Honda's 3-year/100,000km Warranty. If installed after retail sale, they are covered for the remainder of the warranty or a minimum of 12 months – whichever is greater – provided that the accessory is fitted only to the vehicle for which it was intended by Honda Motor Co.

*Rear under spoiler is not compatible with tow bar kit.

And being genuine, you know they'll fit perfectly and perform flawlessly. For more information, contact your local Dealer or visit honda.com.au/civichatch

You're never alone in a Honda.

Buy a Civic Hatch and you'll be amazed at how well you'll be looked after.

The care starts with a 3-year/100,000km warranty and 6-year rust perforation warranty.*

You'll also have access to HondaONE, an exclusive website that gives you up-to-date service history, vehicle records, maintenance tips and service reminders.

Plus Honda have a range of benefits that ensure your Civic Hatch is as pleasurable to own as it is to drive.

Dedicated Honda Care

Servicing your Civic Hatch at a local Honda Dealership will ensure you protect your investment and maximise its outstanding resale value. Dedicated Honda Care provides access to specialist diagnostic equipment and Honda Genuine Parts. There's also the advantage of factory-trained technicians with unparalleled knowledge of Honda products.

Honda Warranty Plus†

Purchase Honda Warranty Plus and your Civic Hatch will be protected with no claim limits and no cost for labour and parts for 5 years or 140,000km (inclusive of New Vehicle Warranty). You'll also be entitled to 5-year Premium Roadside Assist. Visit honda.com.au/warranty for more information.

Honda Insurance*

If you're looking for cover as reliable as your Civic Hatch you really need Honda Motor Vehicle Insurance.

You'll enjoy a range of benefits, including:

- 3-year new replacement if your Honda is a total loss.
- Genuine Honda approved parts for the first 3 years.
- Lifetime guarantee on authorised repairs.

For more information visit honda.com.au/insurance

Honda Finance

Whether you're buying a Honda for yourself or a business, Honda have a wide range of flexible finance and leasing options. So see your Honda Dealer to find a financial solution that suits you as perfectly as your Civic Hatch does. For more information visit honda.com.au/finance

Honda Merchandise

Show your true colours with genuine Honda merchandise. For everything from apparel to travel goods, visit your local Honda dealer or view the range at honda.com.au/merchandise

For more information visit honda.com.au or Freecall 1800 804 954

*Honda warranties apply where due care is exercised by the owner and the vehicle is maintained in accordance with the Owner's Warranty and Service Manual. Please visit honda.com.au/warranty for full terms and conditions. †5 year/140,000km Warranty Plus is inclusive of 3 year/100,000km New Vehicle Warranty. Please refer to Honda's Warranty documentation for conditions at honda.com.au/warranty. *Honda Insurance is underwritten by Allianz Australia Insurance Limited Licence No. 234 708, ABN 15 000 122 850 (Allianz). In arranging this insurance Honda Australia Pty Ltd ABN 66 004 759 611 and the authorised dealers act as agents of Allianz and not as your agent. In entering into a contract of insurance for this policy, you acknowledge that the Product Disclosure Statement (PDS), your Schedule and any other document which we tell you forms part of this policy (Policy Documentation), sets out the entire agreement that exists between you and Allianz in connection with this policy. You also acknowledge that you have not relied on any prior representations which are not expressly included in or are otherwise inconsistent with the Policy Documentation. Neither Honda nor any of its related companies have any liability in respect of this policy.
