Liberty 3.6R

do one better

The new Subaru Liberty is made to make you feel good. Your island amid a sea of chaos. Sink into super comfortable seats, switch on the ignition and begin each day with precision performance.

Sophisticated and spacious, the new Liberty is a smooth ride. Unwind while winding your way to work, with sharp cornering and responsive handling. Mute your commute in a quiet and comfortable cabin, or turn up the volume with Apple CarPlay™ and Android Auto™ connectivity¹.

The new Liberty makes you look good too. It's armed with charm, 18" alloys and updated Euro styling.

1. Compatible Apple or Android device required.

Liberty 2.5i

do the smart sedan

Getting to work won't feel like work, with Subaru's much envied world-class engineering, incredible handling and intuitive technology.

Enjoy superb grip, supreme confidence and another pair of eyes on the road with Subaru's cutting edge EyeSight® Driver Assist technology, which includes Lane Keep Assist. Add a reverse camera and power folding mirrors and you've got one smart sedan.

The Subaru Liberty 2.5i is the sedan for modern living. Everything is easy. A large touchscreen, seamless connectivity, extra charging ports in the back and dual zone climate control.

Stay ahead of the curve with Symmetrical All-Wheel Drive, rain-sensing windscreen wipers and LED daytime running lights. Smarter, classier, better.

why Liberty?

Symmetrical force of power

Our All-Wheel Drive philosophy

Greater balance and control. That's the confidence you get from our unique Symmetrical All-Wheel Drive System, which delivers the drive distribution to all four wheels, all the time. Every Subaru Liberty has an innate sense of balance from the ground up, thanks to a near perfect symmetrical layout.

Boxing clever

Our famous Subaru Boxer engine

While most engines stand vertically, ours lay flat. The famous Subaru Boxer engine delivers handling like no other engine can. Sitting horizontally in the engine bay, it moves like a boxer's fists with a punch and counterpunch action. Lightweight, low and flat, it makes for perfect balance and a much lower centre of gravity. It creates less noise and vibration too. All of this means better on-road handling for you. More stability. More performance. More fun. And a more confident drive.

DataDotDNA®

Every Subaru is fitted with advanced engine immobilisers and the DataDotDNA®¹ Theft Deterrent System. Microscopic dots are laser-etched with each vehicle's unique Vehicle Identification Number – making it a less attractive target for thieves.

Three Year Rebate on Theft Insurance Excess

DataDot Technology (Australia) Pty Ltd will pay your theft insurance excess² (up to a maximum of \$800 including GST) should your new Subaru be stolen and not recovered within 45 days despite the presence of DataDotDNA® and warning labels.

Finest safety

5 star ANCAP safety across the range

With spirit, quality and imagination comes some serious safety innovation. We want every Subaru to be amongst the safest cars on the road. Engineered full of cutting-edge technologies and the most intelligent design features. It's not a Subaru unless it carries the maximum 5 star ANCAP³ safety rating.

Eyes in the back of your head

Rear view reverse camera

Manoeuvring back into a tight side street? Family driveway littered with toys? Reverse with confidence, thanks to our rear view reverse camera technology. The rear view reverse camera is like having eyes in the back of your head. This greatly improves your visibility and reduces the risk of bumps and scrapes. A rear view reverse camera is standard on every Liberty variant.

Efficiency without compromise

Auto Stop Start

We're constantly thinking of ways to help the environment and become more fuel-efficient. That's why we developed Auto Stop Start technology. It saves fuel by immediately cutting the engine when you don't need it, like when you're idling or stopped in heavy traffic. The moment you're ready to move again, the engine restarts in a fraction of a second. Our Auto Stop Start technology is standard on Liberty 2.5i and 2.5i Premium variants.

1. DataDotDNA® is a theft deterrent not a theft prevention mechanism. 2. Vehicles must be registered, comprehensively insured and less than 3 years old. DTA must receive a claim within 45 days of the theft. Terms and conditions apply. 3. The Australasian New Car Assessment Program (ANCAP) gives consumers consistent information on the level of occupant protection provided by vehicles in serious front and side crashes.

Yet another world first

Lineartronic™ CVT

Pushing innovation beyond the bounds, we introduced an automatic transmission called Lineartronic™ CVT (Continuously Variable Transmission). And it's the reason our automatic models drive so smooth. It's the world's first longitudinally mounted system for AWD vehicles. Unlike a conventional automatic transmission – which uses fixed gear ratios – our Lineartronic™ CVT provides infinite variability between the highest and lowest available ratios. So you now experience a smoothness that also optimises the efficiency of the vehicle. For even more excitement, switch to manual mode for greater control to suit your driving style. Lineartronic™ CVT is standard on all Liberty variants.

Intelligently driven

Subaru Intelligent Drive

Heading to the shops? Taking on the Great Ocean Road? Each situation deserves a distinctive driving mode, so we crafted Subaru Intelligent Drive (SI-Drive) technology, available on all Liberty variants, to do just that. Switch from smart, to sporty to even sportier. Intelligent (I) mode – perfect for everyday driving, Sport (S) mode – for enhanced acceleration and all-round sporty performance and on the Liberty 3.6R, Sport Sharp (S#) mode – for a truly thrilling drive.

We're looking out for you

EyeSight® Driver Assist

We were the first car company to exclusively use stereo camera technology to detect objects in our vehicles path. A sign of our future-thinking and our commitment to quality, technology and safety, EyeSight® Driver Assist is like your second pair of eyes, spotting potentially dangerous situations. If EyeSight®

detects certain hazards that might be of danger, it warns you audibly, urging you to take action and brake. EyeSight® is standard on all Liberty variants and now includes a new Lane Keep Assist feature as part of its suite of technologies.

Clever thinking

Vision Assist

Imagine if your wing mirrors could alert you when there's something in your blind spot. Or if your high beams could automatically switch to low beam, when approaching oncoming traffic at night. We made all this happen - and more - with Subaru's Vision Assist.

Our suite of proactive safety technologies including Adaptive Driving Beam, Blind Spot Monitor, Front View Monitor, Lane Change Assist, Rear Cross Traffic Alert and Side View Monitor are always at work to help you feel safer on the road. Subaru's Vision Assist technologies are standard on the Subaru Liberty 2.5i Premium and 3.6R.

welcome to the family

There are cars that simply get you from A to B, and then there are cars that empower you. Buying a Subaru is like embracing life with both hands and knowing that nothing is going to stop you. When you buy a new Subaru you

my SUBARU are welcomed into an owner's program that gives you access to a number of benefits.

Subaru New Car Warranty – 5 Year/Unlimited Kilometres

Every new Subaru purchased on or after 1st January 2019 is covered by a 5 Year/Unlimited Kilometre manufacturer's national warranty. Visit subaru.com.au/warranty or ask your Subaru Retailer for more information.

Subaru Capped Price Servicing

With our 5 Year/125,000 Kilometre Capped Price Servicing Program¹, you'll now know the maximum amount you will have to pay for your next scheduled service during the Program period. You'll also have peace of mind knowing that specialist Subaru

technicians will be looking after your pride and joy using only Genuine Subaru Parts.

DataDotDNA[®]

Every Subaru is fitted with advanced engine immobilisers and the DataDotDNA^{®2} Theft Deterrent System. Microscopic dots are laser-etched with each vehicle's unique Vehicle Identification Number – making it a less attractive target for thieves.

Three Year Rebate on Theft Insurance Excess

DataDot Technology (Australia) Pty Ltd will pay your theft insurance excess³ (up to a maximum of \$800 including GST) should your new Subaru be stolen and not recovered within 45 days despite the presence of DataDotDNA[®] and warning labels.

1-Month Health Check and Chat

The 1-Month Health Check and Chat is a free consultation within the first month after delivery

of your new Subaru. It allows our Subaru-trained technicians to provide quick vehicle checks, and one of our Service Advisors will answer any of your questions to help ensure an ongoing, worry-free experience.

Subaru's Map Updates

If your new Subaru is fitted with a factory line fit navigation unit, your unit will be covered by Subaru's Map Update Program⁴ – guaranteeing you'll have access to the latest maps for the first 3 years of ownership.

My Subaru – online owner's destination

The My Subaru owner's portal is an online destination for owners which provides access to exclusive benefits, tailored content, your vehicle's ownership history and much more. Login to My Subaru, the online destination for Subaru owners that will help you get more out of your vehicle, and more out of your life.

1. Every eligible Model Year 2018 onward Subaru Liberty comes with Subaru's 5 Year/125,000 Km Capped Price Servicing Program. Available at participating Subaru retailers only and does not apply to rental and some other classes of vehicles. For full Capped Price Servicing Terms and Conditions visit www.subaru.com.au/service/pricing/capped-price-servicing. 2. DataDotDNA[®] is a theft deterrent not a theft prevention mechanism. 3. Vehicles must be registered, comprehensively insured and less than 3 years old. DTA must receive a claim within 45 days of the theft. Terms and conditions apply. 4. Subaru's Map Update Program is available on 2018 Subaru Liberty models purchased from 21st February 2018 onwards with the factory line fit Gen3 navigation unit. Subaru's Map Update Program is not available on accessory fit or dealer sourced navigation units. Subaru Australia reserves the right to add and remove eligible vehicles at its discretion. For full terms and conditions of the Subaru Map Update Program visit www.subaru.com.au/owner-experience/benefits/subaru-map-update-program. 3 Year Map Update Guarantee subject to the vehicle having its scheduled services performed at an authorised Subaru Service Centre during the program period.

live life without limits

Subaru Roadside Assistance

Enjoy 12 months of Australia-wide, standard Roadside Assistance when you purchase your new Subaru. In the unfortunate situation where you need that extra helping hand, our Roadside Assistance will help¹ with arranging a tow, battery service, flat tyre service, fuel delivery and lockout service.

Subaru Certified Collision Repairer Network

With a dedicated Certified Collision Repairer² helpline available on 1800 737 179, help is never far away. Available 24-hours a day, 7 days a week, help will always be available when you need it most. Subaru Certified Collision Repairers guarantee that trained specialists will repair your Subaru to strict factory specifications using Subaru Genuine Parts.

Genuine Accessories

Genuine Subaru Accessories are designed to enhance your vehicle, are factory approved by Subaru and are protected by the Genuine Subaru Accessories Warranty.
