5 YEAR UNLIMITED KM WARRANTY

H HONDA

STAND OUT FROM THE CROWD.

With a sleek, coupe-like body and striking lines from every angle, the HR-V brings style to every situation – from a night on the town to a day on the open road.

Its wide stance provides a dynamic drive while its elevated driving position gives you a great view of the road ahead. And with cleverly concealed rear door handles, 18-inch alloy wheels* and a sports grille*, its distinctive looks are sure to catch the eye of passers-by.

A suite of beautifully designed LED lights take the HR-V's stylish good looks to new heights. It's adorned with LED Daytime Running Lights, auto dusk sensing headlights[^] and fog lights[^] up front, and LED tail lights for a head-turning finish. So, whenever and wherever you're going, during the day or night, the HR-V is sure to shine.

*RS only. [^]VTi-S and above.

DESIGNED AROUND YOU.

Take a seat in the HR-V and you'll notice everything is just right. From the designer dash and the versatile Magic Seats to the impressive panoramic sunroof[†], the spacious interior of the HR-V is completely designed around you – to keep you comfortable and in control no matter where you go.

The 7-inch colour touchscreen keeps you connected, while little luxuries like stitched finishes, piano black detail and chrome accents add a touch of class to every journey. Choose the sporty RS or luxurious VTi-LX model and you'll enjoy a leather-appointed interior[‡] with plush heated front seats. When it comes to comfort, the HR-V has got everyone covered. Its rear seats accommodate even the longest of legs.

But the HR-V's real secret is its Magic Seats, which fold away to almost nothing. With three modes to choose from – tall, long and utility – you've got 18 possible configurations to accommodate everything, and everybody in your life.

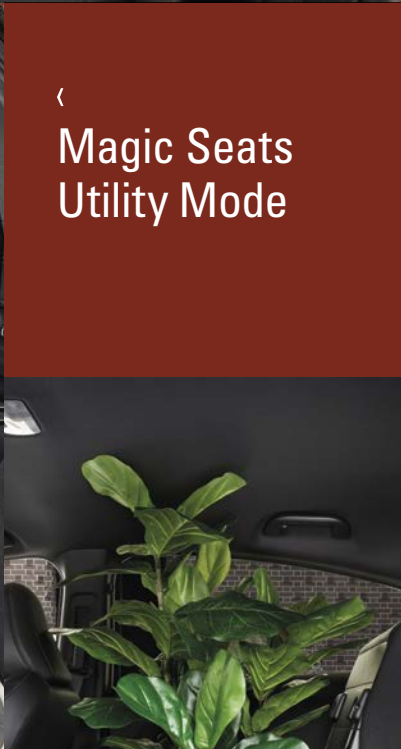

The luxurious VTi-LX puts you at the centre of the universe with an electric panoramic sunroof[†] – your own personal window to the world. While the glass is tinted to control cabin light, the roof can be tilted up or retracted as you wish – great for a weekend getaway with friends or a solo drive through the countryside.

[†]VTi-LX only. [‡]Leather-appointed interior means some parts of the seats may contain synthetic material.

BE MOVED.

Featuring technology aimed at elevating your driving experience, the HR-V will move you with its seemingly impossible balance of comfort, power, efficiency and safety.

The 7-inch touchscreen with turn-by-turn satellite navigation will ignite your sense of adventure. While the multi-angle reversing camera acts as

your intelligent guide to get you out of those tricky spots. The LaneWatch[^] side-mirror camera virtually eliminates blind spots with live video of kerb side traffic conditions. And for those who crave a more exhilarating drive, there's the RS model with variable gear ratio steering, giving a sportier more dynamic feel.

[^]VTi-S and above. RS model shown in Lunar Silver Metallic.

EARTH DREAMS TECHNOLOGY

Boasting the latest in Earth Dreams Technology, the HR-V gives you the perfect balance of performance and fuel efficiency. Plus the 1.8 litre i-VTEC petrol engine generates 105kW of power to maximise driving pleasure.

ECO ASSIST

Eco Assist is a visual training system that responds to your drive. Accelerate heavily and the outer ring of the HR-V speedometer glows white. Keep it smooth and you get the green glow of efficiency which can be as low as 6.6L/100km[~] with the VTi.

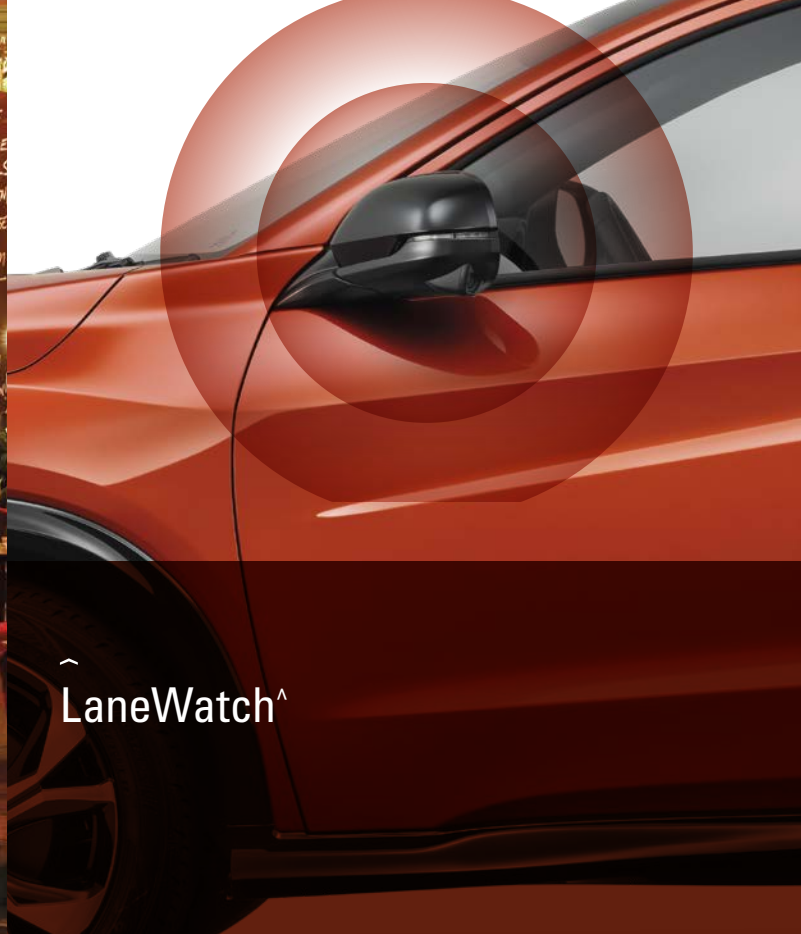

ECON MODE

At the touch of a button, ECON Mode adjusts engine behaviour, transmission and air conditioning to maximise fuel economy.

[~]Fuel consumption figure is based on ADR81/02 combined test results.

WORRY LESS. EXPERIENCE MORE.

You can't truly enjoy your ride unless your mind is at ease. That's why we've incorporated a suite of cutting-edge safety features to get you where you're going safe and sound. Like City-Brake Active*, a system that automatically applies the brakes during unavoidable accidents, minimising the impact of a collision at low speed. In addition, the VTi-LX has Honda's Advanced Driver Assist System^ that includes clever safety features such as Lane Departure Warning, Forward Collision Warning and High-Beam Support System.

CITY-BRAKE ACTIVE SYSTEM (CTBA)

Acting as a second set of eyes, a laser sensor behind the rear view mirror monitors vehicles in front of you. In the event of a potential collision you're alerted with audible and visual warnings.

If unavoidable, the system automatically applies hard braking and reduces speed – minimising the impact of a collision at low speed.

ADVANCED DRIVER ASSIST SYSTEM (ADAS)[^]

Honda's Advanced Driver Assist System is a package of clever safety features that help protect you and your passengers no matter what the situation.

LANE DEPARTURE WARNING (LDW)

Designed to help you read the road, a camera identifies lane markings and triggers an alert if you stray out of your lane without the indicator on.

FORWARD COLLISION WARNING (FCW)

By monitoring your speed and the distance of the vehicle in front, Forward Collision Warning alerts you to possible collisions when you're travelling over 15km/h.

HIGH-BEAM SUPPORT SYSTEM (HSS)

The High-Beam Support System adjusts your beams automatically as the environment changes – so you don't stun other drivers coming towards you.

*The City-Brake Active System operates when the vehicle is travelling between approximately 5-32km/h. The City-Brake Active System should not be used in place of safe driving practices. Do not rely on the City-Brake Active System to avoid possible frontal collisions. [^]Honda's Advanced Driver Assist System (ADAS) is available on VTi-LX only. ADAS should not be relied on for avoiding collisions. The driver remains responsible for safely operating the vehicle.

SELECT YOUR MODEL

VTi

The VTi comes standard with:

- 1.8 litre SOHC i-VTEC 4-cylinder engine
- 105kW @ 6500 rpm and 172Nm @ 4300rpm
- 16-inch alloy wheels
- Accessory 12V power outlet (front)
- Anti-lock Braking System (ABS)
- Black fabric seat trim
- Brake Hold function
- City-Brake Assist System (CTBA)
- Continuously Variable Transmission (CVT)
- Cruise control
- Customisable speed alarm
- ECON Mode
- Electric Parking Brake (EPB)
- Electrically adjustable door mirrors with integrated LED turn indicators
- Electronic Brake-force Distribution (EBD)
- Emergency Stop Signal (ESS)
- Halogen projector beam headlights
- Hill Start Assist (HSA)
- LED Daytime Running Lights (DRLs)
- LED tail lights
- Magic Seats
- Motion Adaptive Electric Power Steering (MAEPS)
- Multi-angle reversing camera
- One-touch turn signal
- Power windows with auto up/down (driver and front passenger)
- Remote key FOB windows auto down/manual up
- Single-zone automatic climate control
- Six speaker audio
- SRS airbags dual front, side and full-length curtain
- Tailgate spoiler
- Tilt and telescopic adjustable steering wheel
- Touchscreen Audio (7-inch colour touchscreen) including:
 - AM/FM radio
 - Bluetooth® phone and audio connectivity*
 - Built-in satellite navigation
 - HDMI® port
 - USB port
- Tyre Deflation Warning System (DWS)
- Vanity mirror with illumination (driver)
- Vehicle Stability Assist (VSA)

VTi-S

Additional features over the VTi:

- 17-inch alloy wheels
- Accessory 12V power outlet (rear and cargo area)
- Fog light garnish
- Front LED fog lights
- LaneWatch
- Leather-wrapped gear shift knob
- Leather-wrapped steering wheel
- LED auto headlights
- LED guide-style tail lights
- Rear parking sensors
- Roof rails
- Smart entry with push button start
- Vanity mirror with illumination (driver and passenger)

RS

Additional features over the VTi-S:

- 18-inch alloy wheels
- Auto rain sensing wipers
- Black leather-appointed seat trim†
- Black mirror caps
- Black interior roof headliner
- Black chrome front grille
- Dark chrome door handles
- Dark chrome rear licence plate garnish
- Front lower honeycomb grille
- Heated front seats
- Paddle shifters
- Piano black body kit
- Privacy glass (rear)
- Reverse auto tilt mirror (passenger side)
- RS badge
- Smooth sports leather steering wheel
- Sports pedals
- Variable gear ratio (VGR) steering

VTi-LX

Additional features over the VTi-S:

- 17-inch two-tone alloy wheels
- 8-way power adjustable driver front seat
- Advanced Driver Assist System (ADAS):
 - Forward Collision Warning (FCW)
 - High-Beam Support System (HSS)
 - Lane Departure Warning (LDW)
- Auto-dimming rear view mirror
- Auto rain sensing wipers
- Black leather-appointed seat trim†
- Chrome door handles
- Dual-zone climate control
- Electronically retractable door mirrors
- Front parking sensors
- Heated front seats
- LED interior lights
- Paddle shifters
- Panoramic sunroof
- Power windows one touch auto up/down – all
- Privacy glass (rear)
- Rear centre armrest
- Remote key FOB windows auto up/down – all
- Reverse auto tilt mirror (passenger side)
- Security alarm
- Sports pedals

*Requires compatible device. The Bluetooth word mark is owned by Bluetooth SIG, Inc. and use of such mark by Honda is under licence.
 †Leather-appointed seat trim means some parts of the seats may contain synthetic material. †Available on RS only. *VTi shown in Taffeta White. Not available on RS.
