Levorg 2.0 STI Sport AWD

turbocharged luxury

Subaru's Levorg Sportswagon packs more into everyday – driving tech, luxury and legroom – with plenty of space left over. Not just a high performance model, it's designed for comfort: dual zone climate control air-con, electric lumbar support (on every variant except Levorg 1.6 GT AWD) and extra legroom.

A large LCD touchscreen infotainment unit keeps you entertained and connected, puts music and handsfree calls at your fingertips and pumps it through six speakers. The leather steering wheel with audio, EyeSight® and Bluetooth®¹ controls puts you well and truly in the driver's seat.

why Levorg?

Symmetrical force of power

Our All-Wheel Drive philosophy

Greater balance and control. That's the confidence you get from our unique Symmetrical All-Wheel Drive (AWD) system, which delivers the drive distribution to all four wheels, all the time. Every Subaru Levorg has an innate sense of balance from the ground up, thanks to a near perfect symmetrical layout.

Boxing clever

Our famous Subaru Boxer engine

While most engines stand vertically, ours lay flat. The famous Subaru Boxer engine helps to deliver better handling. Sitting horizontally in the engine bay, it moves like a boxer's fists with a punch and counterpunch action. Lightweight, low and flat, it makes for perfect balance and a much lower centre of gravity. It creates less noise and vibration too. All of this means better on-road handling for you. More stability. More performance. More fun. And a more confident drive.

DataDotDNA®

Every Subaru is fitted with advanced engine immobilisers and the DataDotDNA®¹ Theft Deterrent System. Microscopic dots are laser-etched with each vehicle's unique Vehicle Identification Number – making it a less attractive target for thieves.

Three Year Rebate on Theft Insurance Excess

DataDot Technology (Australia) Pty Ltd will pay your theft insurance excess² (up to a maximum of \$800 including GST) should your new Subaru be stolen in the first three years of purchase and not recovered within 45 days despite the presence of DataDotDNA®¹ and warning labels.

Finest safety

5 star ANCAP safety across the Levorg range

With spirit, quality and imagination comes some serious safety innovation. We want every Subaru Levorg to be amongst the safest cars on the road. Engineered full of cutting-edge technologies and the most intelligent design features. The Subaru Levorg carries the maximum 5 star ANCAP³ safety rating.

Eyes in the back of your head

Rear view reverse camera and smart rear view mirror

Manoeuvring back into a tight side street? Family driveway littered with toys? Reverse with confidence, thanks to our rear view reverse camera technology. The rear view reverse camera is like having eyes in the back of your head. This greatly improves your visibility and reduces the risk of bumps and scrapes. The rear view reverse camera comes standard across the Levorg range.

For those times when you are travelling with a full boot, our smart rear view mirror with built-in LCD monitor displays images from a camera

1. DataDotDNA® is a theft deterrent not a theft prevention mechanism. 2. Vehicles must be registered, comprehensively insured and less than 3 years old. DTA must receive a claim within 45 days of the theft. Terms and conditions apply. 3. The Australasian New Car Assessment Program (ANCAP) gives consumers consistent information on the level of occupant protection provided by vehicles in serious front and side crashes.

mounted at the rear of the Levorg. This means you can see the traffic behind you, even if you are carrying a full load. This clever tech is available on Levorg 1.6 GT Premium AWD, 2.0 GT-S AWD and 2.0 STI Sport AWD.

Yet another world first

Lineartronic® CVT

Pushing innovation beyond the bounds, we introduced an automatic transmission called Lineartronic® Continuously Variable Transmission (CVT). And it's the reason our automatic models drive so smooth. It's the world's first longitudinally mounted system for AWD vehicles. Unlike a conventional automatic transmission – which uses fixed gear ratios – our Lineartronic® CVT provides infinite variability between the highest and lowest available ratios. So you now experience a smoothness that also optimises the efficiency of the vehicle. For even more excitement, switch to manual mode for greater control to suit your driving style. Lineartronic® CVT is available across the Subaru Levorg range.

Intelligently driven

Subaru Intelligent Drive

Heading to the shops? Taking on the Great Ocean Road? Each situation deserves a distinctive driving mode, so we crafted Subaru Intelligent Drive (SI-Drive) technology to do just that. Switch from smart, to sporty to even sportier. Intelligent (I) mode – perfect for everyday driving, Sport (S) mode – for enhanced acceleration and all-round sporty performance

and on the Levorg 2.0 GT-S AWD and 2.0 STI Sport AWD variants, Sport Sharp (S#) mode – for a truly thrilling drive.

We're looking out for you

EyeSight® Driver Assist

We were the first car company to exclusively use stereo camera technology to detect objects in our vehicles path. A sign of our future-thinking and our commitment to quality, technology and safety, EyeSight® Driver Assist is like your second pair of eyes, spotting potentially dangerous situations. If EyeSight® detects anything that might be of danger, it warns you audibly, urging you to take action and brake. EyeSight® Driver Assist is standard across the Levorg range.

Clever thinking

Vision Assist

Imagine if your side mirrors could alert you when there's something in your blind spot. Or if your high beams could automatically switch to low beam, when approaching oncoming traffic at night. We made all this happen – and more – with Subaru's Vision Assist. Our suite of proactive safety technologies including Side View Monitor, Blind Spot Monitor, Rear Cross Traffic Alert, Lane Change Assist, High Beam Assist and Front View Monitor are always at work to help you feel safer on the road. Subaru's Vision Assist technologies are standard on the Levorg 1.6 GT Premium AWD, 2.0 GT-S AWD and 2.0 STI Sport AWD.

welcome to the family

There are cars that simply get you from A to B, and then there are cars that empower you. Buying a Subaru is like embracing life with both hands and knowing that nothing is going to stop you. When you buy a new Subaru you

are welcomed into an owner's program that gives you access to a number of benefits.

Subaru New Car Warranty – 5 Year/Unlimited Kilometres

Every new Subaru purchased on or after 1st January 2019 is covered by a 5 Year/Unlimited Kilometre manufacturer's national warranty. Visit subaru.com.au/warranty or ask your Subaru Retailer for more information.

Subaru Capped Price Servicing

With our Subaru 5 Year/125,000 Kilometre Capped Price Servicing Program¹, you'll now know the maximum amount you will have to pay for your next scheduled service during

the Program period. You'll also have peace of mind knowing that specialist Subaru technicians will be looking after your pride and joy using only Genuine Subaru Parts.

DataDotDNA®

Every Subaru is fitted with advanced engine immobilisers and the DataDotDNA^{®2} Theft Deterrent System. Microscopic dots are laser-etched with each vehicle's unique Vehicle Identification Number – making it a less attractive target for thieves.

Three Year Rebate on Theft Insurance Excess

DataDot Technology (Australia) Pty Ltd will pay your theft insurance excess³ (up to a maximum of \$800 including GST) should your new Subaru be stolen in the first three years of purchase and not recovered within 45 days despite the presence of DataDotDNA^{®2} and warning labels.

1-Month Health Check and Chat

The 1-Month Health Check and Chat is a free consultation within the first month after delivery of your new Subaru. It allows our factory-trained technicians to provide quick vehicle checks, and one of our Service Advisors will answer any of your questions to help ensure an ongoing, worry-free experience.

Subaru's Map Updates

If your new Subaru is fitted with a factory line fit navigation unit your unit will be covered by Subaru's Map Update Program⁴ – guaranteeing you'll have access to the latest maps for the first 3 years of ownership.

My Subaru – online owner's destination

The My Subaru owner's portal is an online destination for owners which provides access to exclusive benefits, tailored content, your vehicle's ownership history and much more.

1. Every eligible Model Year 2018 onward Subaru Levorg comes with Subaru's 5 Year/125,000 Km Capped Price Servicing Program. Available at participating Subaru Retailers only and does not apply to rental and some other classes of vehicles. For full Capped Price Servicing Terms and Conditions visit www.subaru.com.au/service/pricing/capped-price-servicing. 2. DataDotDNA[®] is a theft deterrent not a theft prevention mechanism. 3. Vehicles must be registered, comprehensively insured and less than 3 years old. DTA must receive a claim within 45 days of the theft. Terms and conditions apply. 4. Subaru's Map Update Program is available on MY19 Subaru Levorg variants purchased from 30th July 2018 onwards with the factory line fit Gen3.1 navigation unit. Subaru's Map Update Program is not available on accessory fit or dealer sourced navigation units. For full terms and conditions of the Subaru Map Update Program visit www.subaru.com.au/owner-experience/benefits/subaru-map-update-program.

Subaru Roadside Assistance

Enjoy 12 months of Australia-wide, standard Roadside Assistance when you purchase your new Subaru. In the unfortunate situation where you need that extra helping hand, our Roadside Assistance will help¹ with arranging a tow, battery service, flat tyre service, fuel delivery and lockout service.

Subaru Certified Collision Repairer Network

With a dedicated Subaru Certified Collision Repairer² helpline available on 1800 737 179, help is available when you need it most. Available 24-hours a day, 7 days a week, help is only a phone call away. Subaru Certified Collision Repairers guarantee that trained specialists will repair your Subaru to strict factory specifications using Genuine Subaru Parts.

Genuine Accessories

Genuine Subaru Accessories are designed to enhance your vehicle, help you get more stuff done and have more fun! Our genuine accessories are factory approved by Subaru and are protected by the Genuine Subaru Accessories Warranty. Subaru Finance

Subaru Finance³ provides a range of competitive financial solutions to approved customers. Our finance specialists will help you find a finance package to meet your needs conveniently.

Subaru Insurance

It's important to enjoy the freedom of owning a Subaru, but it's also important to protect it. A range of Subaru Insurance⁴ options provides a variety of choices, including: Subaru Comprehensive Motor Vehicle Insurance and Subaru Loan Protection Insurance.

Subaru Certified Used Cars

Every Subaru Certified Used Car has passed a 120-point quality inspection and comes with a one year unlimited kilometre Subaru Assured Warranty⁵ – to complement the balance of a new vehicle warranty or the statutory warranty that remains – from participating Subaru Certified Used Car Retailers.

1. 12 month Club Membership and Roadside Assistance Offer is standard upon activation with the relevant Motoring Club in each state.
