

Genuine Volkswagen Accessories

Because quality is always worthwhile.

Das Auto.

Uncompromising satisfaction.

Harder, stricter, further, more - the Volkswagen test procedures go beyond the standard. In terms of materials, in the laboratory and finally on the test track. Only 100 % quality products are given the Volkswagen Genuine name.

No compromises.

Motorsport Alloy Wheel

The Volkswagen genuine accessory "Motorsport" alloy wheel stands for the ultimate in sportiness, speed and driving experience. The exclusive motorsport design originates from the 24 hour race on the Nürburg ring in Germany.

Colour: Black, Wheel size: 8 J x 19"

Applicable tyre size: 235/35 R19

Part number: 1K8 071 499 A AX1

Stainless Steel Exhaust Trim

Pure dynamics for the back of your vehicle. The inclined design, high-gloss polished stainless steel and a 76mm diameter make your vehicle the epitome of the sporty look. Only available for 125TDI model.

Part number: 3C8 071 910

Boot Lip Spoiler

So little effort, such a great effect: the rear lid spoiler is easily integrated with the CC's tailgate. This results in an even sportier look and enhanced aerodynamics. The rear lid spoiler is made of a durable impact-resistant material, and can be painted to match the vehicle or customised.

Part number: 3C8 071 640 GRU

Sports Pedal Set

These non-slip pedal caps are made of brushed stainless steel and provide a true optical enhancement. The high-quality design is impressive and the anti-slip coating ensures a good grip.

Part number: 1K2 064 205 A

Chrome boot lid trim

This attractive chrome-look protective strip provides the tailgate with a luxurious finish.

In addition, it also serves as effective edge protection.

Part number: 3C8 071 360

Roof Bars

The basis for all roof attachments: the roof bars to which, for example, a surf board, bicycle, ski and snowboard carriers or the practical roof boxes can be attached with ease.

Volkswagen CC roof bar capacity: 65kg

Part number: 3C8 071 126

Kayak Holder

No bouncing, no slipping: developed especially for kayaks of up to 25 kg. This genuine kayak holder provides the ideal roof top transport solution.

Part number: 1K0 071 127 A

Surfboard Holder

Brings the surfboard safely to its destination: the rubber-coated surfboard carrier and special protective rubber covers for metal components on the tie downs provide extra protection during transport.

Part number: 000 071 120 HA

Ski and Snowboard Holder

Transport up to six pairs of skis or up to four snowboards on the roof of your vehicle, comfortably and safely. The lockable ski and snowboard holder can simply be mounted on the roof bars and is easy to operate. Also suitable for a wakeboard.

Part number: 3B0 071 129 G / 3B0 071 129 F

Bicycle Carrier

Enables you to safely transport your bicycles. The aerodynamically designed wheel rails allowing the bicycle to stand on its own. It features a quick-fastening system, is easy to fit and can be locked for peace of mind.

Part number: 6Q0 071 128 A

Fork mount bicycle carrier also available.

Part number: 7M0 071 128 D

Tow Bar

Whether you want to tow a boat, caravan or need to transport a trailer. For convenience the genuine vertical hitch tow bar offers a removable tongue and functional storage bag. Towing capacity: 1800kg braked/750kg unbraked

Part number: VGA803921P11CC12

The electrical installation kit must be ordered separately.
Part number: 3AC 055 204

Additional Interior Rear-View Mirror

A better view and a careful eye on children travelling in the rear. The additional inside rear view mirror is fixed to the windscreen or the dashboard using suction cup mounting and can be individually adjusted to view the interior, traffic or assist parking thanks to its flexible joint.

Part number: 000 072 549 A

MEDIA-IN Cables

Simply connect your desired audio source to the appropriate MEDIA-IN cable and enjoy your favourite music.

Adapter cable for Mini-USB Part number: 000 051 446 A

Adapter cable for USB Part number: 000 051 446 B

Adapter cable for iPod® Part number: 000 051 446 C

Adapter cable for 3.5-mm jack Part number: 000 051 446 D

Moulded Foam Boot Inlay

Precise protection in a light and flexible form: the anti-slip liner is designed to perfectly fit the shape of the luggage compartment and reliably protect it.

Part number: 3C5 061 160

Reversible Boot Mat

Soft and gentle velour on one side and sturdy anti-slip plastic on the other: the perfectly fitting, reversible luggage compartment mat has the right surface for all delicate, dirty or damp goods.

Part number: 3C8 061 210

Moulded Plastic Boot Tray

A perfect fit: washable, anti-slip and acid-resistant, the luggage compartment tray with CC lettering and edging 5cm high all round keeps your luggage area clean from your dirty cargo.

Part number: 3C8 061 161

Luggage Net

The luggage net is ideal for all of those odd shaped things which you prefer to have stored securely in place. It is attached to the standard lashing eyes located within the luggage space.

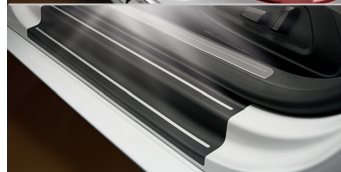

Part number: 3C5 065 110

Loading Sill Protection Film, Transparent

The perfectly fitting loading sill protection is made of transparent film and prevents damage when loading and unloading. The film is installed onto the loading sill located on the top edge of the rear bumper.

Part number: 3C8 061 197

Sill Protection

An accessory which is both sensible and functional by protecting the heavily used door sills in the front and rear entrance areas against scratches and damage.

Black film with silver highlights
(as shown in the image) Part number: 3C8 071 310

Transparent film Part number: 3C8 071 310 A

Rubber Floor Mat

The perfectly fitting rubber floor mat protects your vehicle from dirt and moisture.

Part number: 3C0 061 511 041

Rear mat only

Mud Flaps

Protect your own vehicle and the one behind you against dirt being thrown up, dangerous stone chips and water spray with these extremely sturdy and functional mud flaps.

Front (1 set = 2 pieces) Part number: 3C8 075 111 A

Rear (1 set = 2 pieces) Part number: 3C8 075 101 A

Genuine quality is always worthwhile.
Absolutely perfect fitting accuracy.
