- Rear park distance control*
- Rear view camera*

* Safety technologies are not a substitute for the driver's responsibility of the vehicle

** Fuel consumption figures according to Australian Design Rule (ADR) 81/02.

Spacious and Flexible

Caravelle's unique seating concept lets you customise the interior for up to 9 people and luggage.

The modular seat mounting system enables seats to be easily repositioned or removed. The double-folding, 3-seater bench is especially practical and can be removed to expand the luggage space in a matter of moments.

The second and third row 2-person bench seats include ISOFIX and top tether anchors for the secure fitment of child seats.

All rear seats can be removed, while the second row can be positioned on either the left or right side of the cabin depending on your preference.

Reliable, safe and cleverly thought out.

The driver's cab in the Caravelle Trendline is equipped to cope with every challenge a busy day has to offer. High-quality materials, 3-zone climate controlled air conditioning and an advanced touch-screen infotainment system ensure Caravelle stands out.

App-Connect featuring Apple CarPlay®

Caravelle is fitted with the "Composition Colour" radio system with 5-inch colour touch screen, AUX, USB and SD card inputs plus Bluetooth® with audio streaming. Upgrading to the "Composition Media" radio or "Discover Media" navigation system (shown above) provides access to Volkswagen's App-Connect system for integration with your smartphone.

Cutting-edge safety systems.

Prepared to handle almost any situation.

To ensure that every drive ends as stress-free as it begins, the Caravelle is equipped with various safety systems, which are activated in critical situations as a preventative measure. New to the onboard standard equipment is the Multi-collision Braking System. Moments after an accident, the vehicle begins a phased braking action down to 10 km/h in order to prevent secondary collisions. Should an impact nonetheless result, driver, front passenger, and for the first time as standard, side/head airbags provide optimal protection to occupants.

Airbags.

Driver, front passenger, and for the first time as standard, side/head airbags offer occupants the best possible protection in the event of head-on and side impacts.

Driver Alert System.

Uses visual and acoustic warning signals to recommend that the driver takes a break as soon as it registers driving behaviour that indicates tiredness.

Anti-lock braking system (ABS).

Prevents wheel lock and maintains manoeuvrability.

Brake assist system.

Registers the speed at which the brake pedal is pressed. During a reflexive or emergency braking action, it ensures that full brake pressure is built up more quickly.

Electronic Stabilisation Programme.

Prevent under- or over-steering via targeted braking of individual wheels.

Traction control system (TCS).

Prevents wheelspin.

Electronic differential lock (EDL).

Distributes the engine torque to the tyres without slippage.

Hill Start Assist.

Prevents the vehicle from rolling back on inclines and makes handling easier when starting up on uphill slopes.

Daytime running lights.

Switch on automatically when the ignition is activated and lower the risk of an accident in daylight.

Cruise control.

As of a speed of 30 km/h, it maintains the set speed depending on uphill and downhill inclines.

Multi-collision Braking System. Triggers braking after a collision, with the aim of preventing secondary collisions.

The Multi-collision Braking System activates when two independent sensors detect an accident. After a short delay, the vehicle begins a phased braking action down to 10 km/h, during which the driver can take over at any time.

Rear Park Distance Control. Emits audible warnings when obstacles are detected behind the vehicle when parking, and also provides a visual display of the vehicle's distance from the obstacles.

Rear View Camera (RVC). Simplifies parking by showing a limited view of the area behind the vehicle on the display of the radio or navigation system. Additional static guidelines facilitate the parking process.

General information

Owning a Volkswagen

Volkswagen New Vehicle Warranty

Every new Volkswagen vehicle is covered by a three-year unlimited kilometre manufacturer's warranty, which includes Volkswagen Assist (24-hour roadside assistance). Every new Volkswagen vehicle is also covered by a 3 year paintwork and 12-year anticorrosion perforation warranty. For further information regarding this New Vehicle Warranty, including pricing and terms and conditions, please consult your local Volkswagen dealer or visit www.volkswagen-commercial.com.au

Capped Price Servicing Every Calendar Year

The Caravelle comes with peace of mind included, with Capped Price Servicing Every Calendar Year now available at participating Volkswagen dealers. Authorised Volkswagen Service Centres have factory trained technicians equipped with the very latest diagnostic equipment, specialist tooling and Volkswagen Genuine Parts. For further information regarding Capped Price Servicing program, including pricing and terms and conditions, please consult your local Volkswagen dealer or visit www.volkswagen-commercial.com.au

Volkswagen Assist – 24-Hour Roadside Assistance

As a valued customer, you can be assured that wherever you travel within Australia, you will have access to roadside assistance, 24 hours a day, 365 days a year. This is complimentary for the duration of the vehicle's original Volkswagen warranty period. You will receive help in the event of a breakdown or accident and, if required, your vehicle will be mobilised or transported to an Authorised Volkswagen Workshop. As a Volkswagen owner you will also have access to the additional benefits of accommodation and car rental if your vehicle cannot be mobilised within 24 hours, when you are over 100km away from home.

Volkswagen Genuine Parts®

Volkswagen Genuine Parts® are designed for your vehicle and approved by Volkswagen, with particular regard to safety. The workmanship, dimensional accuracy and materials used in these parts comply with factory specifications. To ensure safety and reliability, Volkswagen recommends the use of Volkswagen Genuine Parts®. Volkswagen Authorised Dealers offer a two-year unlimited kilometre warranty on Genuine Parts from the date of purchase.

Volkswagen Financial Services

Buying, borrowing or leasing, Volkswagen Financial Services will certainly make you think differently about financing and insuring your new Volkswagen. Committed to meeting the needs of Volkswagen drivers across Australia, we offer a range of leasing, financing and insurance products, each with distinct advantages depending on your specific circumstances. We can tailor a solution to suit your individual requirements, so you can rest assured that there will be no surprises along the way. Speak to your local participating authorised Volkswagen Dealer today to put together a solution that best suits your lifestyle.

Volkswagen Choice Guaranteed Future Value[^]

Volkswagen Choice is a finance program available to approved applicants of Volkswagen Financial Services only which provides Volkswagen owners protection around your Volkswagen's future value, whilst offering a simple monthly instalment financing option. Enjoy the peace of mind of knowing the minimum value you can receive for your vehicle at the end of your contracted term. You can choose to either trade-in, return or retain your Volkswagen – it's your choice. Learn more about how to protect your investment by visiting www.vwfinancialservices.com.au today.

To find out more, go to <http://content.volkswagen-commercial.com.au/volkswagenchoice>

To learn more about further finance and insurance options, go to www.vwfinancialservices.com.au

[^]The Volkswagen Choice Program consists of an option to require Volkswagen Financial Services to purchase your vehicle at the end of your Volkswagen Financial Services Chattel Mortgage, Consumer Loan or Hire Purchase for a value (known as the Guaranteed Future Value) determined by Volkswagen Financial Services and set out in your contract. The Guaranteed Future Value is not a representation by Volkswagen Financial Services as to the likely market value of your vehicle as at the end of your contract. The option is available on new and demonstrator Volkswagen vehicles for selected models only. Please verify with your dealership vehicles that are eligible for the program. [#]If vehicles are not returned in an acceptable condition, as defined in the terms and conditions or exceed kilometre restrictions the Guaranteed Future Value will be reduced. See the Volkswagen Choice Fair Wear and Tear Guide for more information on the required conditions and circumstances. The cost of the Volkswagen Choice Program is incorporated into the applicable interest rate. Please read the full terms and conditions. Please consider whether these products and services are appropriate for your circumstances. Before acting on any of the information on this page, please seek independent financial and tax advice. Full terms and conditions are available upon application. Available only to approved applicants of Volkswagen Financial Services. Subject to credit assessment. Fees and charges apply. Fleet, government, rental buyers, hire car and chauffeur companies are excluded. Available at participating Volkswagen dealers. Volkswagen Financial Services is a trading name of Volkswagen Financial Services Australia Pty Limited ABN 20 097 071 460. Australian Credit Licence 389344.
