Exterior

The Tiguan makes a bold statement, whichever way you look at it. Its robust and durable exterior reflects its underlying dynamic prowess and wide-ranging ability across several active lifestyle pursuits. At the same time, the Tiguan is a model of contemporary urban refinement, classy and sophisticated enough for city-friendly driving and relaxed highway cruising.

Minimalist lines accentuate the Tiguan's dynamic character. A distinctive design line at hip level continues cleverly through the rear wheel arches and wraps around the rear tailgate. Body-coloured bumper bars, door handles and exterior mirrors meld effortlessly with the rest of the car. And all models receive black grain-effect protective trim on the lower front and rear bumpers, side sills and wheel arches.

The Tiguan's body contours integrate seamlessly with the elegant bonnet and front, which features a distinctive radiator grille with four striking horizontal chrome bars that lead the eye to the iconic Volkswagen badge. Stylish headlights with daytime driving lights are efficient and powerful and complement the front fog lights with static cornering lights mounted in the lower bumper (in all but the 118TSI model).

Alloy wheels are standard equipment across the range. The 118TSI model rides on 16" Portland alloys, while the 130TDI and 132TSI models receive larger 17" Philadelphia alloys. The top-of-the-range 155TSI R-Line performance model looks the part with 18" Mallory alloys.

01 Portland 16-inch alloy Wheels

02 Philadelphia 17-inch alloy wheels

03 Mallory 18-inch alloy wheels

Interior

The Tiguan will keep you comfortable, no matter the driving environment. Exceptional comfort levels combine with cleverly thought-out design to create a cabin that's cossetting, responsive and functional.

Central to driver and passenger enjoyment is Volkswagen's new Composition Media infotainment system (in the 118TSI, 132TSI and 130TDI models) and Discover Media infotainment system (in the 155TSI model). Featuring a 6.5" high-resolution display and Volkswagen's new App-Connect USB interface for Apple CarPlay®, Android Auto™ and MirrorLink®, the new infotainment systems offer a practical, personalised and versatile user experience.

The Tiguan's three-spoke leather-covered steering wheel is supremely comfortable, while fantastic seat ergonomics allow you to concentrate on driving, even on long-haul trips. Supple Vienna leather appointed seat upholstery* with R-Line stitched logo on front driver and passenger head restraints provides an extra touch of luxury and exclusivity for the top-of-the-range 155TSI R-Line model. The R-Line also features a sports steering wheel with brushed aluminium inserts, decorative stitching and R-Line badge.

Elsewhere in the cabin, clever design and functionality go hand in hand. Sliding rear seats with a 40/60 split fold offer versatility for passengers and payload luggage. For ultimate carrying capacity, both rear seats can be folded flat to reveal a cargo space just right for carrying bulky luggage. The Tiguan even features load-through provision for the rear central armrest, making it a cinch to accommodate longer items such as snow skis while maintaining two rear outer seating positions.

01 Multi-Function Display (MFD Plus)

02 Sliding seat base, split folding backrest^

03 Clever centre armrest with optional leather upholstery package shown

*Leather appointed seats have a combination of genuine and artificial leather, but are not wholly leather. ^Load restraining hook only available on 132TSI, 130TDI and 155TSI R-Line.

Optional Discover Media satellite navigation system and leather appointed upholstery shown on 132TSI.

Highlights

Eye-catching design, exceptional versatility and assured performance combine to ensure the Tiguan can take everything your busy lifestyle demands of it. With four models in the family, there's a Tiguan to suit every taste.

There's no stopping the Tiguan's dynamic and confidence-inspiring range of engines, which incorporate BlueMotion technologies to ensure you get your money's worth out of every tank. A highly advanced twincharged 1.4-litre petrol engine in the front-wheel-drive 118TSI offers the perfect balance of poise, sophistication and fuel efficiency. The 132TSI and 130TDI models are both powerhouse all-rounders. Spirited along by 2.0-litre petrol and diesel engines respectively, both models incorporate 4MOTION all-wheel-drive technology for outstanding road-holding ability, and sweet-shifting 7-speed DSG (Direct Shift Gearbox) transmissions for effortless power delivery.

Comfort and prestige reach their zenith in the 155TSI R-Line, which offers brilliant driving performance courtesy of a 2.0-litre, 155kW turbocharged petrol engine. The 155TSI R-Line exclusively features Volkswagen's Adaptive chassis control, which enables the vehicle's suspension to be specifically tailored to the prevailing conditions. The Tiguan range features high equipment levels as standard, of course, but myriad small touches in the 155TSI R-Line, such as chrome details throughout and Vienna leather appointed seat upholstery*, put it firmly at the top of the pile.

Outstanding active and passive safety features, rock-solid build quality, a sophisticated engine with drivetrain technology make the Tiguan the stand-out choice in the SUV market. With Anti-Lock Braking (ABS), Anti-Slip Regulation (ASR), Electronic Stabilisation Program (ESP) and Extended Electronic Differential Lock (XDL), the Tiguan's range of braking and traction control technologies ensure a safer drive. Parking too, is made easy with rear Parking distance sensors and Rear View Camera (RVC)^ as standard across the Tiguan range.

Colours & Upholstery

The Tiguan's broad colour palette complements the stylish interior trim, making configuration a simple pleasure. Customise the bodywork of your Tiguan by choosing from a range of paint finishes that includes Pure White or striking Metallic and Pearl Effect as options. Quality Black Cloth upholstery is standard for the 118TSI, while high-grade Black Comfort Sports Alcantara®/Cloth is standard for the 130TDI and 132TSI models. For added sophistication, luxurious Black Vienna leather appointed upholstery† is optional on the 130TDI and 132TSI and standard with R-Line stitching in the impressive 155TSI R-Line.

Please note that Metallic and Pearl Effect paint are optional at extra cost. The print process does not allow for exact reproduction of the exterior or the upholstery colours. Please contact your Volkswagen Dealer for further information on colours and upholstery combinations.

- 08 Luggage compartment protection

Volkswagen Choice: Protecting your investment

Enjoy a flexible finance solution that provides you with the assurance of knowing exactly what the minimum value[#] of your vehicle will be at the end of your term.

- ✓ Personally tailored solutions, based on your term and kilometre usage
- ✓ Opportunity to upgrade your Volkswagen to the latest model more often, enjoying the best innovations and new technologies
- ✓ Peace of mind knowing the minimum future value of your Volkswagen right from the start, so you know it will retain its value over time[^]

At the end of your term, you can simply choose to:

TRADE-IN

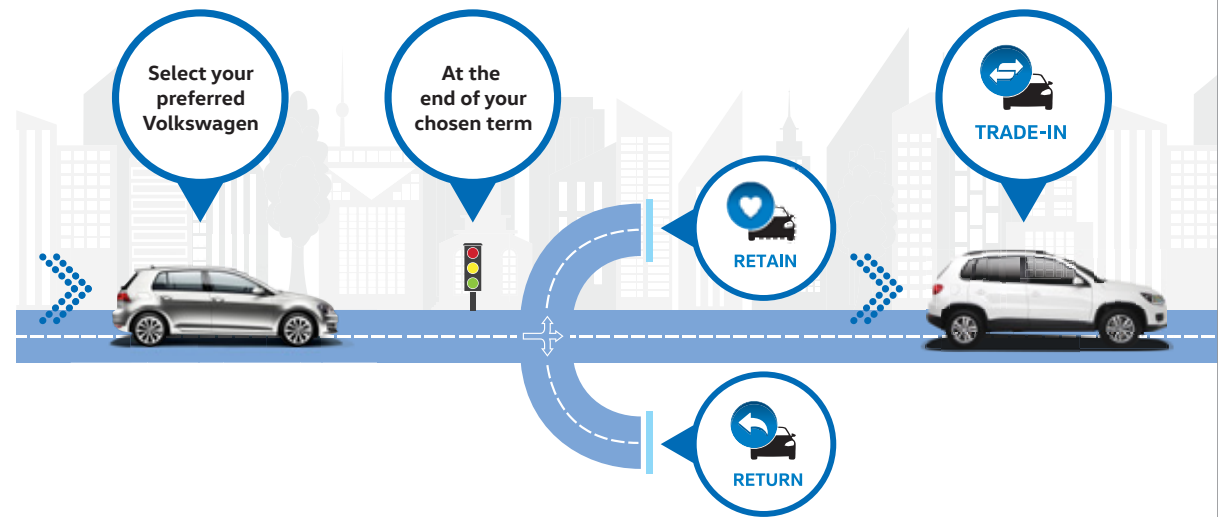

If you wish to trade-in your Volkswagen for a new vehicle, all you need to do is return it to the dealership. If the trade-in value is higher than the Guaranteed Future Value, you can use this equity towards your new vehicle.

RETAIN

If you prefer to retain your Volkswagen, simply let us know. Provided that you also meet the relevant payment obligations under your contract, if we agree, you can purchase your vehicle outright for the Guaranteed Future Value price locked in at the start of the contract.[#] Then your Volkswagen is yours to keep. Or you can choose to refinance your residual at the end of the term.

RETURN

Simply return your vehicle to your Volkswagen dealership at the end of the term. If the vehicle meets the agreed requirements,[#] we will give you the benefit of the full Guaranteed Future Value amount.

To find out more, go to www.volkswagenaustralia.com.au/volkswagenchoice

To learn more about further finance and insurance options, go to www.vwfinancialservices.com.au

[#]The Volkswagen Choice Program consists of an option to require Volkswagen Financial Services to purchase your vehicle at the end of your Volkswagen Financial Services Chattel Mortgage, Consumer Loan or Hire Purchase for a value (known as the Guaranteed Future Value) determined by Volkswagen Financial Services and set out in your contract. The Guaranteed Future Value is not a representation by Volkswagen Financial Services as to the likely market value of your vehicle as at the end of your contract. The option is available on new and demonstrator Volkswagen vehicles for selected models only. Please verify with your dealership vehicles that are eligible for the program. [#]If vehicles are not returned in an acceptable condition, as defined in the terms and conditions or exceed kilometre restrictions the Guaranteed Future Value will be reduced. See the Volkswagen Choice Fair Wear and Tear Guide for more information on the required conditions and circumstances. The cost of the Volkswagen Choice Program is incorporated into the applicable interest rate. Please read the full terms and conditions. Please consider whether these products and services are appropriate for your circumstances. Before acting on any of the information on this page, please seek independent financial and tax advice. Full terms and conditions are available upon application. Available only to approved applicants of Volkswagen Financial Services. Subject to credit assessment. Fees and charges apply. Fleet, government, rental buyers, hire car and chauffeur companies are excluded. Available at participating Volkswagen dealers. Volkswagen Financial Services is a trading name of Volkswagen Financial Services Australia Pty Limited ABN 20 097 071 460. Australian Credit Licence 389344.
