Let's Outsmart Change.

Welcome to a New Era of Business Solutions.

The industry is changing fast, and your business needs to evolve with it. We understand that sometimes taking a step ahead can still leave you feeling like you're two steps behind.

GM Envolv ushers in a new transformative era for business by evolving how we all think about mobility, energy, delivery and expert insights. It's advanced, comprehensive and connected solutions from a single, trusted source.

Like many breakthroughs, GM Envolv is the solution you didn't realize you've been waiting for.

Now, change will have to keep up with you.

Do Business Like Nobody's Business.

Join the business revolution with GM Envolve. We help leaders outsmart change with connected technologies and innovative solutions.

Our Solution Ecosystem

MOBILITY SOLUTIONS

Transform How Business Is Done

Keep your business moving in smarter, more productive ways with our vehicles and solutions.

ENERGY SOLUTIONS

Make Energy Work for You

Control your power with our energy sources and platforms.

DELIVERY SOLUTIONS

Move Goods in Smart Ways

Automate, innovate and transform your operation into new levels of efficiency with our products and technologies.

INSIGHT SOLUTIONS

Optimize Operations and Help Keep People Safe

Optimize and assist your people and assets with our intelligence software.

GROWTH PLANNING

Change Starts Today

Future-proof your business with the help of our expert consultants.

Get In Touch.

Transformative change doesn't happen overnight. Start the journey with the right people, asking the right questions. Get in touch at gmenvolve.com.

Ready for Anything.

Our vehicle lineup and distinguished mobility products can help keep your business competitive today and ahead of change tomorrow.

Upfit To Your Needs

From snowplows to BrightDrop Zevo vans, our platforms are ready to help you upfit¹ your existing fleet.

Work-Ready Accessories

When it's time to get the job done, GM Genuine Accessories is there with the products you need. Our accessories are tested, trusted and designed specifically for your vehicle.

Trusted Parts

When it comes to evolving maintenance, repair, collision and propulsion needs, only GM Genuine Parts and ACDelco offer true GM Original Equipment built for what's next.

Partner Perks

Streamline service, get discounted parts and earn rewards when you shop with us through our Partner Perks program.

¹ Upfits from an independent supplier are not covered by the GM New Vehicle Limited Warranty. GM is not responsible for the safety and quality of independent supplier alterations.

Never Lose Momentum.

From acquisition to operation, we're ready to help you maintain and manage your vehicles with helpful services and impactful programs.

Fleet Incentive Programs

Your fleet may qualify for special pricing and programming to give your business a competitive edge.

Register for a Fleet Account Number

Eligible fleets can take advantage of special pricing and more to give their business a competitive edge. Apply for your Fleet Account Number (FAN) to get started.

National Fleet Purchase Program

Qualifying businesses can earn cash incentives based on the fleet size, models and trims selected.

Small Fleet Assistance

We're ready to help you choose the best vehicles and upfitting¹ to meet your smaller fleet needs.

Government and Law Enforcement

All government and law enforcement fleets automatically receive a GM Enolve FAN, a personal point of contact and access to benefits specifically provided to government entities.

¹ Upfits from an independent supplier are not covered by the GM New Vehicle Limited Warranty. GM is not responsible for the safety and quality of independent supplier alterations.

Vehicle Warranty and Certified Service

We work to give your fleet every advantage available with our extensive offering of services, support programs and operational savings programs.

GM Warranty

Available 5-year/100,000-mile¹ Transferable Powertrain Limited Warranty on eligible Chevrolet and GMC vehicles for qualifying fleet accounts² and 8 years or 100,000 miles¹ for GM electric vehicles.

National Fleet Parts Program

The National Fleet Parts Program can help save fleet managers time with online parts ordering and discounted pricing on many GM Original Equipment and ACDelco aftermarket parts.

Consolidated Billing

With capped part pricing to help manage your operating costs, this program also streamlines your vehicle service and parts purchase with powerful tools, reports and insights.

Certified Service

Our Certified Service technicians are up to date on the latest GM-specific technology to provide your fleet with expert care. There are more than 4,000 nearby locations to help you keep your fleet running smoothly.

Up-To-Date Service Manuals

Help keep your shop current and your drivers updated with the most recent Service and Owner's Manuals for every fleet vehicle.

¹ Whichever comes first. ² A "Qualified Fleet User" is defined as, subject to below exclusions, any company: (a) which has purchased or leased five (5) or more new cars and/or trucks (any combination of vehicle manufacturers) principally for business use in its operation within the last 12 months; (b) that currently owns or leases five (5) or more medium duty trucks used in its company service; or (c) that currently owns or leases fifteen (15) or more cars and trucks used in its company service.

Making the EV Switch Is Easy.

Winning in business tomorrow means being EV ready today. We're here to help make that transition easy with our expert support, training and intuitive technologies.

ULTIUM

Power With a Purpose

Ultium is the innovation powering our expanding lineup of EVs. Built for ultimate range, power and flexibility, our proprietary Ultium electric vehicle battery platform is helping put everyone in an EV.

ROBUST INFRASTRUCTURE

A New Way to Stay Mobile

EVs are changing the way we move. With access to more than 100,000 charging stations and daily accessibility to an onsite or home charger, charging an EV could potentially save your business time.

ZAPPYRIDE

Check Your Potential Fuel Savings

We're working with ZappyRide to give you a fuel-savings estimate, letting you see how much you could be saving. Plus, a localized tool will help identify potential tax incentives from EV ownership.

Have EV Questions?

Our team of experts is waiting to answer any questions or concerns you have about making the EV switch. Talk to an EV Live Specialist at evlive.gm.com.

Energy for an Evolving World.

With GM's dedication to innovation, upgrading to robust platforms can be a simple and trustworthy process for enduring success.

INNOVATIVE ENERGY

Driving the Future Forward

Our team at GM Energy has the technology and experts to help your business advance toward energy independence, efficiency and long-term sustainability goals.

CHARGING STATIONS

Coast-to-Coast Charging

Enjoy enterprise access to renewable-powered, fast-charging stations throughout the country. We're teaming with one of the nation's largest charging networks to grow the public fast-charging network available to EV drivers.

PILOT/FLYING J

Convenient EV Way Stations

We're integrating charging stations at many of the places fleet drivers already stop to fuel through our collaboration with Pilot/Flying J, one of the country's largest travel center networks.

HYDROTEC

Alternative Energy Options

GM's HYDROTEC solutions utilize our advanced hydrogen fuel cell technology as an affordable energy solution across fleet or infrastructure power needs.

Preproduction 2024 Chevrolet Equinox EV 3LT shown. Actual production model may vary. 2RS limited availability starting Fall 2023. Full lineup available starting Spring 2024.

Control Your Power.

We can help your business reach energy independence with solutions that generate, store, charge and monitor energy at scale. Explore how at gmenvolve.com.

Smart. Safe. Delivered.

EMBRACE CHANGE AND MOVE FORWARD.

Your efficiency revolution has just been delivered. GM Envolv can help provide greater customer experiences, optimize driver productivity and solve scaling needs with a reduced carbon footprint.

Transforming Delivery Technologies

We're helping improve every aspect of the delivery journey by working to bring innovative technologies like electric delivery ecosystems, hydrogen-powered transit and autonomous delivery vehicles to market.

ESG AND BEYOND

Next-Gen Delivery

Many businesses are trying to reach environmental, social and governance (ESG) goals. Our innovative products can help your business pursue its social goals, including vehicles and other forms of transit with zero tailpipe emissions.

SMART. SAFE. EFFICIENT.

Delivery Done Different

Our delivery solutions combine near-real-time optimization with transformative technologies, making it easier to manage orders and help customers get what they need.

1 Estimated based on assumptions for fuel costs, miles traveled, maintenance and cargo load. May vary based on use case. 2 Information provided is based on results from initial studies of the BrightDrop Trace Grocery in a pilot offering. Results may vary based on individual usage and applications. 3 Information provided is based on results from initial studies of the BrightDrop Trace Move in a pilot offering. Results may vary based on individual usage and applications.

The Data Doesn't Lie

Our delivery solutions can help deliver goods faster and impact the metrics that matter most.

\$10K

Expense savings vs. diesel alternative¹

34%

Decrease in time to serve²

25%

More packages handled per day³

A Solution for Every Journey.

LCF Delivery Vehicles

With lots of choices, there's a Low Cab Forward (LCF) truck that's right for your workload.

Spacious SUVs

Our versatile SUVs have flexible interiors to make transporting cargo convenient and are easy to maneuver in and out of tight parking spots or on city streets.

Delivery Vans

Our vans are the staple of hardworking fleets and are ready to give your business the flexibility to get the job done.

Electrified Carts

The BrightDrop Trace Move and Trace Grocery help optimize the movement of goods while decreasing touch points along the way for efficiency.

BrightDrop Zevo

The all-electric Zevo cargo vans have the range, cargo space and payload to help increase productivity and minimize carbon footprint.

BrightDrop Zevo color combination availability may vary.

Hydrogen-Powered Transit

Powering transit with renewable technology designed for heavy-duty applications like rail and freight.

Turn Insight Into Action.

HARNESS DATA TO MAKE CONFIDENT DECISIONS.

Data is a powerful resource for your business. We can help you turn abstract data into proactive solutions, better connecting and optimizing your people, assets and operations.

OnStar Business Solutions

Powered by available embedded OnStar® hardware and backed by more than 25 years of technology and know-how, our connected vehicle solutions can help you operate your business more efficiently.

API and Data Services

See customized telematics metrics like seat belt and battery charge detection with OnStar API access.

Safety and Security

Help protect your people and assets with Automatic Crash Response¹, Stolen Vehicle Assistance², Turn-by-Turn Navigation³ and Roadside Assistance⁴.

Wi-Fi® and Connectivity

Equip your drivers with in-vehicle internet access and enable seamless connectivity with our Wi-Fi⁵ and connectivity solutions.

OnStar Vehicle Insights™⁶

Provide actionable insights to help optimize your fleet's operations, allow remote vehicle management and equip drivers with in-vehicle coaching for increased safety on the road.

1 Not all vehicles may transmit all crash data. Certified by the International Academies of Emergency Dispatch®. 2 Requires armed GM factory-installed theft-deterrent system, contact method on file and enrollment to receive alerts. Additional messaging and data rates may apply. Services are intended to assist with vehicle recovery and do not prevent theft or protect against damage or loss. 3 Subject to terms and limitations and varies by vehicle model. Map coverage available in the U.S., Puerto Rico and Canada. 4 Roadside service provided by Allstate Roadside Services for vehicles only. Limitations and restrictions apply. 5 Service varies with conditions and location. Requires active service plan and paid AT&T data plan. See OnStar.com/BusinessSolutions for details and limitations. Availability subject to change. Vehicle must be on or in the accessory position for Wi-Fi® to function. 6 Terms apply. Available on select properly equipped 2015 model year and newer GM vehicles (excludes Volt, Low Cab Forward Trucks and GM vehicles built without OnStar Hardware, which includes but is not limited to select base Chevrolet and GMC trucks). Requires an active connected vehicle services plan. Fees, services, and availability subject to change without notice. Applicable taxes not included. Does not include emergency or security services. Diagnostics capabilities vary by vehicle model. Not all issues will deliver alerts. See onstarvehicleinsights.com for details and limitations.

BrightDrop Zevo color combination availability may vary.

Optimize Your Operations

GM Envolve has a suite of platforms designed to connect your assets and provide real-time data that matters. Our technologies help enable fleet managers, delivery operations and logistical decision-makers to maximize revenue, increase productivity and work to meet sustainability goals.

New OnStar Connected Plan

Give your fleet an upgrade with the new OnStar[®] Connected Plan¹. Standard with the purchase of a 2024 Chevrolet Silverado EV, it helps make the transition to electric easier than ever with EV features like charging status, route planning, charge reimbursement and more.

BrightDrop Core

Manage your BrightDrop fleets and Trace electrified carts and optimize hardware and software efficiency from an intuitive user interface.

¹ Connected services vary by vehicle model and require active service plan, network compatibility, working electrical system, cell reception and GPS signal. Services enabled by connected services are subject to change. Does not include emergency or security services. See onstar.com for details and limitations.

Together in Change.

Growth doesn't mean keeping up; it means staying ahead. We're here to help you navigate transformative change with leading experts and revolutionary strategies.

Powered By Professionals

Whether your business needs some outside inspiration or help navigating complex financing requirements, our team is ready to assist you on your journey. Change doesn't happen overnight, and we're with you for the long haul.

COMMERCIAL CONSULTANTS

Smart Vehicle Financing

Our experienced team understands the sophisticated demands and complex financing requirements of today's commercial borrower. Whether you're looking for a couple units or an entire fleet, GM Financial Commercial Vehicle Lending offers customizable options and time-saving solutions.

SEAMLESSLY STAY AHEAD

Agents for Change

Our people are ready to give your business the spark it needs to enact change. We've built up a team of subject-matter experts designed to inject outside inspiration and help you navigate transformational change.

EXPERT ADVICE

Change Is a Conversation Away

We make it easy to talk to consultants through a single point of contact.

Peak combined motor torque	615 lb.-ft. (GM estimated)	785 lb.-ft. (GM estimated in Max Power Mode)
Braking system	4-wheel antilock disc brakes with regenerative Duralife™ brake rotors	4-wheel antilock disc brakes with regenerative Duralife™ brake rotors
Max. seating capacity	5	5
Max. payload ¹ (lbs.)	1,200	TBD
Max. trailering ² (lbs.)	8,000	9,500
Max. GVWR ³ (lbs.)	TBD	TBD
Max. GCWR ⁴ (lbs.)	TBD	TBD
Wheel size (in.)	18	24

¹ These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver's door jamb. ² Maximum trailering ratings are intended for comparison purposes only. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The trailering capacity of your specific vehicle may vary. The weight of passengers, cargo and options or accessories may reduce the amount you can trailer. ³ Maximum Gross Vehicle Weight Rating (GVWR). When properly equipped; includes weight of vehicle, passengers, cargo and equipment. ⁴ Maximum Gross Combined Weight Rating (GCWR). When properly equipped; includes weight of the vehicle and trailer combination, including the weight of driver, passengers, fuel, optional equipment and cargo in the vehicle and trailer. ⁵ GM-estimated range on a full charge based on current capability of analytical projection consistent with SAE J1634 revision 2017 - MCT. Actual range may vary based on several factors, including temperature, terrain, battery age, loading, and how you use and maintain your vehicle. EPA estimates not yet available. ⁶ Requires MultiPro™ Tailgate lowered and load stop in place. Cargo and load capacity limited by weight and distribution.

Preproduction 2024 Silverado EV WT shown. Actual production model may vary. Very limited initial availability starting Spring 2023. Greater availability expected Fall 2023.

KEY STANDARD FEATURES

Features based on WT model with 4WT equipment group.

SAFETY + SECURITY

- Adaptive Cruise Control⁴
- Blind Zone Steering Assist⁴
- Buckle to Drive
- Enhanced Automatic Emergency Braking⁴
- Following Distance Indicator⁴
- Forward Collision Alert⁴
- Front Pedestrian and Bicyclist Braking⁴
- HD Surround Vision⁴
- IntelliBeam auto high beam control
- Intersection Automatic Emergency Braking⁴
- Lane Keep Assist with Lane Departure Warning⁴
- Rear Cross Traffic Braking⁴
- Rear Park Assist⁴
- Rear Pedestrian Alert⁴
- Reverse Automatic Braking⁴
- Safety Alert Seat⁴
- Side Bicyclist Alert⁴
- Speed Limit Assist⁴, automatic
- Traffic Sign Recognition⁴

PERFORMANCE

- Ultium Battery system
- Ultium Drive system with performance torque vectoring e4WD and 2 motors (1 front and 1 rear electric drive unit)
- 4-wheel antilock disc brakes with regenerative Duralife™ brake rotors
- Dual Level Charge Cord, 120- and 240-volt capability
- At-home, Level 2 (AC) charge rates up to 19.2 kW⁵
- DC fast charging for public charging rates up to 350 kW⁶
- Electronic Precision Shift with Low selection for One-Pedal Driving⁷ capability

StabiliTrak® Electronic Stability Control System

Tow/Haul Mode

PRODUCTIVITY + DRIVE EXPERIENCE

- Wi-Fi® Hotspot⁸ capable
- 8-inch diagonal Driver Information Center
- Available up to 10.2-kW Offboarding Power capability
- 60/40 rear folding bench seat
- 120-volt power outlets, bed-mounted (4)
- 240-volt power outlet, bed-mounted
- Assist steps, Black
- Dual-zone automatic climate control
- eTrunk™, lit, lockable and weatherproof compartment with 120-volt outlet, cargo tie-downs and drain holes
- EZ-Lift Tailgate
- Google built-in⁹ infotainment experience with 11-inch diagonal advanced color LED display
- Heated, power-adjustable outside mirrors
- Hitch Guidance⁴
- Keyless Open and Start
- LED Cargo Area Lighting with switch on instrument panel
- LED Daytime Running Lamps, headlamps and taillamps
- OnStar® Connected¹⁰
- Power tilt/telescoping steering column
- Remote Start, with Remote Keyless Entry
- Available SiriusXM®¹¹
- USB charging-only port¹² (1)
- USB ports¹² (4)
- Wireless Apple CarPlay™¹³ and Android Auto™¹⁴ capable

¹ GM-estimated range on a full charge based on current capability of analytical projection consistent with SAE J1634 revision 2017 – MCT. Actual range may vary based on several factors, including temperature, terrain, battery age, loading, and how you use and maintain your vehicle. EPA estimates not yet available. ² Available on model year 2024 WT. Based on preliminary GM testing. Actual production model may vary. May require optional trailering equipment to achieve maximum capacity. Maximum trailering ratings are intended for comparison purposes only. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The trailering capacity of your specific vehicle may vary. The weight of passengers, cargo and options or accessories may reduce the amount you can trailer. ³ Late model year availability. ⁴ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle's Owner's Manual for important safety and driver assistance feature limitations and information. ⁵ Actual charge times will vary based on battery starting state of charge, battery condition, output of charger, vehicle settings and outside temperature. See the vehicle's Owner's Manual for additional limitations. ⁶ Requires public DC Fast Charger. Actual charge times will vary based on battery starting state of charge, battery condition, output of charger, vehicle settings and outside temperature. See the vehicle Owner's Manual for details. ⁷ Feature may be limited when the battery temperatures are extremely cold or hot or when battery is near full charge. Always use the brake pedal when you need to stop immediately. See Owner's Manual for details. ⁸ Service varies with conditions and location. Requires active service plan and paid AT&T data plan. See OnStar.com/BusinessSolutions for details and limitations. Availability subject to change. Vehicle must be on or in the accessory position for Wi-Fi® to function. ⁹ Google built-in services are subject to limitations and availability may vary by vehicle, infotainment system and location. Select service plan required. Certain Google actions and functionality may require account linking. User terms and privacy statements apply. Google, Google Play, and Google Maps are trademarks of Google LLC. ¹⁰ Connected services vary by vehicle model and require active service plan, network compatibility, working electrical system, cell reception and GPS signal. Services enabled by connected services are subject to change. Does not include emergency or security services. See onstar.com for details and limitations. ¹¹ If you decide to continue service after your trial, your selected subscription plan will automatically renew thereafter. You will be charged at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. Some features, including streaming content and listening recommendations, require GM connected vehicle services. All fees and programming subject to change. ©2023 SiriusXM Radio Inc. All rights reserved. ¹² Not compatible with all devices. ¹³ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. Apple CarPlay is a trademark of Apple Inc. Siri, iPhone and Apple Music are trademarks of Apple Inc, registered in the U.S. and other countries. ¹⁴ Vehicle user interface is a product of Google, and its terms and privacy statements apply. Requires the Android Auto app on Google Play and a compatible Android™ smartphone. Data plan rates apply. You can check which smartphones are compatible at g.co/androidauto/requirements. Android Auto is a trademark of Google LLC.

- Available SiriusXM® with 360L¹³
- Trailer Side Blind Zone Alert⁴

1 With second and third rows folded. Cargo capacity limited by weight and distribution. 2 Requires 5.3L V8 engine and Max Trawling Package. Maximum trawling ratings are intended for comparison purposes only. Before you buy a vehicle or use it for trawling, carefully review the Trawling section of the Owner's Manual. The trawling capacity of your specific vehicle may vary. The weight of passengers, cargo and options or accessories may reduce the amount you can trailer. 3 Premium paint; additional cost. 4 Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle's Owner's Manual for important feature limitations and information. 5 Services subject to user terms and limitations. Certain services require working electrical system, cell reception and GPS signal. OnStar links to emergency services. See OnStar.com/BusinessSolutions for details. Availability subject to change. 6 Service varies with conditions and location. Requires active service plan and paid AT&T data plan. See OnStar.com/BusinessSolutions for details and limitations. Availability subject to change. Vehicle must be on or in the accessory position for Wi-Fi® to function. 7 Functionality varies by model. Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. 8 Not compatible with all devices. 9 Vehicle user interface is a product of Apple® and its terms and privacy statements apply. Requires compatible iPhone® and data plan rates apply. Apple CarPlay, Siri, iPhone and Apple Music are trademarks of Apple, Inc., registered in the U.S. and other countries. 10 Vehicle user interface is a product of Google, and its terms and privacy statements apply. Requires the Android Auto app on Google Play and a compatible Android™ smartphone. Data plan rates apply. You can check which smartphones are compatible at g.co/androidauto/requirements. Android Auto is a trademark of Google LLC. 11 Connected Navigation and real-time Points of Interest (POI) only available on properly equipped vehicles. Requires paid plan or trial. Map coverage available in the U.S., Puerto Rico and Canada. See onstar.com for details and limitations. 12 Google built-in services are subject to limitations and availability may vary by vehicle, infotainment system and location. Select service plan required. Certain Google actions and functionality may require account linking. User terms and privacy statements apply. Google, Google Maps and Play Store are trademarks of Google LLC. 13 If you decide to continue service after your trial, your selected subscription plan will automatically renew thereafter. You will be charged at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. Some features, including streaming content and listening recommendations, require GM connected vehicle services. All fees and programming subject to change. ©2023 SiriusXM Radio Inc. KEY STANDARD FEATURES

Features based on 2500 Heavy Duty Pro 2WD model with 1SA equipment group.

SAFETY + SECURITY

Embedded OnStar[®] hardware, includes 3-month trial of Safety & Security⁴ and 3 years of Remote Access⁴

HD Rear Vision Camera⁵ with pickup box

Sierra HD Pro Safety, includes Forward Collision Alert⁵, Following Distance Indicator⁵, Front Pedestrian Braking⁵, IntelliBeam auto high beam control, Lane Departure Warning⁵, Buckle to Drive and Automatic Emergency Braking⁵

Tire Pressure Monitoring System (excludes spare tire) with Tire Fill Alert

PERFORMANCE

6.6L V8 gas engine (401 hp/464 lb.-ft. of torque)

4-wheel antilock disc brakes with Duralife[™] brake rotors

Allison[®] 10-speed automatic transmission

Automatic heavy-duty locking rear differential

StabiliTrak[®] Electronic Stability Control System with Proactive Roll Avoidance and Traction Control, includes Trailer Sway Control and Hill Start Assist

PRODUCTIVITY + DRIVE EXPERIENCE

Wi-Fi[®] Hotspot⁶ capable

40/20/40 three-passenger split-bench front seat with covered armrest storage and underseat storage (lockable)

60/40 folding rear bench seat

Cargo bed tie-downs (12)

CornerStep rear bumper and side BedStep

Folding rear bench seat

Front recovery hooks⁷

GMC Infotainment System⁸ with 7-inch diagonal color touch-screen

Hitch Guidance⁵

Rubberized-vinyl floor covering

Vertical trailering mirrors

Wireless Apple CarPlay^{™9} and Android Auto^{™10} compatibility

KEY AVAILABLE FEATURES

Optional features and packages vary by trim level. See Order Guide for details.

6.6L Duramax[®] Turbo-Diesel V8 engine (470 hp/975 lb.-ft. of torque)

12-inch diagonal multi-color Driver Information Center

120-volt power outlet, bed-mounted

Adaptive Cruise Control⁵

E85 FlexFuel capability

GMC MultiPro[™] Tailgate with six functional load/access features

Gooseneck/5th-Wheel Prep Package¹¹

Heated and ventilated front seats

Heated steering wheel

Hill Descent Control

Integrated Power Take Off (PTO)

Integrated trailer brake controller

LED cargo area lighting

Multi-color, 15-inch diagonal Head-Up Display

MultiPro[™] audio system by Kicker

Pickup box delete

Premium GMC Infotainment System⁸ with 13.4-inch diagonal HD color touch-screen with Google built-in¹² compatibility

ProGrade Trailerling System (includes Hitch Guidance with Hitch View⁵ and in-vehicle trailerling app)¹¹

1 Requires 3500 Regular Cab 2WD DRW with 6.6L Duramax[®] Turbo-Diesel V8 engine, Max Trailerling Package and Gooseneck hitch. Maximum trailerling ratings are intended for comparison purposes only. Before you buy a vehicle or use it for trailerling, carefully review the Trailerling section of the Owner's Manual. The trailerling capacity of your specific vehicle may vary. The weight of passengers, cargo and options or accessories may reduce the amount you can trailer. 2 Requires 3500 Regular Cab 2WD DRW with 18- or 20-inch wheels. These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the vehicle's Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver's door jamb. 3 Premium paint; additional cost. 4 Services subject to user terms and limitations. Certain services require working electrical system, cell reception and GPS signal. OnStar links to emergency services. See OnStar.com/BusinessSolutions for details. Availability subject to change. 5 Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle's Owner's Manual for important feature limitations and information. 6 Service varies with conditions and location. Requires active service plan and paid AT&T data plan. See OnStar.com/BusinessSolutions for details and limitations. Availability subject to change. Vehicle must be on or in the accessory position for Wi-Fi[®] to function. 7 To avoid the risk of injury, never use recovery hooks to tow a vehicle. For more information, see the Recovery Hooks section of your Owner's Manual. 8 Functionality varies by model. Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. 9 Vehicle user interface is a product of Apple[®] and its terms and privacy statements apply. Requires compatible iPhone[®] and data plan rates apply. Apple CarPlay, Siri, iPhone and Apple Music are trademarks of Apple, Inc., registered in the U.S. and other countries. 10 Vehicle user interface is a product of Google, and its terms and privacy statements apply. Requires the Android Auto app on Google Play and a compatible Android[™] smartphone. Data plan rates apply. You can check which smartphones are compatible at g.co/androidauto/requirements. Android Auto is a trademark of Google LLC. 11 Before you buy a vehicle or use it for trailerling, carefully review the Trailerling section of the Owner's Manual. The trailerling capacity of your specific vehicle may vary. The weight of passengers, cargo and options or accessories may reduce the amount you can trailer. 12 Google built-in services are subject to limitations and availability may vary by vehicle, infotainment system and location. Select service plan required. Certain Google actions and functionality may require account linking. User terms and privacy statements apply. Google, Google Play, and Google Maps are trademarks of Google LLC. 13 Upfits from an independent supplier are not covered by the GM New Vehicle Limited Warranty. GM is not responsible for the safety and quality of independent supplier alterations. 14 Does not monitor spare tire. Requires available Trailer Tire Pressure Monitoring System and installation of trailer tire pressure monitor sensors.

KEY STANDARD FEATURES

PERFORMANCE

- 5.2L diesel engine (215 hp/452 lb.-ft. of torque)
- 6-speed automatic transmission
- 4-wheel antilock disc brakes (includes Traction Control and stability control)
- 30-gallon stainless steel fuel tank (approx.), includes 2 auxiliary fuel ports
- 140-amp alternator
- Dual batteries with 750 cold-cranking amps
- 14,500–19,500-lb. GVWR⁴ options

PRODUCTIVITY + DRIVE EXPERIENCE

- 16-inch steel wheels (4500 HD models)
- 19.5-inch steel wheels (4500 XD/5500 HD/5500 XD models)
- AM/FM stereo with CD player, auxiliary jack, USB port⁵ and Bluetooth[®] wireless technology² for select phones
- Assist steps
- Cloth interior in Medium Ash Gray
- Cruise control
- Daytime Running Lamps
- Driver Information Center
- Front floor mats (front/rear on Crew Cab models)
- High-back driver and front passenger bucket seats
- LED headlamps
- Power door locks and windows
- Silver grille
- Single-zone manual air conditioning
- Tilt/telescoping steering column
- Tinted glass

KEY AVAILABLE FEATURES

Optional features and packages vary by trim level. See Order Guide for details.

- 102-inch-wide mirror brackets
- Advanced Driver Assistance System, includes Adaptive Cruise Control⁶, Lane Departure Warning⁶, Forward Collision Alert⁶ and Automatic Emergency Braking⁶
- Automatic engine shutdown
- Backup alarm
- Chrome grille
- Cruise control delete
- Dual Absorbed Glass Mat batteries with 825 cold-cranking amps
- Engine block heater
- Enhanced audio system with 7-inch diagonal color touch-screen display, includes Apple CarPlay^{TM7} and Android Auto^{TM8} compatibility
- Front-end protection film
- Heated outside rearview mirrors
- LED lighting upgrade
- Locking DEF fill cap
- Oil pan heater
- Power Take Off (PTO) provisions
- Rear dome and body lamp switch
- Rear Vision Camera⁹ (requires enhanced audio system with 7-inch diagonal color touch-screen display)
- Remote Keyless Entry
- Roof air deflector
- Side-mounted aluminum fuel tanks
- Speed governor

POWERTRAIN LIMITED WARRANTY

3 years/unlimited miles¹⁰

¹ Upfits from an independent supplier are not covered by the GM New Vehicle Limited Warranty. GM is not responsible for the safety and quality of independent supplier alterations. ² Go to my.chevrolet.com/learn to find out which phones are compatible with the vehicle. ³ Premium paint; additional cost. Adds a lead time of 16 weeks. ⁴ Maximum Gross Vehicle Weight Rating (GVWR). When properly equipped; includes weight of vehicle, passengers, cargo and equipment. ⁵ Not compatible with all devices. ⁶ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle's Owner's Manual for important feature limitations and information. ⁷ Vehicle user interface is a product of Apple[®] and its terms and privacy statements apply. Requires compatible iPhone[®] and data plan rates apply. Apple CarPlay, Siri, iPhone and Apple Music are trademarks of Apple, Inc., registered in the U.S. and other countries. ⁸ Vehicle user interface is a product of Google, and its terms and privacy statements apply. Requires the Android Auto app on Google Play and a compatible AndroidTM smartphone. Data plan rates apply. You can check which smartphones are compatible at g.co/androidauto/requirements. Android Auto is a trademark of Google LLC. ⁹ Read the Alpine Owner's Manual included with the Rear Vision Camera system for important feature limitations and information. ¹⁰ Whichever comes first. A "Qualified Fleet User" is defined as, subject to below exclusions, any company: (a) which has purchased or leased five (5) or more new cars and/or trucks (any combination of vehicle manufacturers) principally for business use in its operation within the last 12 months; (b) that currently owns or leases five (5) or more medium duty trucks used in its company service; or (c) that currently owns or leases fifteen (15) or more cars and trucks used in its company service

¹ Cargo capacity limited by weight and distribution. ² These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver's door jamb. ³ Maximum trailering ratings are intended for comparison purposes only. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The trailering capacity of your specific vehicle may vary. The weight of passengers, cargo and options or accessories may reduce the amount you can trailer. ⁴ Maximum Gross Vehicle Weight Rating (GVWR). When properly equipped; includes weight of vehicle, passengers, cargo and equipment. ⁵ Maximum Gross Combined Weight Rating (GCWR). When properly equipped; includes weight of the vehicle and trailer combination, including the weight of driver, passengers, fuel, optional equipment and cargo in the vehicle and trailer.

A "Qualified Fleet User" is defined as, subject to below limitations, any company: (a) which has purchased or leased five (5) or more new cars and/or trucks (any combination of vehicle manufacturers) principally for business use in its operation within the last 12 months; (b) that currently owns or leases five (5) or more medium duty trucks used in its company service; or (c) that currently owns or leases fifteen (15) or more cars and trucks used in its company service. ³ Premium paint; additional cost. ⁴ SEO solid paint color. ⁵ Services subject to user terms and limitations. Certain services require working electrical system, cell reception and GPS signal. OnStar links to emergency services. See OnStar.com/BusinessSolutions for details. Availability subject to change. ⁶ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle's Owner's Manual for important feature limitations and information. ⁷ These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver's door jamb. ⁸ Maximum trailering ratings are intended for comparison purposes only. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The trailering capacity of your specific vehicle may vary. The weight of passengers, cargo and options or accessories may reduce the amount you can trailer. ⁹ Service varies with conditions and location. Requires active service plan and paid AT&T data plan. See OnStar.com/BusinessSolutions for details and limitations. Availability subject to change. Vehicle must be on or in the accessory position for Wi-Fi[®] to function. ¹⁰ Go to my.chevrolet.com/learn to find out which Bluetooth phones are compatible with the vehicle. ¹¹ Not compatible with all devices. ¹² Vehicle user interface is a product of Apple[®] and its terms and privacy statements apply. Requires compatible iPhone[®] and data plan rates apply. Apple CarPlay, Siri, iPhone and Apple Music are trademarks of Apple, Inc., registered in the U.S. and other countries. ¹³ Vehicle user interface is a product of Google, and its terms and privacy statements apply. Requires the Android Auto app on Google Play and a compatible Android[™] smartphone. Data plan rates apply. You can check which smartphones are compatible at g.co/androidauto/requirements. Android Auto is a trademark of Google LLC. ¹⁴ To avoid the risk of injury, never use recovery hooks to tow a vehicle. For more information, see the Recovery Hooks section of your Owner's Manual.

KEY STANDARD FEATURES

Features based on Tahoe Commercial model with 1FL equipment group and 9C1 Package.

SAFETY + SECURITY

Embedded OnStar[®] hardware, includes 3-month trial of Safety & Security⁵ and 3 years of Remote Access⁵

Front and Rear Park Assist⁶

HD Rear Vision Camera⁶ (8-inch diagonal display)

PERFORMANCE

5.3L V8 engine (355 hp/383 lb.-ft. of torque)

10-speed automatic transmission with dash-mounted gear selector

20-inch Firestone Firehawk Pursuit tires

900 cold-cranking amps primary battery

760 cold-cranking amps auxiliary battery with 70-amp hour rating

1,600-lbs. max. payload⁷

6,000-lbs. max. trailering capacity⁸

Heavy-duty, police-rated brake system with front Brembo[®] calipers on 16-inch rotors

Heavy-duty, police-rated suspension

High-output 250-amp alternator and 100-amp rear power supply

Hill Start Assist

Independent rear suspension

Skid plate, front

PRODUCTIVITY + DRIVE EXPERIENCE

Wi-Fi[®] Hotspot⁹ capable

10-way police-specific power driver seat

40/20/40 three-passenger split-folding front bench seat with center fold-down armrest

Black rubberized-vinyl floor covering

Bluetooth[®] wireless technology¹⁰ for select phones

Class IV trailering receiver with 7-wire harness connector

Flashing headlamp/taillamp calibration

Keyless Open and Start with Remote Keyless Entry

Matching full-size underbody spare tire with programmable Tire Pressure Monitor

Protected Idle

Rear air conditioning, driver-controlled

Steering wheel switches for emergency equipment

Surveillance mode interior and exterior lighting calibrations

USB data ports¹¹ (Type-A and Type-C) on dash

Wireless Apple CarPlay^{™12} and Android Auto^{™13} capable

KEY AVAILABLE FEATURES

Optional features and packages vary by trim level. See Order Guide for details.

4WD Autotrac[®] with Terrain Mode

Automatic Emergency Braking⁶

Auxiliary LED dome lamp with red and white settings, headliner-mounted

Color-keyed carpeting with removable floor mats

Common fleet keys and fob programming

Following Distance Indicator⁶

Forward Collision Alert⁶

Front center seat delete

Front Park Assist⁶ delete (recommended for push bumper applications)

Front Pedestrian Braking⁶

Inside rear doors and windows inoperative

Lane Keep Assist with Lane Departure Warning⁶

LED liftgate warning lamps, red and blue

LED spot lamps

Rear Camera Mirror with washer⁶

Recovery hooks¹⁴

Remote Start

Second-row seat delete for K9 or Hazmat

Whelen ION[™] light heads (4) mounted in front grille and integrated Outer Edge[®] Rear Pillar with ION[™] light heads (6), available in multiple red/blue/white color options

Wiring for grille lamps, siren speakers and horn/siren circuit

WARRANTY BENEFITS

WE'VE GOT YOU COVERED

ENJOY ADDED CONFIDENCE WITH COURTESY SERVICES

Every new vehicle purchase comes with a bundle of benefits that can help keep your drivers on the road and your business running smoothly.

ROADSIDE ASSISTANCE¹

Help is waiting if your drivers have a flat tire, run out of gas or find themselves stranded. Specially trained advisors are available 24 hours a day, 365 days a year to help them get back on the road.

- Chevrolet/GMC Qualified Fleet Customers: 5 years/100,000 miles²
- Chevrolet/GMC Retail Customers: 5 years/60,000 miles³
- Buick: 5 years/60,000 miles³
- Cadillac: 6 years/70,000 miles³
- Electric Vehicles: 8 years/100,000 miles³

(NOTE: Eligible non-tow service coverage duration varies for GMC, Buick and Cadillac EVs.)

COURTESY TRANSPORTATION⁴

Courtesy Transportation provides alternative means of travel and/or reimbursement of certain transportation expenses if your eligible fleet vehicle requires warranty repair.

- Chevrolet/GMC Qualified Fleet Customers: 5 years/100,000 miles²
- Chevrolet/GMC Retail Customers: 5 years/60,000 miles³
- Buick: 5 years/60,000 miles³
- Cadillac: 6 years/70,000 miles³
- Electric Vehicles: 8 years/100,000 miles³

(NOTE: Eligible non-tow service coverage duration varies for GMC, Buick and Cadillac EVs.)

INCLUDED MAINTENANCE

Technicians at more than 4,000 Chevrolet, GMC, Buick and Cadillac dealers nationwide are trained to help keep your vehicles running in optimum condition for the road ahead. With your new vehicle purchase, enjoy one maintenance visit within the first year of vehicle delivery⁵. Depending on the model, services could include:

- Oil and filter change
- Tire rotation
- Multi-Point Vehicle Inspection (MPVI)

¹ Roadside service provided by Allstate Roadside Services for vehicles only. Limitations and restrictions apply. ² Whichever comes first. A "Qualified Fleet User" is defined as, subject to below exclusions, any company: (a) which has purchased or leased five (5) or more new cars and/or trucks (any combination of vehicle manufacturers) principally for business use in its operation within the last 12 months; (b) that currently owns or leases five (5) or more medium duty trucks used in its company service; or (c) that currently owns or leases fifteen (15) or more cars and trucks used in its company service. ³ Whichever comes first. See dealer for limited warranty details. ⁴ If the vehicle has a warrantable failure, see your Owner's Manual for full details on the Courtesy Transportation program. ⁵ Includes first required maintenance visit as stated in vehicle maintenance schedule. Maintenance visit consists of oil change, tire rotation, and Multi-Point Vehicle Inspection. Service will be performed using ACDelco dexos1[®] Full Synthetic oil and ACDelco filter. Service visit must occur within the first year of ownership from date of purchase. Does not include air filters. See participating dealer for other restrictions and complete details. Excludes vehicles ordered with fleet delete option RY9. For Chevrolet/GMC Diesel models, maintenance includes first required maintenance visit as stated in vehicle maintenance schedule. Maintenance visit consists of an oil change, tire rotation, and Multi-Point Vehicle Inspection and Diesel Exhaust Fluid (DEF) II. Service will be performed using ACDelco dexos2 or Mobil Delvac[™] 1300 CK4 oil and ACDelco filter and ACDelco Diesel Exhaust Fluid. Service visit must occur within the first year of ownership from date of purchase. Does not include air filters. See participating dealer for other restrictions and complete details. Excludes vehicles ordered with fleet delete option RY9. Chevrolet Corvette maintenance includes one required maintenance visit as stated in vehicle maintenance schedule. Maintenance visit consists of an oil change and Multi-Point Vehicle Inspection. Service will be performed using Mobil 1 ESP 0W40 oil and ACDelco Filter. Service visits must occur within the first year of ownership from date of purchase. Does not include air filters. See participating dealer for other restrictions and complete details. Excludes vehicles ordered with fleet delete option RY9.

BUSINESS ELITE DEALERS

FLEET-FOCUSED EXPERIENCE YOU NEED

Our Chevrolet and GMC Business Elite dealers know your business is unique, just like the demands it faces. Rely on their expertise to get the vehicle selection and service you need to help keep your business on the road.

CUSTOMIZED SOLUTIONS

Business Elite dealers take the time to learn about your challenges and offer solutions to help build a fleet that grows with your business.

- Offer a diverse lineup of commercial vehicles
- Connect you with an upfitter¹ that can equip your vehicle to meet your job requirements
- Discuss total cost of ownership while offering business financing and leasing options

EXCEPTIONAL CUSTOMER SERVICE

Business Elite service departments are set up to provide business-centered benefits.

- Facilities, tools, equipment and certified technicians to accommodate your specific needs
- Extended service hours beyond a 9-to-5 day
- Work-ready loaner vehicles

BUSINESS ELITE

2022 Chevrolet Express Cargo Van 2500 and 2022 GMC Savana Cargo Van 3500 shown.

¹ Upfits are provided by independent suppliers. GM is not responsible for the safety or quality of design features, materials, or workmanship of any alterations by any such supplier.

HOW TO ESTABLISH A NEW GM ENVOLVE FLEET ACCOUNT NUMBER (FAN)

A. DETERMINE IF A PROSPECT IS QUALIFIED

Fleet Account Numbers are assigned to Qualified Fleet Users (defined below) upon application to General Motors and Fleet and Commercial Operations (GM) through the GM Fleet Account Number System (GMFANS).

ENROLLMENT FORM TERMS AND CONDITIONS

A “Qualified Fleet User” is defined as, subject to below exclusions, any business entity that: (a) has purchased or leased five (5) or more new vehicles (any combination of vehicle manufacturers) principally for business use by such business entity in the United States within the last 12 months; (b) currently owns or leases five (5) or more medium duty trucks principally for business use by such business entity in the United States or purchases/leases one (1) medium duty truck from a participating Medium Duty Assistance Program (MDAP) distributor; or (c) currently owns or leases fifteen (15) or more vehicles used principally for business use by such business entity in the United States. Vehicles must be titled and registered in the business name (personal vehicles are excluded). If a proposed enrollee is qualified as a Fleet customer, a GM dealer is required to submit a fleet enrollment application. Supporting documentation must be retained by the dealer and made available to GM upon request (including all titles, registrations, and proof of insurance). The proposed enrollee may be asked for additional documentation.

NOTE: Entities deemed eligible for a Government FAN, with a minimum of one (1) vehicle, are exempt from having to provide vehicle eligibility documents. Examples of government entities are federal/state/county/city agency, town/township/village or municipality, public education system, or government owned-operated utility or railroad. Dealers can refer to the current 23-00 Government Bid Assistance Policies and Procedures bulletin.

A Qualified Fleet User will not include any of the following: OEM and OEM dealers; dealer rental, dealer lease, or dealer parts companies; used car businesses or dealerships; brokers or any other similar entities as determined by GM in its sole discretion. Further, entities listed on GM’s suspected exporter list will not be able to be deemed Qualified Fleet Users, and in the event a FAN has already been issued, such FAN will be immediately terminated.

New Fleet or Commercial motor vehicles ordered must be delivered to the same Qualified Fleet User (using the same GM Fleet Account Number or FAN). Vehicles delivered to a qualified fleet customer must be reported with a Fleet delivery type. In addition, vehicles must be kept in fleet service by the same Qualified Fleet User for a minimum of twelve (12) months from the date of delivery unless a different fleet service requirement is specified in the program guidelines provided by GM under a Competitive Assistance Program agreement (the “Program Guidelines”). Qualified Fleet Users are not allowed to export vehicles outside of the United States, and upon any violation in GM’s sole discretion, the FAN will be immediately terminated.

The Qualified Fleet User, by executing the Enrollment Form, certifies it is a Qualified Fleet User, acknowledges the Fleet Program Guidelines referenced herein, and agrees to comply with any and all GM requirements, including the terms and conditions of this Enrollment Form and any Competitive Assistance Program agreement if one is signed.

The Qualified Fleet User further agrees to provide, upon request by GM or the selling dealer, access to review original business records confirming that vehicles were, and continue to be, registered, used, and transferred only in accordance with GM Program Guidelines. In the event (1) a Qualified Fleet User orders new motor vehicles from a dealer and identifies them as fleet units eligible for GM Fleet programs and those vehicles are not

used by Qualified Fleet User in accordance with Program Guidelines or (2) GM declares in its sole discretion that any other actions of a Qualified Fleet User are inconsistent with this program, GM will take appropriate action, in its sole discretion and with or without notice to the Qualified Fleet User, which may include the disqualification of the Qualified Fleet User and/or dealer from future participation in GM Fleet Programs, and the issuance of fleet charge back against the dealer or identified Qualified Fleet User for any special allowances, incentives, special option packages or other promotional programs which GM paid or credited the dealer or identified Qualified Fleet User as a result of inaccurate representation. In the event of such a chargeback to the dealer, the Qualified Fleet User agrees to reimburse the dealer.

B. IF A PROSPECT IS QUALIFIED

A General Motors dealer is required to submit an enrollment application through GM Global Connect. The enrollment application can be found on the GM Global FANS website. The following information is required:

1. Name of Business
2. Physical Address
3. Phone Number
4. Copies of titles, registrations, or proof of insurance of minimum vehicle requirement, in the company name
5. Completed Qualified Fleet User enrollment form

Upon completion of the enrollment application on the website, dealer will submit this document electronically. Upon processing, a General Motors FAN will be issued, and the requesting dealer will be advised of the FAN via online application and email.

All supporting documentation of the prospect’s fleet eligibility must be retained at the dealership submitting the enrollment application.

STANDARD FLEET ELIGIBILITY GUIDELINES

Unless otherwise indicated, the following eligibility guidelines will apply to all fleet incentive/allowance programs:

- A. The order period will begin with the announcement of the 2024 model year fleet incentive programs and end when dealers are notified that 2024 model year orders are no longer being accepted by the respective GM divisions.
- B. The delivery period is the start of 2024 production.
- C. Eligible vehicles must remain in service for a minimum of twelve (12) months (even if the retail alternative incentive is selected). However, if a vehicle has been damaged beyond repair (i.e., fire, frame, or water damage, etc.) and documentation is available to support the condition, this provision will be waived.
- D. All qualified fleet orders for eligible models received from dealers must contain a valid fleet order type.
- E. All qualified fleet orders for eligible models received from dealers must contain the FAN of record and the FAN account name.
- F. Dealer Order Acknowledgments must be checked to verify accuracy of orders submitted.

- G. Dealer orders currently on hand or in the system that qualify under these programs, except that they do not contain the appropriate processing options, can be amended or canceled and reordered if they have not been approved for production (preferred). This is the ordering dealer’s responsibility.
- H. Vehicles delivered to unqualified customers are ineligible, and the dealer’s open account will be debited for the amount of the credit and any other fleet allowance paid. Failure to comply with these guidelines may also result in the dealer being disqualified from future participation in fleet programs and/or termination of the dealer’s Sales and Service Agreement. Failure to report a FAN and valid fleet delivery type on the delivery record, if required by the GM division, will automatically generate a debit to the dealer’s open account.
- I. Eligible passenger car deliveries must be made to the ultimate customer through a dealership representing the GM marketing division. Passenger car deliveries made through any entity or individual other than the General Motors dealer are ineligible for payment. Eligible light-duty truck orders may be delivered through body builders if the end user is a qualified fleet or political subdivision, including the federal government.
- J. Dealers must take full responsibility for including the proper processing option on the orders. No additions or changes will be accepted after orders are approved for production (preferred).
- K. Fleet orders submitted with both a fleet processing option and any ineligible fleet or retail incentive option will be rejected with an error message.
- L. Acceptance of an order on any vehicle line does not constitute a commitment to build or to build in a requested time frame.
- M. Those orders not produced during the 2024 model production period will be canceled. There are no provisions for dealers to receive any allowance for those canceled orders.
- N. Order Workbench delivery codes reported by dealers must be the same as the Order Workbench codes provided in incentive program guidelines.

IMPORTANT

Information contained in this reference guide is intended to be a quick reference digest only. In no way does it supersede program dealer letters or guidelines. To ensure accuracy, check official documents before placing any orders. Specific questions or requests for assistance should be addressed to the GM Envolve Fleet Action Center.

ABOUT THIS GUIDE

We reserve the right to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this guide and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings, prototypes and laboratory tests.

Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of release – please check with your GM dealer for complete details. Competitive comparison claims are based on most current competitive information. GM reserves the right to lengthen or shorten the model year for any product for any reason, or to start and end model years at different times.

The vehicles described in this guide are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers, and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in GM vehicles. Certain equipment ordered may be unavailable at the time of assembly. Some of the equipment shown or described throughout this guide may be available at extra cost and/or supplied by an independent supplier.

See your local GM Envolv Account Executive or Dealer Fleet/Commercial Sales Manager, or go to gmenvolve.com for up-to-date information.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES

Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.
