BMW Approved Bluetooth telephones

BMW Approved Bluetooth telephones have been tested by BMW for compatibility / functionality in BMW vehicles. The telephones below, with the relevant software versions loaded, are compatible with the BMW X3. Please refer to your BMW Dealer for details of the software versions required.

Motorola V3
Motorola V635
Nokia 6230i
Siemens S65
Sony Ericsson K750i
Sony Ericsson W800i

BMW snap-in adapters enable charging of the phone in the car, in-car storage of the phone and connection to the vehicle's external phone aerial for improved reception. These adapters are available from your BMW Dealer and are suitable for the above phones.

Note: Not all Bluetooth-enabled mobile phones are compatible with the Bluetooth interface in BMW vehicles and not all mobile phone functions can be used with the hands-free kit. In addition, changes to the mobile phone software by the phone manufacturer may result in the phones no longer being completely compatible or connectable.

Stylish. Dynamic. Exclusive. Experience the drive that is BMW.

Notice to Customers. While BMW Group Australia has endeavoured to ensure that all information, representations, illustrations, specifications and prices contained in these materials are accurate at the time of publication, product features, specifications, models and prices are subject to change without notice and BMW Group Australia makes no commitment as to the availability of any good or service. The information in these materials should always be read in conjunction with other materials and information available from BMW Group and its dealers. Some vehicles pictured may contain non-Australian standard equipment. Some models may be shown with optional equipment. Further information can be obtained from your BMW dealer. Recommended retail prices are shown and exclude dealer charges, stamp duty, statutory charges and on-road charges which vary between dealers. To the extent permitted by law, BMW Group Australia excludes all express and implied warranties and all liability, whether direct, indirect, special or consequential, arising from negligence or otherwise relating to the use of these materials, any inaccuracies and for any non-compliance by any goods or services with any representations, illustrations, specifications, product features, colour or other information contained in these materials. Where, by law, BMW Group Australia is not permitted to exclude its liability but is permitted to limit its liability, its liability will be limited to, at its discretion, refunding the price of the goods or services or providing, replacing or repairing those goods or providing those services again. Nothing in these terms and conditions should be taken to limit the operation of the statutory warranties implied under the Trade Practices Act 1974 (Cth) or related consumer protection laws.
