Equipped with the best ideas.

Original BMW accessories.

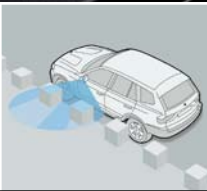

Original BMW exterior accessories offer you a new outlook, with stylish options such as high-quality alloy wheels and powerful aerodynamic components. All of them have been specifically designed to complement the sporty looks and performance of the BMW X3, and all of them have undergone the most stringent tests on both the materials and the design to ensure that they meet BMW's strict quality standards. So you can be confident your BMW is as good to drive as it is to look at.

Original BMW interior accessories let you put your personal stamp on the inside of your BMW X3. Whether the look you prefer is elegant or sporty, the quality of the design, materials and workmanship will impress even the most discerning of passengers.

Original BMW communication and information system accessories combine state-of-the-art technology with total flexibility. Whether you want a navigation system to guide you direct to your destination, excellent telephone links, or just a little entertainment, there's a solution here that's right for you. So your journey can be whatever you want it to be.

Original BMW accessories offer a wide choice of transportation and luggage compartment solutions, giving you all the extra carrying capacity you need. Everything, from roof rack systems to solutions for the luggage compartment and interior of the car, is designed especially for the BMW X3. All the accessories options are also very user-friendly, enabling you to use the vehicle for whatever activity you want with a minimum of fuss.
