Original BMW accessories

Beauty that's more than skin-deep. Original BMW exterior accessories.

Original BMW exterior accessories offer you a whole new outlook on life. Take for example the high-quality alloy wheels and sporty aerodynamic components. All of these have been specifically designed to complement the dynamic looks of the BMW 3 Series, and all of them have undergone the most stringent tests on both the materials and the design to ensure that they meet BMW's strict quality standards. So you can be confident your BMW is as good to drive as it is to look at.

Create your own atmosphere. Original BMW interior accessories.

Original BMW interior accessories let you put your personal stamp on the interior of your BMW 3 Series. Whether the look you prefer is elegant or sporty, the quality of the BMW design, the materials and the workmanship will create an ambience to impress even the most discerning of passengers.

Get the full picture. Original BMW communication and information accessories.

Original BMW communication and information system accessories combine state-of-the-art technology with total flexibility. Whether you want a navigation system to guide you direct to your destination, excellent telephone links, or just a little entertainment, there's a solution here that's right for you. So your journey can be whatever you want it to be.

Solutions to meet every need. Original BMW transportation and luggage solutions.

Original BMW accessories offer a wide choice of transportation and luggage compartment solutions, giving you all the extra carrying capacity you need. Everything, from roof rack systems to solutions for the luggage compartment and interior of the car, is designed especially for your BMW, and is extremely user-friendly – so you can use the car for whatever activity you want with a minimum of fuss.

The right accessories, the right service.

The excellence of BMW cars is matched only by the quality of BMW service. When you visit your BMW dealer, you can expect expert professional advice from highly trained staff using the very latest in diagnostic technology. All work on your car – from the fitting of accessories to the retouching of paintwork – will be carried out to the highest quality and environmental standards, and BMW's global dealer network means help is always at hand, wherever you are in the world. Because the quality of service you get off the road should be as memorable as the Sheer Driving Pleasure you get on it.

For more information on what is available from BMW Service, please contact your BMW Service Centre, or visit www.bmw.com
