TIME STARTS NOW

10 minutes and 53 seconds.
That's all it took for the Mustang
to drive into cinematic history
and become an icon
for generations to come.

50 years after what critics call
one of the best car chase scenes
of all time, the legend is back.

In all its glory, power and prestige,
the 50th anniversary edition
Mustang BULLITT is here.

None Like It

As rare as it is fast, a limited number will be released in Australia. Each one is unique with an individually numbered plaque on the passenger side dashboard, with a BULLITT badge on the boot and steering wheel.

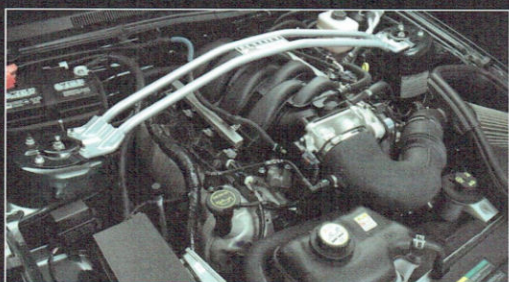

The Legend Reborn

Paying homage to the original, the Mustang BULLITT comes only in manual transmission and Dark Highland Green paint. A white cue-ball gear knob, chrome surround on the black grille and windows, keeps it true to Steve McQueen's legendary Pony.

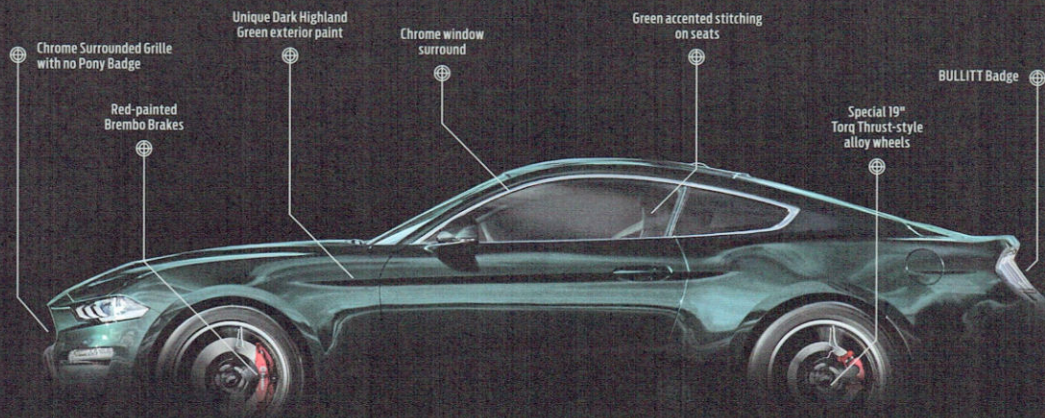

A Modern Classic

With intuitive Sat-Nav, Apple CarPlay and Android Auto¹ smartphone capability, the Mustang BULLITT combines the design elements of the original 1968 Mustang with 21st century technology.

Pure McQueen

With a powerful 5.0L V8 engine, the Mustang BULLITT hosts larger 87mm throttle bodies, with an impressive 345kW of power and 556Nm of torque². Feel the power and get ready to hear that iconic spine-tingling exhaust note through a four-mode Active Valve Exhaust, emulating that famous growl that once echoed across the streets of San Francisco.

- Chrome Surrounded Grille with no Pony Badge
- Red-painted Brembo Brakes
- Unique Dark Highland Green exterior paint
- Chrome window surround
- Green accented stitching on seats
- BULLITT Badge
- Special 19" Torq Thrust-style alloy wheels
