

# FORD MONDEO

Feel the difference

## Feel the difference

In a world of me-too products, the latest Fords really stand out. Award-winning design and amazing technology can be yours across the range. Take a test drive and feel the difference.

2-11

### Ford kinetic Design

Ford kinetic Design is the reason why our vehicles look more exciting than ever before. Bold, dynamic lines that create energy in motion.

12-15

### Quality

We design and build your Ford to feel as good after many years of service as it did the day you picked it up. And to drive just as beautifully, too.

16-17

### Green

Using advanced Ford ECOnetic Technology, we're committed to creating vehicles with improved fuel economy, reduced CO<sub>2</sub> emissions and a lower overall cost of ownership.

18-19

### Safe

Ford's Intelligent Protection System uses sophisticated technology designed to help prevent an accident and, if one should happen, to protect you.

20-21

### Smart

Cars that park themselves, windscreen wipers that know when it's raining – just some of the many clever solutions from Ford that make life a little easier.

22-31

### Choose your Ford Mondeo

- Edge
- Zetec
- Titanium
- Titanium X
- Titanium X Sport

32-33

### The range

34-41

### Add those extra touches

### Ownership

**I take intelligent risks.  
The rewards speak for themselves**

Ford Mondeo Titanium 5-door in Lunar Sky metallic paint (option) with 18" Y-spoke alloy wheels (option and accessory), and Bi-Xenons (option). LED daytime running lights, chrome finish side window surround and door mirrors with integral indicators are all standard.

**I know my limits.  
I just like to push them now and again**

Ford Mondeo Titanium estate in Panther Black metallic paint (option) with 18" 5-spoke alloy wheels (option and accessory), featuring Windsor premium leather seat facings in Ebony (option), and Seat Pack (option). Ford Mondeo Titanium in Ice White special metallic paint (option), Bi-Xenons (option), keyless entry (option), privacy glass (option), bodystyling kit (accessory), and 18" Y-spoke alloy wheels (option and accessory).

The best thing about reaching the top  
is there's always another mountain to climb

Ford Mondeo Titanium estate in Lunar Sky metallic paint (option) with 18" Y-spoke alloy wheels (option and accessory), chrome roof-rails (option), parking distance sensors – front and rear (option), keyless entry (option), and 2.0 EcoBoost (203 PS) engine with Ford PowerShift transmission. Chrome finish side window surround, LED brake lights and concealed antenna are all standard.

**With the right kit, you can always  
stay ahead of the chasing pack**

Ford Mondeo Titanium X Sport in Ice White special metallic paint (option), Adaptive Cruise Control (ACC) (option), keyless entry (option), and with 19" Y-spoke alloy wheels and 2.2 Duratorq TDCI engine (200 PS). Unique sports bodystyling, including side skirts, front bumper skirt and rear bumper skirt with integral diffuser, is standard.

**Note** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company Limited and its associated companies is under licence. Other trademarks and trade names are those of their respective owners.

**Note** It is an offence for drivers to use a hand-held mobile phone or similar device while driving.

**You need to live a little  
to appreciate the finer things in life**

Ford Mondeo Titanium with Windsor premium leather seat facings in Ebony (option), Sony DAB audio system with Bluetooth® with Voice Control System plus USB interface for your iPod®.

**Windsor leather trim**

Ford Mondeo's Windsor premium leather seat facings ensure you always feel special, whatever the occasion. (Option on Titanium and Titanium X)

**Proven quality**

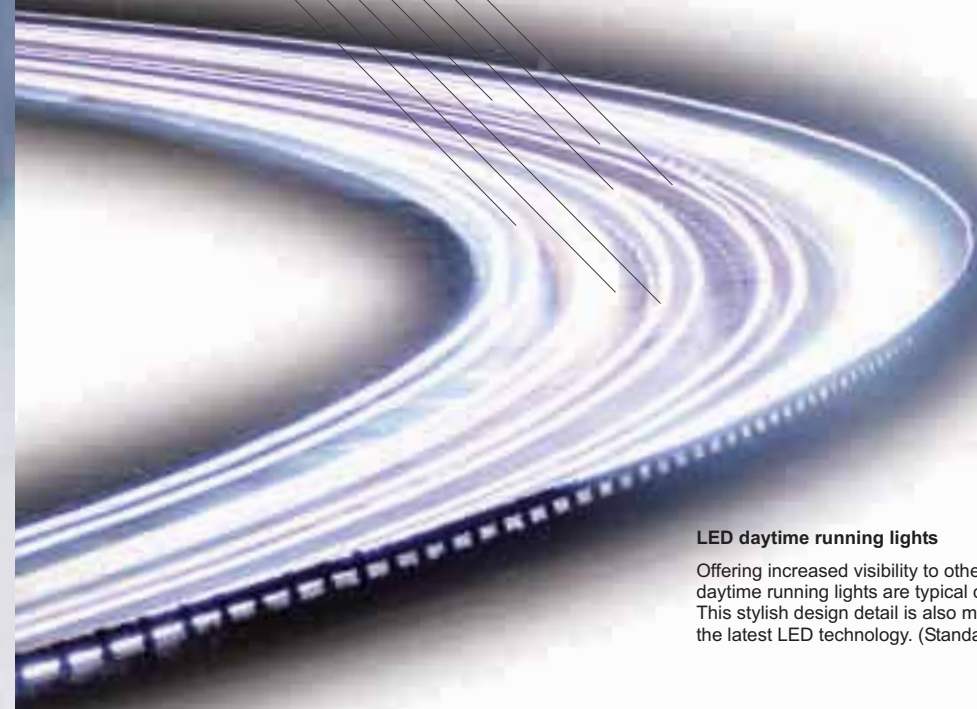

Ford Mondeo has been tested to endure a level of punishment far beyond the everyday stresses and strains of motoring. Our test vehicles were put through trials that included opening and closing the doors 84,000 times (including 5,000 hard slams) and spraying the bodywork with a mixture that replicates salty and acidic fog. Every Mondeo that leaves the factory is built to withstand these, and many more, demanding tests.

**Relentless testing**

During its development, we test drove Ford Mondeo the equivalent of 46 times around the globe. We pushed it through the extremes of real-world weather from -40°C to +80°C and tested it over and over again. It's a car you can rely on, right down to the smallest ball bearing.

- 4,514 km
- 17,202 km
- 48,381 km
- 93,622 km
- 137,978 km
- 178,334 km
- 230,219 km

**LED daytime running lights**

Offering increased visibility to other road users – particularly in poor weather – the new LED daytime running lights are typical of the attention to detail to be found throughout Ford Mondeo. This stylish design detail is also more energy efficient than dipped headlights due to its use of the latest LED technology. (Standard on Titanium, Titanium X and Titanium X Sport)

**All road testing**

Ford Mondeo withstood the rigours of Ford's Lommel proving ground, which recreates some of the driving conditions found on the worst roads in Europe

**Satin black centre stack**

Sophisticated looks, feel and functionality (Standard)

**Chrome finish side window surround**

(Standard on Titanium, Titanium X and Titanium X Sport)

**Boosting efficiency**

Our turbo diesel engines are now joined by a new generation of high-efficiency EcoBoost turbocharged petrol engines, which combine higher power and a broader spread of torque with reduced emissions and lower fuel consumption.

Engines with greater efficiency and more power, adaptive suspension and the option of Ford PowerShift transmission make Ford Mondeo more than ever a true driver's car.

**Total control**

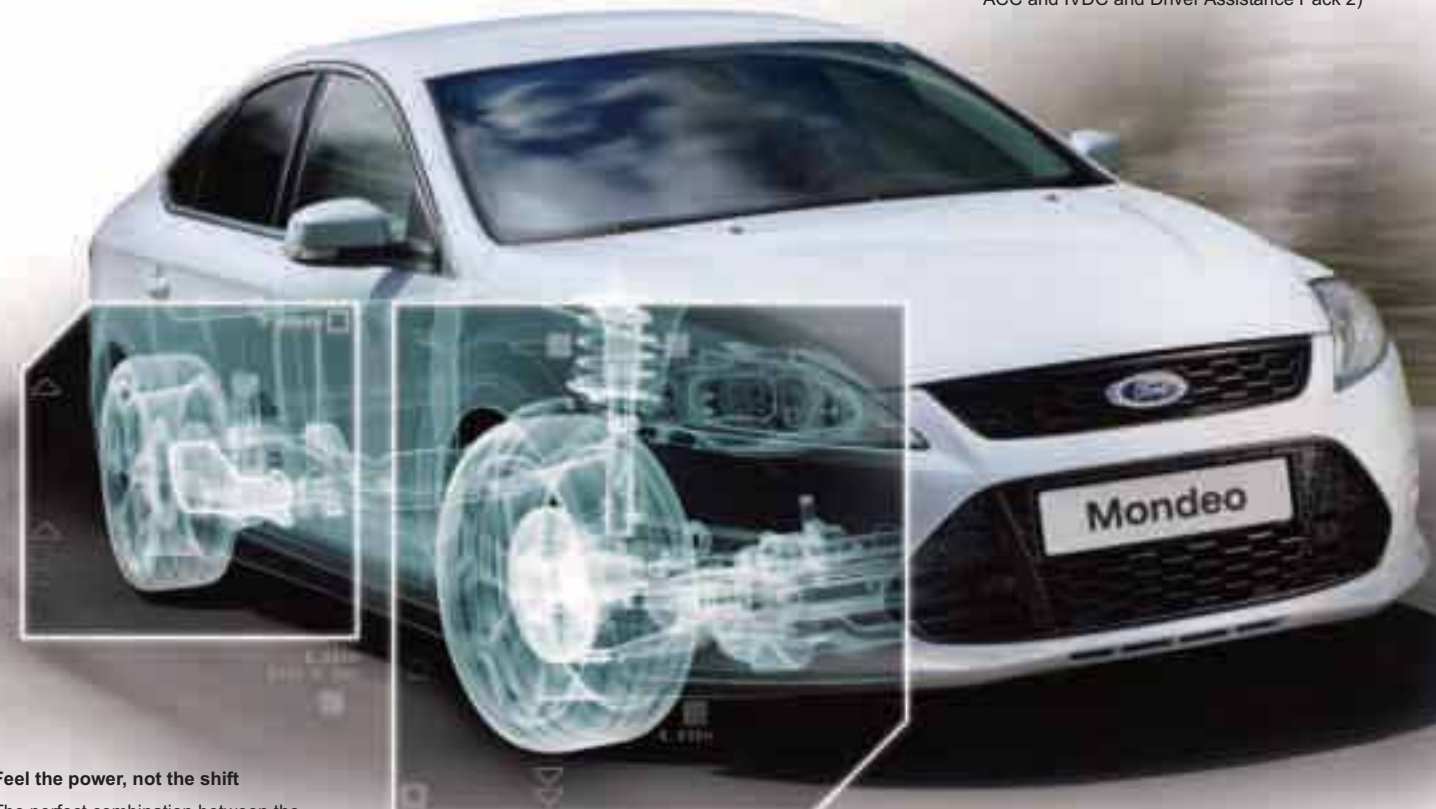

**Control Blade independent rear suspension**

For a smoother ride and more precise handling, this advanced rear suspension system allows each wheel to independently move both upwards and backwards over bumps in the road.

**Interactive Vehicle Dynamics Control (also called Driver Select Suspension)**

Lets you switch between suspension modes – sport, normal and comfort – as the mood takes you. With each damper adjusted five times per second, you're guaranteed the best possible occupant comfort and road contact, and notable improvements in handling, stability and braking performance. (Option, also available as part of ACC and IVDC and Driver Assistance Pack 2)

**Feel the power, not the shift**

The perfect combination between the convenience of an automatic and the smoothness and driving performance normally associated with a manual. Ford PowerShift 6-speed automatic transmission cleverly selects the next appropriate gear at exactly the right moment, delivering lightning-fast gear changes with no disruption to the flow of power. Compared with a conventional automatic, Ford PowerShift gives you better fuel economy.

**19" alloy wheels with sports suspension**

(Standard on Titanium X Sport)

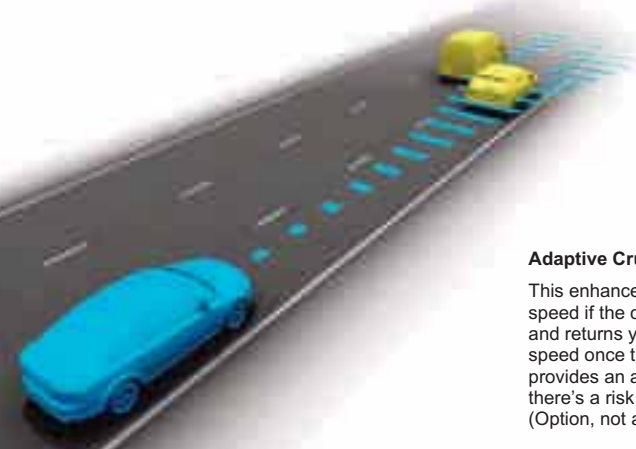

**More power, less fuel**

Ford Duratorq TDCi diesel engines deliver a more efficient and quieter drive, thanks to an advanced two-stage fuel injection process that ensures precisely the right amount of fuel is supplied.

The latest 1.6 Duratorq 115PS TDCi engine combines this ECONetic engine technology with Auto-Start-Stop, low rolling resistance tyres and sports suspension to provide CO<sub>2</sub> emissions of just 114g/km

**Adaptive Cruise Control with Forward Alert**

This enhanced cruise control system adjusts your speed if the car in front is travelling more slowly, and returns you to your previously specified speed once the way is clear. Forward Alert provides an audible and visual warning when there's a risk of colliding with the vehicle ahead. (Option, not available on Edge and Zetec)

Ford ECOnetic Technology is designed to reduce your cost of ownership through improved fuel economy and lower CO<sub>2</sub> emissions, without any compromise on style or driving quality. Much of this technology is brought together in our ECOnetic models, which deliver some of the lowest fuel consumption and CO<sub>2</sub> emissions in the Ford range. In the near future our ECOnetic Technology will expand to include electric and hybrid-electric vehicles, biofuel-capable vehicles, plug-in hybrids and hydrogen fuel cell-powered vehicles.

What can Ford ECOnetic Technology do for you?

#### Ford ECOnetic Technology

- Ford EcoBoost fuel-efficient petrol engines (see right)
- Ford Duratorq TDCi advanced diesel engines – provide exceptional fuel economy and low CO<sub>2</sub> emissions
- Ford PowerShift dual clutch automatic transmission – combines the efficiency of manual transmission with the convenience of a conventional automatic
- Ford Auto-Start-Stop (see right)
- Ford Smart Regenerative Charging – charges the battery every time you brake
- Ford Electric Power-Assisted Steering – a more efficient system that uses less engine power
- Active Grille Shutter – improves aerodynamics and lowers fuel consumption
- Ford Eco Mode driver information system – shows you when you're achieving optimum fuel efficiency
- Shift Indicator – advises you when to change gear for maximum fuel efficiency

#### Ford EcoBoost

With direct petrol injection, turbocharging and variable valve timing, Ford EcoBoost engines deliver power and torque consistent with larger displacement engines. The 1.6 160 PS EcoBoost Auto-Start-Stop engine in the new Mondeo has more power than the 2.0 Duratec engine, and yet it achieves better fuel economy and lower CO<sub>2</sub> emissions.

#### Ford Auto-Start-Stop

When your vehicle is idling at a standstill, the engine automatically shuts down to save fuel consumption. When you want to drive off, the engine immediately restarts.

#### Electric and Hybrid vehicles

Our electrically-powered vehicles will produce zero emissions. Rechargeable through wall outlets and targeted to get up to 100 miles per charge, they'll be ideal for a daily commute and trips around town. In addition, two next-generation hybrid models are under development.

## Working for a cleaner tomorrow

At Ford, we've been quietly and consistently reducing our impact on the environment. Here are just a few headlines:

- Since 2000, we've reduced manufacturing plant energy consumption by over 27% and CO<sub>2</sub> emissions by 31% worldwide
- Between 2003 and 2008, Ford reduced water consumption in its plants across Europe by 40%
- Solar/photovoltaic panels on the roof of our Bridgend engine plant in the UK generate enough power to light an area of around 10,000 square metres
- Almost 300 parts used in European Ford vehicles are made from recycled non-metallic materials – potentially avoiding 17,000 tonnes of waste going to landfill sites every year

Two 85m high wind turbines provide the equivalent electricity needed to power Ford's Dagenham Diesel Centre. With a combined maximum output of 3.6MW, they generate over 6.7million KWh of electricity every year, enough power equivalent to that required to run the plant.

Our Cologne plant utilises hydro-electric power from Norway and Sweden. This reduces CO<sub>2</sub> emissions by 190,000 tonnes a year. Shipping their finished vehicles on Rhine river barges means fewer truck journeys and less fuel consumed to further reduce CO<sub>2</sub> emissions.

### Halogen Adaptive Front lighting System with static cornering lights

Swivels the low beam headlights by up to 15 degrees to aim in the direction you are heading, with static cornering lights providing extra light for sharp bends and junctions. (Standard on Titanium X)

To protect you and your passengers, Ford Mondeo holds the perfect balance between passive and active safety systems.

## Balanced protection

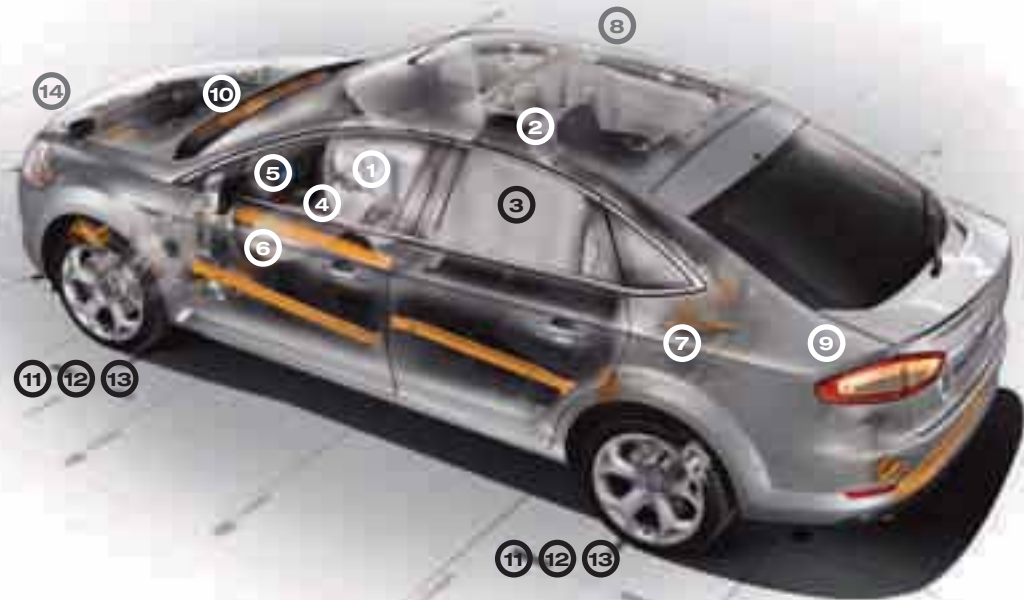

### Lane Departure Warning

Alerts the driver if they exit their lane on the highway without using the indicator. Three short vibrations are sent through the steering wheel, along with a visual warning in the instrument cluster. (Option, as part of Driver assistance packs)

### Safety without compromise

Ford Mondeo's holistic approach to safety is reflected by a 5-star adult occupant protection rating, the maximum rating awarded by Euro NCAP, along with a 4-star rating for child occupant protection.

1. Driver's and front passenger's airbags♦
2. Driver's and front passenger's side airbags
3. Side curtain airbags
4. Driver's inflatable knee airbag
5. Collapsible steering column and retractable pedals
6. Side impact door beams
7. ISOFIX fixing points for child seats on rear outer seats
8. Rigid steel safety cage
9. Automatic flashing of brake lights under heavy braking
10. Engine compartment cross-beam and energy-absorbing subframe
11. Electronically-controlled anti-lock brakes (ABS) with electronic brake-force distribution (EBD)
12. Electronic Stability Programme (ESP) with Traction Control and Emergency Brake Assist (EBA)
13. Front and rear disc brakes
14. Adaptive Cruise Control with Forward Alert (option)

\*Note: A child seat should never be placed in the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag. The safest place for children is properly restrained on the rear seats.

\*Not available with 1.6 Duratec Ti-VCT petrol engine, and 2.0 Duratec (145 PS) petrol engine.

### Adjustable Speed Limiting Device\*

Available as part of cruise control, this system lets you set your top speed (active from 20 mp/h) and the engine management system ensures the vehicle remains within your set limit. (Not available on Edge series, or with 2.0 145PS petrol engine)

### Auto High Beam

Switches the headlights from high beam to low beam as soon as it detects oncoming traffic or adequate street lighting. When the road is clear, the system automatically switches to high beam again. (Option, as part of Driver assistance Packs)

### Driver Alert

Uses a road-monitoring camera to assess the driver's alertness levels and displays them in the instrument cluster: a steering-wheel icon represents an alert driver; a coffee cup means a break is recommended. If the driver fails to stop, the warning is repeated at regular intervals with a warning chime. (Option, as part of Driver assistance packs)

Smart technology is integrated into every corner of the Mondeo to make life safer and easier. A range of new state-of-the-art features such as Blind Spot Information System and Lane Departure Warning are now available to Mondeo drivers for the first time.

## Technological superiority

### 'Ford Power' Starter Button

Start the car without ever holding the key. Just keep the key fob with you in your pocket or bag. (Standard on Titanium, Titanium X and Titanium X Sport)

### Blind Spot Information System

This high-tech visual aid is designed to make longer journeys a far more relaxing experience. As a car, van or lorry enters your blind spot, it alerts you with a discreet warning light built into the driver's and passenger's power foldable door mirrors.

(Available as a single option on Zetec and as part of Driver assistance packs on: Titanium, Titanium X and Titanium X Sport)

### Air quality sensor

When external air pollution is detected, the sensor automatically switches the air conditioning to recirculation mode, and switches back when air quality improves. (Option)

### Rear-view camera

Select reverse gear and the rear-view camera activates automatically in the Touchscreen Navigation PLUS display screen, allowing you to see objects behind your car. Special guidance graphics indicate the width and centre line of the car, based on the steering angle, for safer and easier manoeuvring.

(Included as part of the optional Touchscreen Navigation PLUS system)

### Acoustic windscreen

A specially developed acoustic vinyl is set in the windscreen to reduce noise levels.

A quieter interior gives more clarity to conversation, music or your valuable thinking time. (Standard on all Mondeo)

### Self-retracting tonneau cover

An easy to use and convenient cover for your luggage. (Standard on Mondeo Estate models only)

### Power rear door and window child locks

Secure your most precious cargo with a flick of a switch on the driver's door. (Standard on all Mondeo)

### Capless refuelling with Ford Easy-Fuel

No dirty fuel caps to touch. Ford Easy-Fuel with its unique safeguard ensures nobody accidentally fills up with the wrong fuel. (Standard on all Mondeo)

# Edge

Model shown is an Edge in Moon dust Silver metallic paint (option)

Edge gives you elegance and style with a generous level of equipment.

## Features

- 16" 7-spoke wheel covers
- Advanced Bluetooth® Hands-Free & Voice Control System
- Ford Easy Fuel
- Thatcham approved alarm
- Air conditioning
- Quickclear heated front windscreen
- Cruise control
- Electrically-operated front & rear windows
- Power rear door & window child locks
- Leather-trimmed steering wheel
- Body colour bumpers & door mirrors
- Chrome upper grille surround
- Tinted glass
- Electrically-operated & heated door mirrors with integral indicators
- Human Machine Interface (HMI) with Standard cluster display
- Driver's seat electric height adjust with manual lumbar adjustment
- Trip computer
- Rear seat centre armrest
- Seven airbags, including driver's knee airbag
- Remote control central locking
- Electronic Stability Programme with Traction Control & Emergency Brake Assist (EBA)

**Door mirrors with body colour caps and integral indicators**  
(Standard)

**LED rear brake lights**  
(Standard)

**Driver and passenger seat lumbar adjustment**  
(Standard)

**Headlight courtesy delay**  
The headlights stay on for a few seconds to illuminate the way to your front door.  
(Standard)

**Capless refuelling with Ford Easy-Fuel**  
No dirty fuel caps to touch. Ford Easy-Fuel with its unique safeguard ensures nobody accidentally fills up with the wrong fuel.  
(Standard)

**Toggle controls**  
Steering wheel-mounted toggle controls let you operate the audio system and trip computer without taking your hands off the wheel. (For use with Ford audio systems only) (Standard)

# Zetec

Model shown is a Zetec 1.6 160PS EcoBoost 6-speed manual in Micastone metallic paint (option).

Extra enhancements and more technology are found in Zetec.

## Additional to Edge

- 16" alloy wheels
- Front fog lights
- Air conditioning with Dual-zone Electronic Automatic Temperature Control (DEATC)
- Adjustable Speed Limiting Device (not available with 2.0 145PS petrol engines)
- Leather gearshift knob
- Body colour door handles
- Illumination of driver and passenger sunvisor mirrors
- Map reading lights front and rear

Leather-trimmed steering wheel  
(Standard)

Leather-trimmed gearshift knob  
(Standard)

16" 5x2-spoke alloy wheel  
(Standard on Zetec)

Air conditioning with Dual-zone Electronic Automatic Temperature Control (DEATC)  
(Standard)

Illuminated driver and passenger vanity mirrors  
(Standard)

Global opening and closing of windows  
Open or close all windows with the ignition off  
(Standard)

# Titanium

Model shown is a Titanium 2.0 203PS EcoBoost PowerShift automatic in Lunar Sky metallic paint (option) and keyless entry (option).

Titanium offers the ultimate in modern, contemporary styling and innovative technological features.

## Additional to Zetec

- 17" alloy wheels
- Sony DAB audio system & USB connectivity port
- Chrome upper & lower grille surrounds
- LED daytime running lights
- Automatic headlights & rain-sensing wipers
- Auto-dimming rear-view mirror
- Sports-style front seats
- Chrome finish on upper doorline
- Chrome finish side window surround
- Ford Power Starter Button
- Ford Convers+ instrument cluster with colour screen
- Power 2-way passenger seat height adjust
- Electrically-operated, heated & folding body colour door mirrors with integral indicators and puddle lights
- Brushed Titanium Cool interior trim
- Leather-wrapped handbrake
- B-pillar air vents for rear-seat passengers
- Front and rear carpet floor mats
- Front interior ambient lighting
- Front footwell illumination

Chrome finish side window surround  
(Standard)

Soft feel leather-trimmed steering wheel  
(Standard)

Brushed-finish front door scuff plates and  
footwell illumination  
(Standard)

LED daytime running lights  
(Standard)

Auto-dimming rear-view mirror  
(Standard)

Automatic headlights and rain-sensing wipers  
(Standard)

# Titanium X

Model shown (left image and above image) is a Titanium X 2.0 203PS EcoBoost PowerShift automatic in Lunar Sky metallic paint (option) and keyless entry (option).

Extra touches of luxury and technology are hallmarks of the Titanium X.

### Additional to Titanium

- Halogen Adaptive Front lighting System (AFS) with static cornering lights
- Front & rear parking distance sensors
- Alcantara/leather seat trim
- Variable climate control front seats with heated/cooled cushion & seatback
- Rear seat centre armrest with stowage area & cup holders

Sunblinds  
(Option as part of Summer pack)

17" 5x2-spoke alloy wheel  
(Standard)

Alcantara and Napoli leather seat trim  
(Option)

Climate front seats  
(Standard)

Front and rear parking distance sensors  
(Standard)

Halogen Adaptive Front lighting System (AFS) with static cornering lights  
(Standard)

## Titanium X Sport

Model shown (left image and above image) is a Titanium X Sport 2.0 240PS EcoBoost in Ice White special metallic paint (option).

From every perspective, the Titanium X Sport is the epitome of modern sports style.

### Additional to Titanium

- 19" 5-spoke alloy wheels
- Sport suspension
- Bi-Xenon headlights with washer jets
- Unique sports bodystyling, including front bumper skirt, side skirts & rear bumper skirt with integral diffuser
- Honeycomb upper & lower front grilles
- Unique sports interior styling, including red detail stitching to steering wheel, door panel inserts & gearshift gaiter
- Alcantara/leather seat trim with red sports detail stitching
- Rear spoiler (excluding 5 door with TDCi PowerShift/Automatic)
- Straight twin exhausts with finishers (excluding 2.0 TDCi engines)
- Front & rear carpet mats with red sports detailing
- Centre stack finished in high-gloss Piano Black
- Instrument panel insert & front door spears finished in Carbotex
- Pedal set & footrest with aluminium covers

#### Bi-Xenon headlights

More than twice as powerful as conventional headlights, but use only two-thirds of the energy. (Standard)

#### Honeycomb upper and lower front grilles

(Standard)

#### Pedal set and footrest with aluminium covers

(Standard)

#### Alcantara/leather seat trim with red detail stitching

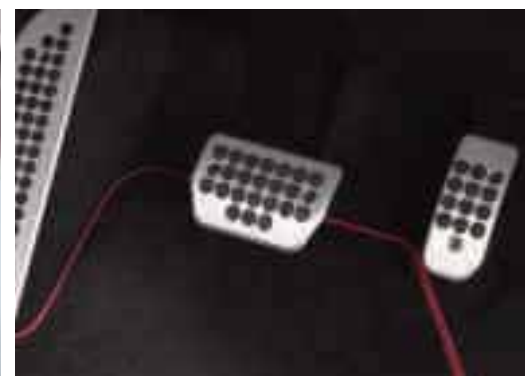

(Standard)

#### Front door spears finished in Carbotex

(Standard)

#### Ford Power Starter Button

(Standard)

## Edge

**Key features include**

- 16" 7-spoke wheel covers
- Advanced Bluetooth® Hands-Free and Voice Control System
- Thatcham approved alarm
- Air conditioning
- Ford Easy Fuel system
- Power rear door & window child locks
- Cruise control
- Body colour bumpers

## The Range

**Mondeo Individual Exterior Styling Pack**

From the front, eye-catching details include a distinctive upper and lower honeycomb grille in gloss black, and body colour front bumper and side skirts.

**Rear spoiler**

Available for the Mondeo 5-door and estate (Option, not available on Ambiente. Also available as an accessory)

A single glance at the Ford Mondeo is all it takes to connect with its Ford kinetic Design – that sense of dynamic forward movement, even when it's standing still. Now you can make it even more exciting to look at with the Ford Mondeo Individual Exterior Styling Pack.

**Mondeo Individual exterior styling****Ford Mondeo Individual Exterior Styling Pack**

(Standard on Titanium X Sport; also available separately as accessories)

- Body colour front bumper skirt
- Unique body colour side skirts
- Rear lower bumper area with diffuser in gloss black paint and lower bumper side corners in body colour
- Honeycomb upper and lower front grilles
- Polished stainless steel tailpipe finisher\*

Custom-designed premium styling elements make your Mondeo stand out from the crowd. In addition to body colour front and side skirts, the rear lower bumper area includes a diffuser in gloss black and body colour side corners. The unique honeycomb design upper and lower front grilles are also painted in gloss black to complement the sporty appearance of the pack.

Shown above in order from top are the Mondeo 5-door and estate with the Individual Exterior Styling pack and 18" Individual alloy wheels in Mystique silver paint (option). For more sports appeal, a body colour rear spoiler is available as a separate option.

**Ford Mondeo Partial Dress Up Kit**

(Accessory)

- Front lower bumper panel in silver or gloss black\*\*
- Rear bumper diffuser in silver or gloss black\*\*
- Polished stainless steel tailpipe finisher\*

\*\*Depending on body colour.

The Partial Dress Up Kit is a great opportunity to enhance the muscular style of your Ford Mondeo Trend. Viewed from the front, the silver-painted lower appearance panel creates a more purposeful stance. And from the rear, the silver-painted rear diffuser and polished stainless steel tailpipe finisher combine to give a clear signal of Ford Mondeo's dynamic abilities.

Shown from top are the Mondeo estate and 5-door with the Partial Exterior Styling pack and 17" 5x2-spoke alloy wheels (option and accessory). For more sports appeal, a body colour rear spoiler is available as a separate option or accessory.

\*2.0 EcoBoost petrol and 2.2-litre Duratorq TDCi diesel engine, which have dual straight tailpipe finishers already as standard.  
All features also available as accessories except fog light and LED daytime running lights.

#### Bluetooth® with Voice Control System

Enables you to make hands-free calls, while the Voice Control System technology lets you control your Bluetooth®-compatible mobile phone (phone not included), audio, navigation (where specified) and air conditioning (excluding Edge except when navigation specified) with the sound of your voice. (Standard)

Ford Mondeo is now available with the finest-quality audio systems we have ever offered – with the pleasure of concert-quality sound within your car.

## Audio

#### Sony DAB audio system with USB Connectivity port

Add a new dimension to your in-car music with Sony DAB audio systems. Featuring Programme Type (PTY) and Digital Sound Processing, the Sony DAB Radio/CD/MP3 player has 40 programmable stations & nine speakers for enhanced sound quality and DAB digital technology.

Bluetooth® audio streaming compatibility with certain mobile phones. (see your Ford Dealer for details)

(Sony DAB audio is standard on Titanium, Titanium X & Titanium X Sport; also available as an option on Zetec)

#### Premium Sound System

This is the ultimate in Ford Mondeo sound, featuring an 8-channel amplifier and superior quality speakers, including a facia-mounted tweeter and a concealed sub-woofer for superlative sound reproduction. The three radio tuners and two antennae work together to ensure that the best possible radio signal and traffic data is being received. Includes USB/MP3/iPod® connectivity port. (Only available on Titanium, Titanium X, and Titanium X Sport but not available with optional Touchscreen Navigation systems)

**Note** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company Limited and its associated companies is under licence. Other trademarks and trade names are those of their respective owners. iPod® is a trademark of Apple Corporation

**Note** It is an offence for drivers to use a hand-held mobile phone or similar device while driving.

#### Ford 6000 radio/CD

This stereo radio/CD player features 'Keycode' anti-theft coding, RDS EON, 24 programmable stations and eight speakers. Remote control functionality via the left steering wheel toggle switch. Includes AUX connection (Aux input lead available as an accessory for external music devices). (Standard on Edge and Zetec)

#### Touchscreen Navigation system with 7" colour touchscreen

Features a 7" colour touchscreen with map turn-by-turn instructions to your destination, (displayed in the instrument cluster), USB connectivity port for your iPod®, MP3 compatibility, remote audio controls and eight speakers. (Option)

Bluetooth® Audio streaming compatibility with certain mobile phones (see your Ford Dealer for details).

#### Touchscreen Navigation PLUS system with 7" colour touchscreen and rear-view camera

Features a Rear view camera, 7" colour touchscreen with map turn-by-turn instructions to your destination, (displayed in the instrument cluster) USB connectivity port for your iPod®, MP3 compatibility, remote audio controls, chrome switch detailing and nine speakers. (Option)

Bluetooth® audio streaming compatibility with certain mobile phones (see your Ford Dealer for details).

#### Ford Individual Rear Seat Entertainment DVD Multimedia System

Features a built-in DVD player with two independently-operated LCD 7" screens, remote control, two wireless headphones and includes keyless entry. (Option)

#### Toggle controls

Steering wheel-mounted toggle controls let you operate the audio system and trip computer without taking your hands off the wheel. (Standard)

#### USB connectivity port

Built-in connectivity for your iPod®, MP3 player or USB stick. Lets you listen to and operate your player via the car's audio system. (USB port is standard on Titanium, Titanium X & Titanium X Sport models; USB port on Zetec is included with optional Sony DAB audio system or optional navigation system)

A dedicated connector cable is available as an accessory for operating most iPods®.

**Eibach suspension-lowering kit**

The Eibach suspension-lowering kit enhances driving performance and handling as well as providing a more dynamic stance. Lowers the car by approximately 30 mm. (Accessory)

A range of distinctive alloy wheels designed to be the perfect complement to the dynamic styling of your Ford Mondeo.

**Wheels**

**Left:**  
**19" 5-spoke alloy wheel**  
(Standard on Titanium X Sport. Also available as an accessory)

**Note** The 18" and 19" wheels available on Ford Mondeo are designed to deliver more sporting driving characteristics and a firmer ride quality compared to 16" and 17" wheels. All alloy wheels shown are painted in Sparkle Silver unless otherwise stated.

**16" 7-spoke steel wheel/wheel cover**  
(Standard on Edge, except in combination with 1.6 Duratorq 115PS TDCi ECOnetic engine. Also available as an accessory)

**16" 12-spoke wheel cover**  
(Standard on Edge with 1.6 Duratorq 115PS TDCi ECOnetic engine which delivers 114g CO<sub>2</sub>)

**16" 5x2-spoke alloy wheel**  
(Standard on Zetec, option on Edge. Also available as an accessory)

**16" 5xY-spoke alloy wheel**  
(Accessory)

**16" 7x2-spoke alloy wheel**  
(Accessory)

**16" 7x2-spoke alloy wheel**  
(Accessory)

**16" 10-spoke alloy wheel**  
(Option and accessory)

**16" 24-spoke alloy wheel**  
(Accessory)

**17" 5x2-spoke alloy wheel**  
(Standard on Titanium & Titanium X. Also available as an accessory)

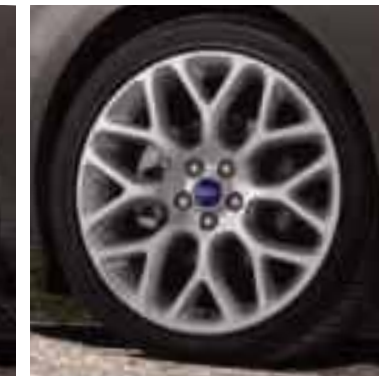

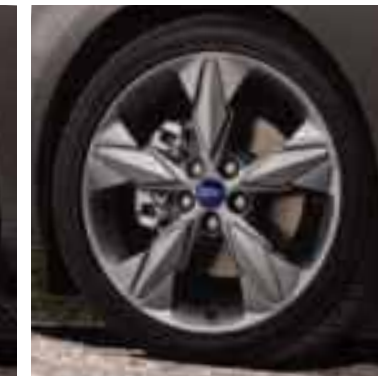

**17" 7x2-spoke alloy wheel**  
(Accessory)

**17" 15-spoke alloy wheel**  
(Accessory)

**18" 5xY-spoke alloy wheel**  
(Option and accessory)

**Ford Individual 18" 5-spoke Mystique Silver-painted alloy wheel**  
(Accessory)

**Ford Individual 19" 8-spoke alloy wheel**  
(Option and accessory\*)  
\*Only available with sports suspension. If ordered as an accessory, a steering rack limiter is required.

**Ford Lifestyle Collection Mountain Bike**

For off-road and fun excursions. This lightweight mountain bike with the new Ford full suspension aluminium frame is a real thoroughbred. (Accessory)

**Scuff plates with 'Mondeo' script\***

Polished stainless steel scuff plates both welcome you on board and protect the paintwork. (Available for front door sills.)

Choose from a wide range of storage and protection options and accessories, many of them purpose-built for your Ford Mondeo.

**Handy additions**

1. Load barrier retention net\*†
2. Thule ProRide lockable bike carrier\*
3. Lockable roof base carrier\*
4. Tow bar – fixed\* or detachable\*\*
5. Thule XTENDER ski/snowboard carrier\* – lockable and extendable
6. Thule roof box 'Pacific 200'\* with crossbars\*
7. Sliding load floor (Option not available in UK)
8. Waeco coolbox\* –One of a range of easy to carry 12 volt thermoelectric coolboxes \*
9. Mudflaps\* – protect your bodywork from unsightly stone chips and road spray
10. Britax child seat\* – with ISOFIX
11. ClimAir® wind deflector\* – for front and rear windows

For further information, please talk to your Ford Dealer.

\*Available as an accessory.  
 \*\*Available as an option and accessory.  
 \*\*\*Available as an option only.  
 †Meets European ECE-17.07/DIN 75410-2 safety requirements.  
 ‡Standard on Titanium, Titanium X and Titanium X Sport, also available as accessory.

This brochure shows both original Ford accessories and a range of carefully selected products from third party suppliers, which are identified under that third party supplier's brand name. Please note that third party supplier branded accessories do not come with a Ford warranty, but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer

**Dog guard system\*\*\***  
 Available for the estate: to fit behind the rear seats. (Option and accessory)

**Reversible luggage compartment mat\*\***  
 Ideal for carrying wet or dirty items and perfectly tailored to fit your luggage compartment, this reversible mat offers carpet on one side and durable rubber on the other. (Option and Accessory)

**Luggage compartment liner\***  
 Protects your luggage compartment from dirty and wet items. Shown here with accessory warning triangle, vest and first-aid kit. (Accessory)

**Polished and protected**  
 Rubber\* or velour\* floor mats and pedal set with aluminium covers\* enhance the looks and functionality of your Ford Mondeo. Driver's mat is fixed to prevent slippage. (Accessories)

**Rear bumper protection**  
 The bumper protection‡ shields the Mondeo estate's rear bumper from scuffs and scratches. Also available for all bodystyles is a transparent protection foil\*. (Accessory)

**Thule XTENDER ski/snowboard carrier\***  
 Innovative, fully-lockable ski carrier suitable for up to six pairs of skis or four snowboards. Comfortable slide-out function extends outside the roof area for easy access to your ski equipment. (Accessory)

\*In 4th gear. \*\*Ford test figures. \*\*The declared fuel consumptions and CO<sub>2</sub> emissions are measured according to the technical requirements and specifications of European Directive 80/1268/EEC or the European Regulation (EC) 715/2007 amended by (EC) 692/2008. Fuel consumption and CO<sub>2</sub> emissions are specified for a vehicle type and not for a single car. The applied standard test procedure enables to compare between different vehicle types and different manufacturers. This information is not part of any product offer made. Real world fuel consumption can vary as the fuel efficiency of a vehicle is influenced by (individual) car configurations, driving behaviour, use of technical equipment such as air conditioning, as well as other non-technical factors. **DPF** = Diesel Particulate Filter. All petrol engines are equipped with a catalytic converter.

Choosing the colour and trim for your Ford Mondeo is a defining moment and an enjoyable one, too. You'll know what's right in an instant.

The Ford Mondeo is covered by the Ford Perforation Warranty for 12 years from the date of first registration. Subject to terms and conditions.

\*Metallic and Special metallic body colours are options at extra cost.  
 Note The car images used are to illustrate body colours only and may not reflect current specification. Colours and trims reproduced within this brochure may vary from the actual colours, due to the limitations of the printing processes used.

# Making life easy

Our range of finance, insurance, service and assistance options is designed with just one thing in mind – making life easy for you.

## Ford Credit

When it comes to financing your vehicle, our size and expertise means we're well placed to provide you with a range of finance plans. An application for finance is straightforward and you'll usually get a decision within 15 minutes.

So what can your Ford Dealer provide?

**Ford Options** offers the flexibility to renew your Ford at anytime during your agreement - you're in complete control. At the end of the agreement you can Renew, Return or Retain your Ford.

**Ford Options Cashplan** provides all of the flexibility of Ford Options whilst freeing you from the need to make regular payments.

**Ford Acquire** is ideal if you're a private or business user who wants a traditional and convenient financing plan to own your vehicle. Simply put down a deposit, pay the remainder, plus interest, over an agreed period and the vehicle becomes yours.

**Ford Lease\*** provides simple, tailored funding solutions for your business, whatever the size. Business users only.

**Ford Insure\*\*** is our comprehensive motor insurance product, designed specifically for Ford drivers.

For more information on our finance products please visit [ford.co.uk](http://ford.co.uk).

Finance subject to status. Guarantees/indemnities may be required, Freepost Ford Credit.

\*Ford Lease is provided by ALD Automotive Ltd, trading as Ford Lease, Oakwood Park, Lodge Causeway, Fishponds, Bristol, BS16 3JA. ALD Automotive is registered in England No. 987418. For the purposes of the Data Protection Act 1998 the data controllers in relation to any information you supply are Ford Motor Company Limited, FCE Bank Plc and ALD Automotive. Finance subject to status. Guarantees and indemnities may be required. ALD Automotive is authorised and regulated by the Financial Services Authority.

\*\*Ford Insure is underwritten and administered by Royal & Sun Alliance Insurance plc, which is authorised and regulated by the Financial Services Authority. FCE Bank plc is authorised and regulated by the Financial Services Authority and acts as an insurance intermediary in relation to Ford Insure. In relation to this same product, Ford Motor Company Limited is an appointed representative of FCE Bank plc. Ford Motor Company Limited acts as an insurance intermediary. Calls may be recorded and monitored.

## Configure your Ford & apply for finance online

Choose and change bodystyle, colour, trim and options, and instantly see how your new Ford will look from many angles. You can even get a price and finance quotation for your configured car and apply for finance with Ford Credit online.

## Services

### Ford Protect

Your new Ford is protected by a 3-year/60,000-mile Ford Protect Classic Plan Warranty, and comes with Ford Assistance roadside cover throughout the UK and Europe for 1 year. You can also upgrade to a Ford Protect Premium Plan, giving you the option of scheduled servicing and extended Ford Assistance.

### Ford Service

Like any vehicle, your new Ford needs servicing regularly to keep it in the best condition and to maintain its value. The Ford authorised repairer network is independently quality checked to ensure the highest standards of workmanship are maintained. Ford has the largest repairer network in the UK, and uses Ford-trained technicians, Ford-specific tools and the latest computerised diagnostic equipment specifically for your Ford.

### Ford Accident Repair Centres

Should your Ford require accident repair, an approved Ford Accident Repair Centre is the best place to return your vehicle to its pre-accident condition. Repairers displaying the Ford Accident Repair Centre sign meet the rigorous customer service, technical and quality standards demanded by Ford. Ford trained technicians, the latest repair equipment and the use of original parts mean that the future safety and value of your vehicle are assured.

## Contacts

### Ford Customer Relationship Centre

In the unlikely event that your Ford Dealer can't help you or if you need to speak to us directly, call 0845 841 1111 at local rates.

### Ford Rental - local service nationwide

Car and van rental from our latest model range. Contact your local Ford Dealer for more information.

### Ford Mobility

Our dedicated care centre provides free information on all motoring and mobility issues, including special offers for HRDLA and Motability recipients.

Call us on 0845 6040019 at local rates.

MY 2012.25 GBR en

**Illustrations, descriptions and specifications.** This brochure was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack', etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of carefully selected products from our suppliers, which are featured under their own brands. All supplier branded products are subject to warranty terms defined by the relevant suppliers and do not lie within the responsibility of Ford. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. Other trademarks and trade names are those of their respective owners.

**The Government fuel figures** do not express or imply any guarantee of the fuel consumption of any particular car. The cars themselves have not been tested and there are inevitably differences between individual cars of the same model. In addition, a car may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the car has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.

**Allergy-tested interior** All materials used in the manufacture of the interior of this vehicle meet the strict requirements of the TÜV TOXPROOF Criteria Catalogue for Vehicle Interiors by the TÜV Produkt und Umwelt GmbH and are designed to minimise the risk of allergic reactions. With doors and windows closed, the interior materials selected – together with the integrated pollen filter – protect the passengers against most allergising particles from the outdoor air. At higher temperatures, the additional use of air conditioning is recommended.

Ford and BP – working together to reduce fuel consumption and emissions.
